

## Have The Relationship You Want Rori Raye

The Relationship Laws that Drive Success There are powerful but invisible laws that determine whether your relationships—with your clients, colleagues, and friends—will thrive or wither. These relationship laws are ever-present. When you align with them, the results are dramatic. Your network will grow rapidly. You'll be seen by clients as a trusted partner rather than an expense to be managed. And you'll find the people around you eager to help you succeed. When you ignore the laws, however, your efforts will falter. Relationship building will seem like very hard work. Power Relationships gives readers a unique, entertaining guide to relationship success at work and in life. Each of the 26 laws is illustrated and explained using a compelling, real-life story that shows how to implement it. The second section of the book presents 16 common relationship challenges with specific solutions. You'll read about: The top Citigroup executive whose relationship with a CEO was changed forever on a business trip that exploded into chaos, and how you can use the same principle to deepen your own relationships. The philanthropist who, on the verge of being mugged in a dark parking lot, learns how his actions have had an unimaginable ripple effect across several generations How one of the authors flew halfway around the world and used Law 18—"Make them curious"—to turn a make-or-break, five-minute meeting with a top executive into a long-term relationship. The chance encounter on an airplane with a famous actor that revealed a simple but profound truth. It's Law 25: "Build your network before you need it." Sobel (author of Clients for Life, All for One, and Power Questions (with Panas)) and Panas (author of Asking and Supremely Successful Selling) have sold over half a million books and are the leading authorities in their field. Power Relationships is a unique, road-tested guide to relationship success.

A candid, inspiring guide to finding lasting love by getting real about your relationship goals--based on the viral sermon series about dating, marriage, and sex. Realer than the most real conversation you've ever heard in church on the topic, Michael Todd's honest, heartfelt, and powerful teaching on relationships has already impacted millions. Michael believes that relationships are the epicenter of human thriving. All too often, though, we lack the tools or vision to build our relationships on the wisdom and power of God. In other words, it's good to have a goal, but you can't get there without proper aim By charting a course that candidly examines our most common pitfalls, and by unpacking explosive truths from God's Word, Michael's debut book will transform a trendy hashtag into a future where your most cherished relationships thrive in relational life, hope, and abundance. Now those are real #relationshipgoals.

Unleash Your Irresistibility! "Make Every Man Want You gives every woman the tools she needs to unlock her inner magnet." --Kelly Ripa Let's make one thing clear: this book is like no other dating book you've read. There are no rules, no list of things to do to land a husband in thirty days, and no reason to blame yourself if "he's just not that into you." Please. Throw those books away. Instead, let's focus on you--and how you can make yourself more appealing to others in almost every situation--whether you have a man or not. Think of it as a crash course in desirability, a life-changing lesson in loving yourself inside and out. Once you embrace your unique qualities and dissolve your bad relationship habits, you'll be amazed to find how irresistible you are to others! Falling in love is a thrilling, transcendent experience . . . but what about staying in love? Once the intense excitement of a new relationship starts to fade, you may think your only options are to somehow recapture that early magic or settle for a less than fulfilling love life. Now love, sex, and relationship expert Laura Berman, Ph.D., taps the latest scientific and metaphysical research to offer an inspiring alternative: a higher level of love beckoning you to move forward, not backward. Using the essential truth we've learned from the study of quantum physics—the fact that at our molecular core, each of us is simply a vessel of energy—Dr. Berman explains how you can use what's happening in your inner world to create a level of passion, connection, and bliss in your relationship that you've never imagined possible. Drawing on her clinical practice and case studies as well as her personal journey, she guides you to: •Plot your unique energetic frequency of love with her Quantum Lovemap •Work consciously with the energy of your body, heart, and mind •Make four key commitments designed to raise your energetic profile •Bring your frequency into harmony with your partner's so that you can grow together •Learn how to have Quantum Sex (which is every bit as good as it sounds)Quantum Love is the best possible experience of love, and it's available to absolutely everyone, whether you're seeking a mate, in a relationship that's struggling, or just finding that love has turned lackluster through the stresses of life. You can't go back to the honeymoon phase, but there is something so much better within your reach. Quantum Love lets you reach new heights of intimacy as you gain a fuller sense of purpose in life and love.

