Finally, exhausted from months of running, Isabella settles in a small town, but soon realizes the men searching for her have found her once again. Gathering what strength she has left, she fights back, only to collapse in a wooded area, cold, exhausted, and alone. Ethan Shay, a former member of the army's elite Special Forces unit, is happy with the quiet life he has chosen to lead. Finding a broken and bleeding unconscious woman was not something he anticipated, but finding her in the woods and knowing that someone had badly beaten her brings out his natural instinct to protect. Shocked at her vehemence that he not call the police, Ethan takes her home to give her time to recover. When she finally tells him her story, it quickly becomes clear that it will take more than just his resources to help her. As they work together to uncover the mystery surrounding Isabella, they learn that the political ramifications of what she witnessed were only the beginning of what was truly happening. If only they knew that they were never going to reach the end of that summer—at least, not in the world they knew. A secret waits to be revealed on the eve of their nineteenth birthday, a secret that is going to change their lives forever when it leads them to a place they never believed existed, love they could never imagine living without, and power they never suspected they possessed. Amidst this adventurous quest for a lost prophecy, Bowen weaves in powerful tales of love that will leave the characters and readers breathless.

In a North Carolina tiger sanctuary, she found new love and a new purpose. Sylvia Holt has lost her dream of the perfect suburban Atlanta life—via infertility, a painfully failed adoption, and a husband who's cheating on her with a younger woman. Her divorce

leads her to a North Carolina vacation home, where she settles in with no other goals than to become a sad recluse. But then her next-door neighbor, Ethan Montgomery, lures her into the amazing world of his tiger sanctuary. Sylvia slowly heals, and her bond with Ethan and the tigers--many of them rescued from abuse and neglect--turns her into a fierce advocate for the big cats. She and Ethan battle a sinister dealer in black-market potions made from tiger parts. Sylvia's maternal instincts kick in even more with the rescue of a tigress and her tiny cub. Despite challenges, threats, and doubts, Sylvia and Ethan forge ahead, falling in love and working against all odds to secure a future for the endangered cats they adore.

Love is his enemy...and her answer. A nationally televised bombshell revealing a secret son turns marriage therapist Caleb Paden's life upside down. While others focus on the public relations disaster for his

company, he can only think of rescuing his baby and providing the stable home dictated by his marriage theories—one devoid of love and emotions. Olivia Wells might not be the baby's biological mother, but she loves him as much as any parent could. Letting him go will break her heart. Letting him go to a man who doesn't believe in love will tear her apart. As she helps Caleb bond with his child, Olivia finds herself falling for the man behind the stuffy therapist persona. However, he wants nothing to do with her love and emotions, and those are the only things she has to give. If she can't convince him love is the answer, not the enemy, she will lose both the baby she loves and her heart.

A Birthmark, A Princess, A Special Destiny in Romantic Novel, A King's Daughter FORT WORTH, Texas- A red birthmark on the face of a newborn baby daughter turns its mother, a Queen into a suspicious, if not superstitious, woman. Queen Charlotte, wife to King Edward, gives birth to her child, but upon knowing that the mark will not go away immediately loses faith in everything and turns away from A King's daughter. Audra Lilly Griffeth's exciting story is potent with the romance attendant on royalty and how its members fare when a twist of fate condemns them or one of their members to a commoner's fate but is destined to come back to the fold. And thus, the story unfolds... Born Princess Eva Kathleen Wellington, Eva is loved by the Queen's servant Lady Margaret, when her mother continues with her passionate denial of her daughter's defect. Although it may have turned out worse, Princess Eva's story is proof of a more romantic, benign fate that is perhaps the antithesis to the Queen's unfounded fears of having a "defective" and cursed infant. In any case, a cosmetic cure could have been eventually found except that there was no hiding the Queen's strange behavior towards her newborn for too long. Sad and concerned for the Princesses' future, Lady Margaret arranged a fake kidnapping in a nearby forest when King and Queen are off on a state to visit another kingdom. When news of "kidnapping" reaches them two days after the fact, the Queen is unaffected while the King is in despair and does not fully recover even after the birth of two sons and another daughter to continue his line. Meanwhile, Eva and Lady Margaret, as Evanlynn and Mary Engleton (mother and daughter), prosper as best they could in Margaret's grandparent's dairy farm. Fate takes another surprising turn when Sir Daniel, a trusted officer of the King, befriends Margaret and unwittingly influences her to reveal their existence to the King. The King is overjoyed and Evanlynn shows the truth of her genetic make-up by naturally adapting to a set of strange, new circumstances. With a flair for a well-turned out plot which generates its own set of unique circumstances, Griffeth then sets in motion a whirlwind of love, repentance, acceptance and a more special destiny for the entire kingdom that would not have been possible had it not lost a Princess to the vagaries of natural physical form.
