

Hello Cruel World 101 Alternatives To Suicide For Teens Freaks Other Outlaws 101 Alternatives To Teen Suicide

"When truth teller and careful writer bell hooks offers a book, I like to be standing at the bookshop when it opens."
—*Maya Angelou*
Renowned visionary bell hooks explored the meaning of love in American culture with the critically acclaimed bestseller *All About Love: New Visions*. She continued her national dialogue with the bestselling *Salvation: Black People and Love*. Now hooks culminates her triumphant trilogy of love with *Communion: The Female Search for Love*. Intimate, revealing, provocative, *Communion* challenges every woman to courageously claim the search for love as the heroic journey we must all choose to be truly free. In her trademark commanding and lucid language, hooks explores the ways ideas about women and love were changed by the feminist movement, by women's full participation in the workforce, and by the culture of self-help, and reveals how women of all ages can bring love into every aspect of their lives, for all the years of their lives. *Communion* is the heart-to-heart talk every woman -- mother, daughter, friend, and lover -- needs to have.

Yoko Ono and Kate Bornstein has, with more humor and spunk than any other, ushered us into a world of limitless possibility through a daring re-envisionment of the gender system as we know it. Here, Bornstein bravely and wittily shares personal and unorthodox methods of survival in an often cruel world. A one-of-a-kind guide to staying alive outside the box, *Hello, Cruel World* is a much-needed unconventional approach to life for those who want to stay on the edge, but alive. *Hello, Cruel World* features a catalog of 101 alternatives to suicide that range from the playful (moisturize!), to the irreverent (shatter some family values), to the highly controversial. Designed to encourage readers to give themselves permission to unleash their hearts' harmless desires, the book has only one directive: "Don't be mean." It is this guiding principle that brings its reader on a self-validating journey, which forges wholly new paths toward a resounding decision to choose life. Tenderly intimate and unapologetically edgy, Kate Bornstein is the radical role model, the affectionate best friend, and the guiding mentor all in one.

"Communication Alternatives in Autism is a book that has been needed for a long time. It gives voice to the thoughts and humanity of individuals with autism who use various means to communicate via the written word. The experience and knowledge of Dr. Edlyn Peña who is both a parent and a scholar shines through to help us better understand the lives and journey of a remarkable group of authors. Enjoy!"—Anne M. Donnellan, professor emerita, University of Wisconsin-Madison and University of San Diego
"In Communication Alternatives in Autism, Dr. Edlyn Peña addresses one of the most controversial topics in research and education for non-speaking communicators and those with limited speech—the authenticity of communication through typing and spelling. It is well known that a small group of critics have dominated discourse disputing the validity of such communication.... For those who believe ongoing discourse should not be shut down, and especially for those who already think the die is cast, this important work is a significant step forward in understanding why we must intensify our efforts to understand and give voice to those who cannot speak."—Barry M. Prizant, Ph.D., CC-SLP, Brown University, author of *Uniquely Human: A Different Way of Seeing Autism*
Ten autistic self-advocates share their experiences with alternative forms of communication such as rapid prompting method (RPM) and facilitated communication (FC), both highly controversial. Their narratives document the complexities that autistic individuals navigate—in both educational and community settings—when choosing to use approaches that utilize letter boards and keyboards. While the controversies remain—RPM requires further scientific study, and FC is subject to criticism about confirmation bias—these individuals share powerful stories in the context of aiming for disability rights. The book concludes with a chapter about best practices for educators, particularly for schools and colleges that have students who use these communication methods.

You've seen the films. Now get inside the heads of your favorite Twilight characters (just like Edward can!) in The Psychology of Twilight. Explore the minds and motives of Bella, Edward, Jacob, and more with a deeper look at the series that's captured the hearts—and psyches—of millions. Find out: • How Edward and Jacob match up in an evolutionary psychology smackdown for Bella's—and our—affection • Whether Bella's motorcycle-riding and cliff diving in New Moon are suicidal—or her salvation • Why vampires and werewolves aren't so different after all (at least psychologically) • The emotional appeal of love stories like Bella and Edward's • Why being a part of Twilight fandom is good for your psychological health Snuggle up on the coziest chaise, and get ready to revisit the Twilight Saga—with some professional help.

