

## Hand To Mouth Living In Bootstrap America Linda Tirado

*What is it that makes us human? This is one of the most challenging and important questions we face. Our species' defining characteristic is language - we appear to be unique in the natural world in having such an incredibly open-ended system for putting thoughts into words. If we are to truly understand ourselves as a species we must understand the origins of this strange and unique ability. To do so, we need to answer some of the most intriguing questions in contemporary scientific research: Where did language come from? How did it evolve? Why are we unique in possessing it? This book, for the first time, brings together the leading thinkers who are trying to unlock the puzzle of language evolution. Here we see the latest ideas and theories from fields as diverse as anthropology, archaeology, artificial life, biology, cognitive science, linguistics, neuroscience, and psychology. In a series of seventeen well-written and accessible chapters we get an unrivalled view of the state of the art in this exciting area. Current controversies are revealed and new perspectives uncovered, in a clear and readable guide to the latest theories. This collection marks a major step forward in our quest to understand the origins and evolution of human language. In doing so it sheds new light on the process of evolution, the workings of the brain, the structure of language, and - most importantly - what it means to be human. Language Evolution is essential reading for researchers and students working in the areas covered, and has been used as a textbook for courses in the field. It will also attract the general reader who wants to know more about this fascinating subject.*

*Jesus Calling® Bible stories with Jesus Calling devotions are now available for toddlers! Jesus Calling My First Bible Storybook includes simple Bible stories accompanied by short messages of Jesus' love for children. Delightful art makes this a perfect companion to Jesus Calling for Little Ones. You and your family will enjoy this Bible storybook night after night.*

*A psychologist shows how gestures rather than sounds formed the basis of language fundamentals, using evidence from anthropology, animal behavior, neurology, molecular biology, and anatomy to make his case.*

*#1 NEW YORK TIMES BESTSELLER • ONE OF TIME MAGAZINE'S 100 BEST YA BOOKS OF ALL TIME The extraordinary, beloved novel about the ability of books to feed the soul even in the darkest of times. When Death has a story to tell, you listen. It is 1939. Nazi Germany. The country is holding its breath. Death has never been busier, and will become busier still. Liesel Meminger is a foster girl living outside of Munich, who scratches out a meager existence for herself by stealing when she encounters something she can't resist—books. With the help of her accordion-playing foster father, she learns to read and shares her stolen books with her neighbors during bombing raids as well as with the Jewish man hidden in her basement. In superbly crafted writing that burns with intensity, award-winning author Markus Zusak, author of I Am the Messenger, has given us one of the most enduring stories of our time. “The kind of book that can be life-changing.” —The New York Times “Deserves a place on the same shelf with The Diary of a Young Girl by Anne Frank.” —USA Today DON'T MISS BRIDGE OF CLAY, MARKUS ZUSAK'S FIRST NOVEL SINCE THE BOOK THIEF.*

**What is the coronavirus, and why is everyone talking about it? Engagingly illustrated by Axel Scheffler, this approachable and timely book helps answer these questions and many more, providing children aged 5-10 and their parents with clear and accessible explanations about the coronavirus and its effects - both from a health perspective and the impact it has on a family's day-to-day life. With input from expert consultant Professor Graham Medley of the London School of Hygiene & Tropical Medicine, and well as advice from teachers and child psychologists, this is a practical and informative resource to help explain the changes we are currently all experiencing. The book is free to read and download, but Nosy Crow would like to encourage readers, should they feel in a position to, to make a donation to: <https://www.nhscharitiestogether.co.uk/> **Reproduction of the original: A Doll's House by Henrik Ibsen****

