NAMED A MOST ANTICIPATED BOOK OF 2018 BY Esquire • PopSugar • The Huffington Post • BuzzFeed • Publishers Weekly A unique new guide to creativity from Questlove—inspirations, stories, and lessons on how to live your best creative life Questlove—musician, bandleader, designer, producer, culinary entrepreneur, professor, and all-around cultural omnivore—shares his wisdom on the topics of inspiration and originality in a one-of-a-kind guide to living your best creative life. In *Creative Quest*, Questlove synthesizes all the creative philosophies, lessons, and stories he’s heard from the many creators and collaborators in his life, and reflects on his own experience, to advise readers and fans on how to consider creativity and where to find it. He addresses many topics—what it means to be creative, how to find a mentor and serve as an apprentice, the wisdom of maintaining a creative network, coping with critics and the foibles of success, and the specific pitfalls of contemporary culture—all in the service of guiding admirers who have followed his career and newcomers not yet acquainted with his story. Whether discussing his own life or channeling the lessons he’s learned from forefathers such as George Clinton, collaborators like D’Angelo, or like-minded artists including Ava DuVernay, David Byrne, Björk, and others, Questlove speaks with the candor and enthusiasm that fans have come to expect. *Creative Quest* is many things—above all, a wise and wide-ranging conversation around the eternal mystery of creativity.

As the producer of the Grammy Awards show, author Ken Ehrlich has seen it all. From Barbra Streisand to Bono, he has dealt with every major super-talent in music, making key decisions, solving problems, and putting on the most spectacular awards ceremonies in the history of television. For the first time he tells his story - the best and the worst of the rock stars, the divas, and the flash in the pans; the tear-jerkers and heartbreakers; the near-disasters; and of course the wild successes that are all part of Music's Biggest Night.

Iconic bassist and co-founder of the immortal Red Hot Chili Peppers finally tells his fascinating life story, complete with all the dizzying highs and the gutter lows you'd expect from an LA street rat turned world-famous rock star.

Before *It Ends with Us*, it started with *Atlas*. Colleen Hoover tells fan favorite *Atlas*'s side of the story and shares what comes next in this long-anticipated sequel to the “glorious and touching” (USA TODAY) #1 New York Times bestseller *It Ends with Us*. Lily and her ex-husband, Ryle, have just settled into a civil coparenting rhythm when she suddenly bumps into her first love, Atlas, again. After nearly two years separated, she is elated that for once, time is on their side, and she immediately says yes when Atlas asks her on a date. But her excitement is quickly hampered by the knowledge that, though they are no longer married, Ryle is still very much a part of her life—and Atlas Corrigan is the one man he will hate being in his ex-wife and daughter's life. Switching between the perspectives of Lily and Atlas, *It Starts with Us* picks up right where the epilogue for the “gripping, pulse-pounding” (Sarah Pekkanen, author of *Perfect Neighbors*) bestselling phenomenon *It Ends with Us* left off. Revealing more about Atlas's past and following Lily as she embraces a second chance at true love while navigating a jealous ex-husband, it proves that “no one delivers an emotional read like Colleen Hoover” (Anna Todd, New York Times bestselling author).

One of the hottest pop divas in the world, this hip, gutsy, talented superstar is the top-selling female singer of the nineties. *Mariah Carey Revisited* is a must-read for in-depth, up-to-date information on the singer's recent world tours, collaborations (with hip-hop artists like Puff Daddy and Bone Thugs-n-Harmony), her sexy new image, and the *Butterfly* album.

Trouble Boys is the first definitive, no-holds-barred biography of one of the last great bands of the twentieth century: The Replacements. With full participation from reclusive singer and chief songwriter Paul Westerberg, bassist Tommy Stinson, guitarist Slim Dunlap, and the family of late band co-founder Bob Stinson, author Bob Mehr is able to tell the real story of this highly influential group, capturing their chaotic, tragic journey from the basements of Minneapolis to rock legend. Drawing on years of research and access to the band's archives at Twin/Tone Records and Warner Bros. Mehr also discovers previously unrevealed details from those in the group's inner circle, including family, managers, musical friends and collaborators.

