A reluctant priest is retained as a holy warrior for the Pope; he must embrace his destiny in order to defend the Vatican from an invading army of radical terrorists ... who are much more than what they appear. The story of CruzZader is about one man's journey to find a higher calling and a higher meaning in life. Our hero, Antonio De La Cruz, is a humble man with out any super powers. He wields ancient and supernatural relics in battle, and those artifacts give him the edge he needs to defeat his enemies. Some of his weapons and tools include: the legendary Spear of Christ, the Holy Grail, the Shroud of Turin, holy water, rosary beads, and a thorny cilice. Like most people, he has a hot and cold working relationship with his boss - none other than the Pope himself. De La Cruz tires of traveling the world hunting vampires, killing werewolves, and performing exorcisms. He seeks to retire from his duties as the Pope's super soldier ... until the day comes for him to fulfill his role in a mysterious prophecy.

'Superb - a great book to fuel your wanderlust.' Mark Beaumont --- In 2019, Nick Butter became the first person to run a marathon in every country on Earth. This is Nick's story of his world record-breaking adventure and the extraordinary people who joined him along the way. On January 6th 2018, Nick Butter tied his laces and stepped out on to an icy pavement in Toronto, where he began to take the first steps of an epic journey that would see him run 196 marathons in every one of the world's 196 countries.

Spending almost two years on the road and relying on the kindness of strangers to keep him moving, Nick's odyssey allowed him to travel slowly, on foot, immersing himself in the diverse cultures and customs of his host nations. Running through capital cities and deserts, around islands and through spectacular landscapes, Nick dodges bullets in Guinea-Bissau, crosses battlefields in Syria, survives a wild dog attack in Tunisia and runs around an erupting volcano in Guatemala. Along the way, he is often joined by local supporters and fellow runners, curious children and bemused passers-by. Telling their stories alongside his own, Nick captures the unique spirit of each place he visits and forges a new relationship with the world around him. Running the World captures Nick's journey as he sets three world records and covers over five thousand miles. As he recounts his adventures, he shares his unique perspective on our glorious planet, celebrates the diversity of human experience, and reflects on the overwhelming power of running.