Get What You Want from Your Man

"Very wise . . . Give this book to every single girlfriend [you] have."—Marie Claire If you're looking to get married and you're not, there's most likely a very good reason: you. Hey, you're certainly not a bad person! You just haven't yet become the woman you need to be in order to have the partnership you want. That's where this book comes in. Based on her wildly popular Huffington Post article, Tracy McMillan's Why You're Not Married . . . Yet dishes out no-holds-barred practical wisdom for women hoping to head down the aisle. And this new edition features even more candid advice and sisterly insight. McMillan points out the behaviors that might be in your blind spot and shows you how to adjust them to get the relationship you deserve. Do any of these chapter headings sound familiar? • You're a Bitch: How defensiveness can hide behind a tough exterior, and why being nice is never a sign of weakness. • You're a Liar: How to stop lying to men—and get honest with yourself—about the kind of relationship you really want. • You're Selfish: The big secret about marriage: It's about giving something, not getting it. A funny, insightful guide, Why You're Not Married . . . Yet will change your life and the way you think about relationships, and it may very well lead you down the aisle. "Equal parts BFF, boot-camp instructor, and relationship guru, Tracy McMillan will change the way you think about yourself and your relationships. This book is for every woman out there who wants to have a great marriage."—Ricki Lake Sad but true, statistics clearly show that less than 7% of all marriages in the United States can be considered happy, healthy relationships. But, despite the gloomy forecasts for marital bliss, Dr. Tom Merrill and Bobbie Sandoz Merrill offer you a new way to turn the tables on these odds

and guarantee your success. In their desire to preserve the intensity of the love they had found, rather than allow it to fade and end in divorce as the authors had both previously experienced, they uncovered some powerful relationship secrets that are universally applicable. In addition to their personal discovery, the Merrills bring us the benefit of their extensive knowledge and research, as well as their own experience as therapists and seminar and community leaders who have helped thousands of couples. In *Settle for More*, the Merrills examine the cultural obstacles we face in trying to forge loving, harmonious relationships, and explode certain myths about the mechanics of a happy, successful marriage: Marriage does Not have to be "hard work;" it can be as light and playful as during courtship. Fighting is Not healthy for your marriage, but instead causes a serious breakdown of positive feelings. Marriage does Not require the restrictions and losses of "compromise," which can actually put more strain on a relationship. Thomas Merrill, Ph.D., and his wife, Bobbie Sandoz Merrill, MSW, break it all down for us in astoundingly simple terms. But don't be fooled; these two renowned, successful family therapists - nationally syndicated columnists both - deconstruct the conventional wisdom about marriage and relationships, and offer a new approach to get the relationship we want by monitoring our own behavior and developing the very qualities we want to experience from our partners. The Merrills bring an entirely new understanding of partnership itself to the table with their original and unique Model of Relationships. And anytime this Model is applied, it quickly, easily, and dramatically transforms all human interactions from competitive to cooperative, from adversarial to assistive, and from defensive to aligned. According to the Merrills, "The success of this Model is mind-blowing...even to us!" Book jacket.

Have you ever stopped to ask yourself if you really want a relationship? And if you do, what would you really like to create? RELATIONSHIP. Are you sure you want one? This is not your average relationship book. There is no 'sugar coating,' just practical tips and tools written from the authors, Simone and Brendon, so you can have both the male and female perspective. Warning: you might not like what you hear! Ladies, the man in your life didn't ask you to come along and change him into what you have decided is the perfect man for you. Brendon Watt Refreshingly honest, the book talks about: - Why there is no perfect relationship - Why you are the valuable product - The keys to intimacy - Choosing for you - Why gratitude is the key to letting go of judgement Relationship. Are you sure you want one? Is a totally different way of looking at relationships. To me, relationship is about two different people who have chosen to be together for a space to create something that is far greater than each of them could create alone. Simone Milasas If you would like to have a great relationship, whether it is with someone else or with yourself, then this book might just be for you. This book gives readers a suspenseful and intimate glimpse into a couple's life, as they wrestle with the thorns that pierce their idealistic bubbles and strive to regain the comfortable rhythm of emotional intimacy they had when they fell in love. The story is told through Rick's eyes in his personal therapy of three years after his wife walks out on an attempt at couples therapy. As he grows in therapy he addresses his own and his wife's fear of intimacy. The story moves from a narrative of husband and wife to therapy sessions where one of ten fears of intimacy is addressed and a solution offered.

