

## Guns N Roses Official 2018 Calendar A3 Poster Format

This edited volume provides a critical and comparative discussion of the changing synergy between the military and society in the dramatically transforming global security climate, drawing on examples from the Asian, Pacific, African, Middle Eastern, European and South American regions. The book is interdisciplinary and covers wide-ranging issues relating to civil military relations, democratization, regional security, ethnicity, peace-building and peace keeping, civilian oversight, internal repression, gender, regime change and civil society.

The New York Times bestselling epic tale of the last great rock band From the bestselling author of Hammer of the Gods comes the complete story of Guns N? Roses ? from their drug-fueled blastoff in the 80s to the turbulent life of legendary singer Axl Rose, and his fifteen-year, multimillion dollar quest to make the perfect hard rock album. Riotous world tours. Drug-induced rampages. One hundred millions albums sold. In his sixth major rock biography, Stephen Davis details the riveting story of the last great rock band. Watch You Bleed documents the life of every band member, including the improbable story of W. Axl Rose. Davis brilliantly captures the Guns? raw power ? from the gutters of Sunset Strip to the biggest stadiums on the planet. Based on exclusive interviews, private archives, and packed with stunning revelations, Watch You Bleed is the savage, definitive, and highly unauthorized story of Guns N? Roses. For the first time, millions of fans will learn the whole truth about this legendary band.

When Guns N' Roses released Appetite For Destruction in 1987, no one could have predicted the impact it would have on rock music. And yet, despite its enormous commercial success, with 30 million copies shifted, Appetite For Destruction still stands as one of the darkest, most decadent albums ever released. Fueelled by a detailed chronological narration splitted into several time jumps, Victory or Death mainly focuses on the technical and musical aspects related to Appetite For Destruction, but also aims to investigate the background of what can be considered, in a way, the greatest debut album of all time, whose inviolability can be compared to that of other masterpieces such as Dark Side Of The Moon or Led Zeppelin IV. The volume includes a brief guide to the 20 ideal post-Appetite records, carefully selected by the author himself.

Why We Can't Sleep

William S. Burroughs and the Cult of Rock 'n' Roll

Artistic Creation and Ethical Criticism

FAME: Bon Jovi

Spotification of Popular Culture in the Field of Popular Communication

A HUMAN CARTOON OF HAIR, SUPER-STRENGTH CIGARETTES AND THE WORLD'S MOST FAMOUS TOP HAT, SLASH IS THE EPITOME OF ROCK 'N' ROLL. One of the most iconic guitarists of all-time, his staggering performance on Guns N' Roses' Appetite For Destruction heralded the arrival of a brand new superstar name in rock.His complex relationship with frontman Axl Rose and the phenomenal music that emerged from that band cemented his reputation in rock's history books; since leaving G N' R, however, Slash has masterfully plied his trade through a series of solo projects and high profile guest appearances.This is the first book to examine the complete story of Slash, from his humble roots in suburban London in the late Sixties, to his thunderous ride through the alleys and red carpets of California to his present-day success with Velvet Revolver. The book also takes a fresh look at the Guns N' Roses saga and examines all of Slash's other projects in exhaustive detail.Paul Stenning is the author of several books on rock music and is a regular contributor to the pages of Metal Maniacs, Terrorizer, Alternative Press and Record Collector. He is the author of the best-selling book on Guns N' Roses, The Band That Time Forgot as well as biographies of AC/DC, Iron Maiden and My Chemical Romance. UNOFFICIAL & UNAUTHORISED

