GO Math! combines fresh teaching approaches with never before seen components that offer everything needed to address the rigors of new standards and assessments. The new Standards Practice Book, packaged with the Student Edition, helps students achieve fluency, speed, and confidence with grade-level concepts. GO Math! is the first K-6 math program written to align with the Common Core. With GO Math! you will hit the ground running and have everything you need to teach the Common Core State Standards. GO Math! combines fresh teaching approaches with everything needed to address the rigors of the Common Core Standards. Using a unique write-in student text at every grade, students represent, solve, and explain -- all in one place. - Publisher.

Math Expressions

Farmer Fred never smiled much. "Farmin' is serious business," he'd say. "Nothin' funny about corn." And so life on his farm was pretty serious. None of the animals laughed or even smiled. But everyone has to laugh sometimes, including Farmer Fed. The animals try everything to get him to smile: dancing by the light of the moon in Farmer Fred's clothes, singing chickens, sheep disguised in sunglasses and mustaches. Nothing works and finally the animals decide to leave Serious Farm in search of a more cheerful place to chuckle and graze. Will the animals find a livelier home, and will Farmer Fred ever lighten up?