Hello, Cruel Heart

Liara Roux is accustomed to being mislabelled and misunderstood. As a child, Liara Ôs inquisitive, instinctive, and rebellious nature was frequently problematised in a world designed around the requirements of their neurotypical, cis, heterosexual male colleagues. Coming of age in an oppressively restrictive home, they shuffled tarot and explored self-portraiture to rationalise the injustice of chronic pain, toxic lovers, and the cruel silence of divinity. Critiquing capitalism Ôs mechanisms of exploitation, the conservatism of Western medicine, and the politics surrounding sex work, Whore of New York: Confessions of a Sinful Woman is a candid study of artistic awakening, and both spiritual and sexual growth after abuse, seen through the eyes of a proud outsider.

The #1 New York Times bestselling (mostly true) memoir from the hilarious author of *Furiously Happy*. " Gaspingly funny and wonderfully inappropriate. " —O, The Oprah Magazine When Jenny Lawson was little, all she ever wanted was to fit in. That dream was cut short by her fantastically unbalanced father and a morbidly eccentric childhood. It did, however, open up an opportunity for Lawson to find the humor in the strange shame-spiral that is her life, and we are all the better for it. In the irreverent Let ' s Pretend This Never Happened, Lawson ' s long-suffering husband and sweet daughter help her uncover the surprising discovery that the most terrifying human moments—the ones we want to pretend never happened—are the very same moments that make us the people we are today. For every intellectual misfit who thought they were the only ones to think the things that Lawson dares to say out loud, this is a poignant and hysterical look at the dark, disturbing, yet wonderful moments of our lives. Readers Guide Inside

Tired of trying to live up to the expectations of her popular boyfriend, Sawyer, Ashton finds herself attracted to Sawyer's cousin, Bsau, who, despite not wanting to hurt his cousin, finds Ashton irresistible.

"Sexuality researcher Jane Fishman shares the stories of nine fearless elders in the LGBTQ community who came of age around the time of Stonewall. In candid interviews, they lay bare their struggles, their strengths, their activism, and their sexual liberation in the context of the political movements of the 1960s and 1970s and today!"

The biting cold and the aching silence of the far North become an unforgettable backdrop for Jack London's vivid, rousing, superbly realistic wilderness adventure stories featuring the author's unique knowledge of the Yukon and the behavior of humans and animals facing nature at its cruelest.

My brother took his own life on his thirtieth birthday. My life has never been the same. Thirty plus years after publishing the first edition of *Dead Serious*, this second completely revised and updated edition covers new ground: bullying, social media, LGBTQ teens, suicide prevention programs, and more. Scores of teens share their stories that are often filled with hurt, disappointment, shame—yet often hope. Written for teens, adults and educators.

Dead Serious: Breaking the Cycle of Teen Suicide explores the current cultural and social landscape and how the pressure-filled lives of teens today can lead to anxiety, depression—suicide. Leders' own journey of discovery after her brother's suicide informs her goal of helping to prevent teen suicide by empowering teens who are suffering and teens who can serve as peer leaders and connectors to trusted adults. The skyrocketing number of teens who take their own lives makes *Dead Serious: Breaking the Cycle of Teen Suicide* more relevant and important than ever. "Talking about suicide does not make matters worse. What makes matters worse is not talking."