Artistic Creation and Ethical Criticism, a study in philosophical aesthetics, investigates an idea that underpins the ethical criticism of art but that is rarely acknowledged and poorly understood - namely, that the ethical criticism of art involves judgments not only of the attitudes a work endorses or solicits, but of what artists do to create the work. The book pioneers an innovative production-oriented approach to the study of the ethical criticism of art - one that will provide a detailed philosophical account of the intersection of ethics and artistic creation as well as conceptual tools that can guide future philosophizing and criticism. Ted Nannicelli offers three arguments concerning the ethical criticism of art. First, he argues that judgments of an artwork's ethical value are already often made in terms of how it was created, and examines why some art forms more readily lend themselves to this form of ethical appraisal than others. He then asserts that production-oriented evaluations of artworks are less contested than other sorts of ethical criticism and so lead to certain practical consequences-from censure, dismissal, and prosecution to shifts in policy and even legislation. Finally, Nannicelli defends the production-oriented approach, arguing that it is not only tacit in many of our art appreciative practices, but is in fact rationally warranted. There are many cases in which we should ethically critique artworks in terms of how they are created because this approach handles cases that other approaches cannot and results in plausible judgments about the works' relative ethical and artistic value. The concise, powerful arguments presented here will appeal to moral philosophers, philosophers of art and aesthetics, and critics interested in the intersection of artistic production and criticism and ethics.

From the writer of Gabba Gabba Hey! The Graphic Story of The Ramones and Metallica Nothing Else Matters comes an explosive new graphic novel about The Most Dangerous Band in the World, Guns N' Roses.Having sold over 100 million albums, recorded the most expensive album ever, endlessly courted controversy with their lyrics and a full-on hedonistic lifestyle, Guns N' Roses are well acquainted with rock 'n' roll excess. And it's all here: the feud between Axl Rose and Kurt Cobain, the riots during concerts, Rose's interest in Charles Manson, the acrimonious departure of Slash from the band, the inevitable drugs and groupies and, of course, the music - Marc Olivent's stunning artwork and Jim McCarthy's incisive script perfectly capture the rollercoaster tale of Axl Rose, Slash, Izzy Stradlin, Duff McKagan, Steve Adler and the many others who have passed through the Metallica story.

Author JD Yorke delivers wicked comedy and philosophy of life based on 40 years experience in the concert and music production business. He offers a blunt, no nonsense perspective from the viewpoint of someone who ran away to join the circus of Rock and Roll. His observations are seasoned with irony and as the title suggests a dry humor with a dash of NYC attitude thrown in for good measure.

The Crime, Beauty, and Amplified Chaos of America's Most Polarizing Band

Pairing history’s 100 greatest rock stars with recipes for their iconic drink of choice, How to Drink Like a Rock Star is the perfect guide to summoning the muse for music fans, rock and roll bartenders, and cocktail enthusiasts. Have you longed for a taste of the rock and roll lifestyle without the trashed hotel rooms, constrictive leather pants, and weeks lost on a cramped tour bus? Whether you want to know what fueled Ozzy Osbourne’s bat-biting Prince of Darkness persona, quaff a Jack and Coke like Motörhead’s Lemmy, or learn Madonna’s recipe for a perfect dirty martini, How to Drink Like a Rock Star will delight fans of all genres of rock and roll and anyone searching for the perfect cocktail. From AC/DC to ZZ Top, this lavish illustrated follow-up to How to Drink Like a Writer offers 100 spirited drink recipes, fascinating rock star profiles, a special sections dedicated to epic rock clubs to drink, dance, and perform in, and even unusual hangover cures and favorite food pairings, all accompanied by original illustrations of ingredients and finished cocktails, and a wealth of photographs. This remarkable book, the result of a deep dive into interviews, backstage tour riders, and much more, is sure to inspire, impress, and inebriate. Sure, becoming a rock legend takes dedication, connections, and talent, but it also takes vodka, gin, tequila, and whiskey.

Mass shootings have dominated news cycles in recent years. Why are they happening? Are they happening more often? Why can't we stop them? What would it take? Is the answer more guns, or fewer guns? Should teachers be armed? Students will hear all sides of the story in order to make up their own mind, with practical tips given on how they can get involved and become part of the solution.