**Wish you could take control of the words you speak, instead of feeling like your mouth has a mind of its own? With God's help you can! This companion study guide to ME AND MY BIG MOUTH! takes you from, "Oh, no, I can't believe I just said that!" to learning God's language. This book will show you how to train your mouth to speak words that will help you accomplish all God wants for you in this life. Bestselling author Joyce Meyer emphasizes that speaking the Word of God must be coupled with living a life of complete obedience to the Word of God in order to see the full power of God flowing in your life. By applying the biblical truths outlined in this book, you will learn: The effect of your words in the natural realm How to speak God's language How to break the chains of the past How to cross over to victory Plus much more! Bring your mouth into agreement with God . . . and begin to walk in victory!**

*The Pocket Book is for use by doctors nurses and other health workers who are responsible for the care of young children at the first level referral hospitals. This second edition is based on evidence from several WHO updated and published clinical guidelines. It is for use in both inpatient and outpatient care in small hospitals with basic laboratory facilities and essential medicines. In some settings these guidelines can be used in any facilities where sick children are admitted for inpatient care. The Pocket Book is one of a series of documents and tools that support the Integrated Managem.*

*This is the story of a young man's struggle to stay afloat. By turns poignant and comic, Paul Auster's memoir is essentially an autobiographical essay about money--and what it means not to have it. From one odd job to the next, from one failed scheme to another, Auster investigates his own stubborn compulsion to make art and describes his ingenious, often far-fetched attempts to survive on next to nothing. From the streets of New York City and Paris to the rural roads of upstate New York, the author treats us to a series of remarkable adventures and unforgettable encounters and, in several elaborate appixes, to previously unknown work from these years.*

*At the beginning of his physical transition from female to male, then-seventeen-year-old Skylar Kergil posted his first video on YouTube. In the months and years that followed, he recorded weekly update videos about the physical and emotional changes he experienced. Skylar's openness and positivity attracted thousands of viewers, who followed along as his voice deepened and his body changed shape. Through surgeries and recovery, highs and lows, from high school to college to the real world, Skylar welcomed others on his journey. Before I Had the Words is the story of what came before the videos and what happened behind the scenes. From early childhood memories to the changes and confusion brought by adolescence, Skylar reflects on coming of age while struggling to understand his gender. As humorous as it is heartbreaking and as informative as it is entertaining, this memoir provides an intimate look at the experience of transitioning from one gender to another. Skylar opens up about the long path to gaining his family's acceptance and to accepting himself, sharing stories along the way about smaller challenges like choosing a new name and learning to shave without eyebrow mishaps. Revealing entries from the author's personal journals as well as interviews with members of his family lend remarkable depth to Skylar's story. A groundbreaking chronicle of change, loss, discovery, pain, and relief, Before I Had the Words brings new meaning to the phrase "formative years."*

*This eighties-centric, Ritalin-fueled, pitch-perfect comic novel by a writer to watch brings energy and originality to the classic Midwestern coming-of-age story.Meet Justin Cobb, "the King Kong of oral obsessives" (as his dentist dubs him) and the most appealingly bright and screwed-up fictional adolescent since Holden Caulfield donned his hunter's cap. For years, no remedy--not orthodontia, not the escalating threats of his father, Mike, a washed-out linebacker turned sporting goods entrepreneur, not the noxious cayenne pepper-based Suk-No-Mor--can cure Justin's thumbsucking habit.Then a course of hypnosis seemingly does the trick, but true to the conservation of neurotic energy, the problem doesn't so much disappear as relocate. Sex, substance abuse, speech team, fly-fishing, honest work, even Mormonism--Justin throws himself into each pursuit with a hyperactive energy that even his daily Ritalin dose does little to blunt.Each time, however, he discovers that there is no escaping the unruly imperatives of his self and the confines of his deeply eccentric family. The only "cure" for the adolescent condition is time and distance.Always funny, sometimes hilariously so, occasionally poignant, and even disturbing, deeply wise on the vexed subject of fathers and sons, Walter Kirn's Thumbsucker is an utterly fresh and all-American take on the painful process of growing up.*