"This updated edition of Bornstein's formative *My Gender Workbook* (1997) provides an invigorating introduction to contemporary theory around gender, sexuality, and power. The original is a classic of modern transgender theory and literature and, alongside Bornstein's other work, has influenced an entire generation of trans writers and artists. This revised and expanded edition extends that legacy, offering an accessible foundation for examining gender in the reader's life and in the broader culture while arguing for the dismantling of all forms of oppression. For fans of the original, Bornstein's new material merits a fresh read."--Publishers Weekly, starred review Cultural theorists have written loads of smart but difficult-to-fathom texts on gender theory, but most fail to provide a hands-on, accessible guide for those trying to sort out their own sexual identities. In *My Gender Workbook*, transactivist and author Kate Bornstein brings theory down to Earth and provides a practical approach to living with or without a gender. Bornstein starts from the premise that there are not just two genders performed in today's world, but countless genders lumped under the two-gender framework. Using a unique, deceptively simple and always entertaining workbook format, complete with quizzes, exercises, and puzzles, Bornstein gently but firmly guides readers toward discovering their own unique gender identity. Since its first publication in 1997, *My Gender Workbook* has been challenging, encouraging, questioning, and helping those trying to figure out how to become a "real man," a "real woman," or "something else entirely." In this exciting new edition of her classic text, Bornstein re-examines gender in light of issues like race, class, sexuality, and language. With new quizzes, new puzzles, new exercises, and plenty of Kate's playful and provocative style, *My New Gender Workbook* promises to help a new generation create their own unique place on the gender spectrum.

In *The Tears of the Black Man*, award-winning author Alain Manabkou explores what it means to be black in the world today. Manabkou confronts the long and entangled history of Africa, France, and the United States as it has been shaped by slavery, colonialism, and their legacy today. Without ignoring the injustices and prejudice still facing blacks, he distances himself from resentment and victimhood, arguing that focusing too intensely on the crimes of the past is limiting. Instead, it is time to ask: Now what? Embracing the challenges faced by ethnic minority communities today, *The Tears of the Black Man* looks to the future, choosing to believe that the history of Africa has yet to be written and seeking a path toward affirmation and reconciliation.

Observations on Gender Identity

Has your life been a failure? Let's make your death a success. With the twenty-first century just a distant memory and the world in environmental chaos, many people have lost the will to live. And business is brisk at The Suicide Shop. Run by the Tuvache family for generations, the shop offers an amazing variety of ways to end it all, with something to fit every budget. The Tuvaches go mournfully about their business, taking pride in the morbid service they provide. Until the youngest member of the family threatens to destroy their contented misery by confronting them with something they've never encountered before: a love of life.

*Gender isn't just about "male" or "female" anymore – if you have any doubts, just turn on your television. RuPaul is as familiar as tomato ketchup with national radio and television shows, and transgendered folk are as common to talk-shows as screaming and yelling. But if the popularization of gender bending is revealing that "male" and "female" aren't enough, where are we supposed to go from here? Cultural theorists have written loads of smart but difficult-to-fathom texts on gender, but none provide a hands-on, accessible guide to having your own unique gender. With *My Gender Workbook*, Kate Bornstein brings theory down to Earth and provides a practical approach to living with or without a gender. Bornstein starts from the premise that there are not just two genders performed in today's world, but countless genders lumped under the two-gender framework. Using a unique, deceptively simple and always entertaining workbook format, Bornstein gently but firmly guides you to discover your own unique gender identity. Whether she's using the USDA's food group triangle to explain gender, or quoting one-liners from real "gender transgressors", Bornstein's first and foremost concern is making information on gender bending truly accessible. With quizzes and exercises that determine how much of a man or woman you are, *My Gender Workbook* gives you the tools to reach whatever point you desire on the gender continuum. Bornstein also takes aim at the recent flurry of books that attempt to naturalize gender difference, and puts books like *Men are from Mars, Women are from Venus* squarely where they belong: on Uranus. If you don't think you are transgendered when you sit down to read this book, you will be by the time you finish it!*

It seems as though every week there's a new app available on your smartphone promising dates a plenty—just swipe right. A mate, on the other hand, is becoming harder and harder to find. The age-old quest for true love requires more effort than ever before. Let's face it: dating is work. Which, as it happens, is exactly where it began, in the 19th century--as prostitution. In*Labor of Love*, Moira Weigel dives into the secret history of dating while holding up a mirror to the contemporary dating landscape, revealing why we date the way we do and explaining why it feels so much like work. This isn't a guide to "getting the guy"; there are no ridiculous "rules" to follow in*Labor of Love*. This is a brilliant, fresh, and utterly original approach to help us understand how dating was invented and, hopefully, lead us closer to the happy ending that it promises.