From the first moment that I heard 'It's So Easy' and 'Mr. Brownstone' I was hooked. I had the 12" single which I bought as soon as I heard that it had been released, I'd read about them in the music press and loving Hanoi Rocks at the time, made me see them as another band that would fit nicely into the 'rock 'n' roll niche' that I was carving out for myself. I have always felt so annoyed with myself that I never went to see them at the Marquee club in Wardour Street. I was a regular at the Marquee club during the 1980's and through to the mid '90s. I went to so many gigs there - Joan Jett and the Blackhearts, FM, Dumpty's Rusty Nuts, Quireboys, the Babysitters and the first UK show of Georgia Satellites - amongst many. Guns N' Roses played a three night residency at the Marquee on 19th, 22nd and 28th June 1987 and for some reason I didn't go and buy tickets to any of the dates! Living in Plymouth didn't help, but that didn't seem to make any difference at other times, spending many gigs in London, mostly at the Hammersmith Odeon - as it was then - watching Anthrax, Metallica, Bon Jovi, Dio, Ozzy Osbourne, Slayer, Cheap Trick, Living Colour, The Wonderstuff and Kajagoogoo, but why, oh why, didn't I get tickets for those legendary gigs at the Marquee club? Too late to contemplate now, but it would have been an amazing experience, especially saying that you had been there, just like the people who saw the Sex Pistols at the Lesser Free Trade Hall in Manchester eleven years before. Bizarrely one of the songs that they played on the 28th June was 'Whole Lotta Rosie' by AC/DC who Axl of course would go on the front -as the Brian Johnson replacement - for the second half of the 'Rock or Bust' tour in 2017, 30 years later! Not having seen them play at the Marquee didn't deter my efforts to see them and I would actually get my first chance to see the full original line-up at Monsters of Rock at Donington the following year on 20th August. When the band were booked they were lower down the bill - second band on after Helloween - but by the time August hit, they were 'mega-stars', 'Appetite for Destruction' was a worldwide 'mega-hit' and they were the new superstars on the block. The following time I saw them at Download Festival in 2006, they were a shadow of their former selves and even the guest spots from Sebastian Bach (ex- Skid Row Lead Singer) and a few songs featuring Izzy Stradlin didn't help that much, even bottling took place several times. But the following two times that saw them at Nottingham and Reading Festival, they had improved - especially at Nottingham, which was a very long and excellent show. Now we have come full circle. 60% of Guns N' Roses are back and performing together like they hadn't been apart. If only Izzy and Steven came back it would be perfect, but at least for now, we are getting shows like we and they have deserved to play for years and hopefully they will carry on for a long time to come. Next stop Download Festival headline slot in 2018. So, on with the greatest sleazy rock 'n' roll show from LA, California...

This book serves as a reference for scholars, researchers and practitioners to update their knowledge on methodologies, theoretical analyses, modeling, simulation and empirical studies on blockchain technologies and cryptocurrencies. Chapters on the evolving theory and practice related to distributed ledger technologies and peer-to-peer digital currencies are intended to provide comprehensive coverage and understanding of their uses within the technological, business, and organizational domains.The contributions from this volume also provide a thorough examination of blockchains and cryptocurrencies with respect to issues of management, governance, trust and privacy, and interoperability.Contributed by a diverse range of authors from both academia and professional fields, this reference book presents frontier research in the fields of blockchains and cryptocurrencies.

Guns & Roses: Comparative Civil-Military Relations in the Changing Security Environment

Victory Or Death - Guns N' Roses and the Sound of Appetite For Destruction

Blank Journal Diary Memoir Log Logue

Easy to read guide to everything Guns N' Roses -- from 1975 through to the present day.

