The extraordinary, groundbreaking novel from Laurie Halse Anderson, with more than 2.5 million copies sold! The first ten lies they tell you in high school. "Speak up for yourself--we want to know what you have to say." From the first moment of her freshman year at Merryweather High, Melinda knows this is a big fat lie, part of the nonsense of high school. She is friendless, outcast, because she busted an end-of-summer party by calling the cops, so now nobody will talk to her, let alone listen to her. As time passes, she becomes increasingly isolated and practically stops talking altogether. Only her art class offers any solace, and it is through her work on an art project that she is finally able to face what really happened at that terrible party: she was raped by an upperclassman, a guy who still attends Merryweather and is still a threat to her. Her healing process has just begun when she has another violent encounter with him. But this time Melinda fights back, refuses to be silent, and thereby achieves a measure of vindication. In Laurie Halse Anderson's powerful novel, an utterly believable heroine with a bitterly ironic voice delivers a blow to the hypocritical world of high school. She speaks for many a disenfranchised teenager while demonstrating the importance of speaking up for oneself. Speak was a 1999 National Book Award Finalist for Young People's Literature.

The magical world of Harry Potter and his friends (and enemies!) is one that is host to a wealth of wonderful information. Over seven books, J K Rowling has introduced us to a fantastical place where I am sure many of us would love to live - despite the risks of coming across dark wizards or scary beasts! This book contains 400 questions to test the knowledge of any Harry Potter fan. From questions even a muggle should know all the way through to trivia that would test Dumbledore himself, this is an excellent way to enjoy the wizarding world even more. These quiz questions are generally based on the world as told to us in the books, rather than the series of films, as the two are sometimes quite different! Perhaps you will read this book - newly updated and revised for a third edition - on the bus home after a long day at work or school, or maybe you will test your friends and family to see if they are as much of a magical expert as you are.

Harry Potter: A Guide Book (Questions & Answers 2016) Well, well, well! We have read all the Harry Potter books, watched all the movies (or not!) and theorized a lot about the Golden Trio, their friends and associations and of course, the Ministry of Magic and Hogwarts School of Witchcraft and Wizardry! But what lies beyond the magical confines of Great Britain? What happens after the next generation of wizards catch the train to their destiny for the first time? This book will give you some interesting possibilities of what could or could not be the answers to some burning questions! Want to know more? Read along, Potterheads!

****** QUESTION 1: The synopsis of 'Harry Potter and the Cursed Child' says that 'Harry grapples with a past that refuses to stay where it belongs'. Now it could have something to do with the Dark Lord's horcruxes, but what could be another possible theory?..... READ MORE? BUY THIS BOOK RIGHT NOW!*

How well do you know your Harry Potter? Are you a true fan of Harry Potter? These 280 questions will test your Harry Potter knowledge. See how many you can answer, and then check your answers. With questions and random difficulty level game to prove whether you're a TRUE FAN!

Through JK Rowling's series of Harry Potter books and the eight films, we have been introduced to a fantastic and magical world that I'm sure many of us would like to visit. But what is the story behind what we see and read, and what are some interesting facts about the books, the films, the actors and the characters? This book contains 101 amazing facts which you may not know!

This is a Harry Potter quiz book like no other. It won't be asking you questions like "what school did Harry Potter go to?" (if you are a Harry Potter fan, then of course you know the answer!) Rather it asks questions which will develop your literary appreciation of the Harry Potter books and your general knowledge of the Harry Potter phenomenon. Some of these questions are easy, quite a few are fiendishly difficult, and several of them really don't have simple answers, but thinking about possible answers is what it is all about. Work through this quiz book (with an eye on the answers) and come out the other end with a better understanding of the phenomenon that is Harry Potter. After each question, space is provided in which you may write your preliminary answer. In this quiz book there is a focus on the language used by J. K. Rowling. From alchemy to wizardry, via such gems as hallows and knickerbockers the books use a range of words which are not part of the everyday vocabulary of most speakers of English, and certainly not of most children. True fans of the Harry Potter series will want to know more. This is a mass of information around the world of Harry Potter, some of it trivia (but fun!), some key to our appreciation of the series. Also fans have realized that the books have some serious points to make. No book achieves anything approaching the quality of the Harry Potter series unless it includes something that makes us all think. This Harry Potter Quiz Book aims to draw attention to some of these big questions. Knowing the name of Harry Potter's school is not likely to change the life of anyone, but thinking about the moral issues raised in the books might do just that.