National Bestseller A brilliant and empowering collection of final reflections and words of wisdom from venerable civil rights champion, the late Congressman John Lewis at the end of his remarkable life. Congressman John Lewis was a paragon of the Civil Rights Movement and political leadership for decades. A hero we won't soon forget, Lewis was a beacon of hope and a model of humility whose invocation to “good trouble” continues to inspire millions across our nation. In his last months on earth, even while battling cancer, he dedicated time to share his memories, beliefs, and advice—exclusively immortalized in these pages—as a message to the generations to come. Organized by topic ranging from justice, courage, faith, mentorship, and forgiveness to the protests and the pandemic, and many more

besides, Carry On collects the late Congressman's thoughts for readers to draw on whenever they are in need of guidance. John Lewis had great confidence in our future, even as he died in the midst of one of our country's most challenging years to date. With this book, he performs that crucial passing of the baton, empowering us to live up to the legacy he has left us with his perseverance, dedication, profound insight, and unwavering ability to see the good in life.

Book store nation, in the history of mankind there has never been a greater country than America. You could say we're the #1 nation at being the best at greatness. But as perfect as America is in every single way, America is broken! And we can't exchange it because we're 236 years past the 30-day return window. Look around--we don't make anything anymore, we've mortgaged our future to China, and the Apologist-in-Chief goes on world tours just to bow before foreign leaders. Worse, the L.A. Four Seasons Hotel doesn't even have a dedicated phone button for the Spa. You have to dial an extension! Where did we lose our way?! It's high time we restored America to the greatness it never lost! Luckily, America Again will singlebookedly pull this country back from the brink. It features everything from chapters, to page numbers, to fonts. Covering subject's ranging from healthcare ("I shudder to think where we'd be without the wide variety of prescription drugs to treat our maladies, such as think-shuddering") to the economy ("Life is giving us lemons, and we're shipping them to the Chinese to make our lemon-flavored leadonade") to food ("Feel free to deep fry this book-it's a rich source of fiber"), Stephen gives America the dose of truth it needs to get back on track.

In this New York Times bestseller, comedy legend Carol Burnett tells the hilarious behind-the-scenes story of her iconic weekly variety series, The Carol Burnett Show. In In Such Good Company, Carol Burnett pulls back the curtain on the twenty-five-time Emmy-Award winning show that made television history, and she reminisces about the outrageously funny and tender moments that made working on the series as much fun as watching it. Carol delves into little-known stories of the guests, sketches and improvisations that made The Carol Burnett Show legendary, as well as some favorite tales too good not to relive again. While writing this book, Carol rewatched all 276 episodes and screen-grabbed her favorite video stills from the archives to illustrate the chemistry of the actors and the improvisational magic that made the show so successful. Putting the spotlight on everyone from her costars to the impressive list of guest stars, Carol crafts a lively portrait of the talent and creativity that went into every episode. With characteristic wit and incomparable comic timing, she details hiring Harvey Korman, Vicki Lawrence, Lyle Waggoner, and Tim Conway; shares anecdotes about guest stars and close friends, including Lucille Ball, Roddy McDowell, Jim Nabors, Bernadette Peters, Betty Grable, Steve Lawrence, Eydie Gorme, Gloria Swanson, Rita Hayworth, and Betty White; and gives her take on her favorite sketches and the unpredictable moments that took both the cast and viewers by surprise. This book is Carol's love letter to a golden era in television history through the lens of her brilliant show. Get the best seat in the house for "eleven years of laughter, mayhem, and fun in the sandbox."

The Lyrics of HADESTOWN

#1 NEW YORK TIMES BESTSELLER • Barack Obama's lucid vision of America's place in the world and call for a new kind of politics that builds upon our shared understandings as Americans, based on his years in the Senate "In our lowdown, dispiriting era, Obama's talent for proposing humane, sensible solutions with uplifting, elegant prose does fill one with hope."—Michael Kazin, The Washington Post In July 2004, four years before his presidency, Barack Obama electrified the Democratic National Convention with an address that spoke to Americans across the political spectrum. One phrase in particular anchored itself in listeners' minds, a reminder that for all the discord and struggle to be found in our history as a nation, we have always been guided by a dogged optimism in the future, or what Obama called "the audacity of hope." The Audacity of Hope is Barack Obama's call for a different brand of politics—a politics for those weary of bitter partisanship and alienated by the "endless clash of armies" we see in congress and on the campaign trail; a politics rooted in the faith, inclusiveness, and nobility of spirit at the heart of "our improbable experiment in democracy." He explores those forces—from the fear of losing to the perpetual need to raise money to the power of the media—that can stifle even the best-intentioned politician. He also writes, with surprising intimacy and self-deprecating humor, about settling in as a senator, seeking to balance the demands of public service and family life, and his own deepening religious commitment. At the heart of this book is Barack Obama's vision of how we can move beyond our divisions to tackle concrete problems. He examines the growing economic insecurity of American families, the racial and religious tensions within the body politic, and the transnational threats—from terrorism to pandemic—that gather beyond our shores. And he grapples with the role that faith plays in a democracy—where it is vital and where it must never intrude. Underlying his stories is a vigorous search for connection: the foundation for a radically hopeful political consensus. Only by returning to the principles that gave birth to our Constitution, Obama says, can Americans repair a political process that is broken, and restore to working order a government that has fallen dangerously out of touch with millions of ordinary Americans. Those Americans are out there, he writes—"waiting for Republicans and Democrats to catch up with them."

