I've written many series set in my fictional medieval Scottish world of Ravensmuir, Kinfairlie and Inverfyre. This is the order in which the stories take place, although you can start with any series. I recommend you read each series in order. There's a tab on my website for ALL books in this world: <http://delacroix.net/ravensmuir/>
1. The Rogues of Ravensmuir This is the first series to take place in this world. These three books are a bit more gothic in tone and less tightly linked to each other than the books in subsequent series.
1. The Rogue Merlyn and Ysabella's story is a second chance romance with a bit of intrigue and suspense. Their relationship is a class war - he's the laird and she's a village girl - but there's an immediate attraction between them. Can Merlyn trust in love at first sight? Can Ysabella trust her rogue of a husband when he returns five years after their parting to ask for her help? This is the first book featuring Ravensmuir and in it, we learn the story of its sister holding, Kinfairlie.
2. The Scoundrel Can a notorious bad boy like Merlyn's brother Gawain be redeemed by love? In this story, Gawain meets his match, the enticing Eglantine, who is not just as adept a thief as he is but is prepared to seduce him to regain the prize she desires. This is a cat-and-mouse story of action, adventure and intrigue takes us from York to the highlands of Scotland, to Eglantine's home at Inverfyre.
3. The Warrior At the

end of *The Scoundrel*, Inverfyre is lost to the notorious MacLaren clan, but years later, Eglantine and Gawain's son Michael - the Hawk of Inverfyre - returns to reclaim his legacy. He has need of an heir so he abducts Aileen to be his bride, never guessing that these two have shared a great passion in their past lives. At Inverfyre, Aileen is plagued by visions and fears she is going mad, while the Hawk is uncertain whether his beguiling new bride can be trusted—or whether she has let the MacLarens in the gate. This medieval Scottish romance has some fantasy elements as it's a reincarnation story.

II. *The Jewels of Kinfairlie* At the end of *The Warrior*, there is a family gathering at Inverfyre. We briefly meet Merlyn and Ysabella's son Roland, his wife Catherine, and their eight children. This series begins several years later, after Roland and Catherine's tragic death, when their oldest son Alexander suddenly becomes laird. The treasury is empty. The harvest will be poor. Alexander needs to see his sisters married as quickly as possible, but they wish to wed for love.

1. *The Beauty Bride* Alexander arranges an auction for the hand of his defiant sister, intending to manage the list of bidders - but a notorious mercenary, Rhys fitzHenry, pays the highest price. This arranged marriage doesn't begin well, as Madeline is a runaway bride, but Rhys pursues her, saves her, and tries to court her. I love that Rhys tells Madeline stories to win her heart, and that she quickly figures out that each choice of story reveals one of her husband's secrets.

2. *The Rose Red Bride* Alexander thinks he's learned his lesson and is thrilled when Vivienne's former suitor, Nicholas Sinclair, wants to claim her hand. It's a little uncommon that Nicholas wants to abduct his bride, but Alexander is sure that Vivienne will think that a romantic gesture, and when the wedding is held in the morning, all will be well. But the highlander seeking Alexander's agreement isn't Nicholas - it's his brother Erik in disguise, a man who needs a wife only because he needs a son to claim his legacy. He's not counting on Vivienne stealing his heart, too.

3. *The Snow White Bride* It's Christmas at Kinfairlie and a mysterious noblewoman seeks refuge in the chapel. When the sisters learn that she's a widow in need of protection, they decide to play a trick on Alexander and arrange his marriage. Eleanor thinks husbands are all the same, so is agreeable, although she isn't counting on Alexander's youth, charm, and desire to claim her heart. When her past catches up to her and Kinfairlie is at risk, how much will Eleanor sacrifice to see her new husband safe? What price will Alexander pay to defend his bride?

4. *The Ballad of Rosamunde* Rosamunde, the pirate queen and aunt of the siblings at Kinfairlie, was adopted by Gawain in *The Scoundrel* and trapped in the realm of the Fae in *The Rose Red Bride*. In this short story, a friends-to-lovers story, Padraig rescues Rosamunde, his valor making her realize that she loves him, too.