In Double Talkin' Jive legendary drummer Matt Sorum takes music lovers behind the scenes of a remarkable life in rock. Sorum, whose albums have sold tens of millions of copies around the world, provides an honest, engaging account of the highs and lows of superstardom. Sorum recounts his childhood years idolizing Ringo Starr and surviving an abusive stepfather. After leaving high school, Sorum sold pot to get by. Over time, his drug dealing escalated to smuggling large quantities of cocaine, a career that came to a halt following a dramatic shoot-out. Sorum fled his old life and settled in Hollywood, where he'd enjoy a rapid ascension to rock 'n' roll immortality. He caught his big break drumming for the Cult, and only a year later was invited to join Guns N' Roses, with whom he'd record two of rock's most iconic albums: Use Your Illusion 1 and 2. The Rock N' Roll Hall of Fame inductee & Grammy Award winning Sorum opens up with forthright honesty, sharing anecdotes from his time touring the globe, battling drug and alcohol addiction, as well as working with Axl Rose, one of the greatest frontmen in rock, Slash and the rest of the GNR team. His career with the Cult, Guns N' Roses, Velvet Revolver, Motörhead, the Hollywood Vampires, and Kings of Chaos costars an ensemble of rock royalty, from Billy Idol to Steven Tyler, Billy F Gibbons and Alice Cooper. Double Talkin' Jive goes beyond the clichés of sex, drugs, and rock 'n' roll, telling the very human story of what it takes to make it in music, and the toll stardom exacts from those who achieve success. Sorum invites fans to revel in the debauchery of the good times, but also paints a stark portrait of life after the party. Music fans of any generation will find value in the pages of this evocative, thoughtful, and candid autobiography.

This is the first study of its kind, focusing exclusively on scenes throughout the world; it makes an important contribution to metal studies. Metal Scenes around the World is a collection of thirteen chapters that examine metal scenes from smaller communities like Dayton, Ohio in the USA, to entire countries, such as Estonia. The goal of the book is to expand the research on metal scenes. This is the only book produced on metal scenes to date, and it will lead the way to more research in this new area of metal studies. The strongest element of the book is its international focus, with chapters from such diverse settings as post-apartheid South Africa, Graz, Nantes, Brazil and Turkey. The chapters are detailed, richly embedded in local histories and contexts, and provide important analyses of their respective scenes. Foreword from Henkka Seppälä, former bassist with the Finnish metal band Children Of Bodom. Primary readership will be composed of fans and scholars of metal music, and those in the fields of anthropology, musicology and history. The diversity of the chapters connects metal to other disciplines in the music field and the book is likely to have appeal more widely to anyone who likes music.

Guns N' Roses: Cover B

Guns'n'Roses Sketchbook

Goodbye, Guns N ' Roses transports the reader into a mind-altering trip through the colors, scandals, nihilism, and mythology that make Guns N ' Roses so much more than another " hair metal " band. A valentine and a breakup letter to one of rock ' s most controversial bands. Goodbye, Guns N ' Roses is a genre-rattling attempt to explain the appeal of America ' s most divisive rock band. While it includes uncharted history and the self-lacerating connoisseurship of a Guns N ' Roses fetishist, it is not a recycled chronicle — this book is a deconstruction of myth, one that blends high and low art sketches to examine how Guns N ' Roses impacted popular culture. Unlike those who have penned other treatments of what might be considered a clich é d subject, Art Tavana is not writing as a GNR patriot or former employee. His book aims to provide an untethered exploration that machetes through the jungle of propaganda camouflaging GNR ' s explosive appeal. After circling the band ' s three-decade plundering of American culture, Goodbye, Guns N ' Roses uncovers a postmodern portrait that persuades its viewer to think differently about their symbolic importance. This is not a rock bio but a biography of taste that treats a former " hair metal " band like a decomposing masterpiece. This is the first Guns N ' Roses book written for everyone; from the Sunset Strip to a hyper-digital generation ' s connection to " Woke Axl, " it is a pop investigation that dodges no bullets.

This story of New Jersey favourite Rock and Roll Band Bon Jovi, who survives 3 decades of trials and tribulation. We go back to the early years of the band and how frontman Jon Bon Jovi gets a record deal and kept the band going for 3 decades. Classic rags to riches story, what kept the band going strong and will it be the end of the crossroad?