A Queer History of Adolescence reveals categories of age-and adolescence, specifically-as an undeniable and essential mechanism in the production of difference itself. Drawing from a dynamic and varied archive, including British and American newspapers, medical papers and pamphlets, and adolescent and children's literature circulating on both sides of the Atlantic, Gabrielle Owen argues that adolescence has a logic, a way of thinking, that emerges over the course of the nineteenth century and that survives in various forms to this day. This logic makes the idea of adolescence possible and naturalizes our historically specific ways of conceptualizing time, development, social hierarchy, and the self. Rich in intersectional analysis, this book offers a multifaceted and historicized theory for categories of age that challenges existing methodologies for studying the people called children and adolescents. Rather than offering critique as an end in and of itself, *A Queer History of Adolescence* imagines the world-making possibilities that critique enables and, in so doing, shines a necessary light on the question of relationality in the lived world.

Owen exposes the profound presence of history in our current moment in order to transform the habits of mind shaping age relations, social hierarchy, and the politics of identity today.

How to Become a Real Man, a Real Woman, a Real You, or Something Else Entirely

A powerful CBT approach to help you find freedom from obsessive relationship anxiety, doubt, and fear of commitment Do you obsess over your partner's flaws? Does thinking about the future of your relationship leave you imagining the worst-case scenario? When it comes to navigating the world of romantic relationships, some feelings of anxiety, doubt, and fear are to be expected. But if your fears so extreme that they threaten to destroy an otherwise healthy relationship, you may have relationship OCD—a form of obsessive-compulsive disorder (OCD) that causes chronic obsessive doubt and anxiety in relationships. So, how can you free yourself to discover deeper intimacy and security? Relationship OCD offers an evidence-based, cognitive behavioral approach to finding relief from relationship anxiety, obsessive doubt, and fear of commitment. You'll learn to challenge the often-distorted thought patterns that trigger harmful emotions, increase your ability to think rationally, and ultimately accept the presence of intrusive thinking while maintaining the values of a healthy relationship. Relationships are the ultimate unknown. If you're ready to let go of needing to know for sure, this book will help you find satisfaction and thrive in your romantic relationships—in all their wonderful uncertainty.

Sisters of the Revolution gathers a highly curated selection of feminist speculative fiction (science fiction, fantasy, horror, and more) chosen by one of the most respected editorial teams in speculative literature today, the award-winning Ann and Jeff VanderMeer. Including stories from the 1970s to the present day, the collection seeks to expand the conversation about feminism while engaging the reader in a wealth of imaginative ideas. From the literary heir of Angela Carter to the searing power of Octavia Butler, *Sisters of the Revolution* gathers daring examples of speculative fiction's engagement with feminism. Dark, satirical stories such as Eileen Gunn's "Stable Strategies for Middle Management" and the disturbing horror of James Tiptree Jr.'s "The Screwfly Solution" reveal the charged intensity at work in the field.

Including new, emerging voices like Nnedi Okorafor and featuring international contributions from Angelica Gordischer and many more, *Sisters of the Revolution* seeks to expand the ideas of both contemporary fiction and feminism to new frontiers. Moving from the fantastic to the futuristic, the subtle to the surreal, these stories will provoke thoughts and emotions about feminism like no other book available today.

