*Embracing Survival, a memoir by Dydine Umunyana, tells the story of the Rwandan Genocide against the Tutsis at the hands of the Hutu perpetrators in Rwanda (1994) through the eyes of the four-year-old-child that she was when the horrific massacre occurred. Separated from her family, she barely survived the conflict. While the physical killing finally stopped, the mental and emotional ‘killing’ continued, affecting her and her family. She writes that "I have learned that we cannot do for others what we cannot do for ourselves. By nourishing the light within ourselves, we find strength we never knew was there...I came to realize that one's own life experiences are not theirs to keep but ours to teach."*

*Ella has spent her life in a small town surrounded by loyal friends, the scent and beauty of her floral shop, and calm predictability. Everything changes when she runs over a newcomer in town. The usually level-headed businesswoman falls clumsily into a future she couldn't have predicted, and finds herself entangled with a past never forgotten. She has just begun to educate the nation on Fetal Alcohol Syndrome.” Deborah Thornton, SEDNET*

*Life is full of tough calls and daunting decisions. The question isn't if you'll face a big decision in the future, but how you'll face the tough call that's guaranteed to come your way. Think about it. There are wedding proposals to ponder, college applications to submit, career moves to make, homes to sell, and confrontations to consider. And, knowing how poorly things could go, we sometimes find ourselves facing these decisions with a deep fear of future regret. The pressure is on. Or is it? Short and straightforward, yet full of practical insight and spiritual truths, Tough Call, will help you see that the Christian faith offers a mindset to confidently and joyfully make your next big decision. More importantly you'll see that you can face life with your fears recognized, your peace maximized, and your hope anchored in something greater than your ability to "get it right." ***Words from Ms. Torres: “I take my FAS and turn it in to a teaching tool to help others learn what I go through every day of my life.” “If one person listens to what I have to say, then I have done my job. This is what I was born to do. I have won many awards for my work. The awards I've won have been great, but my biggest award is knowing that my message is being delivered and knowing that I might be helping so many people and unborn babies. . If I can prevent one more child from this awful syndrome I will be happy. My ultimate goal is to get the word out there that FAS is 100% preventable. I want everyone to know about the effects of alcohol on the fetus. My advice, my plea, is that you PLEASE, PLEASE do not drink while you are pregnant, even if you plan on giving your baby up for adoption. Let your baby fulfil his or her dreams and live a normal life. For all the fathers to be, you play an important role in this too. You must be encouraging and supportive. Staying away from alcohol yourself would be helpful.” What others are saying: Thank you for sending your book to me. I read it all, and I wanted to cry. What a wonderful sacrifice you and your family took on. It is wonderful what you have done and how Chanel has grown and turned out to be a wonderful young lady. You are certainly a very special person blessed by God from the beginning. I love you very much. Aunt Gloria“Ms. Torres is a true light in a world that needs more education on Fetal Alcohol Syndrome and its effects on unborn children. She has opened doors that will never be shut. She has just begun to educate the nation on Fetal Alcohol Syndrome.” Deborah Thornton, SEDNET Project Mangement“Ms. Torres is the epitome of self-advocacy and embodies strength, resilience, and determination. She is courageous and tireless in her quest to educate others regarding FAS; and is compassionate and determined in her mission to empower and advocate for other young adults with disabilities.” Barbara Shannon, School PsychologistLast night, I received a copy of Signing with a heavy hand and heart, Love Mommy: A journey through fetal alcohol syndrome by Mrs Sondra A Torres and Miss Chanel E Torres from Ms. Torres. I opened it and couldn't put it down until I was finished. This story of a young woman living with the effects of fetal alcohol syndrome (a birth defect that is 100% preventable-all pregnant women need to do is not drink when pregnant) is moving, sometimes funny and always inspirational. I quickly grew to care about Chanel and her adoptive family. Ms. Torres creates a vivid picture of what it is like to live with and care for children with special needs. In relatively few words, Torres brings her family to life-its struggles and its joys. The feelings of love and joy are powerfully conveyed while not minimizing the challenges presented in raising a child with FAS. As a teacher and parent I laughed and cried and wished I could meet this brave girl and her loving mother. Torres is compassionate towards all, including birth parents, but my heart breaks for the children who struggle with this disability. It is a daily battle for which there are some effective interventions but no cures. I will say that Ms. Torres left me more hopeful for these children than my experience as a teacher had-her powerful home environment is definitely a plus for Chanel.”CHANEL TORRES IS AVAILABLE FOR SPEAKING ENGAGEMENTS TO BOOK THIS SPEAKER FOR A PRESENTATION, PLEASE GO TO advocatefortheunborn.wordpress.com When cousins Rick and Lizzy Matheson of Harmony, Texas, wind up on the wrong side of an attempted shooting, they know they’re in deep. Her grandmother runs a living history museum: a ranch and homestead where volunteers wear clothing from the early 1900s and demonstrate how things were done in the old West, from making soap to shearing sheep. The place is in financial trouble, and it needs the revenue from the annual festival to survive. There’s just one thing that makes this a little awkward: Mack, who’s divorced, and who’s now the caretaker and blacksmith at the homestead, Jocelyn and Mack have their own shared history, which includes both stolen kisses and teenage rivalry. Even as the past and present collide, they have to save Harmony Ranch. Matchmaking grannies, a meddling mutt, and a flood of fun festival activities might just be enough to overcome their differences and forge two broken hearts back together. This heartwarming romance includes a free Hallmark original recipe for Turkey Sliders with Mac and Cheese.

