

Hell Riders The Truth About The Charge Of The Light Brigade

Sharper Wade rode into a no-name town, stuck in the middle of nowhere. Tired and trail-weary, all he wanted was chow and a bed for the night so that he could move on come morning. He soon discovered that this was not to be. He'd entered hell - and hell wasn't long in sending its riders, the Henry gang. The Henry gang was hired by Ben Robson to find the sheriff who had shot his only son. but Jud Henry had other ideas:he's seen the town, he'd seen Ben Robson's ranch adn hw wated both. Now Sharper Wade was forced to do battle with the unscrupulous Henry gand, and hot lea soon began to fly. Could just one man defeat the murderous bunch so aptly know as Hell Riders?

Can world history be explained by means of Natural Selection? This book does, and specifically avoids Social Darwinism. The work chronicles the whole human story by showing how Natural Selection works on societies. It defines "society" as "the maximum sized group we all intuitively use a common world-view and closed system of thinking to bind us into and which substitutes for the small hunting-gathering groups which millions of years of evolution evolved us to function in." The work is remarkable for its objectivity. In order to avoid institutional bias, the author re-interpreted the social science theory consensus interpretation of the data without using any of the twenty-one subjective word-use stratagems (see Appendix) commonly used in academic social theory, also by using key social science terms from a special Glossary in which all the terms are defined only one way, and most often functionally.

In 1897, an aspiring politician is mysteriously murdered in the rural area of Alabama known as Mitcham Beat. His outraged friends -- —mostly poor cotton farmers -- form a secret society, Hell-at-the-Breech, to punish the townspeople they believe responsible. The hooded members wage a bloody year-long campaign of terror that culminates in a massacre where the innocent suffer alongside the guilty. Caught in the maelstrom of the Mitcham war are four people: the aging sheriff sympathetic to both sides; the widowed midwife who delivered nearly every member of Hell-at-the-Breech; a ruthless detective who wages his own war against the gang; and a young store clerk who harbors a terrible secret. Based on incidents that occurred a few miles from the author's childhood home, Hell at the Breech chronicles the events of dark days that led the people involved to discover their capacity for good, evil, or for both.

Riders

A Novel

Hellrider

While escorting a prisoner to the county seat, Arizona Ranger Sam Burrack comes across the victims of a scalp-hunting party. Once he learns that the brutal outlaws have kidnapped a young girl, he joins the local sheriff in the pursuit, dragging his reluctant captive along for the ride. **Original.**

It's been thirty years since they battled through a war-torn frontier. Now they'll ride together once again—and the bullets will fly . . . **THE HELL RIDERS** During the bloody Apache Wars, Trap O’Shannon, Clay Madsen, Ky Roman, and a few others distinguished themselves with uncommon valor in the brutal Geronimo Campaign. Known as the Scout Trackers, this fearsome bunch of battle-hardened warriors rode hard, shot straight and plenty, and took chances no one else was willing to take. But times have changed and the brotherhood is scattered here and there in a changing land—until the past comes rolling back with a vengeance. **HARD ROAD TO HEAVEN** Reunited, the gang is ready to ride hard from Montana all the way to the Arizona Territory to enforce their fearless brand of justice. Killers of every stripe will stand in their way, but that only means Trap and his men will fight that much harder to bury every last one of them . . . Here together for the first time are Mark Henry’s explosive Western epics that show the brutal, gut-punching American West in all its violent glory.