Includes brand new chapter covering Guns N' Roses epic world tour. Many millions of words have already been written about Guns N' Roses, the old line-up, the new line-up. But none of them have ever really gotten to the truth. Which is this: Guns N' Roses has always been a band out of time, the Last of the Giants. They are what every rock band since the Rolling Stones has tried and nearly always failed to be: dangerous. At a time when smiling, MTV-friendly, safe-sex, just-say-no Bon Jovi was the biggest band in the world, here was a band that seemed to have leapt straight out of the coke-smothered pages of the original, golden-age, late-sixties rock scene. 'Live like a suicide', the band used to say when they all lived together in the Hell House, their notorious LA home. And this is where Mick Wall first met them, and became part of their inner circle, before famously being denounced by name by Axl Rose in the song 'Get in the Ring'. But this book isn't about settling old scores. Written with the clear head that 25 years later brings you, this is a celebration of Guns N' Roses the band, and of Axl Rose the frontman who really is that thing we so desperately want him to be: the last of the truly extraordinary, all-time great, no apologies, no explanations, no giving-a-shit rock stars. The last of his kind.

William S. Burroughs's fiction and essays are legendary, but his influence on music's counterculture has been less well documented—until now. Examining how one of America’s most controversial literary figures altered the destinies of many notable and varied musicians, William S. Burroughs and the Cult of Rock 'n' Roll reveals the transformations in music history that can be traced to Burroughs. A heroin addict and a gay man, Burroughs rose to notoriety outside the conventional literary world; his masterpiece, Naked Lunch, was banned on the grounds of obscenity, but its nonlinear structure was just as daring as its content. Casey Rae brings to life Burroughs's parallel rise to fame among daring musicians of the 1960s, '70s, and '80s, when it became a rite of passage to hang out with the author or to experiment with his cut-up techniques for producing revolutionary lyrics (as the Beatles and Radiohead did). Whether they tell of him exploring the occult with David Bowie, providing Lou Reed with gritty depictions of street life, or counseling Patti Smith about coping with fame, the stories of Burroughs's backstage impact will transform the way you see America's cultural revolution—and the way you hear its music.

My Appetite for Destruction

Women's New Midlife Crisis

Reckless Life: The Guns ' n ' Roses Graphic Novel

Goodbye, Guns N ' Roses

Guns N'Roses and the Making of Appetite for Destruction

**She's got a smile that it seems to meReminds me of childhood memories... The first and only picture-book interpretation of Guns N' Roses "Sweet Child O' Mine" lyrics, inspired by the adventures of Maya and Natalia Rose, two young girls who have grown up touring with the band! With evocative, sweeping paintings from artist Jennifer Zivoin, Sweet Child O' Mine celebrates love and music, and how they bring us together in the sweetest ways. When Ada Calhoun found herself in the throes of a midlife crisis, she thought that she had no right to complain. She was married with children and a good career. So why did she feel miserable? And why did it seem that other Generation X women were miserable, too? Calhoun decided to find some answers. She looked into housing costs, HR trends, credit card debt averages, and divorce data. At every turn, she saw a pattern: sandwiched between the Boomers and the Millennials, Gen X women were facing new problems as they entered middle age, problems that were being largely overlooked. Speaking with women across America about their experiences as the generation raised to “have it all,” Calhoun found that most were exhausted, terrified about money, under-employed, and overwhelmed. Instead of their issues being heard, they were told instead to lean in, take “me-time,” or make a chore chart to get their lives and homes in order. In Why We Can’t Sleep, Calhoun opens up the cultural and political contexts of Gen X’s predicament and offers solutions for how to pull oneself out of the abyss—and keep the next generation of women from falling in. The result is reassuring, empowering, and essential reading for all middle-aged women, and anyone who hopes to understand them.**