Contributors include: Angela Carter, Angelica Gordischer, Anne Richter, Carol Emshwiller, Catherynne M. Valente, Eileen Gunn, Eleanor Arnason, Elizabeth Vonarburg, Hiromi Goto, James Tiptree Jr., Joanna Russ, Karin Tidbeck, Kelley Eskridge, Kelly Barnhill, Kit Reed, I. Timmel Duchamp, Leena Krohn, Leonora Carrington, Nalo Hopkinson, Nnedi Okorafor, Octavia Butler, Pamela Sargent, Pat Murphy, Rachel Swirsky, Rose Lemberg, Susan Palwick, Tanith Lee, Ursula K. Le Guin, and Vandana Singh.

Do you have a friend, co-worker, or family member who is trans? Are you trans yourself and looking for a book to help friends and loved ones better understand? Are you seeking understanding on your own behalf? This is the book for you! *Transition and Beyond* will help anyone seeking information of what it means (and doesn't mean) to be trans. This book addresses issues that arise when considering transition, such as: - Partner/spouse issues - Coming out to family - Religious considerations - Addiction and transition - Workplace disclosure - Children transitioning - What does 'support' look like? - What does 'post-transition' mean? - Trans in the new millennium

Gender Outlaw is the work of a woman who has been through some changes—a former heterosexual male, a one-time Scientistogist and IBM salesperson, now a lesbian woman writer and actress who makes regular rounds on the TV (so to speak) talk shows. In her book, Bornstein covers the "mechanics" of her surgery, everything you've always wanted to know about gender (but were too confused to ask) addresses the place and politics of the transgendered and interrogates the questions of those who give the subject little thought, creating questions of her own.

These are My Eyes, This Is My Nose, This Is My Vulva, These are My Toes is a book to help children of all genders and their caregivers normalize body parts. Different parts of the body are covered in fun images representing children from all sorts of lifestyles and backgrounds. The fun doesn't stop there!This inclusive book has children with all sorts of body shapes and abilities to show we all have bodies and can have fun together! This text also includes gender diversity, pronoun usage, and even a little about body changes at puberty in non scary ways!Read along in a fun little rhyme, enjoy the captivating illustrations, and have fun using this text as a springboard for more conversation!

Includes the text of the play, *Hidden: a gender*.

Soft Skull Press proudly offers this tenth-anniversary edition of visionary essays exploring the glory and power of Black Cool, curated by thought leader and bestselling author Rebecca Walker, with a foreword by Henry Louis Gates, Jr. Originally published in 2012, this collection of illuminating essays exploring the ineffable and protean aesthetics of Black Cool has been widely cited for its contribution to much of the contemporary discussion of the influence of Black Cool on culture, politics, and power around the world. Curated by Rebecca Walker, and drawing on her lifelong study of the African roots of Black Cool and its expression within the African diaspora, this collection identifies ancestral elements often excluded from colloquial understandings of Black Cool: cultivated reserve, coded resistance, intentional audacity, transcendent intellectual and spiritual rigor, intentionally disruptive eccentricity, and more. With essays by some of America's most innovative Black thinkers, including visual artist Hank Willis Thomas, writer and filmmaker drea hampton, MacArthur-winning photographer Dawoud Bey, fashion legend Michaela angela Davis, and critical theorist and cultural icon bell hooks, *Black Cool* offers an excavation of the African roots of Cool and its hitherto undefined legacy in American culture and beyond. This edition includes a new introduction from Rebecca Walker, a powerful meditation on the genesis, creation, completion, and subsequent impact of this landmark volume over the last decade.