*A marriage therapist and pastoral counselor explains that most of the feelings of receiving inadequate love come from unresolved childhood conflicts and describes how adults can learn to flourish as loving and loved people, in a new edition of the best-selling handbook. Reprint. 50,000 first printing.*

*Make Him Fall For You will give you the Rori Raye Tools For Love you need to instantly change your love life (yes - that fast) - no matter how frustrated and unhappy you may be feeling right now. If you're already receiving my free newsletters from [www.HaveTheRelationshipYouWant.com](http://www.HaveTheRelationshipYouWant.com) (if not - go get them now... ) - you may have read one - or perhaps even all - of the 16 Relationship Tools of the Week I've included in Make Him Fall For You. These 16 Tools are not only some of my favorites - they have a common theme: that Being is the way to get the love, romance and life-long commitment you want, instead of the Doing that we women have all been taught to rely on to get what we want. In love, it's our receiving, our feeling, our expressing, our just being that inspires and creates the powerful attraction we all truly hold for a man just because we're women. And we've all been taught to go against these most amazing of our powers - the depth of our emotions. Make Him Fall For You will shift your "vibe" from what feels to a man like the coldness of being in your head - to the warmth, passion, and intense, irresistible magnetism of being in your heart...and that's the fastest way to connect to HIS heart. He can feel this shift immediately, and - almost shockingly - will instinctively and concretely move closer to you. We are truly feminine energy "Sirens," and it's the intense, feminine energy we create with our feelings that will compel a man - perhaps YOUR man - to feel so intensely attracted to you he'll give up anything and everything - including his "freedom" - to be with you...forever. Make Him Fall For You will help you love yourself, sink into yourself, express yourself and draw a man to you - even the one you may be with right now. Relationships can turn around on a dime. I've seen it happen over and over...and it can happen for you, just the way it did for me. Be sure to let me know how Make Him Fall For You helps you... Love, Rori*

In Get What You Want from Your Man, success coach Shirley Baldwin reveals the secrets of how men think, what they truly want in a relationship, and what makes them want to give everything of themselves to a woman. Addressing the common issues in relationships, Shirley helps women realize that by understanding the needs of their man, changing their perception, and shifting how they act in the relationship, they have the power to create whatever they want. Get What You Want from Your Man is written by a woman, for women, yet includes both men's and women's perspectives to help women of all ages and stages of relationship. Whether readers have been in a relationship for 50 years, or haven't yet begun one, Shirley holds their hand along the journey and helps create a permanent change in how women see and relate to their man, so they can get way more from him than ever thought possible. Best of all, this is all accomplished without encouraging manipulation, head games, or women losing themselves in the process of creating the relationship of their dreams.

Steve Harvey, the host of the nationally syndicated Steve Harvey Morning Show, can't count the number of impressive women he's met over the years, whether it's through the "Strawberry Letters" segment of his program or while on tour for his comedy shows. Yet when it comes to relationships, they can't figure out what makes men tick. Why? According to Steve it's because they're asking other women for advice when no one but another man can tell them how to find and keep a man. In Act Like a Lady, Think Like a Man, Steve lets women inside the mindset of a man and sheds light on concepts and questions such as: The Ninety Day Rule: Ford requires it of its employees. Should you require it of your man? The five questions every woman should ask a man to determine how serious he is. And much more . . . Sometimes funny, sometimes direct, but always truthful, Act Like a Lady, Think Like a Man is a book you must read if you want to understand how men think when it comes to relationships.

Use these laws of attraction to effortlessly attain your heart's desire. "If you don't need it, you are more likely to attract it." If our emotional needs are unmet, we repel what we most desire. When we've fulfilled our needs--such as the need to be cherished, the need to be heard, and the need for harmony--we are naturally attractive to potential love interests. "Like attracts like." When we are fully living our core values, we effortlessly attract others with similar values. It sounds simple. The trick is learning how to apply these laws in your everyday life--and international bestselling author and noted life coach Talane Miedaner shows you how. This easy-to-follow guide provides a comprehensive quiz to help you identify your top four emotional needs and includes step-by-step instructions on how to meet those needs. Once you start embracing your passion and living your dreams, you instantly become more attractive to others. It's truly the "effortless" way to find and keep the love of your life. "Talane is a masterful life coach--she is the living embodiment of the laws of attraction." --Sandy Vilas, MCC, CEO of Coach U, Inc.