**Welcome to the jungle! The voice of a generation, the “most dangerous band in the world” rode the wave of fame and fortune during the heyday of MTV. Camera-ready, their creativity fueled by drugs, booze, and eager groupies, members like Axl Rose and Slash crafted music that permeated the airwaves. Gun N’ Roses transcended their metal roots to become genuine chart-toppers. Read about their meteoric rise in the pages of this new comic book.**

*From Steven Adler, the original drummer for Guns N' Roses, comes My Appetite for Destruction, the inside story of GNR. Offering a different perspective from the bestselling Slash, Adler chronicles his life with the band, and own intense struggle with addiction, as seen on Dr. Drew's Celebrity Rehab and Sober House.*

*Remembering Popular Music's Past capitalizes on the growing interest, globally, in the preservation of popular music's material past and on scholarly explorations of the ways in which popular music, as heritage, is produced, legitimized and conferred cultural and historical significance. The chapters in this collection consider the spaces, practices and representations that constitute popular music heritage to elucidate how popular music's past is lived in the present. Thus the focus is on the transformation of popular music into heritage, and the role of history and memory in this process. The cultural studies framework adopted in Remembering Popular Music's Past encompasses unique approaches to popular music historiography, sociology, film analysis, and archival and museal work. Broadly, the collection deals with the precarious nature of popular music heritage, history and memory.*

*This is work of creative art and satire (17 U.S. Code § 107)Axl Rose is an American singer, songwriter, record producer and musician. He is the lead vocalist of the hard rock band Guns N' Roses, and has also been the band's sole constant member since its inception in 1985. In addition to Guns N' Roses, he has been the lead singer of AC/DC since 2016. Due to his powerful and very large vocal range and energetic live performances, Rose has been named one of the greatest singers of all time by various media outlets, including Rolling Stone and NME.*

*Welcome to the jungle! The voice of a generation, the “most dangerous band in the world” rode the wave of fame and fortune during the heyday of MTV. Guns and the #NeverAgain Movement

**This collection examines Blackpool, Britain's first and largest working-class seaside resort as a location for the production and consumption of British film and popular music, and the meaning of 'Blackpool' in films and songs. It examines representation of Blackpool in films such as Hindle Wakes, A Taste of Honey, Bhaji on the Beach, Away, Bob's Weekend, The Harry Hill Movie and Miss Peregrine's Home for Peculiar Children, linking it to the concepts of heterotopia, purgatory, fantasy, simulacra and the carnivalesque. It also presents music in Blackpool through the history of its venues and examines development of punk and grime music in this seaside town. The authors argue that Blackpool in filmic and musical texts often stands for British culture, but increasingly for culture which is remembered or imagined rather than present and real.**

**Firearms Inventory Personal Log Book If your looking for the perfect gift for the gun enthusiast, this is the ideal option. **This edited collection considers various meanings of the "Spotification" of music and other media. Specifically, it replies to the editor's call to address the changes in media cultures and industries accompanying the transition to streaming media and media services. Streaming media services have become part of daily life all over the world, with Spotify, in particular, inheriting and reconfiguring characteristics of older ways of publishing, distributing, and consuming media. The contributors look to the broader community of music, media, and cultural researchers to spell out some of the implications of the Spotification of music and popular culture. These include changes in personal media consumption and production, educational processes, and the work of media industries. Interdisciplinary scholarship on commercial digital distribution is needed more than ever to illuminate the qualitative changes to production, distribution, and consumption accompanying streaming music and television. This book represents the latest research and theory on the conversion of mass markets for recorded music to streaming services.**

**Remembering Popular Musics Past**

The "media" used to mean television, radio, newspapers, and magazines; but today it largely involves social media, which has swallowed up all of these other forms and is now controlled by a small group of Silicon Valley titans who decide what billions of people are able to see and hear online.

The convergence of old technology and new has centralized unimaginable power into the hands of a few gigantic corporations that now dictate how we communicate with each other and perceive the outside world.