Carolina’s a runaway hiding out at Harmony Farm. Mr. Ray and Miss Latah treat Carolina as their own. For 10 years she lived easy with her parents in the North Carolina mountains. Then Russell, a troublemaker from the foster home Carolina ran away from, secretly comes to Harmony Farm. Believing he’s a friend, Carolina sneaks him food and takes the blame for his pranks, until one night, when something so terrible happens that Carolina runs away again. An Invitation From Gay Hendricks I am thrilled and delighted to offer to you the new edition of Learning To Love Yourself. Revisiting and rewriting the book has been a pleasure from beginning to end. With its new elements, the book comes alive in a whole new way. Looking back over more than three decades to the moment of its conception, I can now see how writing this book changed my life in every way. I first wrote it as an act of love, to share an experience that feels as if it's still transforming me in my very cells. It was my hope that telling about the experience could inspire the same profound life-changes in others. The many thousands of letters, emails and spoken appreciations I've received since then let me know that my hope came true. The experience described in the book revealed the living mystery of love to me, allowing me to feel its sweet power for the first time. Because I suddenly knew what real love felt like, I was able to break free of my pattern of painful relationships with women. Ultimately it helped me find my way to Kathlyn, the love of my life and my wife for the past quarter-century. The new edition is ideal for giving to loved ones (including yourself!) who are on the journey to forgiving, accepting and loving themselves. It tells you how I came to an acceptance and unconditional love of even the most difficult-to-love parts of myself. My fondest wish is that you use it for exactly the same purpose, with exactly the same result.

"In Harmony...gives a voice to the voiceless..." The root of all madness is an unbearable truth... At seventeen, Willow Holloway's life was torn apart. The happy, driven girl is gone, and she is left wracked by post-traumatic stress her body remembers even if she does not. When her father suddenly uproots the family from their posh penthouse in New York City to the tiny town of Harmony, Indiana, Willow becomes more untethered and lost under the weight of her secret. On a whim, she auditions for a part in the community theater's production of Hamlet and unexpectedly wins the role of Ophelia-the girl who is undone by madness, and her love of Hamlet... Isaac Pearce is from the 'wrong side of the tracks.' The town bad boy. Girls pine for his attention and guys are in awe of him. That he's an acting prodigy only adds to his charisma. Isaac utterly disappears into his characters; the stage is the only place he feels safe from his own traumatic home life. He wants nothing more than to escape to Broadway or Hollywood and leave Harmony behind for good. No one can play Hamlet but Isaac, and when the director pairs him with Willow in acting class, they clash again and again--neither willing to open their hearts to anyone. But clashing leads to breaking, breaking leads to the spilling of terrible secrets, and soon Isaac and Willow find Shakespeare's words mirroring their lives. When they are cruelly torn apart, neither know how this play will end--with madness and heartache? Or healing, love, and the discovery of who they are truly meant to be. In Harmony is a standalone YOUNG ADULT/NEW ADULT love story, and is intended for readers 18 and up. PLEASE NOTE, this book contains sensitive material such as physical abuse, and the aftermath of sexual assault (off the page). Reader discretion is advised.

How to Express and Release Deep Fears of Unworthiness

The Most Precious Gift Man Can Give to a Woman Apart from His Heart

Based on the Gospel of Matthew, this book is the first of five in the series. The only reason Luke is even at the church youth overnight event is because his mother convinced him to go after an argument. His mother wants him to be baptized but, at 15, Luke doesn't believe he is old enough and doesn't know Jesus well enough. That changes when Luke meets an angel who says he has been chosen by God to deliver a message. First Luke must decide if what he saw and heard is real and then he must decide if he will go. Luke sets out on what he is sure is a crazy adventure with his friend Keith. Starting on bicycles they end up crossing half the United States on a mission for God. Along the way, they learn much more about loving Jesus while facing bullies, drugs and even seeing death - - and Luke delivers God's message. He delivers it to a senior pastor of a large church and the pastor doesn't even know he needs the message.

The Metaphysical Mind is the most powerful tool in your own self-improvement. Your Story is an amalgam of all that you believe and feel about yourself-right now.

