What You Don't Know About Turning 60 is a hilarious pop quiz to ease the pain of a 60th birthday. This charming humor book provides entertainment for over-the-hill birthday parties and is fun to read when the party's over and reality sets in. Sample jokes include: - Q: What's a senior screwdriver? A: Orange Juice and Metamucil. - Q: What do the following words bring to mind: "free refills?" A: If you said coffee, you're probably under 60. If you said a good prescription drug plan, you're probably 60 or older.

Eddie is a wounded war veteran, an old man who has lived, in his mind, an uninspired life. His job is fixing rides at a seaside

amusement park. On his 83rd birthday, a tragic accident kills him, as he tries to save a little girl from a falling cart. He awakes in the afterlife, where he learns that heaven is not a destination. It's a place where your life is explained to you by five people, some of whom you knew, others who may have been strangers. One by one, from childhood to soldier to old age, Eddie's five people revisit their connections to him on earth, illuminating the mysteries of his "meaningless" life, and revealing the haunting secret behind the eternal question: "Why was I here?"

This cute 60th Birthday Gift Journal / Diary / Notebook makes for a great birthday card / greeting card present! It is 6 x 9 inches in size with 110 blank lined pages with a white background theme for writing down thoughts, notes, ideas, or even sketching.
