

## Healing From Heaven

This book will help you receive healing, which Jesus Christ paid for, on your behalf. Healing is not something you have to earn -- it's a free gift from God -- freely available to all people. Whoever you are -- regardless of your past -- God loves you and has already provided healing for you. This book shows you how to receive healing from God. Practical and compassionate, it is written for all who are suffering. It contains God's medicine from Scripture which every home should have on hand, ready for use.

Its scriptural statement and principles, popular objections, practical directions, a multitude of witnesses, the author's personal experience.

Hope, Healing and Heaven is for everyone in search of hope. I have walked in your shoes. I 've been mistreated, rejected, addicted, depressed and anxiety-ridden, hopeless and grief-stricken. But that is not where this story ends. My journey out of the pit of hopelessness is outlined in these pages as I discover the truth that whatever the present circumstances, hope still remains. Hope that is not just wishful thinking, but hope that comes with the certainty of an expected conclusion. The key is to understand that this present and short life is only the first act on the stage of eternity - just the opening scene in an infinite drama where the second, final, and never-ending act is spectacularly better than the first. So take heart - even the worst of situations can be overcome with hope and healing and the certain expectation of Heaven.

These 160 original psalms are personal prayers addressing both modern and timeless topics.

How a Hopeless Mess Became a Message of Hope

***What To Do When Prayers for Healing Go Unanswered The Bible is clear: Gods will is to heal! And yet, believers often pray for healing and do not receive it. Why? The answer can be found in the Courts of Heaven. Robert Henderson is internationally recognized for teaching the Courts of Heaven prayer strategy, which has brought breakthrough, answered prayers, and miraculous transformation to countless lives. Now, Henderson presents a powerful new teaching that answers the question: What can I do if my prayers for healing go unanswered? Satan is the adversary to Gods will and Gods people. In the Courtrooms of Heaven, he brings charges against believers to prevent their healing. In this book, Henderson teaches you to align your prayers with the legal process of Heaven to defeat the devils arguments. You will learn how to: Identify hindering spirits, barriers, and legal rights that prevent healing. Break curses and strongholds that give satan destructive access to your health. Pray in a breakthrough dimension according to Gods purposes. Release the healing verdict of atonement from the Courts of Heaven. Discover how to legally unlock divine destiny over your life, and even your nation. Bring your appeals before the Courtroom of Heaven!***

God. The newly christened author, Paigerian Hervey, speaks in detail about the disappointment, heartache, and heartbreak she encountered while awaiting the fulfillment of God's promise. Her story not only illustrates her lowest moments, but it also explicates the intense joy of experiencing God's promises unfold before her eyes.

"When we understand what Jesus did on the cross, we can take the activity of the cross and overcome every accusation against us." This is a story about faith. As simple as that sounds, sometimes all of us need an example of how faith inevitably becomes the single most important component of who we are, what we do, and what we will become. At forty-seven, Mike suffered a widow-maker heart attack, which stopped his heart. This event resulted in multiple cardiac arrests, cardiogenic shock, respiratory failure, pulmonary embolisms, and acute kidney injury. He was given a 0.5 percent chance of survival. His parents were advised to plan his funeral. Mike was unconscious for over two weeks, but he was never alone. *Bring the Rain* is an inspirational and personal account of Mike Mitchener's encounter with death and his time in heaven. This book is a quick read for anyone who is searching. Mike hopes that sharing his story will encourage others in their spiritual journey.

On December 23, 1966, eighteen-year-old Gary Wood was driving with his younger sister Sue along a dark street in their hometown. They were heading home singing Christmas songs when Sue spotted an illegally-parked tow truck sticking out into their lane of traffic. Her scream pierced the night only a moment before the car crashed headlong into the obstruction. In the accident, Gary suffered a mid-face injury with laryngeal fractures—his vocal cords and voice box were completely shattered. Doctors offered no hope that Gary would ever talk again. What the doctors didn't realize, however, was that in the aftermath of the accident, Gary was given the miraculous experience of spending twenty minutes in heaven. While there, Gary witnessed sights such as the city of heaven; the grand auditorium; the spare parts room; and the Throne Room, as well as his very own personal mansion. He was also given ten amazing signs regarding Christ's ultimate return. At the end of his time in heaven, Gary was commissioned to spend the rest of his time on earth telling his story and making Jesus real for people. God miraculously healed Gary and promised him that wherever he told his story, people would be saved, healed, and delivered. In the years that followed, Gary became a world-renowned evangelist, all while thanking God for his inspired life.