*#1 NEW YORK TIMES BESTSELLER • A modern, sophisticated suspense novel from National Book Award finalist, and Printz Award honoree E. Lockhart. Don't miss the eagerly anticipated prequel, Family of Liars, available May 2022! A beautiful and distinguished family. A private island. A brilliant, damaged girl; a passionate, political boy. A group of four friends—the Liars—whose friendship turns destructive. A revolution. An accident. A secret. Lies upon lies. True love. The truth. Read it. And if anyone asks you how it ends, just LIE. “Thrilling, beautiful, and blisteringly smart, We Were Liars is utterly unforgettable.” —John Green, #1 New York Times bestselling author of The Fault in Our Stars*

*Sarah J. Maas's sexy, richly imagined series continues with the journey of Feyre's fiery sister, Nesta. Nesta Archeron has always been prickly-proud, swift to anger, and slow to forgive. And ever since being forced into the Cauldron and becoming High Fae against her will, she's struggled to find a place for herself within the strange, deadly world she inhabits. Worse, she can't seem to move past the horrors of the war with Hybern and all she lost in it. The one person who ignites her temper more than any other is Cassian, the battle-scarred warrior whose position in Rhysand and Feyre's Night Court keeps him constantly in Nesta's orbit. But her temper isn't the only thing Cassian ignites. The fire between them is undeniable, and only burns hotter as they are forced into close quarters with each other. Meanwhile, the treacherous human queens who returned to the Continent during the last war have forged a dangerous new alliance, threatening the fragile peace that has settled over the realms. And the key to halting them might very well rely on Cassian and Nesta facing their haunting pasts. Against the sweeping backdrop of a world seared by war and plagued with uncertainty, Nesta and Cassian battle monsters from within and without as they search for acceptance-and healing-in each other's arms.*

*'Breathtaking.' Sunday Times 'Exquisite.' The Times 'Beautiful.' Independent 'Powerful.' New York Times An international bestseller and a modern classic, this suspenseful epic of one family's tragic undoing and their remarkable reconstruction has been read, adored and shared by millions around the world. This story is told by the wife and four daughters of Nathan Price, a fierce, evangelical Baptist who takes his family and mission to the Belgian Congo in 1959. They carry with them everything they believe they will need from home, but soon find that all of it - from garden seeds to Scripture - is calamitously transformed on African soil. What readers are saying "This remains one of the most fascinating books I have ever read." 'I felt every emotion under the sky with this book.' 'Riveting.' 'This novel left a lasting - YEARS LASTING - impression.' 'This is one of those booksthat stands the test of time and is worth rereading.' "Five epic, no-wonder-this-book-is-so-well-loved stars!"*

*When Top Chef judge Gail Simmons first graduated from college, she felt hopelessly lost. All her friends were going to graduate school, business school, law school . . . but what was she going to do? Fortunately, a family friend gave her some invaluable advice-make a list of what you love to do, and let that be your guide. Gail wrote down four words: Eat. Write. Travel. Cook. Little did she know, those four words would become the basis for a career as a professional eater, cook, food critic, magazine editor, and television star. Today, she's the host of Top Chef: Just Desserts, permanent judge on Top Chef, and Special Projects Director at Food & Wine magazine. She travels all over the world, eats extraordinary food, and meets fascinating people. She's living the dream that so many of us who love to cook and eat can only imagine. But how did she get there? Talking with My Mouth Full follows her unusual and inspiring path to success, step-by-step and bite-by-bite. It takes the reader from her early years, growing up in a household where her mother ran a small cooking school, her father made his own wine, and family vacation destinations included Africa, Latin America, and the Middle East; through her adventures at culinary school in New York City and training as an apprentice in two of New York's most acclaimed kitchens; and on to her time spent assisting Vogue's legendary food critic Jeffrey Steingarten, working for renowned chef Daniel Boulud, and ultimately landing her current jobs at Food & Wine and on Top Chef. The book is a tribute to the incredible meals and mentors she's had along the way, examining the somewhat unconventional but always satisfying journey she has taken in order to create a career that didn't even exist when she first started working toward it. With memorable stories about the greatest (and worst) dishes she's eaten, childhood and behind-the-scenes photos, and recipes from Gail's family and her own kitchen, Talking with My Mouth Full is a true treat.*