Whether you're newly together and eager to make it work or a longtime couple looking to strengthen and deepen your bond, Eight Dates offers a program of how, why, and when to have eight basic conversations with your partner that can result in a lifetime of love. "Happily ever after" is not by chance, it's by choice--the choice each person in a relationship makes to remain open, remain curious, and, most of all, to keep talking to one another. From award-winning marriage researcher and bestselling author Dr. John Gottman and fellow researcher Julie Gottman, Eight Dates offers an ingenious and simple-to-implement approach to effective relationship communication. Here are the subjects that every serious couple should discuss: Trust. Family. Sex and intimacy. Dealing with conflict. Work and money. Dreams, and more. And here is how to talk about them--how to broach subjects that are difficult or embarrassing, how to be brave enough to say what you really feel. There are also suggestions for where and when to go on each date--book your favorite romantic restaurant for the Sex & Intimacy conversation (and maybe go to a yoga or dance class beforehand). There are questionnaires, innovative exercises, real-life case studies, and skills to master, including the Four Skills of Intimate Conversation and the Art of Listening. Because making love last is not about having a certain feeling--it's about both of you being active and involved.

Providing practical, how-to advice, this book is designed to help women create the relationship they really want--whether that means starting a new one or moving it to the next level.

Most couples -- because they watch so many of their peers divorce and are themselves the products of failed marriages -- don't have many successful long-term-relationship role models. Parenting and communication issues are perennial, while some challenges, like increasingly 24-7 work lives and economic hardships, mark the current decade. Despite all this, psychotherapist and clinical social worker Marcia Naomi Berger asserts that most couples can make love last -- they just need to learn how.

Berger answers this need with a deceptively simple prescription: have an interruption-free thirty-minute (or even shorter) meeting each week and follow an agenda that includes the kind of appreciation and planning for fun that foster intimacy and pave the way for collaborative conflict resolution. Berger has refined these techniques while working with hundreds of couples – with results that are both practical and profound.

*Most dating books tell you what NOT to do. Here's a book dedicated to telling you what you CAN do. In his book, Get the Guy, Matthew Hussey—relationship expert, matchmaker, and star of the reality show Ready for Love—reveals the secrets of the male mind and the fundamentals of dating and mating for a proven, revolutionary approach to help women to find lasting love. Matthew Hussey has coached thousands of high-powered CEOs, showing them how to develop confidence and build relationships that translate into professional success. Many of Matthew's male clients pressed him for advice on how to apply his winning strategies not to just get the job, but how to get the girl. As his reputation grew, Hussey was approached by more and more women, eager to hear what he had learned about the male perspective on love and romance. From landing a first date to establishing emotional intimacy, playful flirtation to red-hot bedroom tips, Matthew's insightfulness, irreverence, and warmth makes Get the Guy: Learn Secrets of the Male Mind to Find the Man You Want and the Love You Deserve a one-of-a-kind relationship guide and the handbook for every woman who wants to get the guy she's been waiting for.*

In order to attract a life partner and build a healthy intimate relationship, you must first become a good partner to yourself. This book offers twenty invaluable lessons that will help you explore and commit to your own emotional and psychological well-being so you can be ready, resilient, and confident in love. Many of us enter into romantic relationships full of expectation and hope, only to be sorely disappointed by the realization that the partner we've selected is a flawed human being with their own neuroses, history, and desires. Most relationships end because one or both people haven't done the internal work necessary to develop self-awareness and take responsibility for their own experiences. We've all heard "You can't love anyone unless you love yourself," but amid life's distractions and the myth of perfect, romantic love, how exactly do you do that? In Loving Bravely, psychologist, professor and relationship expert Alexandra H. Solomon introduces the idea of relational self-awareness, encouraging you to explore your personal history to gain an understanding of your own relational patterns, as well as your strengths and weaknesses in relationships. By doing so, you'll learn what relationships actually require, beyond the fairytale notions of romance. And by maintaining a steady but gentle focus on yourself, you'll build the best possible foundation for making a loving connection. *Girlfriend 101* is a dating and relationship book for women about how past baggage can get stuck and cause blocks in our relationships. Drawn from research, soul truths, and stories to *Girlfriend 101* offers 7 ways we can drop the baggage and be more empowered in our lives and have more authentic relationships.