*Daniel Ryan tells the story of his own evolution as a medium, presents the stories of others' healing journeys, and provides tools to enable individuals to reconnect and sustain their connection with the Spirit.*

*When his beloved brother Peter committed suicide, psychotherapist Dr. Joe Gallenberger met his overwhelming grief with courage, and open-minded curiosity. Using tools learned at The Monroe Institute, and affirming that "love can pierce any veil," he was soon able to contact Peter on the other side. Joe's experience on how to move through devastating loss in a transformational way, and what he learned about the other side, were shared in Joe's acclaimed book, *Brothers Forever*. *Heaven Is for Healing* envelops and expands upon this, taking up the story twenty years later. He reveals Peter's two-decade journey on the other side, and how Peter, with the most loving assistance, has progressed in healing from his suicide and how he is moving into new options for a next life. He explores the variety of ways suicides are helped to recover and then continue their growth, depending upon their condition when they arrive on the other side. Joe also shares how this family crisis challenged him over these twenty years. He describes his own struggles with depression, and of how he rose from grief and made it his life's work to help other people live their lives to their fullest potential. He shares the tools he has created to move people from sadness and limitation into abundance and joy.*

*This year, experience deep healing and refreshment. We're all sick and we're all hurting. Whether it's a broken arm or a broken heart, a chronic illness or wounds from our past, the fact remains: We are all in desperate need of God's healing. In our pain, it can be easy to believe God has forgotten about us, to believe that he doesn't even care. Dr. Reggie Anderson, author of the acclaimed memoir *Appointments with Heaven*, knows it can't be predicted how God's healing work will come to pass in our lives and hearts . . . only that it will. As a country doctor who has had remarkable experiences attending people in pain, Reggie wants you to see what he sees every day--that whatever your sickness, whatever your hurt, God is alive and active in your life. He wants you to be truly well, even if that looks different than you might expect. Rich in story and inspiration, *The One Year Book of Healing* will reveal the many ways our Savior heals and intervenes in the lives of the sick and the hurting--giving you the faith, hope, and patience to believe that*

**As soon as two doctors asked Melanie Boulis if she would like to sit down, she knew something was wrong. Still, she remained standing. But when the doctors showed Melanie the slides from her twelve-year-old daughter Danielle's MRI, she immediately lowered herself into a chair, numb from shock and disbelief. In an instant, Melanie's world changed forever. Danielle had brain cancer. After Danielle was diagnosed with a large tumor on her brain stem, Melanie reveals how she and her husband, Kevin, began a journey through countless tests, surgeries, and treatments--and where nothing mattered but getting their little girl better. As Danielle bravely faced the darkness of brain cancer, Melanie and Kevin felt helpless, unable to do anything else but pray, read Scriptures, sing, and offer words of comfort. As the news gradually transformed from bad to worse, Melanie shares how she and Kevin gained strength through their faith and learned to trust God's plan, even after He chose heaven for Danielle. Between Heaven and Healing shares the inspirational story of a young girl's journey through terminal cancer and her parents' eventual realization that faith is not knowing why, but still believing in His goodness and eternal life where all will be made right, where cancer is nonexistent, and where there will be no more tears.**

Premier Renewal Leaders Present Complete, Accessible Guide to Healing Ministry The Bible is full of accounts of miraculous healing. And God is moving as amazingly today as he was back then. Thousands are being healed all over the world--and his children are part of it. For the first time, premier renewal leaders Bill Johnson and Randy Clark team up to equip Christians to minister healing. Grounded from start to finish in Scripture, Johnson and Clark lay out the rich theological and historical foundation for healing in the church today. Full of inspiring stories, this book offers practical, proven, step-by-step guidance to ministering healing, including how to

- understand the authority of the believer in healing
- create an atmosphere of faith
- receive words of knowledge
- implement the five-step model of healing prayer

The ministry of healing is not reserved for a select few. God's miraculous

healing is part of the Good News--and every believer can become a conduit for his healing power.

Heal your life. This book simplifies the basic issues that cause underlying physical ailments. It shows how and why we create our life conditions or situations and teaches us how to make life changes. It is a guidebook for self-healing. It contains clear, easily understandable answers, practical advice and exercises, helpful meditations, and beautiful allegorical stories. The first half of the book discusses how to make changes in our attitudes, our emotions, and our spirits. The second half of the book delves into the physical body and issues behind our physical conditions.

This compilation of four classic books from the 1930's on healing shows Jesus Christ as the Healer of every sickness and supports every healing claim with Scripture.

This work is an invitation and guide for young people to bring the realm of Heaven to earth. As children discover their identity through the revelation of the Father's love, they are released to fulfill their Royal Mission: to demonstrate the Kingdom of God by living a life of miracles. Each chapter explains and identifies the inheritance that God's sons and daughters possess, such as the Father's love, the anointing and indwelling of the Holy Spirit, faith, prayer, and the keys of power and authority. This book is not only a companion for the "journey", but also provides a meeting place for children to encounter God's presence that will transform their hearts and lives.