*My Mouth is a Volcano*

*Teaching children how to manage their thoughts and words without interrupting. Louis always interrupts! All of his thoughts are very important to him, and when he has something to say, his words rumble and grumble in his tummy, they wiggle and jiggle on his tongue and then they push on his teeth, right before he ERUPTS (or interrupts). His mouth is a volcano! But when others begin to interrupt Louis, he learns how to respectfully wait for his turn to talk. My Mouth Is A Volcano takes an empathetic approach to the habit of interrupting and teaches children a witty technique to help them manage their rambunctious thoughts and words. Told from Louis' perspective, this story provides parents, teachers, and counselors with an entertaining way to teach children the value of respecting others by listening and waiting for their turn to speak.*

*Bitter in the Mouth is a brilliant, virtuosic novel about a young woman's search for identity and the true meaning of family from the author of The Sweetest Fruits “What I know about you, little girl, would break you in two” are the prophetic last words that Linda Hammerick's grandmother says to her. Growing up in small-town North Carolina in the 1970s and '80s, Linda already knows that she is profoundly different from everyone else, including the members of her own family. She can “taste” words. In this and in other ways, her body is a mystery to her. Linda's awkward girlhood is nonetheless enlivened and emboldened by her dancing great-uncle Harper, and Kelly, her letter-writing best friend. Linda makes her way north to college and then to New York City, trying her best to leave her past behind her like “a pair of shoes that no longer fit.” But when a family tragedy compels her to return home, Linda uncovers the startling secrets of her past. Monique Truong's acclaimed novel questions our assumptions about what it means to be a family and to be a friend, to be foreign and to be familiar, to be connected to and disconnected from our bodies, our histories, ourselves.*

*"Open these pages and let your heart and your life be transformed by love!!! You will discover fresh-flowing love for the very special people God has placed in your life. More than that, you will experience amazing insights on the secret for pouring His love into the lives of others. Open your heart to hear God's voice as you turn these anointed pages!" Glenna Salsbury Professional Speaker Author of The Art of The Fresh Start "Mimi is a gutsy gal whose relationship skills were forged in the crucible of a sometimes harsh life. But God sent her an angel, a mother-in-law with a heart of gold and an abundance of grace. Through this woman, Mimi let God transform her own life. Today she has opened to us all the rich store of advice and examples she gained in the process. Beautifully presented, this book is full of illustrations of the balance between loving those special in-laws God sends us and receiving grace with humility, then passing it on. Thank you, Mimi, for showing us that in-lawing can work to the glory of God." Ethel Herr, Christian Writer & Speaker Mimi Moseley's favorite saying is, "It's never too late to be who you were meant to be." A scared childhood could have produced a troubled adult had God not intervened. Mimi has served in various aspects of ministering to women for over 25 years. She and her husband, Marty, live in Northern California. They have two sons, Marty III and Matthew: two amazing daughters-in-law, Rebecca and Anna; and two adorable grandchildren, Marty IV and Malea. Mimi communicates her calling to encourage conference and retreat attendees, as well as one-on-one counseling, to cultivate practical changes, which enhances good relationships and give hope to those facing hopeless ones.*