Members of Hanger's Horsemen, Mark Wallace and Jonah Brooks arrive in Llano County, Texas, to deliver a steed, never expecting they'd deliver a baby as well. Left with an infant to care for, they head to a nearby foundling home, where Mark encounters the woman he'd nearly married a decade ago. After failing at love, Katherine Palmer dedicated her life to caring for children, teaming up with Eliza Southerland to start Harmony House. From mixed ancestry, illegitimate, and female, Eliza understands the pain of not fitting society's mold. Yet those are the very attributes that lead her to minister to outcast children. The taciturn Jonah intrigues her with his courage and kindness, but there are secrets behind his eyes--ghosts from wars past and others still being waged. However, when a handful of urchin children from the area go missing, a pair of Horsemen are exactly what the women need. Working together to find the children, will these two couples find love as well?

To those around her, her life plays like a simple melody. But she hears the whole song, complete with the harsh sounds of discordant notes. Along with everything else she does at the family's lodge, Leah McNamara also finds the time to write music, using it as an outlet for the things she's experiencing in her life. Leah would be perfectly content with her life at the lodge and her music if she wasn't worried about the secrets she's kept hidden from her family that are now threatening to be revealed. If that were to happen, the betrayal her mom and siblings would feel could damage everything. The realization of his dream had been like a beautiful song, until someone else's actions brings it all to an end. Gavin Colley is unsettled, set adrift when the popular contemporary Christian music group he'd founded crashes and burns in a fiery scandal. When he hears a song being sung by a woman whose voice resonates with him, he sets off to convince her to write and record a song with him. He hopes it might help to give him the direction he needs to move forward. As he bides his time, waiting for the right moment to ask her to collaborate with him, Gavin finds himself intrigued by the prickly woman. Being around her is the perfect distraction from the mess his career is in. But there's also something more there that he hadn't expected to find when he'd made his way to New Hope Falls. When Gavin shows up at the lodge, Leah knows who he is and what's happened. She has long admired his talent as a fellow musician, so she finds herself getting closer to him than she would normally with a guest at the lodge. But even as they draw closer, Leah knows that anything beyond friendship is impossible. Their lives don't harmonize since Gavin's life is on the other side of the country and he's frequently on tour, while Leah prefers being behind the scenes and helping at her family's lodge. But when love finds its way into their hearts, will they try to bring their lives into harmony? Or will they be left with heartache? **Barton and Ho present a global vision of social and civic education, one that reorients the field toward justice and harmony. Drawing from diverse philosophical and cultural traditions, as well as empirical research, they introduce curriculum principles designed to motivate and inform students' thoughtful and compassionate deliberation of public issues. This book argues that the curriculum must prepare young people to take action on issues of justice and harmony—societal ideals that are central to all communities. Effective action depends on deliberation characterized by emotional commitment, collaborative problem-solving, and engagement with diverse perspectives and forms of expression. Deliberation for public action also requires knowledge—of people's lives and experiences, their insights into social issues, and strategies for advancing justice and harmony. These curriculum principles are illustrated through case studies of public housing, food insecurity, climate change, gender bias, public health, exploitation of domestic workers, incarceration of racialized minorities, the impact of development and environmental change on Indigenous communities, and other pressing global concerns. This is true story about real people is set in Edinburgh City and Dundee, where a petite Scottish Lassie called Rosie Gilmore, mother to Finlay Sinclair, receives news of the death of her son - who tragically has taken his own life by hanging. Rosie pretends her son is still alive by talking to him, for that takes away the unbearable pain of her loss. But once she begins to face up to the fact that Finlay is not coming back, her conversations become more of a challenge than she can handle. When memories of her past are triggered by everyday life events, they take her mind back and forth in time - back to her own childhood days in 1960, when she flirted with the fairground boys, and to the day she gave birth to Finlay - 'ME LADDIE'. Rosie's Scottish accent becomes more apparent whenever her emotions are heightened and she begins to recite poetry. She goes on to reveal doubts about her own self-worth and and how she re-unites her role as mother - a role she had denied herself for seven years prior to Finlay's death. Rosie learns how to forgive herself and how to accept her loss with using practical coping strategies that sometimes but not always work for her. Many voices of different natures and walks of life appear in Rosie's, story with each one offering a part of their own belief to try and console her in her misery - except that she turns her back on any advice or support offered. Rosie is convinced that she can cope with her loss on her own and "needs no help from anyone, thank you"; - until a sweet, gentle, soft-spoken voice begins to travel with her throughout her ordeal, leaving her no other choice but to listen. Eventually moving to the countryside in Angus, Rosie finds the isolation gives her life a new meaning offering her the opportunity to re-value her belief's about her own self values and decides the time has come to give her son a memorial service and invite a chosen few dance companions whom she met on a regular basis in Edinburgh to honour this day. Rosie begins to accept she will never be the same person she once had been and shall never be again, believing now her journey through grief taught her many lessons making her a stronger and better person than she imagined she could ever be.