To Hell and Beyond

Volume 1

An ambush leaves a motley group of stagecoach riders fighting for their lives in this new Ralph Compton Western. A quiet stagecoach run between two Texas towns turns bloody when the riders are attacked by bandits and renegade Comanche. They are forced off the main trail and take cover in an abandoned bunkhouse once used for vaqueros when the land was part of a great estate. The stage was not only hauling a strongbox filled with Army pay, but a couple of dozen crates of new rifles for the cavalry. Unfortunately, the guns are useless as the team's ammunition is limited. Now the besieged stage riders have to join forces to fight off the surrounding desperados. The cast includes a veteran freight driver, an impatient disgraced Army captain looking to regain his standing, a newly promoted sergeant in his first battle, and the man riding shotgun, who has a horrible yet useful set of skills. When a vaquero riding outlaw for a cattle drive rides out to investigate the siege on the old bunkhouse, he finds himself in the middle of a pitched battle for survival between the ragtag freighters and desperate outlaws. The world as we know it has ended in chaos, war and destruction. Mankind is on the brink of extinction. The few survivors roam the wilderness in search of food and shelter, their lives governed by the law of the survival of the fittest. Some have formed ruthless gangs which raid the ruins of civilization and kill everyone in their wake.One of those gangs, the HELL RIDERS, led by an ex-Priest who's lost his faith during the events of the apocalypse, comes across a "treasure map" leading to a series of safe locations where the former members of parliament sit out the nuclear fallout surrounded by the luxuries of the world before. When the Hell Riders raid the first of these bunkers, an unexpected turn of events leads Priest to adopt the two sons of the resident politician. He renames them Grim and Reaper and trains them to become unforgiving killers like the rest of his gang. Over several years they follow their new father on his path of destruction until a dramatic situation pushes Grim to make a choice which makes him an outcast. Left behind to die by the others, he's however rescued and initiated into another way of life which changes him profoundly.When Grim, who now calls himself by his real name again, sets out to go after the Hell Riders, a series of twists makes him realize that sometimes Revenge works in mysterious ways and that there still might be Hope for mankind after all to rise again from its ashes. Post-Apocalyptic Western Contestants have died, been maimed, and spiraled down into the nightmarish realm of madness. Half of them don't finish—in fact, only 200 racers have ever made it to the end. "Outside" magazine calls it "the toughest test of endurance in the world." RAAM (the Race Across America) is a bicycle race like no other. This epic race is the most brutal organized sporting event you've never heard of and one of the best-kept secrets in the sports world. Author Amy Snyder follows a handful of athletes before, during, and after the 2009 event, the closest and most controversial in history. "Hell on Two Wheels" is a thrilling and remarkably detailed account of their ups and downs, triumphs and tragedies. By experiencing the race from the perspective of the racers themselves, "Hell on Two Wheels" breaks new ground in helping us appreciate how such a grueling effort can be so cleansing and self-revelatory. This is more than just a race; it's a monster, a crucible, an unforgettable allegory about the human experience of pain and joy and self-discovery.

Sweetwater #4: The Hell Riders

The True Story of the Charge of the Light Brigade

Lost Rider

Ayden

Maverick Austin Davis is forced to return home after a ten-year career as a rodeo star. After one too many head injuries, he's off the circuit and in the horse farming business, something he's never taken much of a shine to, but now that it's his late father's legacy, familial duty calls. How will Maverick find his way after the only dream he ever had for himself is over? Enter Leighton Elizabeth James, an ugly duckling turned beauty from Maverick's childhood, and someone whose heart he stomped all over when she confessed her crush to him ten years back. Now Leighton is back in Maverick's life, no longer the insecure, love-stricken teen. And Maverick can't help but take notice.

Biker Dave "Dodge" Roth has never cared about his bad luck with women. He has other things to worry about—paying off debt his ex accumulated and most importantly, raising his three-year-old son, Cullen. When a new neighbor moves in, his boy makes it impossible to ignore her. Hard to miss, she's beautiful, smart, sexy, perfect... After her last failed relationship, kindergarten teacher Alexa "Lex" Millen has decided to do without men. She's bought her first home in a small town in California and remodeled it to her liking. Naturally, she's managed to move across the street from the world's biggest jerk. His son's adorable, but he won't mind his own business. If only her engines didn't rev every time he came around.

"Hellrider is a thunder and muscle hell ride through dangerous territory. Fun, wicked, and unrelenting. A horror thriller that breaks the rules and the speed limit at the same time." - Jonathan Maberry, New York Times bestselling author When Eddie Ryder is burned alive by fellow members of the Hell Riders motorcycle gang for ratting on them, he vows revenge with his dying breath. He returns as a ghost, with his custom motorcycle Diablo by his side. After he finds out he can possess people, he launches a campaign of vengeance that leaves plenty of bodies in its wake and the police in a state of confusion. Spouting fire and lightning from his fingers and screaming heavy metal lyrics as he rides the sky above the town of Hell Creek, he brings destruction down on all those who wronged him, his power growing with every death. Only Eddie's younger brother, Carson, and the police chief's daughter, Ellie, understand what's really happening, and now they have to stop him before he destroys the whole town. FLAME TREE PRESS is the new fiction imprint of Flame Tree Publishing. Launched in 2018 the list brings together brilliant new authors and the more established; the award winners, and exciting, original voices.