**In 1966, Bob Lind wrote a song called "Elusive Butterfly". The line in it says, "I Chase that Bright Elusive Butterfly of Love". I believe most people are chasing that slippery insect whether they realize it or not. The author of this book was looking for love in all the wrong places also. It took him a couple of Near Death Experiences to find what (who) Love really is. This book tells that story. Even though he came from a loving home and was raised going to church, he had only read of God's love. Nothing in his religious upbringing could prepare him for the revelation that he would be given in his brush with eternity. I suppose some people are harder to reach than others. Maybe that's why it took an experience of near death to give this hard-headed author new life.**

**Using refreshingly unconventional prose, rising theologian Wendy Farley has written a theological account of the human condition that delves into the deepest dimensions of the soul. Considering human life from the perspective of the wounding and healing of desire, with desire being that within us which longs for connection, home, and beauty, Farley presents a passionate, moving account of the human condition that draws strongly upon the Christian meditative and mystical spiritual traditions. In doing so, Farley shifts the traditional images of sin and redemption into images of healing and power. The result is a theological memoir that reaches into the human depths and draws forth a response of the soul--in courage, compassion, and delight.**

**When Dr. Reggie Anderson is present at the bedside of a dying patient, something miraculous happens. Sometimes as he sits vigil and holds the patient's hand . . . he can experience what they feel and see as they cross over. Because of these God-given glimpses of the afterlife--his "appointments with heaven"--Reggie knows beyond a doubt that we are closer to the next world than we think. Join him as he shares remarkable stories from his life and practice, including the tragedy that nearly drove him away from faith forever. He reveals how what he's seen, heard, and experienced has shaped what he believes about living and dying; how we can face the passing of our loved ones with the courage and confidence that we will see them again; and how we can each prepare for our own "appointment with heaven." Soul-stirring and hope-filled, Appointments with Heaven is a powerful journey into the questions at the very core of your being: Is there more to life than this? What is heaven like? And, most important: Do I believe it enough to let it change me?**

**AMAZING True story of a young boy's fight for life beginning in his mother's womb and his incredible experiences in both heaven and hell. Desperation for a miracle has a way of bringing people together—even from different religions! Neal Pylant, along with his son Christopher, shares the incredible true story of how he and his wife, both from different religious backgrounds, embraced Christianity while pursuing a miracle for their terminally ill son. The couple quickly realized that they were dealing with more than physical sickness. They were thrust into a battle where a spiritual enemy launched an all-out assault on their child. Though the boy died, heaven prevailed, life returned to his body, and he received a mandate to fulfill God's will on earth. John Tyndall (1820 – 93) was an Irish physicist who became fascinated by mountaineering after a scientific expedition to Switzerland in 1856. He traversed the summit of the Matterhorn in 1868 and climbed Mount Blanc three times. Alongside this love of mountains was a scientific interest in glaciers and ice formations. Tyndall was also well-regarded for his ability to communicate with the public about science. Many of his books, such as this one, published in 1872 as part of the International Scientific Series, are aimed at the general reader. Tyndall uses this work to explain many aspects of water, beginning with cloud formation and rain before moving on to ice, snow and glaciers. He also discusses the principles behind phenomena ranging from tropical rains to glacial movement. Illustrated and organised into 493 different points under themed headings, this book gives clear explanations of the complexity of the earth's water system.

For those who have lost a child to death, Jack Hayford provides compassionate answers to troubling questions such as, What happened to my baby after it died? Will I ever see my baby again - and will I recognize him? what happens if I've had an abortion? Does God have a reason for letting my child die? God's Word shines with hope in the dark night of human pain. God showed his tenderness when David lost the child he had with Bathsheba shortly after its birth. In his pain and grief, David spoke the word of revelation - reassuring word of God's truth - saying, "I will go to (my child) but he will not return to me" (2 Samuel 12:19 - 23). The freeing truth of the Word of God promises that, like David, you will hold your child again in heaven.

Healing from heaven to you, it is just that. Using poems, stories, and the imagery of the play, I lead people to the ways God is healing people all over the world. The key is to "believe," and all things are possible! Whatever you do in word or deed, do all in the name of Father, Son, and Holy Spirit and never ever receive the "mark of the beast".

"Miracles from Heaven is a powerful, healing story about family, love, faith, and hope. It amazed me and it will inspire readers everywhere.---T.D. Jakes, bestselling author of Destiny In a remarkable true story of faith and blessings, a mother tells of her sickly young daughter, how she survived a dangerous accident, her visit to Heaven and the inexplicable disappearance of the symptoms of her chronic disease. Annabel Beam spent most of her childhood in and out of hospitals with a rare and incurable digestive disorder that prevented her from ever living a normal, healthy life. One sunny day when she was able to go outside and play with her sisters, she fell three stories headfirst inside an old, hollowed-out tree, a fall that may well have caused death or paralysis. Implausibly, she survived without a scratch. While unconscious inside the tree, with rescue workers struggling to get to her, she visited heaven. After being released from the hospital, she defied science and was inexplicably cured of her chronic ailment. Miracles from Heaven will change how we look at the world around us and reinforce our belief in God and the afterlife.