Media analyst Mark Dice details how the rise of social media that tipped the balance of power regarding the production and distribution of information has also resulted in a massive backlash from those conspiring to regain the influence they once held.

Now conservatives are experiencing widespread censorship as the tech giants scramble to put the genie back in the bottle.

The liberal media has launched an information war against President Trump and his supporters, and are using their monopolies to manipulate public opinion in order to further their aims of a socialist revolution.

Musicians, teachers and those who love music will find in this volume some answers to the question of how gender affects its practice, performance and reception. What was performing like for female rock singers in the 20th century? How did Bowie change our concept of performer identity? Just how sexist are the lyrics in glam metal songs? Is rap as homophobic as has been thought? Can female metal singers growl as well as men? Are LGBTQ+ issues reflected in 21st century music? Did Canadian New Wave groups tackle major social issues? How do Shakespeare and Joyce use musical puns and allusions? From Indian thumri, through French opera, Irish folk songs, and pop, all the way to metal and rap, the 17 contributions gathered here will challenge and inform, while confirming that our music shapes our habits, language, ideas and gendered selves.

Everything stays the same for the tenants of The Beresford, a grand old apartment building just outside the city ... until the doorbell rings... Will Carver returns with an eerie, deliciously and uncomfortably dark standalone thriller. \_\_\_\_\_ Just outside the city &- any city, every city &- is a grand, spacious but affordable apartment building called The Beresford. There's a routine at The Beresford. For Mrs May, every day's the same: a cup of cold, black coffee in the morning, pruning roses, checking on her tenants, wine, prayer and an afternoon nap. She never leaves the building. Abe Schwartz also lives at The Beresford. His housemate, Sythe, no longer does. Because Abe just killed him. In exactly sixty seconds, Blair Conroy will ring the doorbell to her new home and Abe will answer the door. They will become friends. Perhaps lovers. And, when the time comes for one of them to die, as is always the case at The Beresford, there will be sixty seconds to move the body before the next unknowing soul arrives at the door. Because nothing changes at The Beresford, until the doorbell rings... Eerie, dark, superbly twisted and majestically plotted, The Beresford is the stunning standalone thriller from one of crime fiction's most exciting names.

National Bestseller \* Named one of Rolling Stone's Best Music Books of 2018 \* One of Newsweek's 50 Best Books of 2018 \* A Billboard Best of 2018 \* A New York Times Book Review "New and Noteworthy" selection The author of the critically acclaimed Your Favorite Band is Killing Me offers an eye-opening exploration of the state of classic rock, its past and future, the impact it has had, and what its loss would mean to an industry, a culture, and a way of life. Since the late 1960s, a legendary cadre of artists—including the Rolling Stones, Bob Dylan, Neil Young, Bruce Springsteen, Fleetwood Mac, the Eagles, Black Sabbath, and the Who—has revolutionized popular culture and the sounds of our lives. While their songs still get airtime and some of these bands continue to tour, its idols are leaving the stage permanently. Can classic rock remain relevant as these legends die off, or will this major musical subculture fade away as many have before, Steven Hyden asks. In this mix of personal memoir, criticism, and journalism, Hyden stands witness as classic rock reaches the precipice. Traveling to the eclectic places where geriatric rockers are still making music, he talks to the artists and fans who have aged with them, explores the ways that classic rock has changed the culture, investigates the rise and fall of classic rock radio, and turns to live bootlegs, tell-all rock biographies, and even the liner notes of rock's greatest masterpieces to tell the story of what this music meant, and how it will be remembered, for fans like himself. Twilight of the Gods is also Hyden's story. Celebrating his love of this incredible music that has taken him from adolescence to fatherhood, he ponders two essential questions: Is it time to give up on his childhood heroes, or can this music teach him about growing old with his hopes and dreams intact? And what can we all learn from rock gods and their music—are they ephemeral or eternal?
