

Hatshepsut The Pharaoh Queen Of Egypt

Tausret reveals the relatively unknown story of one of the only women to ever rule ancient Egypt as a king. This book brings together distinguished scholars whose research and excavations have recovered the history of this nearly forgotten female pharaoh.

An ingenious Egyptian slave girl undertakes a dangerous assignment as a spy in the royal palace of Thebes during the rule of Queen Hatshepsut.

Bookmark File PDF Hatshepsut The Pharaoh Queen Of Egypt

Queen - or, as she would prefer to be remembered King - Hatchepsut was an astonishing woman. Brilliantly defying tradition she became the female embodiment of a male role, dressing in men's clothes and even wearing a false beard. Forgotten until Egptologists deciphered hieroglyphics in the 1820's, she has since been subject to intense speculation about her actions and motivations. Combining archaeological and historical evidence from a wide range of sources, Joyce Tyldesley's dazzling piece of detection strips away the myths and misconceptions and finally restores the female pharaoh to her rightful place.

Bookmark File PDF Hatshepsut The Pharaoh Queen Of Egypt

Hatshepsut was a young woman who became the first female pharaoh of Egypt. When her father, Thutmose I, died, Hatshepsut was the only heir. Since she was female, leaders were afraid to make her pharaoh. She finally declared herself the pharaoh in 1501 B.C. and ruled Egypt for about 20 years.

lives of two of Ancient Egypt's most fascinating personalities. Rumours persist in some Egyptian archaeological circles, that Hatshepsut, and Senmut were lovers. This story suggests more. It entails a scenario where not only are they secret lovers, but they become the parents of two children. It covers how Hatshepsut and Senmut meet, fall in love and deceive the people of Egypt for close to forty years. Hatshepsut's life is scrutinised as it progresses through stages of Pharaoh's daughter to Pharaoh's wife. She then becomes Regent to her step-son Thutmose the Third, before scheming to attain Pharaonic status for herself. Hatshepsut achieves all this in a male-dominated world. Included is an account of her daughter Neferure's life, love and supposed death.

Journal

HATSHEPSUT, QUEEN TO KING, is a historical novel, geared to adult readers, telling the story of a remarkable woman who ruled Egypt about 1500 years before the more well known Cleopatra, and was, by most accounts, considered to be the greatest female ruler in history. Hatshepsut's "peaceful" reign was in Egypt's 18th Dynasty. She opened trade routes with other countries, re-opened the Sinai mines for gold, and vigorously promoted Egypt's agriculture and the arts, particularly architecture. To better relate to her people, who were not used to a female ruler, she frequently appeared in male pharaoh robes and a fake beard. But despite her "peacetime" reign, Hatshepsut's personal life was anything but. Being a female ruler, she had many political enemies. Her

Bookmark File PDF Hatshepsut The Pharaoh Queen Of Egypt

husband, Thutmose II, and later her nephew. Thutmose III, were war hungry men. Her chief architect, Senmut, was rumored to be more than just the chief architect. After her death, her enemies tried to erase her name from history, by destroying all the monuments she had built that has her image and/or name inscribed on. Her mummy was stolen and has never been definitively found. Fortunately, her enemies failed to erase her from history, and Hatshepsut lives here, in Evelyn Sova's exciting interpretation.

The year is 1477 B.C.E. and history is about to change... Hatshepsut, the Great King's Wife, is thrust into a world of intrigue and politics when her husband, Pharaoh Thutmose, dies suddenly, leaving Egypt with an heir who is barely two years old. The Queen must step into the role of leader, and then

Bookmark File PDF Hatshepsut The Pharaoh Queen Of Egypt

are few whom she can trust. When Hatshepsut is crowned as Pharaoh, she grooms her daughter, Neferure, to take the place of heir, rather than Thutmose's infant son from another woman. Neferure, though young, is still older than the boy who should by all rights be king. The future of Egypt rests in the hands of a single woman, the most powerful woman in the ancient world. Can Pharaoh Hatshepsut's people accept her unorthodox reign, and her plans to usurp the men's place as rulers of a Kingdom, decreeing that only women are suitable leaders?

Hatshepsut, King of Egypt

This book presents an overview of Hatshepsut's life, as well as his influence on history and the world.

The female pharaoh Hatshepsut reigned for nearly twenty years during Egypt's early New Kingdom in the fifteenth century B.C. First acting as regent for her young nephew/stepson Thutmose III, she in time assumed the title of king and exercised the full powers of the throne as senior co-ruler. In accordance with Egyptian tradition, Hatshepsut was often depicted as a male king. After her death, however, monuments

Bookmark File PDF Hatshepsut The Pharaoh Queen Of Egypt

bearing her image were ruthlessly defaced, and her name was erased from historical accounts. Hatshepsut's rise to power and the nature of her kingship have long been debated by scholars. This fascinating period, one of immense artistic creativity, is illuminated by this volume's rich presentation of monumental royal sculpture and reliefs, ceremonial objects, exquisite personal items for everyday use, and dazzling jewelry. Essays focus on influences from the neighboring Near East, Nubia, and the Aegean; the innovative architecture built by Hatshepsut; powerful figures in the royal court during her reign;