A Marshal Cooper Smith Western

Ralph Compton Stagecoach to Hell

Riders. A new fantasy adventure from New York Times and USA Today bestselling author Veronica Rossi. For eighteen-year-old Gideon Blake, nothing but death can keep him from achieving his goal of becoming a U.S. Army Ranger. As it turns out, it does. Recovering from the accident that most definitely killed him, Gideon finds himself with strange new powers and a bizarre cuff he can't remove. His death has brought to life his real destiny. He has become War, one of the legendary four horsemen of the apocalypse. Over the coming weeks, he and the other horsemen--Conquest, Famine, and Death--are brought together by a beautiful but frustratingly secretive girl to help save humanity from an ancient evil on the emergence. They fail. Now--bound, bloodied, and drugged--Gideon is interrogated by the authorities about his role in a battle that has become an international incident. If he stands any chance of saving his friends and the girl he's fallen for--not to mention all of humankind--he needs to convince the skeptical government officials the world is in imminent danger. But will anyone believe him? At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Gin has been through hell and back and even though he still is breathing doesn't mean he is ALIVE. Until he meets Grace. Being the daughter of his long departed brother in the Hell's Riders MC he knows having feelings for her isn't right. He does what he promised his brother so long ago, watch over her.When Grace is assaulted by her high school boyfriend, the last thing she expects to happen is for a larger than life biker to come to her aid. Even with him being something that has walked right out of a nightmare she can't help it when all she wants to do is be around him, but when he crosses a line, he backs away. Years away. She knows that she can go to Gin for anything and he will help but will he be able to help this time around? Help her out of the mess she now finds herself in?Gin's Longing is book two in the Hell's Riders series. The Hell's Riders series is a spin-off of the serial series Reckoning where Ellie's and Vin's story is told.

The heat 's on Longarm... Tracking an outlaw to Greenwood, Kansas, U.S. Deputy Marshal Custis Long finds the local homesteaders are living in terror of the Hell Riders—mounted marauders with strange costumes that seem to give them heads of flame.... Rancher Carlton Barstow is taking the heat for the raids, but he blames the Hell Riders for rustling his cattle. It 's up to Longarm to send the Hell Riders to their namesake, if he can escape the nets of a butterfly collector 's sizzling sister...

Hell on Two Wheels

An Astonishing Story of Suffering, Triumph, and the Most Extreme Endurance Race in the World

Hell at the Breech

To Hell on a Fast Horse

In Patton, Montgomery, Rommel, one of Britain's most accomplished military scholars presents an unprecedented study of the land war in the North African and European theaters, as well as their chief commanders—three men who also happened to be the most compelling dramatis personae of World War II. Beyond spellbinding depictions of pivotal confrontations at El Alamein, Monte Cassino, and the Ardennes forest, author-scholar Terry Brighton illuminates the personal motivations and historical events that propelled the three men's careers: how Patton's, Montgomery's, and Rommel's Great War experiences helped to mold their style of command—and how, exactly, they managed to apply their arguably megalomaniacal personalities (and hitherto unrecognized political acumen and tact) to advance their careers and strategic vision. Opening new avenues of inquiry into the lives and careers of three men widely profiled by scholars and popular historians alike, Brighton definitively answers numerous lingering and controversial questions: Was Patton really as vainglorious in real life as he was portrayed to be on the silver screen?—and how did his tireless advocacy of "mechanized cavalry" forever change the face of war? Was Monty's dogged publicity-seeking driven by his own need for recognition or by his desire to claim for Britain a leadership role in postwar global order?—and how did this prickly "commoner" manage to earn affection and esteem from enlisted men and nobility alike? How might the war have ended if Rommel had had more tanks?—and what fundamental philosophical difference between him and Hitler made such an outcome virtually impossible? Abetted by new primary source material and animated by Terry Brighton's incomparable storytelling gifts, Patton, Montgomery, Rommel offers critical new interpretations of the Second World War as it was experienced by its three most flamboyant, controversial, and influential commanders—and augments our understanding of each of their perceptions of war and leadership.

Thirty years ago, they came together on a war-torn frontier. Now, they'll stand together once more—to honor one of their own... It’s a thousand miles from snowbound Montana to the Arizona Territory. But for Trap O’Shannon and Clay Madison, it’s a journey they’re duty bound to make—for the bravest man they’d ever known had made it clear: Captain Hezekiah Roman wanted to be buried in Arizona’s dusty red soil. A train takes the fallen hero south, along with his two fellow Scout Trackers and a Nez Perce woman who once fought by their side. But as the veterans recall a tale that begins with a moment of blood and agony decades before, they cannot know that death is stalking this train... or that to a bury a hero, they’ll have to risk their lives one more time. Mark Henry brings the violence and raw beauty of the frontier to life in a bold and brilliant new saga that takes us on an unforgettable journey across the American West. "Crackling with authenticity and page-turning tension. Mark Henry will become a legend." —Richard S. Wheeler, 2005 Spur-winning author of Vengeance Valley Shot All to Hell by Mark Lee Gardner recounts the thrilling life of Jesse James, Frank James, the Younger brothers, and the most famous bank robbery of all time. Follow the Wild West’s most celebrated gang of outlaws as they step inside Northfield’s First National Bank and back out on the streets to square off with heroic citizens who risked their lives to defend justice in Minnesota. With compelling details that chronicle the two-week chase that followed—the near misses, the fateful mistakes, and the bloody final shootout on the Watonwan River, Shot All to Hell is a galloping true tale of frontier justice from the author of To Hell on a Fast Horse: The Untold Story of Billy the Kid and Pat Garrett, Mark Lee Gardner.