*A New York Times Bestseller A Washington Post Notable Nonfiction Book of 2020 Named a Best Book of 2020 by NPR “A fascinating scientific, cultural, spiritual and evolutionary history of the way humans breathe—and how we’ve all been doing it wrong for a long, long time.” —Elizabeth Gilbert, author of Big Magic and Eat Pray Love No matter what you eat, how much you exercise, how skinny or young or wise you are, none of it matters if you’re not breathing properly. There is nothing more essential to our health and well-being than breathing: take air in, let it out, repeat twenty-five thousand times a day. Yet, as a species, humans have lost the ability to breathe correctly, with grave consequences. Journalist James Nestor travels the world to figure out what went wrong and how to fix it. The answers aren’t found in pulmonology labs, as we might expect, but in the muddy digs of ancient burial sites, secret Soviet facilities, New Jersey choir schools, and the smoggy streets of São Paulo. Nestor tracks down men and women exploring the hidden science behind ancient breathing practices like Pranayama, Sudarshan Kriya, and Tummo and teams up with pulmonary tinkerers to scientifically test long-held beliefs about how we breathe. Modern research is showing us that making even slight adjustments to the way we inhale and exhale can jump-start athletic performance; rejuvenate internal organs; halt snoring, asthma, and autoimmune disease; and even straighten scoliotic spines. None of this should be possible, and yet it is. Drawing on thousands of years of medical texts and recent cutting-edge studies in pulmonology, psychology, biochemistry, and human physiology, Breath turns the conventional wisdom of what we thought we knew about our most basic biological function on its head. You will never breathe the same again.*

*Coronavirus: A Book for Children*

*Retirement Insecurity in the Age of Inequality*

*Wound from the Mouth of a Wound*

*The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerical predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self. A versatile missive written from the intersections of gender, disability, trauma, and survival. ¶Some girls are not made.¶ torrin a. greathouse writes, ¶but spring from the dirt.¶ Guided by a devastatingly precise hand, Wound from the Mouth of a Wound¶selected by Aimee Nezhukumatathil as the winner of the 2020 Ballard Spahr Prize for Poetry¶challenges a canon that decides what shades of beauty deserve to live in a poem. greathouse celebrates ¶buckteeth & ulcer.¶ She odes the pulp of a bedsore. She argues that the vestigial is not devoid of meaning, and in kinetic and vigorous language, she honors bodies the world too often wants dead. These poems ache, but they do not surrender. They bleed, but they spit the blood in our eyes. Their imagery pulses on the page, fractal and fluid, blooming in a medley of forms: broken essays, haibun born of erasure, a sonnet meant to be read in the mirror. greathouse's poetry demands more of language and those who wield it. ¶¶I'm still learning not to let a stranger speak / me into a funeral.¶ Concrete and evocative, Wound from the Mouth of a Wound is a testament to persistence, even when the body is not allowed to thrive. greathouse¶elegant, vicious, ¶a one-girl armageddon¶ draped in crushed velvet¶teaches us that fragility is not synonymous with flaw.*

*The Searing Portrayal Of War That Has Stunned And Galvanized Generations Of Readers An immediate bestseller upon its original publication in 1939, Dalton Trumbo's stark, profoundly troubling masterpiece about the horrors of World War I brilliantly crystallized the uncompromising brutality of war and became the most influential protest novel of the Vietnam era. Johnny Got His Gun is an undisputed classic of antiwar literature that's as timely as ever. ?A terrifying book, of an extraordinary emotional intensity.?-The Washington Post "Powerful. . . an eye-opener." --Michael Moore "Mr. Trumbo sets this story down almost without pause or punctuation and with a fury amounting to eloquence."--The New York Times "A book that can never be forgotten by anyone who reads it."--Saturday Review*

*One day Sophie comes home from school to find two questions in her mail: "Who are you?" and "Where does the world come from?" Before she knows it she is enrolled in a correspondence course with a mysterious philosopher. Thus begins Jostein Gaarder's unique novel, which is not only a mystery, but also a complete and entertaining history of philosophy.*

*The story of a kind of poverty in America so deep that we, as a country, don't even think exists--from a leading national poverty expert who "defies convention" (New York Times)*