A vibrant and informative debut with "great documentary power" (Alison Bechdel), *Fine* is an elegantly illustrated celebration of the transgender community. As graphic artist Rhea Ewing learned college graduation in 2012, they became consumed by the question: What is gender? This obsession sparked a quest in which they eagerly approached both friends and strangers in their quiet Midwest town for interviews to turn into comics. A decade later, this project exploded into a sweeping portrait of the intricacies of gender expression with interviewees from all over the country. Questions such as "How do you identify?" produced fiercely honest stories of dealing with adolescence, taking hormones, changing pronouns—and how these experiences can differ, often drastically, depending on culture, race, and religion. Amidst beautifully rendered scenes emerges Ewing's own story of growing up in rural Kentucky, grappling with their identity as a teenager, and ultimately finding themself through art—and by creating something this very fine. Tender and wise, inclusive and inviting, *Fine* is an indispensable account for anyone eager to define gender in their own terms.

Based on Stanford University psychologist Kelly McGonigal's wildly popular course "The Science of Willpower," The Willpower Instinct is the first book to explain the science of self-control and how it can be harnessed to improve our health, happiness, and productivity. Informed by the latest research and combining cutting-edge insights from psychology, economics, neuroscience, and medicine, The Willpower Instinct explains exactly what willpower is, how it works, and why it matters. For example, readers will learn: • Willpower is a mind-body response, not a virtue. It is a biological function that can be improved through mindfulness, exercise, nutrition, and sleep. • Willpower is not an unlimited resource. Too much self-control can actually be bad for your health. • Temptation and stress hijack the brain's systems of self-control, but the brain can be trained for greater willpower • Guilt and shame over your setbacks lead to giving in again, but self-forgiveness and self-compassion boost self-control. • Giving up control is sometimes the only way to gain self-control. • Willpower failures are contagious—you can catch the desire to overspend or overeat from your friends—but you can also catch self-control from the right role models. In the groundbreaking tradition of Getting Things Done, The Willpower Instinct combines life-changing prescriptive advice and complementary exercises to help readers with goals ranging from losing weight to more patient parenting, less procrastination, better health, and greater productivity at work.

"A remarkable—and singularly chilling—glimpse of human behavior. . .This meticulously researched book...represents a major contribution to the literature of the Holocaust."—Newsweek
Christopher R. Browning's shocking account of how a unit of average middle-aged Germans became the cold-blooded murderers of tens of thousands of Jews—now with a new afterword and additional photographs. Ordinary Men is the true story of Reserve Police Battalion 101 of the German Order Police, which was responsible for mass shootings as well as round-ups of Jewish people for deportation to Nazi death camps in Poland in 1942. Browning argues that most of the men of RPB 101 were not fanatical Nazis but, rather, ordinary middle-aged, working-class men who committed these atrocities out of a mixture of motives, including the group dynamics of conformity, deference to authority, role adaptation, and the altering of moral norms to justify their actions. Very quickly three groups emerged within the battalion: a core of eager killers, a plurality who carried out their duties reliably but without initiative, and a small minority who evaded participation in the acts of killing without diminishing the murderous efficiency of the battalion whatsoever. While this book discusses a specific Reserve Unit during WWII, the general argument Browning makes is that most people succumb to the pressures of a group setting and commit actions they would never do of their own volition. Ordinary Men is a powerful, chilling, and important work with themes and arguments that continue to resonate today.

Popular Instagram cartoonist and Muslim-American Huda Fahmy presents a hilarious, relatable, and painfully honest new collection of comics that break down barriers and show how universal our everyday problems, worries, and joys actually are. At some point in our lives, we've all felt a little out of place. Huda Fahmy has found it's a little more difficult to fade into the crowd when wearing a hijab. In Yes, I'm Hot in This, Huda navigates the sometimes-rocky waters of life from the unique perspective of a Muslim-American woman, breaking down misconceptions of her culture one comic at a time. From recounting the many questions she gets about her hijab every day (yes, she does have hair) and explaining how she runs in an abaya (just fine, thank you) to dealing with misconceptions about Muslims, Yes, I'm Hot in This tackles universal feelings from an point of view we don't hear from nearly enough. Every one of us have experienced love, misunderstanding, anger, and a deep desire for pizza. In Yes, I'm Hot in This, Huda's clever comics demonstrate humor's ability to bring us together, no matter how different we may appear on the surface.

