FBA is an acronym for Fulfilled by Amazon. When you get into the Amazon FBA program, all the hard work is done by Amazon. How it works: You source products and send them to Amazon. They, in turn, store the products in their warehouses. The products are inventoried then sorted. If an item is damaged in the warehouse, Amazon will pay you the full price. When a buyer orders your product on Amazon, the transaction will be handled by Amazon (the process is automated). Amazon packs the item and ships it to your customer. They also follow up after the product has been delivered to make sure the customer is satisfied.

With "elements of The Bold Type, Mad Men, and The Devil Wears Prada" (Entertainment Weekly), a young woman navigates a tricky twenty-first-century career—and the trickier question of who she wants to be—in this savagely wise debut novel Casey Pendergast is losing her way. Once a book-loving English major, Casey lands a job at a top ad agency that highly values her ability to tell a good story. Her best friend thinks she's a sellout, but Casey tells herself that she's just paying the bills—and she can't help that she has champagne taste. When her hard-to-please boss assigns her to a top-secret campaign that pairs literary authors with corporations hungry for upmarket cachet, Casey is both excited and skeptical. But as she crisscrosses America, wooing her former idols, she's shocked at how quickly they compromise their integrity. A short-story writer leaves academia to craft campaigns for a plus-size clothing chain, a reclusive nature writer signs away her life's work to a manufacturer of granola bars. When she falls in love with one of her authors, Casey can no longer ignore her own nagging doubts about the human cost of her success. By the time the year's biggest book festival rolls around in Las Vegas, it will take every ounce of Casey's moxie to undo the damage—and, hopefully, save her own soul. Told in an unforgettable voice, with razor-sharp observations about everything from feminism to pop culture to social media, A Lady's Guide to Selling Out is the story of a young woman untangling the contradictions of our era and trying to escape the rat race—by any means necessary. Praise for A Lady's Guide to Selling Out "Bitingly funny . . . [Sally] Franson's snappy debut nimblely skewers the high-flying world of advertising and romance in the age of social media. . . . Franson's irresistibly flawed heroine holds her own as she strives to find honesty, meaning, and even love in a demanding world, resulting in an addictive, escapist novel."—Publishers Weekly "A high-spirited heroine loses herself in a vortex of modern striving in this debut novel. . . . Come for the hilarious narration, stay for the whirlwind plot, luxuriate in the satirical gleam."—Kirkus Reviews "A wry, observant take on career success and ambition."—New York Post "A book lover is torn between a cushy gig and . . . well, her soul, basically."—Cosmopolitan

One of your ultimate goals brand building on FBA Amazon is to achieve a credible rating from Amazon, as such can quickly build your ranks and get you into the big league of the fastest growing sellers on the site. The best possible way to achieve higher rating is to sell the top-most quality products and get more reviews from your buyers. You don't have to be a marketing guru to achieve this, all you need is to be consistent with some little extra hard work and time. Don't be in a rush to start selling products on Amazon FBA, take your time to familiarize yourself with the system and learn from the mistakes of other sellers. Don't hesitate to have a mentor if there is a need for such, because you can always learn from your mentors and follow their footsteps to become successful FBA seller. From the first moment you join the FBA program, you must connect with older members who have the experience and technical knowledge of how the program operates. Leveraging on the wealth of experience of others can help you to grow your FBA business quickly. If you are making few sales constantly, you should consider expanding your line of business, by adding more product ranges, and expanding your streams of income. Don't be afraid of trying out newly private-labeled products on Amazon, because the products you don't have in mind before, may be the ones to launch you into your first 6-figure income.

You want to start your own business online, but confused about where to go or where to begin. Obviously, you need to keep in mind that any business, whether online or not, will require time and resources, therefore, you are not ready yet, until you put these two in place. This does not mean you have to spend too much just to start your own business online, as a matter of fact , it costs nothing to sign up and start making money on Amazon, eBay and Alibaba, as long as you have something to sell, promote or service to render. Secondly, you don't have to sell anything to make money on Amazon eBay or Alibaba, you can also make money by promoting existing products, through your Affiliate marketing and referral links. You probably have a regular job that takes most of your time, thus time may be something you rarely have, but the good news is that, you don't have to spend several hours online before you can start making money (even 1-2 hour a day should be enough, if you know what you are doing and you have a great medium where you can easily connect with your potential clients). If you have enough time in your hands, you can decide to sell your own goods on Amazon, eBay and Alibaba. In this situation, you need to know how much time you need to search or get supplies of your products, package them, and ship them. Likewise, you need to keep in mind those shipping fees you will incur alongside other handling charges. However, if you don't have much time to export or ship goods online, you can just find products to promote and sell. In this case, you need to know what products to search for and how to create a huge followership that can be converted into repeated sales, for the products. You need to do quite a number of researches before you decide which product to sell, because there are lots of junks out there that may never generate a single dollar. You need to also keep in mind that ecommerce websites such as Amazon, eBay and Alibaba and always in favour of customers, therefore any complaint from them means you will lose your rating and possibly the opportunity of making money on a deal. Subsequent chapters will highlight some of the things you need to do to avoid losses and maintain steady streams of income on the three largest online Ecommerce websites. Likewise, the next chapter gives you incredible figures that should lure you into starting your own business on Amazon, eBay, and Alibaba
