Chinese Reading Comprehension, Grade 3, Book 2. This textbook is presented by TongLe Chinese School, for students to practice the comprehension strategies and skills they need to become strong and successful readers. Fiction and nonfiction passages with comprehension questions help to engage students in reading, thinking about, and responding to a variety of texts. For more information, please visit www.tonglec.org.

High-interest, nonfiction articles help students learn about science and social studies topics while developing skills in reading comprehension. Each story is followed by questions that cover main idea, details, vocabulary, and critical reasoning. The format is similar to that of standardized tests, so as students progress through the book's units, they are preparing for success in testing. Hone your reading skills with a fun story deck and Q&A! Sharpen your skills while you play! Here are 56 accessible, entertaining, illustrated stories designed just for third graders—a biography of Martin Luther King Jr., a fun poem about peas, a history of the Rose Bowl, a scientific article about the sun. Following each story card is a reading comprehension card with lively questions about action, characters, and content. And then comes a card with questions on grammar, phonics, word choice, and other ELA topics. Brain Quest Reading Grade 3 is an excellent way for kids to hone their skills and become accomplished, enthusiastic readers - all in the form of a fun game to play with a friend, a parent, or by yourself. Vetted by a panel of America's highest award-winning teachers, and embraced by kids and parents because it flat-out works, Brain Quest opens a world of information and education with its fast-paced question-and-answer format, bright full-color illustrations, and lively attitude.

Covers each topic with a Big Book for teachers and three small books for students to read on their own. The Big Books provide an instructional focus for teaching maths concepts and vocabulary. The small books support, reinforce and consolidate the concepts in a format that students can read on their own.