"The idea is inspired and the treatment piercingly beautiful . . . Two formidable artists have shown respect for the integrity of each other's work here and the result is magnificent."

—Independent "Bob Dylan's back catalogue is used to glorious effect in Conor McPherson's astonishing cross-section of hope and stoic suffering . . . It is the constant dialogue between the

drama and the songs that makes this show exceptional.” —Guardian “Beguiling and soulful and quietly, exquisitely, heartbreaking. A very special piece of theatre.” —Evening Standard “A populous, otherworldly play that combines the hard grit of the Great Depression with something numinous and mysterious.” —Telegraph Duluth, Minnesota. 1934. A community living on a knife-edge. Lost and lonely people huddle together in the local guesthouse. The owner, Nick, owes more money than he can ever repay, his wife Elizabeth is losing her mind, and their daughter Marianne is carrying a child no one will account for. So when a preacher selling bibles and a boxer looking for a comeback turn up in the middle of the night, things spiral beyond the point of no return . . . In *Girl from the North Country*, Conor McPherson beautifully weaves the iconic songbook of Bob Dylan into a show full of hope, heartbreak and soul. It premiered at the Old Vic, London, in July 2017, in a production directed by the author. Conor McPherson is an award-winning Irish playwright. His best-known works include *The Weir* (Royal Court; winner of the 1999 Olivier Award for Best New Play), *Dublin Carol* (Atlantic Theater Company) and *The Seafarer* (National Theatre). Bob Dylan, born in Duluth, Minnesota, in 1941, is one of the most important songwriters of our time. Dylan was awarded the Nobel Prize for Literature in 2016. In 2017, a routine network television investigation led to a story only whispered about: one of Hollywood's most powerful producers was a predator, protected by fear, wealth, and a conspiracy of silence. As Farrow drew closer to the truth, shadowy operatives, from high-priced lawyers to elite war-hardened spies, mounted a secret campaign of intimidation, threatening his career, following his every move, and weaponizing an account of abuse in his own family. In this powerful and personal reflection, a New York Times bestseller, President Jimmy Carter contemplates how faith has sustained him in happiness and disappointment and considers how we may find it in our own lives. All his life, President Jimmy Carter has been a courageous exemplar of faith. Now he shares the lessons he learned. He writes, “The issue of faith arises in almost every area of human existence, so it is important to understand its multiple meanings. In this book, my primary goal is to explore the broader meaning of faith, its far-reaching effect on our lives, and its relationship to past, present, and future events in America and around the world. The religious aspects of faith are also covered, since this is how the word is most often used, and I have included a description of the ways my faith has guided and sustained me, as well as how it has challenged and driven me to seek a closer and better relationship with people and with God.” Quoting eminent Protestant theologians, in *Faith* President Carter describes his belief in religious freedom, moral politics, and the place of prayer in his daily life. He examines faith’s many meanings, he describes how to accept it, live it, how to doubt and find faith again. This is a serious and moving reflection from one of America’s most admired and respected citizens.

"America today is teetering on the edge of the alarming vision presented in LeVar Burton's debut novel, written more than two decades ago...In 2012, the first African American president is assassinated by a white extremist--just four days after he is elected. The horrific tragedy leads to riots, financial collapse, and ultimately, a full-on civil war. In its aftermath, millions are left homeless as famine and disease spread throughout the country. But from Chicago, a mysterious voice cries out...To Leon Crane, a former NASA scientist now struggling to survive on the streets, the pleas he hears remind him of the wifed--and offer him a chance at redemption. To Jacob Fire Cloud, a revered Lakota medicine man, the voice is a sign that the White Buffalo Woman has returned to unite all the races in peace and prosperity. These three strangers will be drawn together to rescue someone they have never met, a woman who holds the key to a new future for humanity--one remarkably brimming with hope"--

