"In The Book of Told, K.A. Gunn blends lived experience with metahistory, tragedy with punning, technology and theology. Her story has too much life in it to be simple allegory, and reads as an extended meditation on the phrase, 'in the beginning was the Word.' Literary fiction is turned inside out and it is possible that your life might be also"-Back cover.

90 Days of Grace for the Wilderness

Ten years into their marriage, Abbie faces a life-threatening illness. Her husband Doss battles the disease with her every step of the way. "Where the River Ends" chronides their love-filled, tragedy-tinged journey and a bond that transcends all. A Christian allegory follows the journey of Much-Afraid, a dweller in the Valley of Humiliation, to spritual heights in the service of the Chief Shepherd.

Loving a prodigal is a long and desperate journey, filled with fear, worry, anger, self-recrimination. You wait for the phone call--will it be from jail or the hospital? You plead with your loved one. You search for help. You feel the shame. You cry out to God, "How long, Lord?" Author Judy Douglas knows these lovers of prodigals well. She is one herself and has created a large and growing community with others. When You Love a Prodigal is a collection of 90 essays--90 days of perspective on what God offers to you as you love your prodigal. At the end of each brief essay, response questions will help you process how God intends to use the wilderness journey to mold your spiritual life. You can work through it day by day, or you can read it straight through. Judy has traveled this road with her own prodigal--reading, learning, praying, and seeking God. Over and over he continued to give her wisdom, he sustained her, he covered her with grace, and he filled her with hope. May you, too, be strengthened and filled with hope as together you discover how God will take you through your own valley.

Daughters of the Faith: Ordinary Girls Who Lived Extraordinary Lives. 1761—Phillis Wheatley was a little girl of seven or eight years old when she was captured in Africa and brought to America as a slave. But she didn't let her circumstances keep her down. She learned to read and write in English and Latin, and showed a natural gift for poetry. By the time she was twelve, her elegy at the death of the great pastor George Whitefield brought her worldwide acclaim. Phillis became known to heads of state, including George Washington himself, speaking out for American independence and the end of slavery. She became the first African American to publish a book, and her writings would eventually win her freedom. More importantly, her poetry still proclaims Christ almost 250 years later.

Much-Afraid had been in the service of the Chief Shepherd, whose great flocks were pastured down in the Valley of Humiliation. She lived with her friends and fellow workers Mercy and Peace in a tranquil little white cottage in the village of Much-Trembling. She loved her work and desired intensely to please the Chief Shepherd, but happy as she was in most ways, she was conscious of several things which hindered her in her work and caused her much secret distress and shame. Here is the allegorical tale of Much-Afraid, an every-woman searching for guidance from God to lead her to a higher place.

"Keith was uncompromising in his call to holiness" (Amy Grant). Experience the continuing impact of the extraordinary Keith Green through his courage, unwavering faith, and legacy of songs and teachings.

"It was in a church in Munich that I saw him.... "One moment I saw the overcoat and the brown hat; the next, a blue uniform and a visored cap with its skull and crossbones. It came back with a rush: The place was Ravensbruck and the man who was making his way forward has been a guard—one of the most cruel guards. "Now he was in front of me, hand thrust out. I was face to face with one of my captors and my blood seemed to freeze. "Fraulein, will you forgive me?" "Communicating her experience of God's guidance, forgiveness and power, Corrie was still challenged to live fully the truths she had learned. In her imprisonment and later her world travels, her life continued to declare that "there is no pit so deep that Jesus' love is not deeper still."

By practicing the three principles of holy love studied in this book, we can turn control of our mind and heart over to God and experience the love, glory, and joy of his kingdom here on earth.