From Queen to Pharaoh

This novel about the life of Moses is unlike any other. It ends where most stories about him begin--at the burning bush! Born a slave, but destined to rule over Egypt, the Prince of the Nile must face a destiny for which he is unprepared. In these vivid pages, we see the drama and mysteries of Moses' life in a new light--his rescue in infancy and adoption by Princess Hatshepsut, and his transformation in the crucible of the desert. Moses is perhaps the most commanding presence in the Old Testament. The novel also features his adopted mother--Princess Hatshepsut--simply referred to in holy writings as "Pharaoh's daughter." Married to Thutmose II, she begins her rise to power as co-regent with her

stepson, Thutmose III. When her husband dies, Hatshepsut declares herself Pharaoh and assumes power. She is determined to remind all Egypt of her ability to rule equal to any man. To make her point, she wears a fake goatee, flattens her chest and names her daughter queen. Hatshepsut guides the young Moses as he learns his responsibilities as Prince and her choice for the succession. Educated at the finest academies in Awen, Egypt (the ancient city of On), he then helps her lead Pharaoh's army into the land of Punt and subdues the mighty nation rich in gold and spices. The author brings his historical knowledge and keen imagination to one of the most compelling stories of the Bible, and the results are fascinating. A figure of mystery, compassion

Bookmark File PDF Hatshepsut The Pharaoh Queen Of Egypt

and contradiction, Moses emerges in the book very much a hero for our time.

Over the centuries the figure of the Queen of Sheba has loomed large in poetry and romance. The mysterious Queen, who is said to have visited Solomon in Jerusalem, has cast her spell over poets, painters and storytellers of many lands. The people of Ethiopia have always claimed her as her own, and to this day boast that her son Menelik - fruit of the union between the Queen and Solomon - stole the Ark of the Covenant from the Temple in Jerusalem after Solomon's death. For all that, historians have been more sanguine, and increasingly over the past century the academic community has veered towards consigning both royal characters to the

Bookmark File PDF Hatshepsut The Pharaoh Queen Of Egypt

fairyland of myth and romance. In 1952, however, Immanuel Velikovsky made an astonishing claim: He announced that not only did the Queen of Sheba exist, but that she left numerous portraits of herself as well as an account of her famous journey to Israel. The Queen of Sheba, Velikovsky announced, was none other than Hatshepsut, the female "pharaoh" of Egypt, who built a beautiful temple outside Thebes on the walls of which she immortalized the most important event of her life: an expedition to the Land of Punt. Punt, said Velikovsky, was one and the same as Israel. In this volume historian Emmet Scott brings forward dramatic new evidence in support of Velikovsky. He finds, among other things, that: - Ancient Israel, just like Punt, was a renowned

Bookmark File PDF Hatshepsut The Pharaoh Queen Of Egypt

source of frankincense. - Egyptian documents, generally ignored in academic circles, unequivocally place Punt in the region of Syria/Palestine. - The goddess Hathor was known as the 'Lady of Punt,' but she was also known as the 'lady of Byblos'. - The Egyptians claimed to be of Puntite origin, but Jewish and Phoenician legends claimed that the Egyptians came from their part of the world, and the Phoenicians named Misor - almost certainly the same as Osiris - as the Phoenician hero who founded the Nile Kingdom. This, and a wealth of additional evidence, has, Scott argues, shifted the burden of proof onto Velikovsky's critics; and the identification of Hatshepsut with the Queen of Sheba will eventually compel the rewriting of all the history books.

Bookmark File PDF Hatshepsut The Pharaoh Queen Of Egypt

Joyce Tyldesley's 'Hatchepsut' deals with the same character, but from an entirely conventional viewpoint. She never even raises the possibility that the accepted chronology of Hatshepsut's life may be wrong. In his 'Ages in Chaos,' however, Immanuel Velikovsky did raise this possibility, and was the first to suggest that Hatshepsut be identified with the Queen of Sheba. Velikovsky's work remains extremely popular, and the present book aims to take his ideas forward, exploring new evidence that has come to light since his death. This new evidence, Scott argues, puts the equation of Hatshepsut with the Queen of Sheba virtually beyond doubt.

ancient Egypt who declared herself king and ruled for more than 20 years. Full-color illustrations.

Hatshepsut - the daughter of a general who usurped Egypt's throne - was born into a privileged position in the royal household, and she was expected to bear the sons who would legitimize the reign of her father's family. Her failure to produce a male heir was ultimately the twist of fate that paved the way for her improbable rule as a cross-dressing king. At just over twenty, Hatshepsut ascended to the rank of pharaoh in an elaborate coronation ceremony that set the tone for her spectacular reign as co-regent with Thutmose III, the infant king whose mother she out-maneuvered for a seat on the throne. A master strategist, Hatshepsut successfully negotiated a
