Hamlet: A Study Guide for Pearson Edexcel A-Level English Literature

When an essay is due and dreaded exams loom, this title offers students what they need to succeed. It provides chapter-by-chapter analysis, explanations of key themes, motifs, and symbols, a review quiz and essay topics. It is suitable for late-night studying and paper writing.

First published in Britain in 1966, French Rural History is a study initially given as lectures in Oslo in 1929. It focuses on the fundamental problems of French agrarian history and places them in true perspective. Throughout the work, Marc Bloch analyses the issues in all their complexity and treats them practically, as would a man who was both a historian and a farmer. The work has been celebrated as a work of historical sociology, full of personality and unmistakable insight.

Gertrude and Claudius

A Study Guide for William Shakespeare's Hamlet

National Identities and the British and Colonial Press

This book explores the creation of imperial identities in Britain and several of its colonies - South Africa, India, Australia, Wales and the ways in which the Victorian press around the world shaped and reflected these identities. The concept of co-histories borrowed from Edward Said and Frantz Fanon, helps explain how the press shaped the imperial and national identities of Britain and of the colonies into co-histories that were thoroughly intertwined and symbiotic. Exploring a variety of press media, this argues that the press was a site of resistance and revision by colonized authors and publishers, as well as a force of colonial authority for the British government. editors, and publishers, who projected a view of the empire to their British, colonial, and colonized readers. Topics include The Journal of Indian Art and Industry produced by the British art schools in India, women's periodicals, Indian writers in the British press, The Imperial Gazetteer published in Scotland, the rise of telegraphic news agencies, the British press's images of China seen through exhibitions of its art, the Tory periodical Blackwood's Magazine, and the Imp Press Conference of 1909. University.

Gertrude and Claudius are the "villains" of Hamlet: he the killer of Hamlet's father and usurper of the Danish throne, she his late husband's consort, who marries Claudius before her late husband's body is cold. But in this imaginative "prequel" to the play, John Updike makes a case for the royal couple that Shakespeare only hinted at. Gertrude and Claudius are seen afresh against a background

of fond intentions and family dysfunction, on a stage darkened by the ominous shadow of a sullen, erratic, disaffected prince hoped to keep the texture light," Updike said of this novel, "to move from the mists of Scandinavian legend into the daylight atmosphere of the Globe. I sought to narrate the romance that preceded the tragedy."

Risks and hazards are inevitable by-products of technological change and human interaction with the natural environment. In recent years, however, the increase in hazardous incidents worldwide has caused governments, commercial and voluntary organizations and the general public to become increasingly concerned about the risks that they face. In response to this the United Nations has designated the 1990s as the International Decade for Natural Disaster Reduction.

Timeless Shakespeare—designed for the struggling reader and adapted to retain the integrity of the original play. These classic plays retold will grab a student's attention from the first page. Presented in traditional play script format, each title features simplified language, easy-to-read type, and strict adherence to the tone and integrity of the original. Thirty-five reproducible activities per guide reinforce basic reading and comprehension skills while teaching high-order critical thinking. Also included are teaching suggestions, background notes, summaries, and answer keys. The guide is digital and only available on CD-ROM; simply print the activities you need for each lesson.

In the past few decades, personality psychology has made considerable progress in raising new questions about human nature—and providing some provocative answers. New scientific research has transformed old ideas about personality based on the theories of Freud, Jung, and the humanistic psychologies of the nineteen sixties, which gave rise to the simplistic categorizations of the Meyer-Briggs Inventory and the 'enneagram'. But the general public still knows little about the new science and what it reveals about who we are. In this book, Brian Little, one of the psychologists who helped re-shape the field, provides the first in-depth exploration of the new personality science and its provocative findings for general readers. The book explores questions that are rooted in the origins of human consciousness but are as commonplace as yesterday's breakfast conversation. Are our first impressions of other people's personalities usually fallacious? Are creative individuals essentially maladjusted? Are our personality traits, as William James put it "set like plaster" by the age of thirty? Is a belief that we are in control of our lives an unmitigated good? Do our singular personalities comprise one unified self or a confederacy of selves, and if the latter, which of our mini-me-s do we offer up in marriage or mergers? Are some individuals genetically hard-wired for happiness? Which is the more viable path toward human flourishing, the pursuit of happiness or the happiness of pursuit? Little provides a resource for answering such questions, and a framework through which readers can explore the personal implications of the new science of personality. Questionnaires and interactive assessments throughout the book facilitate self-exploration, and clarify some of the stranger aspects of our own conduct and that of others. Brian Little helps us see ourselves, and other selves, as somewhat less perplexing and definitely more intriguing. This is not a self-help book, but students at Harvard who took the lecture course on which it is based claim that it changed their lives.

A Study Guide for William Shakespeare's "Hamlet," excerpted from Gale's acclaimed Shakespeare for Students. French Rural History (Routledge Revivals)

Imperial Co-histories

A study guide to "Hamlet," Shakespeare's tale of murder and revenge, providing background on Shakespeare's life and times, discussing his use of language, examining the history of critical response to the drama, and including advice to students on how to respond to and write about the play.