*The New York Times bestselling work of undercover reportage from our sharpest and most original social critic, with a new foreword by Matthew Desmond, author of Evicted Millions of Americans work full time, year round, for poverty-level*

decided to join them. She was inspired in part by the rhetoric surrounding welfare reform, which promised that a job—any job—can be the ticket to a better life. But how does anyone survive, let alone prosper, on \$6 an hour? To find out, lodgings she could find, and accepted whatever jobs she was offered. Moving from Florida to Maine to Minnesota, she worked as a waitress, a hotel maid, a cleaning woman, a nursing-home aide, and a Wal-Mart sales clerk. She lived in trailer motels. Very quickly, she discovered that no job is truly "unskilled," that even the lowliest occupations require exhausting mental and muscular effort. She also learned that one job is not enough: you need at least two if you int to live in downtown America in all its tenacity, anxiety, and surprising generosity—a land of Big Boxes, fast food, and a thousand desperate stratagems for survival. Read it for the smoldering clarity of Ehrenreich's perspective and for a rare view of how "prosperity" is lived in a new foreword, Matthew Desmond, author of Evicted: Poverty and Profit in the American City, explains why, twenty years on in America, Nickel and Dimed is more relevant than ever.

Not that long ago, the head of the Mormon Church summarized what many Americans believe or at least subconsciously accept when he said, "There is a reason why one man is born white rich and with many blessings and another is born poor and with few. Each man's proper reward." And while he was widely and deservedly criticized for his remarks, it wasn't because a majority does not believe his views, but rather that they deemed him politically incorrect for bringing race into the question of reward. Class is America's forbidden thought. Class and culture rigidly control who we are, who we associate with, and how much money we can earn. American class culture determines who will prosper and who will struggle. This book about this culture and the debilitating consequences that make the American slave class. Written for a general audience, this book is the first historical and cultural analysis of the American class system and the poverty created by it through sociology, history, anthropology or economics. The book analyzes class through all these disciplines. The American class system is a topic that has not received a great deal of attention from American writers. There are no comprehensive books on poverty from cultural, economic and historic perspectives. This book does the job. Among the few books on the subject are such works as Bobos in Paradise by David Brooks and Class by Paul Fussell, both of which make fun of, belittle and mock the working class in their books. This book fires back.

A first book by a widely read, controversial essayist on poverty profiles the realities of the working poor in America and why poor people make decisions that are popularly criticized. 40,000 first printing. Tour.

Johnny Got His Gun

*A totalitarian regime has ordered all books to be destroyed, but one of the book burners suddenly realizes their merit.*

