Ann Moura, the author of the popular Green Witchcraft series, is back with a new, one-of-a-kind spellbook on lunar magic. This is the only guidebook available that uses Mansions of the Moon correspondences to empower Esbat rituals and spellwork. The moon goes through twenty-eight distinct "mansions," or sections of the sky, as it travels through the twelve signs of the zodiac. Each mansion is appropriate for certain types of magic, as described in ceremonial magic books, such as Agrippa's Three Books of Occult Philosophy or Barrett's The Magus. Now this esoteric information is available to Witches, complete with suggested workings for both the waxing and the waning lunar phase in each mansion. Moura provides the tools, the instruction, and examples of how to utilize the Mansions of the Moon to add depth and potency to your spells and rituals. More than one hundred workings are presented, including candle spells, charm bags, meditations, magical oils, talismans, amulets, incense, teas, and much more.

This book is essentially a Book of Shadows, a Kitchen Witch's Grimoire. It covers what it means to be a Witch, how a Witch works, what a Witch does and how a Witch celebrates the turning of the seasons. It is packed full of information about all sorts of subjects from a breakdown of rituals and magical tools to reading auras and rites of passage, along with meditations, recipes for oils, incenses and spells and a huge amount of crafts to make for each Sabbat. The information herein does not follow any strict tradition; it is a personal interpretation of witchcraft melding together different experiences. Magic and the Craft are fluid and flexible, it is ever changing and we are ever learning.

Recipes, Spells, and Wisdom from the Hedgewood
Once upon a time the witch held a place of esteem in the village; her knowledge of local plants and wayside herbs were used to heal; her wisdom and empathy made her the village matchmaker and marriage counselor; and her ability to commune with nature and animals gave her a place of revelry and wisdom. She was the Hedgewitch. Aimed at the busy witch, who is both breadmaker and breadwinner, this book revives the spirit of the Hedgewitch and teaches you how to make every day one full of wisdom, healing, and magic. For the practicing or would-be witch whose life is more jeans, chaos, and the never-ending question of what's for dinner than it is black robes, cauldrons, and incantations, Mandy Mitchell has a recipe for you! "I want to demonstrate how daily chores can become magical rituals with the potential to enrich and transform your life—everything from the way we form relationships with our families and friends to cooking, cleaning, and healing."—Bustle
