Perhaps the most unconventional and literally breathtaking father-son story you’ll ever read, My Friend Leonard pulls you immediately and deeply into a relationship as unusual as it is inspiring. The father figure is Leonard, the high-living, recovering coke addict ‘West Coast Director of a large Italian-American finance firm’ (read: mobster) who helped to keep James Frey clean in A Million Little Pieces. The son is, of course, James, damaged perhaps beyond repair by years of crack and alcohol addiction-and by more than a few cruel tricks of fate. James embarks on his post-rehab existence in Chicago emotionally devastated, broke, and afraid to get close to other people. But then Leonard comes back into his life, and everything changes. Leonard offers his ‘son’ lucrative—if illegal and slightly dangerous—employment. He teaches James to enjoy life, sober, for the first time. He instructs him in the art of ‘living boldly,’ pushes him to pursue his passion for writing, and provides a watchful and supportive veil of protection under which James can get his life together. Both Leonard’s and James’s careers flourish...but then Leonard vanishes. When the reasons behind his mysterious absence are revealed, the book opens up in unexpected emotional ways. My Friend Leonard showcases a brilliant and energetic young writer rising to important new challenges—displaying surprising warmth, humor, and maturity—without losing his intensity. This book proves that one of the most provocative literary voices of his generation is also one of the most emphatically human.

The Rise of Nine

Book Six of the Lorien Legacies

For years the Garde have fought the Mogadorians in secret, but now the invasion has begun. If the Garde can't find a way to stop the Mogs, humanity will suffer the same fate as the Lorien: annihilation. When the Elders sent the Garde to Earth, they had a plan -- one which the Garde are finally starting to understand. A group of the Garde traveled to an ancient pyramid in Mexico where they awoke a power that had been hidden for generations. Now this power can save the world or destroy it. It will all depend on who wields it.

Set in the world of the #1 New York Times bestselling I Am Number Four series and featuring fan-favorite characters Six and Sam Goode, this collection is also the perfect companion to the spin-off series Lorien Legacies Reborn! Teens across the globe have developed incredible powers known as Legacies. Although they were meant to use these abilities to help the world, dark forces have

been working against them from the shadows. Six and Sam Goode used to be part of a covert group that investigated suspicious incidents surrounding these Human Garde. Then they discovered they could no longer trust who they were working for and quit. But they'll still do whatever it takes to protect these teens. The Legacy Chronicles companion series follows them on this mission, and this book collects the next three novellas. Originally published as digital originals, they are now together in one print volume for the first time ever. In Legacy Chronicles #4: Chasing Ghosts, Six and Sam try to track down a former charge who slipped through their fingers and who may now have become much more foe than friend. In Legacy Chronicles #5: Raising Monsters, the couple must find a way to escape from an old enemy they believed was long buried in their past. In Legacy Chronicles #6: Killing Giants, a deadly master plan is finally revealed, and it'll be up to Six, Sam, and their companions to put an end to it before it's too late. Before Number Four, there were One, Two, and Three. Until now we've only known that the Mogadorians caught Number One in Malaysia. Number Two in England. And Number Three in Kenya. But all of that is about to change. . . . In I Am Number Four: The Lost Files: The Fallen Legacies, you'll learn the true story behind these ill-fated members of the Garde. Before they were murdered by the Mogadorians, before Number Four was next, they were all just kids on an alien planet called Earth—discovering their powers, trying to stay hidden, and running for their lives. Pittacus Lore finished telling the story of the Lorien Nine in the New York Times bestselling I Am Number Four and Lorien Legacies Reborn series.