This groundbreaking and inspiring collection of dozens of our most original trans voices is a "smart, sexy, and entertaining" (Jack Halberstam) exploration of gender today. Transgender narratives have made their way from the margins to the mainstream and back again, and today's trans and nonbinary people, genderqueers, and other sex/gender radicals are writing a drastically new world into being. Edited by the original gender outlaw, Kate Bornstein, together with writer, raconteur, and theater artist S. Bear Bergman, Gender Outlaws collects and contextualizes the work of this generation's trans and genderqueer forward thinkers—new voices from the stage, on the streets, in the workplace, in the bedroom, and on the pages and websites of the world's most respected publications. Gender Outlaws includes essays, commentary, comic art, and conversations from a diverse group of trans-spectrum people who live and believe in barrier-breaking lives.

Breaking the Cycle of Teen Suicide

If you're excited about the upcoming Disney film Beauty and the Beast, starring Emma Watson, don't miss Cruel Beauty. The romance of Beauty and the Beast meets the adventure of Graceling in this dazzling fantasy novel about our deepest desires and their power to change our destiny. Perfect for fans of bestselling An Ember in the Ashes and A Court of Thorns and Roses, this gorgeously written debut infuses the classic fairy tale with glittering magic, a feisty heroine, and a romance sure to take your breath away. Betrothed to the evil ruler of her kingdom, Nyx has always known that her fate was to marry him, kill him, and free her people from his tyranny. But on her seventeenth birthday when she moves into his castle high on the kingdom's mountaintop, nothing is what she expected—particularly her charming and beguiling new husband. Nyx knows she must save her homeland at all costs, yet she can't resist the pull of her sworn enemy—who's gotten in her way by stealing her heart.

The Africa-wide Great Elephant Census of 2016 produced shocking findings: a decimated elephant population whose numbers were continuing to plummet. Elephants are killed, on average, every 15–20 minutes – a situation that will see the final demise of these intelligent, extraordinary animals in less than three decades. They are a species in crisis. This magnificent book offers chapters written by the most prominent people in the realm of conservation and wildlife, among them researchers, conservationists, film makers, criminologists, TV personalities and journalists. Photographs have been selected from among Africa's best wildlife photographers, and the Foreword is provided by Prince William. It is hoped this book will create awareness of the devastating loss of elephant lives in Africa and stem the tide of poaching and hunting; that it will inspire the delegates to CITES to make informed decisions to ensure that all loopholes in the ivory trade are closed; and that countries receiving and using ivory (both legal and poached) – primarily China, Vietnam, Laos and Japan – ban and strenuously police its trade and use within their borders, actively pursuing and arresting syndicate leaders driving the cruel poaching tsunami. This book is also a tribute to the many people who work for the welfare of elephants, particularly those who risk their lives for wildlife each day, often for little or no pay – in particular the field rangers and the anti-poaching teams; and to the many communities around Africa that have elected to work with elephants and not against them. The Last Elephants – is the title prophetic? We hope not, but the signs are worrying.

A journalist chronicles her volunteer work with four transgender high-school students in Los Angeles, describing the difficulties they face in reconciling their perceptions of themselves with the way that others view them.