III. *The True Love Brides* At the end of *The Snow White Bride*, Alexander decrees that his remaining sisters will marry for love. The portal to the realm of the Fae has been opened, though, and the Fae king Finvarra desires

Elizabeth. Finvarra agrees that he will abandon his suit if four of the siblings marry their true loves, although Elizabeth knows that the portal to the Fae realm has to be closed as well.

1. **The Renegade's Heart** Isabella is smitten with a rogue knight, come to Kinfairlie to demand the return of his family's stolen treasure. She takes Murdoch's cause against that of her brother, then learns that Murdoch has been claimed by the Fae queen - who holds his heart still. Can a mortal maiden defeat an immortal queen by winning Murdoch's love for her own?
2. **The Highlander's Curse** Garrett is cursed to hear the thoughts of others as clearly as his own, a spell intended to make him an outcast so his legacy could be stolen. He finds solace in the company and the touch of gentle Annelise. Can Annelise's love heal him so he can recover his stolen legacy and give her the home - and the husband - she deserves?
3. **The Frost Maiden's Kiss** Malcolm returns to Ravensmuir after years as a mercenary with a hoard large enough to finance the rebuilding of his legacy and his soul due to the Fae. When pregnant Catriona arrives at Ravensmuir, Malcolm knows he can give her a future with a marriage of convenience that makes her child heir to Ravensmuir. Catriona expects nothing of men, but Malcolm's kindness and strength earns her love - and makes her determined to save his soul, regardless of the price.
4. **The Warrior's Prize** The mercenary Rafael thinks his companion's sister, Elizabeth, could be an angel come to earth, and one who will hold him accountable for his sins. Challenged by her and enticed by her, Rafael offers himself instead of his comrade Malcolm and begins to change his life with his choices. Can he save Elizabeth from Finvarra? He's determined to try, no matter what the risk to himself - and Elizabeth cannot resist a man who chooses nobly, just for her.

IV. **The Brides of Inverfyre** There is one sibling left unmarried (Ross) and we follow him to Inverfyre, where the children of the Hawk and Aileen also need to be married.

1. **The Mercenary's Bride** This Scottish medieval romance is a Christmas novella, the story of a knight returning to Inverfyre to keep his promise to the laird's daughter. Having been attacked and left for dead, Quentin is no longer the man he was and he blames the Hawk for the change in his fortunes. But his bitterness melts before the admiration of Mhairi, for the maiden he admired has become a beauty he would die to serve.
2. **The Runaway Bride** Even though Aiofe is a beauty and an heiress, she wants to marry for love. Her marriage is arranged to the oldest son of the Hawk of Inverfyre, but she chooses to flee instead, hoping that his cousin, Ross, will be sent after her. Aiofe intends to claim Ross's heart, no matter the price, for she knows with one glimpse that he's the man for her. Ross is caught between his duty and his heart - and the wicked MacLarens who would use Aiofe as a pawn in their own plan to possess Inverfyre. There will be more stories in this series, too. There are Family Trees for Inverfyre, Ravensmuir and Kinfairlie available as free downloads in my online store. A rebellious lass who is forced to wed. A groom still mourning his lost wife and child. It's not a recipe for a happy union in the Highlands of Scotland... "That wildcat in the Chisholm clan," is the way most people describe Mairi Chisholm. Mairi makes no secret of the fact that she would rather be out taking down a wild pig with her childhood friend Iain, the fletcher's son, than plying a needle with the women. Her father, tired of her rejection of one suitable match after another, finally presents her with an ultimatum: Marry Alastair Maclean or spend the rest of her life in the priory. Mairi knows that she would never survive in a priory, locked away from her beloved outdoor pursuits. But nor can she endure the thought of a loveless marriage to Alastair, who has never stopped mourning the loss of his adored first wife Madeline in childbed. Left without choices, Mairi becomes Alastair's wife. Life is every bit as bad as she feared. Alastair's sister Rhona clearly does not want to see her brother married to the Chisholm wildcat, and Alastair himself is as cold as the frigid wind that blows across the Highlands. Mairi resolves to resign herself to the demands of the marriage bed, and devote her life to raising bairns with the love she was never shown. But one day, she finds herself in more danger than she has ever known... and everything changes.