Global Pop examines the rise of "world musics" and "world beat", and some of the musicians associated with these recent genres such as Peter Gabriel, Ladysmith Black Mambazo, and Johnny Clegg. Drawing on a wide range of sources - academic, popular, cyber, interviews, and the music itself - Global Pop charts an accessible path through many of the issues and contradictions surrounding the contemporary movement of people and musics worldwide. Global Pop examines the range of discourses employed in and around world music, demonstrating how the central concept of authenticity is wielded by musicians, fans, and other listeners, and looks at some of these musics in detail, examining ways they are caught up in forms of domination and resistance. The book also explores how some cross-cultural collaborations may fashion new musics and identities through innovative combinations of sounds and styles.

No one knows more about everything—especially everything rude, clever, and offensively compelling—than John Waters. The man in the pencil-thin mustache, auteur of the transgressive movie classics *Pink Flamingos*, *Polyester*, *Hairspray*, *Cry-Baby*, and *A Dirty Shame*, is one of the world’s great sophisticates, and in *Mr. Know-It-All* he serves it up raw: how to fail upward in Hollywood; how to develop musical taste, from *Nervous Norvus* to *Maria Callas*; how to build a home so ugly and trendy that no one but you would dare live in it; more important, how to tell someone you love them without emotional risk; and yes, how to cheat death itself. Through it all, Waters swears by one undeniable truth: “Whatever you might have heard, there is absolutely no downside to being famous. None at all.” Studded with cameos, from *Divine* and *Mink Stole* to *Johnny Depp*, *Kathleen Turner*, *Patricia Hearst*, and *Tracey Ullman*, and illustrated with unseen photos from the author’s personal collection, *Mr. Know-It-All* is Waters’ most hypnotically readable, upsetting, revelatory book—another instant Waters classic. “Waters doesn’t kowtow to the received wisdom, he flips it the bird . . . [Waters] has the ability to show humanity at its most ridiculous and make that funny rather than repellent.” —Jonathan Yardley, *The Washington Post* “*Carsick* becomes a portrait not just of America’s desolate freeway nodes—though they’re brilliantly evoked—but of American fame itself.” —Lawrence Osborne, *The New York Times Book Review*

#1 NEW YORK TIMES BESTSELLER • A panoramic experience that tells the story of Beastie Boys, a book as unique as the band itself—by band members ADROCK and Mike D, with contributions from Amy Poehler, Colson Whitehead, Wes Anderson, Luc Sante, and more. The inspiration for the Emmy-nominated Apple TV+ “live documentary” *Beastie Boys Story*, directed by Spike Jonze NAMED ONE OF THE BEST BOOKS OF THE YEAR BY Rolling Stone • The Guardian • Paste Formed as a New York City hardcore band in 1981, Beastie Boys struck an unlikely path to global hip hop superstardom. Here is their story, told for the first time in the words of the band. Adam “ADROCK” Horovitz and Michael “Mike D” Diamond offer revealing and very funny accounts of their transition from teenage punks to budding rappers; their early collaboration with Russell Simmons and Rick Rubin; the debut album that became the first hip hop record ever to hit #1, *Licensed to Ill*—and the album’s messy fallout as the band broke with Def Jam; their move to Los Angeles and rebirth with the genre-defying masterpiece *Paul’s Boutique*; their evolution as musicians and social activists over the course of the classic albums *Check Your Head*, *Ill Communication*, and *Hello Nasty* and the Tibetan Freedom Concert benefits conceived by the late Adam “MCA” Yauch; and more. For more than thirty years, this band has had an inescapable and indelible influence on popular culture. With a style as distinctive and eclectic as a Beastie Boys album, *Beastie Boys Book* upends the typical music memoir. Alongside the band narrative you will find rare photos, original illustrations, a cookbook by chef Roy Choi, a graphic novel, a map of Beastie Boys’ New York, mixtape playlists, pieces by guest contributors, and many more surprises. Praise for *Beastie Boys Book* “A fascinating, generous book with portraits and detail that float by in bursts of color . . . As with [the band’s] records, the book’s structure is a lyrical three-man weave. . . . Diamond’s voice is lapidary, droll. Horovitz comes on like a borscht belt comedian, but beneath that he is urgent, incredulous, kind of vulnerable. . . . Friendship is the book’s subject as much as music, fame and New York.”—*The New York Times Book Review* “Wild, moving . . . resembles a Beastie Boys LP in its wild variety of styles.”—*Rolling Stone*