Dear Sister, It wasn't your fault; it was never your fault. You did nothing wrong. Hold this tight to your heart: it wasn't your fault. At night when you lay there and your mind fills with images and you wonder if only, if you had . . . if you hadn't . . . Remember: it wasn't your fault. Dear Sister highlights the lessons, memories, and vision of over forty artists, activists, mothers, writers, and students who share a common bond: they are survivors of sexual violence. Written in an epistolary format, this multi-generational, multi-ethnic collection of letters and essays is a moving journey into the hearts and minds of the survivors of rape, incest, and other forms of sexual violence, written directly to and for other survivors. Dear Sister goes far beyond traditional books about healing, which often use "experts" to explain the experience of survivors for the rest of the world. Where other books about rape weave the voices of feminists and activists together and imagine what a world without violence might look like, Dear Sister describes the reality of what the world looks like through the eyes of a survivor. From a professor in the Midwest to a poet in Belgium, an escapee from a child prostitution ring, a survivor advocate in the Congo, and a sex worker in San Francisco, Dear Sister touches on issues of feminism, love, disability, gender, justice, identity, and spirituality. Lisa Factora-Borchers is a Filipina writer and editor whose work has been published in make/shift, Bitch, Left Turn, and Critical Moment. NATIONAL BESTSELLER ◻ In 1967, after a session with a psychiatrist she'd never seen before, eighteen-year-old Susanna Kaysen was put in a taxi and sent to McLean Hospital. Her memoir of the next two years is a "poignant, honest ... triumphantly funny ... and heartbreaking story" (The New York Times Book Review). The ward for teenage girls in the McLean psychiatric hospital was as renowned for its famous clientele:Sylvia Plath, Robert Lowell, James Taylor, and Ray Charles:as for its progressive methods of treating those who could afford its sanctuary. Kaysen's memoir encompasses horror and razor-edged perception while providing vivid portraits of her fellow patients and their keepers. It is a brilliant evocation of a "parallel universe" set within the kaleidoscopically shifting landscape of the late sixties. Girl, Interrupted is a clear-sighted, unflinching document that gives lasting and specific dimension to our definitions of sane and insane, mental illness and recovery.

An electric new story of teenage Cruella de Vil in an original novel inspired by the upcoming Walt Disney Studios Live Action Film, Cruella. Swinging London, Summer 1967. Sixteen-year-old Estella, gifted with talent, ingenuity, and ambition, dreams of becoming a renowned fashion designer. But life seems intent on making sure her dreams never come true. Having arrived in London as a young girl, Estella now runs wild through the city streets with Jasper and Horace, amateur thieves who double as Estella's makeshift family and partners-in-(petty)-crime. How can Estella dedicate herself to joining the ranks of the London design elite when she's sewing endless costumes and disguises for the trio's heists?When a chance encounter with Magda and Richard Moresby-Plum, two young scions of high society, vaults Estella into the world of the rich and famous, she begins to wonder whether she might be destined for more after all. Suddenly, Estella's days are filled with glamorous parties, exclusive eateries, flirtatons with an up-and-coming rock star, and, of course, the most cutting-edge fashions money can buy. But what is the true cost of keeping up with the fast crowd-and is it a price Estella is willing to pay?

A versatile missive written from the intersections of gender, disability, trauma, and survival. ◻Some girls are not made.◻ torrin a. greathouse writes, ◻but spring from the dirt.◻ Guided by a devastatingly precise hand, Wound from the Mouth of a Wound:◻elected by Aimee Nezhukumatathil as the winner of the 2020 Ballard Spahr Prize for Poetry:◻challenges a canon that decides what shades of beauty deserve to live in a poem. greathouse celebrates ◻buckteeth & ulcer.◻ She odes the pulp of a bedside. She argues that the vestigial is not devoid of meaning, and in kinetic and vigorous language, she honors bodies the world too often wants dead. These poems ache, but they do not surrender. They bleed, but they spit the blood in our eyes. Their imagery pulses on the page, fractal and fluid, blooming in a medley of forms: broken essays, haibun born of erasure, a sonnet meant to be read in the mirror. greathouse's poetry demands more of language and those who wield it. ◻I'm still learning not to let a stranger speak / me into a funeral.◻ Concrete and evocative, Wound from the Mouth of a Wound is a testament to persistence, even when the body is not allowed to thrive. greathouse◻elegant, vicious, ◻a one-girl armageddon◻ draped in crushed velvet:◻teaches us that fragility is not synonymous with flaw.