A comprehensive study guide offering in-depth explanation, essay, and test prep for William Shakespeare's Hamlet, one of the most powerful and influential works of world literature. As a tragedy of revenge from the seventeenth-century, Shakespeare mirrors the most fundamental themes and problems common of the Renaissance. Moreover, the play essentially demonstrates the difficulty of knowing the truth about other people and the power that knowledge can have. This Bright Notes Study Guide explores the context and history of Shakespeare's classic work, helping students to thoroughly explore the reasons it has stood the literary test of time. Each Bright Notes Study Guide contains: - Introductions to the Author and the Work - Character Summaries - Plot Guides - Section and Chapter Overviews - Test Essay and Study Q&As The Bright Notes Study Guide series offers an in-depth tour of more than 275 classic works of literature, exploring characters, critical commentary, historical background, plots, and themes. This set of study guides encourages readers to dig deeper in their understanding by including essay questions and answers as well as topics for further research.

Shakespeare's one of the greatest playwrights of all time—but telling a student this isn't enough. This bundled book is perfect for teachers looking for lesson plans and other resources to get students interested in the Bard. Inside you will find a five day lesson plan, discussion questions, a comprehensive study guide, a biography about the life and times of Shakespeare, and a modern retelling (along with the original

text) of Shakespeare's Hamlet. Each section of this book may also be purchased individually.

A Study Guide for Tom Stoppard's "Dogg's Hamlet, Cahoot's Macbeth," excerpted from Gale's acclaimed Drama For Students. This concise study guide includes plot summary; character analysis; author biography; study questions; historical context; suggestions for further reading; and much more. A gargantuan, mind-altering comedy about the Pursuit of Happiness in America Set in an addicts' halfway house and a tennis academy, and featuring the most endearingly screwed-up family to come along in recent fiction, Infinite Jest explores essential questions about what entertainment is and why it has come to so dominate our lives; about how our desire for entertainment affects our need to connect with other people; and about what the pleasures we choose say about who we are. Equal parts philosophical quest and screwball comedy, Infinite Jest bends every rule of fiction without sacrificing for a moment its own entertainment value. It is an exuberant, uniquely American exploration of the passions that make us human - and one of those rare books that renew the idea of what a novel can do. "The next step in fiction...Edgy, accurate, and darkly witty...Think Beckett, think Pynchon, think Gaddis. Think." --Sven Birkerts, The Atlantic

How can you appreciate Shakespeare when you have no idea what he 's saying?! If you 've ever sat down with the Bard and found yourself scratching your head at words like Quondam, Younker, or Ebon then this bundled book is just for you! Inside you will find a comprehensive study guide, a biography about the life and times of Shakespeare, and a modern retelling (along with the original text) of Shakespeare 's Hamlet. Each section of this book may also be purchased individually.

The Commentary, scholarly in its focus yet informal in its tone, explores the text's significant detail in order to bring out its full meaning (and meanings). It takes students and general readers through the play line by line and asks, along the way, a succession of penetrating questions as a means of clarifying what's really being said by the characters, why they do what they do, and why Shakespeare has them speak, and act, in those ways. It provides specific support for students working towards examinations within a range of assessment structures, at both high school and college level...but it will be enjoyed by all lovers of Shakespeare. A major focus throughout is on what makes 'Hamlet' successful not only as literature but as a piece of working theatre. The Commentary is designed to be used alongside any edition of the play, since it includes running line references in the margin, and is therefore easy to align with the play's text. This is the Student Edition. The only difference between it and the Teaching Copy is that the suggested responses are located in an Answers Section at the end of the book. This allows students to work independently through the questions and study tasks in the main body of the resource, and to consult the suggested responses only if and when they are ready to do so.

Learn Shakespeare fast! This is the first in a line of high-quality, next generation Shakespeare study guides featuring - A reading of the play on two audio CDs - High-impact graphics - Beautifully illustrated scene summaries - Dramatic maps of the action Created for university and high school students, this ground-breaking guidebook was featured in the Aug. issue of Publishers Weekly.

The Commentary is designed to be used alongside any edition of the play, since it includes running line references in the margin, and is therefore easy to align with the play's text.

Acclaimed as a modern dramatic masterpiece, *Rosencrantz & Guildenstern are Dead* is the fabulously inventive tale of Hamlet as told from the worm's-eye view of the bewildered Rosencrantz and Guildenstern, two minor characters in Shakespeare's play. In Tom Stoppard's best-known work, this Shakespearean Laurel and Hardy finally get a chance to take the lead role, but do so in a world where echoes of *Waiting for Godot* resound, where reality and illusion intermix, and where fate leads our two heroes to a tragic but inevitable end. Tom Stoppard was catapulted into the front ranks of modern playwrights overnight when *Rosencrantz and Guildenstern Are Dead* opened in London in 1967. Its subsequent run in New York brought it the same enthusiastic acclaim, and the play has since been performed numerous times in the major theatrical centers of the world. It has won top honors for play and playwright in a poll of London Theater critics, and in its printed form it was chosen one of the "Notable Books of 1967" by the American Library Association.
