

devastation in Nigeria, and when they discover prisoners infected with the plague they realise they have uncovered a combined Boko Haram/IS plot to unleash a bio-terror attack upon the world. The team must stop the terrorists and identify the Caliph before the deadly disease threatens those much closer to home.

Helmand Province, Afghanistan. The Taliban are on the rise. A top-secret SAS kill team is assassinating high-value targets. It is bloody, violent, relentless work, suitable only for the Regiment's most skilled and ruthless head hunters. Like Danny Black. But when Danny joins the kill team, he learns that Taliban militants are not his only problem. There are elements within the British Army who want to bring the SAS to book. And there are elements within the SAS who have their crosshairs on Danny himself. Framed for a sickening war crime, Danny finds himself hunted in a brutal, dangerous terrain where his wits, training and strength may not be enough to survive. And in a world where his enemies are closer than he could have imagined, he must do whatever it takes to get to the truth. If he fails, it will mean the end not only of Danny Black, but of the SAS itself.