*One of the year's most anticipated books by The Millions, Colorlines and Remezcla! Carribean Fragoza's debut collection of stories reside in the domestic surreal, featuring an unusual gathering of Latinx and Chicana voices from both sides of the U.S./Mexico border, and universes beyond. "Eat the Mouth that Feeds You renders the feminine grotesque at its finest."—Myriam Gurba, author of Mean "Eat the Mouth that Feeds You will establish Fragoza as an essential and important new voice in American fiction."—Héctor Tobar, author of The Barbarian Nurseries "The writing is sharp and unexpected, and full of vivid turns."—David Ulin, Books editor, Alta Magazine In visceral, embodied prose, Fragoza's imperfect characters are drawn with a sympathetic tenderness as they struggle against circumstances and conditions designed to defeat them. A young woman returns home from college, only to pick up exactly where she left off: a smart girl in a rundown town with no future. A mother reflects on the pain and pleasures of being inexorably consumed by her small daughter, whose penchant for ingesting grandma's letters has extended to taking bites of her actual flesh. A brother and sister watch anxiously as their distraught mother takes an ax to their old furniture, and then to the backyard fence, until finally she attacks the family's beloved lime tree. Victories are excavated from the rubble of personal hardship, and women's wisdom is brutally forged from the violence of history that continues to unfold on both sides of the US-Mexico border. "Fragoza's surreal and gothic stories, focused on Latinx, Chicana, and immigrant women's voices, are sure to surprise and move readers."—Zoe Ruiz, The Millions "Fragoza's debut collection delivers expertly crafted tales of Latinx people trying to make sense of violent, dark realities. Magical realism and gothic horror make for effective stylistic entryways, as Fragoza seamlessly blurs the lines between the corporeal and the abstract."—Publishers Weekly "Fierce and feminist, Eat the Mouth That Feeds You is a soul-quaking literary force."—Dontaná McPherson-Joseph, The Foreword "The magic realism of Eat the Mouth that Feeds You is thoroughly worked into the fabric of the stories themselves . . . a wonderful debut."—Brian Evenson, author of Song for the Unraveling of the World "Fragoza's prose, a switchblade of a magical glow, cauterizes as it cuts. In a setting of barren citrus trees, poison-filled balloons, and stuccos haunted by the menace of the past, Eat the Mouth That Feeds You reinvents the sunny noir."—Salvador Plascencia, author of The People of Paper "Carribean Fragoza goes deep. This book makes central the lives of women, whether sourced locally or rooted in Mexico, whether alive or dead to the world, surrealistic or hyper realistic, in the flesh or as spirits centuries old. This is storytelling that astonishes . . ."—Sesshu Foster, author of Atomik Aztex "I felt this collection deep in my bones. Like the Chicana women whose voices she centers, Carribean Fragoza's writing doesn't flinch. It is sharp and dream-like, tender-hearted and brutal, carved from the violence and resilience of generations past and present."—Natalia Sylvester, author of Everyone Knows You Go Home One of the Best 5 Books of 2014 – Esquire "I've been waiting for this book for a long time. Well, not this book, because I never imagined that the book I was waiting for would be so devastatingly smart and funny, so consistently entertaining and unflinchingly on target. In fact, I would like to have written it myself – if, that is, I had lived Linda Tirado's life and extracted all the hard lessons she has learned. I am the author of Nickel and Dimed, which tells the story of my own brief attempt, as a semi-undercover journalist, to survive on low-wage retail and service jobs. Tirado is the real thing." –from the foreword by Barbara Ehrenreich, New York Times bestselling author of Nickel and Dimed We in America have certain ideas of what it means to be poor. Linda Tirado, in her signature brutally honest yet personable voice, takes all of these preconceived notions and smashes them to bits. She articulates not only what it is to be working poor in America (yes, you can be poor and live in a house and have a job, even two), but what poverty is truly like—on all levels. Frankly and boldly, Tirado discusses openly how she went from lower-middle class, to sometimes middle class, to poor and everything in between, and in doing so reveals why "poor people don't always behave the way middle-class America thinks they should."*

*A sharp examination of the looming financial catastrophe of retirement in America. As millions of Baby Boomers reach their golden years, the state of retirement in America is little short of a disaster. Nearly half the households with people aged 55 and older have no retirement savings at all. The real estate crash wiped out much of the home equity that millions were counting on to support their retirement. And the typical Social Security check covers less than 40% of pre-retirement wages—a number projected to drop to under 28% within two decades. Old-age poverty, a problem we thought was solved by the New Deal, is poised for a resurgence. With dramatic statistics and vivid portraits, acclaimed sociologist Katherine S. Newman shows that the American retirement crisis touches us all, cutting across class lines and generational divides. White-collar managers have seen retirement benefits vanish; Teamsters have had their pensions cut in half; bankrupt cities like Detroit have walked away from their commitments to municipal workers. And for Generation X, the prospects are even worse: a fifth of them expect to never be able to retire. Only the vaunted "one percent" can face retirement without fear. Other countries are confronting similar demographic challenges, yet they have not abandoned their social contract with seniors. Downhill From Here makes it clear that America, too, can—and must—do better.*

