Teaching English, How To emphasizes three fundamental teaching techniques: directing reading assignments, modeling skills and using students questions to motivate learning and discussion. Three special features are daily ten-minute writing sessions to improve style and correctness, preparing students for the SAT 20-minute essay and a problem-centered grammar program designed to be applied to writing. This book contains specific recommendations for teaching almost every aspect of secondary English.

Guided Reading: Summarize for first and second grades enhances language arts lesson plans with 36 readers—six sets of two each for below-, on-, and above-level student readers. This resource book engages students with images as they learn about topics such as bees, firefighters, weather, and more. Ready to Go Guided Reading: Summarize offers the essentials for an effective, comprehensive language arts program for first and second grades. This book includes: -leveled readers that cover high-interest topics -prompts to encourage students to work with the text and text features -discussion guides -graphic organizers and an observation sheet The high-interest readers are separated into three readability levels and designed to keep students ' attention. Various callout boxes direct students to apply

guided reading strategies to the texts, such as scanning for meaning or word work. Each reader concludes with a writing prompt. The 12-book Ready to Go: Guided Reading series for grades 1–6 includes everything you need for your guided reading group. Each 80-page book is essentially a guided reading set, containing 36 total readers, six discussion guides, and three reproducible pages. Four books are included in each grade span—each focuses on the essential reading comprehension strategies: -Infer -Connect -Question -Summarize All readers contain short nonfiction texts and text features such as callout boxes, photographs, charts, and maps.

Teaching for Learning is a comprehensive, practical resource for instructors that highlights and synthesizes proven teaching methods and active learning strategies. Each of the 101 entries describes an approach and lists its essential features and elements, demonstrates how the approach may be used in various educational contexts, reviews findings from the research literature, and describes techniques to improve effectiveness. Fully revised and updated to reflect the latest research and innovations in the field, this second edition also features critical new content on adapting techniques for use in online courses.

and John Leonard Prize For Best First Book • PEN/Jean Stein Book Award • Los Angeles Times Book Prize Born to survivalists in the mountains of Idaho, Tara Westover was seventeen the first time she set foot in a classroom. Her family was so isolated from mainstream society that there was no one to ensure the children received an education, and no one to intervene when one of Tara ' s older brothers became violent. When another brother got himself into college, Tara decided to try a new kind of life. Her quest for knowledge transformed her, taking her over oceans and across continents, to Harvard and to Cambridge University. Only then would she wonder if she ' d traveled too far, if there was still a way home. “ Beautiful and propulsive . . . A New Translation From The French By Marion Wiesel Born in Sighet, Transylvania, Elie Wiesel was a teenager when he and his family were taken from their home in 1944 and deported to the Auschwitz concentration camp, and then to Buchenwald. Night is the terrifying record of Elie Wiesel's memories of the death of his family, the death of his own innocence, and his despair as a deeply observant Jew confronting the absolute evil of man. This new translation by his wife and most frequent translator, Marion Wiesel, corrects important details and presents the most accurate rendering in English of Elie Wiesel's seminal work.

An instant New York Times bestseller! Alan Gratz, bestselling author of *Refugee*, weaves a stunning array of voices and stories into an epic tale of teamwork in the face of tyranny -- and how just one day can change the world. June 6, 1944: The Nazis are terrorizing Europe, on their evil quest to conquer the world. The only way to stop them? The biggest, most top-secret operation ever, with the Allied nations coming together to storm German-occupied France. Welcome to D-Day. Dee, a young U.S. soldier, is on a boat racing toward the French coast. And Dee -- along with his brothers-in-arms -- is terrified. He feels the weight of World War II on his shoulders. But Dee is not alone. Behind enemy lines in France, a girl named Samira works as a spy, trying to sabotage the German army. Meanwhile, paratrooper James leaps from his plane to join a daring midnight raid. And in the thick of battle, Henry, a medic, searches for lives to save. In a breathtaking race against time, they all must fight to complete their high-stakes missions. But with betrayals and deadly risks at every turn, can the Allies do what it takes to win?