▼ The Most Dangerous Game by Richard Connell
▼ The Most Dangerous Game, also published as The Hounds of Zaroff, is a short story by Richard Connell first published in Collier's magazine on January 19, 1924. It features a big-game hunter from New York who falls off a yacht and swims to an isolated island in the Caribbean where he is hunted by a Cossack aristocrat. The story is an adaptation of the big-game hunting safaris in Africa and South America that were fashionable among wealthy Americans in the 1920s.
▼ The Most Dangerous Game by Richard Connell
▼ Big-game hunter Sanger Rainsford and his friend, Whitney, are traveling to the Amazon rainforest for a jaguar hunt. After a discussion about how they are "the hunters" instead of "the hunted," Whitney goes to bed and Rainsford hears gunshots. He climbs onto the yacht's rail and accidentally falls overboard, swimming to Ship-Trap Island, which is notorious for shipwrecks. On the island, he finds a palatial chateau inhabited by two Cossacks: the owner, General Zaroff, and his gigantic deaf-mute servant, Ivan.
▼ The Most Dangerous Game by Richard Connell
▼ Zaroff, another big-game hunter, knows of Rainsford from his published account of hunting snow leopards in Tibet. Over dinner, the middle-aged Zaroff explains that although he has been hunting animals since he was a boy, he has decided that killing big-game has become boring for him, so after escaping the Russian Revolution he moved to Ship-Trap Island and set it up to trick ships into wrecking themselves on the jagged rocks that surround it. He has made the island his captive and hunts them for sport, giving them food, clothing, a knife, and a three-hour head start, and using only a small-caliber pistol for himself. Any captives who can elude Zaroff, Ivan, and a pack of hunting dogs for three days are set free. He reveals that he has won every hunt to date. Captives are offered a choice between being hunted or turned over to Ivan, who once served as official knouter for The Great White Czar. Rainsford denounces the hunt as barbarism, but Zaroff replies by claiming that "life is for the strong." Realizing he has no way out, Rainsford reluctantly agrees to be hunted. During his head start, Rainsford lays an intricate trail in the forest and then climbs a tree. Zaroff finds him easily, but decides to play with him as a cat would with a mouse, standing underneath the tree Rainsford is hiding in, smoking a cigarette, and then abruptly departing.
▼ The Most Dangerous Game by Richard Connell
▼ After the failed attempt at eluding Zaroff, Rainsford builds a Malay man-catcher, a weighted log attached to a trigger. This contraption injures Zaroff's shoulder, causing him to return home for the night, but he shouts his respect for the trap before departing. The next day Rainsford creates a Burmese tiger pit, which kills one of Zaroff's hounds. He sacrifices his knife and ties it to a sapling to make another trap, which kills Ivan when he stumbles into it. To escape Zaroff and his approaching hounds, Rainsford dives off a cliff into the sea; Zaroff, disappointed at Rainsford's apparent suicide, returns home. Zaroff smokes a pipe by his fireplace, but two issues keep him from the peace of mind: the difficulty of replacing Ivan and the uncertainty of whether Rainsford perished in his dive. Can two people brought together by desperate circumstances help one another heal, and maybe even begin a new life? New York Times bestselling author Charles Martin's Send Down the Rain answers the questions of what it means—and what level of sacrifice it takes—to truly love someone. Allie is still recovering from the loss of her family's beloved waterfront restaurant on Florida's Gulf Coast when she loses her second husband to a terrifying highway accident. Devastated and losing hope, she shudders to contemplate the future—until a cherished person from her past returns. Joseph has been adrift for many years, wounded in both body and spirit and unable to come to terms with the trauma of his Vietnam War experiences. Just as he resolves to abandon his search for peace and live alone in a remote cabin in the Carolina mountains, he discovers a mother and her two small children lost in the forest. A man of character and strength, he instinctively steps in to help them get back to their home in Florida. There he will return to his own hometown—and witness the accident that launches a bittersweet reunion with his childhood sweetheart, Allie. When Joseph offers to help Allie rebuild her restaurant, it seems the flame may reignite—until a forty-five-year-old secret begins to emerge, threatening to destroy all hope for their second chance at love. Send Down the Rain will take you on a journey that spans the sweltering migrant worker routes of south Florida, muddy battlefields of Vietnam, thickets of northwest North Carolina, and the idyllic shores of America's most beautiful beach (Cape San Blas). At the story's center lies the question: What does it mean—and what level of sacrifice does it take—to truly love someone? Praise for Send Down the Rain: "Charles Martin understands the power of story and he uses it to alter the souls and lives of both his characters and his readers."—Patti Callahan Henry, New York Times bestselling author Full-length, stand-alone novel Includes discussion questions for book clubs Also by bestselling author Charles Martin: The Mountain Between Us, Chasing Fireflies, When Crickets Cry, and The Letter Keeper*

God came in the flesh to show us how love looks like. To truly see the dynamics of this love, we must take a close look at Jesus's relationships while he was here on earth. How he loved them is how he loves now, and how he loves now is how we as believers are to love. No Greater Love is a study of Jesus's interactions with people throughout the book of John, including Nicodemus, the woman at the well, and even the Pharisees. What did this love look like in action, especially with those who are hard to love? As it turns out, he didn't love people because they deserved it; he loved them because he is love. With the great tragedies in our culture today there is a need for this "Jesus love" that's available to all believers. May this book help you better know his love for you--which, in the end, will lead you to becoming more like him.

Please note: This is a companion version & not the original book. Sample Book Insights: #1 The interview with the Chief Shepherd went on for a long time, and when they finally did leave her, it was already late in the evening. She was terrified of being kidnapped and forced to marry her cousin Craven. The Shepherd offered to take her to the High Places, where no Fears could live. #2 The Shepherd told Much-Afraid that she would have to be changed before she could live on the High Places, but that he would help her develop hinds' feet. He also told her that she would have to receive a new name if she wanted to live in the Kingdom of Love, because no one was allowed to love there unless they had the flower of Love blooming in their hearts. #3 The Shepherd gave Much-Afraid the seed of Love, which was shaped like a long, sharply-pointed thorn. She was still afraid of pain, and she did not dare to love unless she were sure of being loved in return. #4 When the seed of Love in your heart is ready to bloom, you will be loved in return. However, you must remember that as soon as you reach the slopes of the mountains, there is a wonderful system of communication from end to end of the Kingdom of Love.
