The news-breaking book that has sent shockwaves through the White House, Ghost Wars is the most accurate and revealing account yet of the CIA's secret involvement in al-Qaeda's evolution. Prize-winning journalist Steve Coll has spent years reporting from the Middle East, accessed previously classified government files and interviewed senior US officials and foreign spymasters. Here he gives the full inside story of the CIA's covert funding of an Islamic jihad against Soviet forces in Afghanistan, explores how this sowed the seeds of bin Laden's rise, traces how he built his global network and brings to life the dramatic battles within the US government over national security. Above all, he lays bare American intelligence's continual failure to grasp the rising threat of terrorism in the years leading to 9/11 - and its devastating consequences.

Best Book of the Year The Los Angeles Times • The Washington Post***Los Angeles was the fastest growing city in the world, mad with oil fever, get-rich-quick schemes, and celebrity scandals. It was also rife with organized crime, with a mayor in the pocket of the syndicates and a DA taking bribes to throw trials. In A Bright and Guilty Place, Richard Rayner narrates the entwined lives of two men, Dave Clark and Leslie White, who were caught up in the crimes, murders, and swindles of the day. Over a few transformative years, as the boom times shaded into the Depression, the adventures of Clark and White would inspire pulp fiction and replace L.A.'s reckless optimism with a new cynicism. Together, theirs is the tale of how the city of sunshine went noir.***

Leading scholars of Romanticism explore the relationship between ideology and literary genre.

Some extraordinary rats come to the aid of a mouse family in this Newbery Medal Award-winning classic by notable children's author Robert C. O'Brien. Mrs. Frisby, a widowed mouse with four small children, is faced with a terrible problem. She must move her family to their summer quarters immediately, or face almost certain death. But her youngest son, Timothy, lies ill with pneumonia and must not be moved. Fortunately, she encounters the rats of NIMH, an extraordinary breed of highly intelligent creatures, who come up with a brilliant solution to her dilemma. And Mrs. Frisby in turn renders them a great service.

She thought she knew everything she needed to know about him in New York Times bestselling author Christine Rimmer's first book in the brand-new Wild Rose Sisters series! How do you make up for four years of lost time? No last names. No promises to meet again. No way for Payton Dahl to find the man who's the father of her twin boys. Until fate reunites them four years later. Easton Wright now wants to be part of his sons' lives—with the woman he fell hard for during those seven days and nights of bliss. Payton doesn't want her sons to grow up fatherless like she did, but can she risk trusting Easton when she's been burned in the past? From Harlequin Special Edition: Believe in love.

This is the most innovative, comprehensive, and scholarly bilingual dictionary of Russian idioms available today. It includes close to 14,000 idioms, set expressions, and sayings found in contemporary colloquial Russian and in literature from the nineteenth century to the present. The Russian idioms are provided with many English equivalents to render idioms in various contexts. Illustrative examples are cited to show how the idioms are used in context. Each entry also contains a grammatical description of the idiom, a definition—an innovative feature for a bilingual dictionary—and stylistic and usage information. A most notable part of the work is the alphanumeric index that makes finding the right expression very easy.

This multidimensional collection of essays explores the interrelation of religion, cultural identity, politics, literature, myth, and memory during the Roman Empire by focusing on

the cultural dynamics embedded in and surrounding Philostratus's Heroikos, an early third-century C.E. dialogue about Homer and the heroes of the Trojan War. The essays focus on ritual and literary dimensions of hero cult; cultural and community identity reflected in the Heroikos and in early Christianity; and the cultural, literary, and political turn toward heroes in the negotiation of difference, particularly with those outside the Roman Empire. Contributors to this volume include classicists, archaeologists, ancient historians, and scholars of early Christianity: Ellen Bradshaw Aitken, Susan E. Alcock, Hans Dieter Betz, Alain Blomart, Walter Burkert, Casey Dué, Simone Follet, Sidney H. Griffith, Jackson P. Hershbell, Christopher Jones, Jennifer K. Berenson Maclean, Francesca Mestre, Gregory Nagy, Corinne Ondine Pache, Jeffrey Rusten, M. Rahim Shayegan, James C. Skedros, and Tim Whitmarsh. Paperback edition is available from the Society of Biblical Literature (www.sbl-site.org).