The Highlander's Tactical Marriage

A New York Times Notable Book, winner of the Jerwood Award from the Royal Society of Literature, a New York Times Book Review Editors' Choice, and named a Book of the Year by the Telegraph, Spectator, Observer, and BBC History Magazine, this bold new history of the rise of Christianity shows how its radical followers helped to annihilate Greek and Roman civilizations. The Darkening Age is the largely unknown story of how a militant religion deliberately attacked and suppressed the teachings of the Classical world, ushering in centuries of unquestioning adherence to "one true faith." Despite the long-held notion that the early Christians were meek and mild, going to their martyrs' deaths singing hymns of love and praise, the truth, as Catherine Nixey reveals, is very different. Far from being meek and mild, they were violent, ruthless, and fundamentally intolerant. Unlike the polytheistic world, in which the addition of one new religion made no fundamental difference to the old ones, this new ideology stated not only that it was the way, the truth, and the light but that, by extension, every single other way was wrong and had to be destroyed. From the first century to the sixth, those who didn't fall into step with its beliefs were pursued in every possible way: social, legal, financial, and physical. Their altars were upturned and their temples demolished, their statues hacked to pieces, and their priests killed. It was an annihilation. Authoritative, vividly written, and utterly compelling, this is a remarkable debut from a brilliant young historian.

Five stories of deep and abiding love that see our Scottish Highlanders and their feisty women fighting for a happy ending. Book 1: The Highlander's Braw Lass "That wildcat in the Chisholm clan," is the way most people describe Mairi Chisholm. Her mother despairs of her, and her father, tired of her rejection of one suitable match after another, finally presents her with an ultimatum: Marry Alastair Maclean or spend the rest of her life in the priory. Book 2: The Highlander's Defiant Bride Rhona Maclean dreams of being swept off her feet by a highlands hero: a man who is

handsome, strong and brave and loves her more than life itself. Those dreams collapse into ashes when she is stolen from her home one dark night and delivered into the hands of a Calum Stewart, a warrior from a rival clan who has long planned his revenge on the Macleans for the murder of his beloved sister and his brother. Book 3: The Highlander's Stolen Love When Caitriona's parents tell her that Duncan, her first and only love, has been so badly injured in battle that he cannot be a husband to any woman, she resigns herself to marriage with a cruel Laird, Cormag MacPherson. Duncan, still recovering from his war injuries, is stunned to discover that Caitriona needs him desperately. Fighting against almost insurmountable odds, Duncan sets out to rescue his stolen love. Book 4: The Highlander's Huntress Finlay MacGregor's friend Malcolm Campbell challenges him to a wager—and when Finlay loses, he finds that his task is to escort Malcolm's headstrong sister, Isla, on one last hunting trip before she has to face the distasteful task of choosing a suitor. All does not go as planned—and after an accident, Finlay is forced to recuperate in the Campbell keep, with Isla as his unwilling nurse. Although both feel the flames of attraction, neither wants to give up their treasured independence... Book 5: The Highlander's Challenge Hamish Maclean has overcome many challenges in his life, but none so difficult as the one that faces him now: how to win the trust of a woman who has borne too much mistreatment in her life. Jessie Gunn trusts no man—and has good reasons for feeling that way. She feels safe at last in the service of her beloved mistress Caitriona, protected in the Maclean keep. She has no plans to give herself in marriage... until disaster strikes and war between clans threatens if she does not.

Upon the eve of the betrothal, however, Garren's identity as a spy is discovered and he is set upon by the de Rosa's. With Derica's help, he escapes execution and together the two of them begin an enormous trek across England and Wales to flee her pursuing family. When William Marshall discovers that Garren has deviated from his orders, he too goes in pursuit of him, undermining Garren's trust with a friend he has known since childhood. Duty soon separates them and Garren stages his own death in battle in order to free himself of William Marshall's directives.
