

# Guide To The Canadian Family Medicine Examination

In its second edition, this accessible health and human services manual offers a critical overview of the issues and challenges that families face and provides practical strategies for promoting resilience and positive family functioning. Through clinical and sociological perspectives and employing a strengths-based approach, this revised edition provides a broad overview of factors affecting Canadian families such as diverse family structures, healthy and unhealthy forms of communication, family culture and beliefs, couple dynamics, addiction, and developmental and psychiatric disabilities. Covering a wide range of topics, the author draws special attention to LGBTQ and military families, the effects of violence and trauma, and professional ethics and self-care. An indispensable resource for students and practitioners of social services, child and youth work, and early childhood education, the revised edition of *Working with Families, Second Edition* reflects current research and practices in the field and features updated statistics and accessible language.

For ten years, and through four editions, people have relied on the best selling *Guide to the Basics of Ontario Family Law* for straightforward advice on important decisions. Whether you are getting married, separating, divorcing, changing a family law agreement or court

## File Type PDF Guide To The Canadian Family Medicine Examination

order, or involved with a children's aid society, knowing how the Ontario Family Law System works and how to avoid some of its dangers really helps. The expanded and updated fourth edition of the Guide to the Basics of Ontario Family Law, Certified Specialist in Family Law, John Schuman, provides clear explanations about the important family law issues that people face every day. A reference for anyone who needs to understand Ontario family law, the Guide to the Basics of Ontario Family Law helps answer questions, clarify the issues, and lessen the stress that is often associated with family law matters. Almost 600 citations show the laws and court decisions that judges, and lawyers used everyday in Family Law. John Schuman presents the basics of Ontario family law from start to finish. He reviews marriage contracts and cohabitation agreements: what they are, why you need one, and how to do them properly. He also explains what happens when couples separate, including information on getting divorced, custody, access, parenting concerns, child and spousal support and division of assets and debts. John Schuman explains all options - from negotiation to mediation to collaborative practice, to the government child support calculation service to going to court - and what to expect with each one. He even explains what to do when a Children's Aid Society calls and what to do at each step in to court.

Written specifically for the needs of family and adult nursing students, medical students, and primary care practitioners in Canada, this gold standard reference of

Raising a Kid with Special Needs

**What if you didn't have to work for 35 years in order to retire? This Canadian-based guide will help you retire way earlier than you think possible. Réjean Venne and his wife left the corporate world to retire at the ages of 29 and 28. In this book, they share the strategies that helped them reduce their family expenses to under \$30,000 per year and quit their jobs to become full-time parents. Their common sense approach helped them generate enough passive income to no longer rely on traditional careers, and made them millionaires by the age of 30. This unique account of a Canadian family's journey to early retirement will explore: Why you should retire, especially if you have children; How retirement doesn't have to be thirty or forty years away; How you can rapidly grow your net worth in the hundreds of thousands of dollars to achieve financial independence early; How to generate and manage passive income; How you can live a very happy and fulfilling life with plenty of travelling for less than \$30,000 per year. Silver prize-winning guidebook in the Society of**

*British or an American source. With the Guide to Canadian English Usage, writers will have an authoritative reference based on Canadian sources that provides pithy direction on numerous details of the language. From the indefinite article to zoology, alphabetically arranged entries clarify issues of word choice, punctuation, spelling, and abbreviation. Throughout it offers guidance on Canadianisms, confusibles, difficult expressions, First Nation names, foreign phrases, grammar, inclusive language, punctuation, spelling, and troublesome pronunciations. Each entry explains the problem at hand, outlines a range of prescriptions, and then either recommends a particular usage or reviews the alternatives from which the now-informed reader can choose. All entries feature a wide range of fascinating quotations from Canadian sources. Newly reissued in an attractive hardcover edition, the Guide to Canadian English Usage is the essential reference for any writer, editor, or speaker of English in Canada.*

*The Republic of Childhood was first published in 1967. This new edition, an extensively rewritten version of the 1975 edition, is completely expanded and brought up-to-date with extensive coverage of titles published in the 1980s. Spanning the full spectrum of Canadian children's literature, the volume discusses such topics as realistic fiction, fantasy, science fiction, picturebooks, historical fiction, folk and fairy tales, poetry and verse, and the growth of Canadian publishing.*

Thoroughly revised and updated, the most complete family medicine board review guide continues to be the resource of choice for anyone preparing to take the American Board of Family Medicine (ABFM) examination. This edition includes dozens of new cases.

Each year stroke -- often called our most neglected disease and the #4 killer in Canada -- strikes 50, 000 Canadians. Family, friends and stroke survivors discover their lives are forever change. As a provider of the most up-to-date, relevant and comprehensive information on stroke, the Heart and Stroke Foundation of Canada has produced the one book you will need to inform yourself of the key issues about stroke. This comprehensive guide will help you: -- Spot the five warning signs of a stroke -- and get immediate medical aid to improve the chances of a full recovery. -- Find out whether you're at risk for a stroke and, if so, help you to change your lifestyle. -- Reduce the devastating impact of stroke by involving the whole family in coping with the physical and psychological issues of recovery. -- Receive the most effective and up-to-date treatment available. The only reference book of its kind available to Canadians, *The Canadian Family Guide to Stroke* meets the demands of the at-risk stroke population, health professionals, stroke survivors and caregivers.

The ONLY guide specifically created to prepare for the