NEW YORK TIMES BESTSELLER AND INSPIRATION FOR THE NETFLIX LIMITED SERIES, HAILED BY ROLLING STONE AS "A GREAT ONE." "A single mother's personal, unflinching look at America's class divide, a description of the tightrope many families walk just to get by, and a reminder of the dignity of all work." –PRESIDENT BARACK OBAMA, Obama's Summer Reading List At 28, Stephanie Land's dreams of attending a university and becoming a writer quickly dissolved when a sudden turn in an unplanned pregnancy. Before long, she found herself a single mother, scraping by as a housekeeper to make ends meet. Maid is an emotionally raw, masterful account of Stephanie's years spent in service to upper middle class families. "nameless ghost" who quietly shared in her clients' triumphs, tragedies, and deepest secrets. Driven to carve out a better life for her family, she cleaned by day and took online classes by night, writing relentlessly as she worked toward earning a college degree. She wrote of the true stories that weren't being told: of living on food stamps and WIC coupons, of government programs that barely provided housing, of aloof government employees who shamed her for receiving what little assistance she could. Above all else, she wrote about pursuing the myth of the American Dream from the poverty line, all the while slashing through deep-rooted stigmas of the working poor. Maid is Stephanie's story, but it's not hers alone. It is an inspiring testament to courage, determination, and ultimate strength of the human spirit.

When the sister who delighted their parents by her faithful embrace of Mexican culture dies in a tragic accident, Julia, who longs to go to college and move into a home of her own, discovers from mutual friends that her sister may not have been believed.

A man with a prison record has no place around a fresh faced college student. Tell that to Rory Prince. He should stay the hell away from Olive Cunningham. There's one small problem, though. She won't stop almost getting killed—and with it, the too-sweet girl holding his heart in her hands, Rory is powerless to do anything but keep saving her. Homeschooled from a young age, Olive is now out on her own and discovering the world, one milkshake flavor at a time. Until recently, she lived through books. She's walked in a million sets of shoes while flipping pages—enough to know that Rory gives her once-in-a-lifetime feelings. If only he would stop trying to protect her...from himself.

On a day when everything goes wrong for him, Alexander is consoled by the thought that other people have bad days too.

Arm Around Shoulder/ Hand Over Mouth

Dangerous Intentions: Mouth Full of Lies is about my experience in a relationship with a Jamaican man named Mark (The Love of My Life) or so I thought. No matter how good things felt with all of the passion, love, time spent together, and chemistry, a web of lies was created. Once lies begin to surface things take a dramatic turn which changes the whole perception of what things appeared to be. I was taken on the ride of my life, the man I thought I knew suddenly became someone I didn't know at all. It was as if a mask was peeling off of his face and the person behind the mask emerged, which was a stranger to me. Our whole relationship seemed to disappear in the blink of an eye. My story will take you through all of the hurt and betrayal I endured. The man that vowed to love me and always be there for me lied and abandoned me. It almost seemed I was playing a character in a movie thinking this can't really be happening. He could no longer run from the truth, it was time to face it. The double life he was living blew up in an unexpected way. Ultimately he sold me a dream, but in the end delivered a nightmare.As my life was turned upside down I slowly moved on trying to put the pieces back together.

In the process I crossed paths with another Jamaican man named Devon, who seemed to be the opposite of Mark. Devon and I would talk all the time about our past relationships which he used as a way to get close to me. I became hesitant pretty quickly as I noticed a dark side emerge that kept revealing itself no matter how much he tried to conceal it. Devon became emotionally and mentally abusive, it was the first time in my life I had ever experienced that type of abuse. He became a complete monster, as I tried to leave him many times I realized unlike the relationship with Mark, getting away from Devon would be more of a challenge. He was a manager at a cruise line where I worked and he made sure to keep reminding me by his actions that things would never be over until he wanted it to be over. I was taken through more twists, turns and confusion. In the end, I had to make a wise decision and forget what I hoped things could be based off of false pretenses and instead do what was best for me.

Talking with My Mouth Full