A riveting story of World War II and the courage of one young woman as she is drafted into Churchill's overseas spy network, aiding the French Resistance behind enemy lines and working to liberate Nazi-occupied Paris... London, 1941: In a cramped bunker in Winston Churchill's Cabinet War Rooms, underneath Westminster's Treasury building, civilian women huddle at desks, typing up confidential documents and reports. Since her parents were killed in a bombing raid, Rose Teasdale has spent more hours than usual in Room 60, working double shifts, growing accustomed to the burnt scent of the Prime Minister's cigars permeating the stale air. Winning the war is the only thing that matters, and she will gladly do her part. And when Rose's fluency in French comes to the attention of Churchill himself, it brings a rare yet dangerous opportunity. Rose is recruited for the Special Operations Executive, a secret British organization that conducts espionage in Nazi-occupied Europe. After weeks of grueling training, Rose parachutes into France with a new codename: Dragonfly. Posing as a cosmetics saleswoman in Paris, she ferries messages to and from the Resistance, knowing that the slightest misstep means capture or death. Soon Rose is assigned to a new mission with Lazare Aron, a French Resistance fighter who has watched his beloved Paris become a shell of itself, with desolate streets and buildings draped in Swastikas. Since his parents were sent to a German work camp, Lazare has dedicated himself to the cause with the same fervor as Rose. Yet Rose's very loyalty brings risks as she undertakes a high-stakes prison raid, and discovers how much she may have to sacrifice to justify Churchill's faith in her . . . A rousing historical novel. - The Akron Beacon Journal, Best Books of the Year for Churchill's Secret Messenger

Author Megan Hoyt and illustrator Jacopo Bruno bring to light the inspiring, true story of Gino Bartali, a beloved Italian cyclist and secret champion in the fight for Jewish lives during World War II. Gino Bartali pedaled across Italy for years, winning one cycling race after another, including the 1938 Tour de France. Gino became an international sports hero! But the next year, World War II began, and it changed everything. Soldiers marched into Italy. Tanks rolled down the cobbled streets of Florence. And powerful leaders declared that Jewish people should be arrested. To the entire world, Gino Bartali was merely a champion cyclist. But Gino's greatest achievement was something he never told a soul--that he secretly worked with the Italian resistance to save hundreds of Jewish men, women, and children, and others, from certain death, using the one thing no authority would question: his bicycle. This compelling nonfiction picture book for elementary-age readers offers a unique perspective on World War II history. It's a strong choice for units on the war and for biographies of lesser-known heroes in history and in sports.

The minute she had opened the trunk, she knew there wasn't anything like hope in it. Just awful musty things, but each one with a kind of terrible dark halo around it. She picked up that piece of old lace. She saw that stain -- pale, brownish in color. She knew it was blood. Somebody's blood. There was violence in that trunk, and dark secrets, and she did not want to know them. Curious about the old homestead where she now lives, Jerry finds an ancient trunk in the basement that contains, among other things, an old piece of

bloodstained lace, some letters, and a battered doll. The objects in the trunk have stories to tell -- stories about the Spanish Inquisition spanning nearly five hundred years and stories of secrets locked deep in the bloodlines of Jerry's ancestors. Kathryn Lasky's powerhouse novel is a dramatic historical saga that brings the reader face-to-face with some of the worst atrocities ever committed against humankind in the name of God. But above all, it is an unforgettable coming-of-age story about a girl who, in connecting with her own past and faith, is at last able to face her own demons and liberate not only herself but also future generations of her family from the long chain of suffering and silence. During the biggest game of her life . . . a girl pitches to the world's best slugger.Chattanooga, Tennessee, 1931. Don't miss Evermore, the first book in Alyson Noël's #1 New York Times bestselling The Immortals series. Enter an enchanting new world where true love never dies. . . After a horrible accident claimed the lives of her family, sixteen-year-old Ever Bloom can see people's auras, hear their thoughts, and know someone's entire life story by touching them. Going out of her way to avoid human contact and suppress her abilities, she has been branded a freak at her new high school—but everything changes when she meets Damen Auguste. Damen is gorgeous, exotic and wealthy. He's the only one who can silence the noise and random energy in her head—wielding a magic so intense, it's as though he can peer straight into her soul. As Ever is drawn deeper into his enticing world of secrets and mystery, she's left with more questions than answers. And she has no idea just who he really is—or what he is. The only thing she knows to be true is that she's falling deeply and helplessly in love with him.

New York Times bestselling author Charles Belfoure takes readers on a breathless journey from the gilded ballrooms of Imperial Russia to the grim violence of the pogroms, in his latest thrilling historical adventure. St Petersburg, 1903. Prince Dimitri Markhov counts himself lucky to be a close friend of Tsar Nicholas II and Tsarina Alexandra. Cocooned by the glittering wealth of the Imperial court, the talented architect lives a life of luxury and comfort, by the side of his beautiful but spiteful wife, Princess Lara. But when Dimitri is confronted by the death and destruction wrought by a pogrom, he is taken aback. What did these people do to deserve such brutality? The Tsar tells him the Jews themselves were to blame, but Dimitri can't forget what he's seen. Educated and passionate, Doctor Katya Golitsyn is determined to help end Russian oppression. When she meets Dimitri at a royal ball, she immediately recognizes a kindred spirit, and an unlikely affair begins between them. As their relationship develops, Katya exposes Dimitri to the horrors of the Tsar's regime and the persecution of the Jewish people, and he grows determined to make a stand . . . whatever the cost.