Beastie Boys Book

Elegant and welcoming houses in bucolic settings by Charles Hilton, a leading traditional architect in Greenwich. This book presents nine spectacular houses, each responding to an spectacular site. They are the work of Charles Hilton, a leading traditional architect in Greenwich, Connecticut, whose firm has been honored with multiple regional and national awards including Palladio and Stanford White awards. As an architect, Hilton is committed to designing imaginative buildings that inspire and delight and to creating a humanistic architecture that embodies the aspirations of his clients. He works in traditional vocabularies--principally Georgian, Beaux-Arts and shingle style--with exquisite classical detailing, but his houses are completely contemporary in incorporating state-of-the-art technology and sustainable design. As he observes, "Our clients rely on our creativity and ingenuity to create houses that honor tradition, while seamlessly integrating modern amenities essential for contemporary living." Hilton has practiced in Greenwich for more than thirty years, and he is completely fluent in the rich and diverse architectural heritage. This means that his houses, while meticulously detailed and impressive, are also beautifully integrated into the panoramic waterfronts, rolling lawns and rustic back-country landscapes that are characteristic of Greenwich and the surrounding countryside.

National Geographic reveals gloriously romantic vacations. Whatever kind of getaway you are planning-- wedding, anniversary, Valentine's Day, or other amorous special occasions-- you will find secluded beaches, exotic jungles and luxurious spas that offer the perfect passionate escape. The book includes recommendations for hotel rooms with the best sunset views, with a flair for romance, and ideas to add a special touch to your trip.

In the tradition of Malcolm Gladwell, Gardner explores a new way of thinking about the decisions we make. We are the safest and healthiest human beings who ever lived, and yet irrational fear is growing, with deadly consequences — such as the 1,595 Americans killed when they made the mistake of switching from planes to cars after September 11. In part, this irrationality is caused by those — politicians, activists, and the media — who promote fear for their own gain. Culture also matters. But a more fundamental cause is human psychology. Working with risk science pioneer Paul Slovic, author Dan Gardner sets out to explain in a compulsively readable fashion just what that statement above means as to how we make decisions and run our lives. We learn that the brain has not one but two systems to analyze risk. One is primitive, unconscious, and intuitive. The other is conscious and rational. The two systems often agree, but occasionally they come to very different conclusions. When that happens, we can find ourselves worrying about what the statistics tell us is a trivial threat — terrorism, child abduction, cancer caused by chemical pollution — or shrugging off serious risks like obesity and smoking. Gladwell told us about “the black box” of our brains; Gardner takes us inside, helping us to understand how to deconstruct the information we're bombarded with and respond more logically and adaptively to our world. *Risk* is cutting-edge reading.

"Working On A Song is one of the best books about lyric writing for the theater I've read."—Lin-Manuel Miranda Anais Mitchell named to TIME's List of the 100 Most Influential People in the World of 2020 An illuminating book of lyrics and stories from *Hadestown*—the winner of eight Tony Awards, including Best Musical—from its author, songwriter Anais Mitchell with a foreword by Steve Earle On Broadway, this fresh take on the Greek myth of Orpheus and Eurydice has become a modern classic. Heralded as "The best new musical of the season," by *The Wall Street Journal*, and "Sumptuous. Gorgeous. As good as it gets," by *The New York Times*, the show was a breakout hit, with its poignant social commentary, and spellbinding music and lyrics. In this book, Anais Mitchell takes readers inside her more than decade's-long process of building the musical from the ground up—detailing her inspiration, breaking down the lyrics, and opening up the process of creation that gave birth to *Hadestown*. Fans and newcomers alike will love this deeply thoughtful, revealing look at how the songs from "the underground" evolved, and became the songs we sing again and again.

National Book Award-winner Ha Jin's arresting debut novel , *In the Pond*, is a darkly funny portrait of an amateur calligrapher who wields his delicate artist's brush as a weapon against the powerful party bureaucrats who rule his provincial Chinese town. Shao Bin is a downtrodden worker at the Harvest Fertilizer Plant by day and an aspiring artist by night. Passed over on the list to receive a decent apartment for his young family, while those in favor with the party's leaders are selected ahead of him, Shao Bin chafes at his powerlessness. When he attempts to expose his corrupt superiors by circulating satirical cartoons, he provokes an escalating series of merciless counterattacks that send ripples beyond his small community. Artfully crafted and suffused with earthy wit, *In the Pond* is a moving tale about humble lives caught up in larger social forces.
