Christopher decides that he will track down the real killer, and turns to his favourite fictional character, the impeccably logical Sherlock Holmes, for inspiration. But the investigation leads him down some unexpected paths

California. By this, Steinbeck exemplifies the fate of migrant workers in the USA during the 1930's. The novel should be motivating for the pupils as it constitutes an authentic documentation of the social circumstances during the time of the Great Depression.(2)

Furthermore, the

dramatic story of the family Joad is gripping and arouses empathy. The novel, moreover, refers to central topics, like work ethnic and inequality, which can be connected to the current problems of globalization. In The Grapes of Wrath Steinbeck makes use of the migrants' authentic language. That is why
