## Workbook Economics

sciences in a broader sense.

Our market-based, profit-driven health care system in the United States has put necessary care increasingly beyond the reach of ordinary Americans. Primary health care, the fundamental foundation of all high-performing health care systems in the world, is a critical but

# Read Free Guided And Review

Workbook  
Economics  
ignored casualty of the  
current system.

Unfortunately, primary  
care is often poorly  
understood, even within  
the health professions.

This book describes what  
has become a crisis in  
primary care, defines its  
central role, analyzes the  
reasons for its decline,  
and assesses its impacts  
on patients and families.

A constructive approach
