Passing your admission assessment exam is the first step on the journey to becoming a successful professional - make sure you're prepared with Admission Assessment Exam Review, 4th Edition. From the testing experts at HESI, this user-friendly guide walks you through the topics and questions you will find on admission exams, including: math, reading comprehension, vocabulary, grammar, biology, chemistry, anatomy and physiology, and physics. The guide includes hundreds of sample questions, step-by-step explanations, illustrations, and comprehensive practice exams to help you review the key areas and hone your test-taking skills. Plus, the pre-test and post-test help identify your specific weaknesses so you can focus your study time on the subjects you need most. If you want to pass your Admission Assessment Exam or any other admissions assessment exam for health professions, there's no better resource than HESI's "Admission Assessment Exam Review." The standard for the study guide industry is to "throw in the kitchen sink" when it comes to a study book, meaning you are stuck with hundreds of pages of repetitive information, redundant and unnecessary examples, and more practice questions than any person could be expected to work through. T

in students feeling overwhelmed, leading to reduced self-confidence, which leads to lower scores. Instead, Miller Test Prep has worked specifically with tutors. Why tutors you ask? Tutors spend more time helping students comprehend information that has already been presented by a teacher. That's why we see time and again what students struggle with and what actually works to help them. They are focused on helping students who have previously failed, to succeed. We compiled their decades of experience into this Hesi A2 Study Guide! Practice Questions Edition!: Hesi Admission Assessment Exam Review - Edition 3. Hesi Test Prep!