****Die to Fight, Fight to Live: Welcome to the Hell Games**** Yesterday, Clint and his girlfriend died in a car accident. Today, he woke up in Hell with dozens of other humans in a game of life or death devised by Death himself. There are only two rules: 1) If you lose, you're dead--permanently. 2) If you beat all 9 levels, you win back your soul and the soul of the person you died trying to save. If Clint can reach the end of the game, he can save his girlfriend and himself--if the other players don't kill him first. *** This gamelit immerses you in the experience of the game with custom HUD graphics and a detailed stats appendix in the back of the book that lets you choose your optimum LitRPG experience: following every detail of the game stats or discovering the game along with the characters. This is the first in a 9-book litRPG series that had its start as a popular Reddit serial that left readers raving. The new-and-improved Kindle edition features everything that made the original series great: kickass fights, killer stakes, and fight to the death in the deepest bowels of Hell.

On the 150th anniversary of the world's most famous cavalry charge comes a revisionist retelling of the battle based on firsthand accounts from the soldiers who fought there In October 1854, with the Crimean War just under way and British and French troops pushing the tsar's forces back from the Black Sea, seven hundred intrepid English horsemen charged a mile and a half into the most heavily fortified Russian position in the Crimea in Ukraine. In the seven minutes it took the cavalry to cross this distance, more than five hundred of them were killed. Celebrated in poetry and

Legend, the charge of the Light Brigade has stood for a century and a half as a pure example of military dash and daring. Until now, historical accounts of this cavalry charge have relied upon politically motivated press reports and diaries kept by the aristocratic British generals who commanded the action. In Hell Riders, noted historian and Crimean War expert Terry Brighton looks, for the first time, to the journals recorded by survivors-the soldiers who did the fighting. His riveting firsthand narrative reveals the tragically inept leadership on the part of the British commander in chief, Lord Raglan, whose orders for the charge were poorly communicated and misinterpreted, and an unfathomable indifference on the part of British officers to the men who survived the battle and were left to tend their wounds and bury the dead in the freezing cold. While the charge overran the Russians, it gained nothing and the war continued for another two years. In finally capturing the truth behind the charge of the Light Brigade, Brighton offers a stirring portrait of incredible bravery in the service of a misguided endeavor. "So richly detailed, you can almost smell the gunsmoke and the sweat of the saddles. " –Hampton Sides, New York Times bestselling author of Ghost Soldiers No outlaw typifies America's mythic Wild West more than Billy the Kid. To Hell on a Fast Horse by Mark Lee Gardner is the riveting true tale of Sheriff Pat Garrett's thrilling, break-neck chase in pursuit of the notorious bandit. David Dary calls To Hell on a Fast Horse, "A masterpiece," and Robert M. Utley calls it, "Superb narrative history." This is spellbinding historical adventure at its very best, recalling James Swanson's New York Times bestseller Manhunt-about the search for Lincoln's assassin, John Wilkes Booth-as it fills in with fascinating detail the story director Sam Peckinpah brought to the screen in his classic film Pat Garrett and Billy the Kid.

Hell-riders and Other Stories

9 Levels of Hell

Omnibus: The Hell Riders; Hard Road to Heaven

Monty, Patton and Rommel at War

In the Second World War, Great Britain, the United States and Germany each produced one land force commander who stood out from the rest: Bernard Montgomery, George Patton and Erwin Rommel. These three armour-plated egos were the greatest generals of the war, and theirs was a very personal contest: the clash of mighty armies perceived as a bout between three men. All three were arrogant and flawed, yet with a genius for the command of men and an unrivalled enthusiasm for combat. All had spectacular success on the battlefield. But their explosive relationships with each other and with their political masters rivalled the pyrotechnics of their tank battles in determining the conduct and outcome of the war. Masters of Battle presents the Second World War as it was experienced by its three most flamboyant, controversial and influential commanders.

Bloom deep-throats the barbell, and pulls the trigger. He waits for Lorraine to follow him into the afterlife, just like they planned, but she never shows. Death has no pay off.He drops down to the underworld, a place called Paradise Cove, an assisted afterlife facility masquerading as a cheap hotel deep in the bowels of the earth. A modern day Dante, Bloom searches desperately for a way out of hell. He journeys through the nine known underworlds in a mad search for his lady love to take the revenge he thinks he is owed. Death is a spiral: the deeper you go the worse it gets.

Forced to trust each other, Arizona Ranger Sam Burrack and Sheriff Boyd Tackett track a bloodthirsty gang of scalp hunters that have left a trail of carnage in their wake. Original.
