THE INSTANT NEW YORK TIMES AND USA TODAY BESTSELLER "Take my word for it, James Reece is one rowdy motherf*er. Get ready!" —Chris Pratt, star of The Terminal List, coming to Amazon Prime "They're great, man. They lock you in. They're gripping." —Joe Rogan, on the Terminal List series The fourth thriller in the "so powerful, so pulse-pounding, so well-written" (Brad Thor, #1 New York Times bestselling author) Terminal List series follows former Navy SEAL James Reece as he is entrusted with a top-secret CIA mission of retribution twenty years in the making. It's been twenty years since 9/11, two decades since the United States was attacked on home soil and set out to make the guilty pay with their lives. In the shadows, the enemy has been patient—learning, and adapting. And the enemy is ready to strike again. A new president offers hope to a country weary of conflict. He's a young, popular, self-made visionary...but he's also a man with a secret. Halfway across the globe a regional superpower struggles with sanctions imposed by the United States and her European allies, a country whose ancient religion spawned a group of ruthless assassins. Faced with internal dissent and extrajudicial targeted killings by the United States and Israel, the Supreme Leader puts a plan in motion to defeat the most powerful nation on earth. Meanwhile, a young PhD student has gained access to a bioweapon thought to be confined to a classified military laboratory known only to a select number of officials. A second-generation agent, he has been assigned a mission that will bring his adopted homeland to its knees. With Jack Carr's signature "absolutely intense" (Chuck Norris) writing and "gripping authenticity" (The Real Book Spy), The Devil's Hand is a riveting and timely thriller that will leave you gasping for breath.**

Things You Need To Know Before Owning A Gun: Handgun Book

The Illustrated Collector's Price and Reference Guide

This fascinating visual account of firearms shows everything from the earliest cannons to modern weapons of war. It also highlights how gun technology and military tactics developed in tandem over time. Centuries ago, the Chinese discovered that if they put gunpowder and a projectile into a metal tube and ignited it, they could fire the projectile with enormous force. The first guns were born. Firearms: An Illustrated History showcases over 300 firearms including pistols, revolvers, rifles, shotguns, machine-guns, and artillery, each with annotated close-up photographs and details of their origins, barrel, and caliber. It details the use of the firearms, not just in the military but for sport, hunting, and law enforcement. This comprehensive volume traces the history of firearms, highlighting "turning points" such as the rifle with its parallel spiraled grooves that could impart a spin to bullets making them fly straighter. It also showcases iconic firearms such as the Walther PPK self-loading pistol popularised in James Bond films. With information on the great gunsmiths including Beretta and Kalashnikov and a detailed guide to how guns work, Firearms: An Illustrated History is an essential purchase for everyone interested in guns and military history.

Are you new to guns? Do you feel you need personal protection? Not sure what gun you need? Or what to buy? Or what the regulations in your state are?
