ABOUT THE BOOK Say the name “Tom Cruise” in a crowded room and you’ll see a range of reactions. To some, he is beloved for his early roles in hit movies – like the 80s classic Risky Business, in which he played a cash-strapped teen left unsupervised by his parents. Tom’s famous dance scene, in which he’s scantily clad in just underwear and socks, cemented his status as a sex symbol, and he kept it alive in more recent films like Jerry Maguire and the hugely successful Mission Impossible series. Others see Tom as a kooky celebrity whose

involvement in Scientology and emotional outbursts regarding his high-profile marriage to fellow actor Katie Holmes have made him the subject of tabloid mockery. MEET THE AUTHOR Becky Bowden is a published author and online women's magazine editor based in a small seaside town in Somerset UK, where she lives with her husband and their nine-year-old daughter. A love of all things related to celebrity gossip, cult TV, and pop culture means that Becky is always up to speed with the latest Hollywood happenings and the hottest, must-read news from around the globe. wife was actress Mimi Rogers, whom he married in 1987 but later divorced in 1990. He then went on to propose to actress Nicole Kidman (his co-star in Days of Thunder and Eyes Wide Shut), and during their time together from 1990 to 2001 the couple adopted two children, Isabella and Connor. They are still regularly photographed together at family events and gatherings, but Tom has rarely been seen out with Nicole since their divorce. It was not until 2006, when Tom Cruise fell in love with and married actress Katie Holmes, that public interest in his personal life really went into overdrive. Suddenly

everyone wanted to know more about this super stylish couple, and Tom was all too willing to talk about their relationship. We all remember that classic Oprah moment when Tom shocked viewers and even Oprah herself by leaping up and down on the sofa and professing his love for the Dawson's Creek star. The birth of their daughter, Suri Cruise, in 2006, only increased the public's obsession with the couple, and they soon found themselves dubbed 'TomKat' by the press. Buy a copy to continue reading!

We can each radiate unconditional love. We don't even need to create it – we are love. But the flow of love is blocked in moments of hurt, blame, anger, criticism, competition or insecurity. These emotions have dominated our emotional space, and hardly enable us to feel our own love. So today, we rely on someone else to love us. This book teaches us to think right, enable self-love, feel it and extend it to

other people. The central message here is that love is not 'out there', but within us. A spectrum of emotions like attachment, expectations, hurt, worry, stress, fear or anger, which we use in the pretext of love, are analysed. The conversations also explore the fact that the parent-child relationship is not challenging – It does not need to be. As you free yourself from judgments and expectations, as you start thinking right for people, and as you accept people for who they are, you become a Radiator of unconditional love. You are one decision away from vibrating at a frequency of love ... by not

Sri Ramana Maharshi is widely thought of as one of the most outstanding Indian spiritual leaders of recent times.

Having attained enlightenment at the age of 16, he was drawn to the holy mountain of Arunachala in southern India, and remained there for the rest of his life. Attracted by his stillness, quietness and teachings, thousands sought his guidance on issues ranging from the nature of God to daily life. This book brings together many of the

conversations Maharshi had with his followers in an intimate portrait of his beliefs and teachings. Through these conversations, readers will discover Maharshi's simple discipline of self-enquiry: knowing oneself and looking inwards as the road to true understanding and enlightenment. This updated edition will appeal to anyone looking for peace, self-awareness, and guidance on how to embrace the self for well being and calm.