A “must-read” (*The Washington Post*) funny and practical guide to help you find, build, and keep the relationship of your dreams. Have you ever looked around and wondered, “Why has everyone found love except me?” You’re not the only one. Great relationships don’t just appear in our lives—they’re the culmination of a series of decisions, including whom to date, how to end it with the wrong person, and when to commit to the right one. But our brains often get in the way. We make poor decisions, which thwart us on our quest to find lasting love. Drawing from years of research, behavioral scientist turned dating coach Logan Ury reveals the hidden forces that cause those mistakes. But awareness on its own doesn’t lead to results. You have to actually change your behavior. Ury shows you how. This “simple-to-use guide” (Lori Gottlieb, *New York Times* bestselling author of *Maybe You Should Talk to Someone*) focuses on a different decision in each chapter, incorporating insights from behavioral science, original research, and real-life stories. You’ll learn: -What’s holding you back in dating (and how to break the pattern) -What really matters in a long-term partner (and what really doesn’t) -How to overcome the perils of online dating (and make the apps work for you) -How to meet more people in real life (while doing activities you love) -How to make dates fun again (so they stop feeling like job interviews) -Why “the spark” is a myth (but you’ll find love anyway) This “data-driven” (*Time*), step-by-step guide to relationships, complete with hands-on exercises, is designed to transform your life. *How to Not Die Alone* will help you find, build, and keep the relationship of your dreams.

*In Love Smart: Find the One You Want -- Fix the One You Got*, bestselling author Dr. Phil tells people who are dissatisfied with their love lives to stop making excuses and start taking action. You deserve a committed relationship, and it is within your control to have the one you want. First, though, you need to determine what you want in a partner, plot your course, and get out there and create velocity in your pursuit of a loving connection. In this book you'll learn to: Present the real you in the most flattering light. You have to stop being your own best kept secret. Peek behind the male curtain. Dr. Phil tells you things about men that they don't necessarily want you to know. How good is your Guy-Q? Master the right moves. Don't fade into the wallpaper; get noticed and get involved. If you are already coupled up then learn how to grow and nurture what you have built. Bag 'em, tag 'em and take 'em home. Learn how to negotiate the relationship you desire and then close the deal. Get out of your relationship rut. The daily grind, money problems, work, etc., can take their toll on your relationship. Dr. Phil shows you how to assess the state of your union and take your relationship to a deeper level. There are no exceptions: There is somebody for everybody, and everybody deserves a relationship filled with love and excitement. *Love Smart: Find the One You Want -- Fix the One You Got* offers you the plan to find not just any relationship but the committed, loving, joy-filled relationship you've been waiting for. “ Elizabeth Earnshaw ’ s gentle guidance will help any type of couple, whether they are dealing with small day-to-day problems or long-standing conflicts. She takes an accessible approach to couples therapy on the page, making these relationship tools feel easy—and even fun. ” —Lori Gottlieb, LMFT, New York Times bestselling author of *Maybe You Should Talk to Someone* A contemporary, culturally inclusive, and easy-to-digest relationship book for the modern age Today ’ s generation is changing the rules about committed relationships—and looking to create more meaning within their lives. We are more selective before getting married, with more diverse families and family structures, and we ’ ve seen a whopping 18 percent drop in divorce rates. In this new environment, what couples need more than ever are effective, flexible tools to communicate, navigate hard times, and create deeper connections with their partners.

Elizabeth Earnshaw is here to help. The renowned Gottman therapist, founder of A Better Life Therapy, and influential Instagram therapist behind @lizlistens has helped to transform countless relationships. With *I Want This to Work*, she presents for today ’ s generation the most effective and proven steps for relationship success. “ We ’ re in a cultural moment, ” she says, “ where people are hungry to absorb the principles for healthy relationships. This book answers that call. ” Here, couples will learn how to work with the three challenges they must tackle to repair and strengthen their relationships: conflict, healing, and connection. They ’ ll learn fundamental principles including:

- Why it ’ s not working
- Creating space that makes it safe to connect
- How to navigate hot conversations
- The five-part relationship system
- Busting the romantic notion that our better half “ completes ” us
- Growing up and growing out—how both your early years and the social connections you make as an adult influence your relational beliefs, feelings, and patterns

In a supportive and relatable voice, Elizabeth simplifies complex concepts and provides core insights, exercises, and reflections to take these tested principles from the page and into real life. Culturally tuned in, LGBTQIA+ friendly, and written for both married and unmarried couples, this book brings us an accessible guide to relationship healing and creating enduring intimacy.

In *The 5 Love Languages*, you will discover the secret that has transformed millions of relationships worldwide.

Whether your relationship is flourishing or failing, Dr. Gary Chapman s proven approach to showing and receiving love will help you experience deeper and richer levels of intimacy with your partner starting today.
