will is for humankind, who the Holy Spirit is, and what the Bible is. It is crucial to life that we believe in God as Father, Jesus as his Son, the Holy Spirit as the Christ Savior from God; and believe in the truth of the Word of God in his Christian Bible. For the Word of God explains what “belief” is, what “to be saved” is, just how Salvation is effected, what the “take-away” benefits of belief are, and how to find meaning and purpose in life.

The role of architecture within the French Reformed tradition has been of recent scholarly interest, seen in the work of Helene Guicharnaud, Catharine Randall, Andrew Spicer, and others. Few, however, have explored in depth the relationship between Reformed theology and architectural forms. This thesis explores the roots of Reformed aesthetics, set against the background of late medieval church architecture. The work of Serlio is demonstrably important in the spreading of the ideas of Vitruvius, indicating the influence of classical Roman building on French Reformed architecture. There follows an examination of five important Huguenot architects: Philibert de l'Orme, Bernard Palissy, Jacques-Androuet du Cerceau, Salomon de Brosse, and Jacques Perret. We then undergo a comparative examination of three churches: St. Pierre in Geneva, a medieval church overhauled by the Reformers; St. Gervais-St. Protais, a Parisian Catholic church whose facade was completed by the French Reformed architect Salomon de Brosse; and the temple at Charenton, a structure also designed and built by de Brosse. These three

buildings reveal the contribution of Huguenot architecture, a distinct language that gave expression to Reformed theological ideas and helped bring about the renewal of classicism in France.

"Logos 7, Vol. 1 is the eighth of my ten-volume, Logos 1-7 work, each volume of which is able to stand alone as God's Book of Life. It took me over 3,000 pages in ten volumes to say How and What is Important to Believe. It seeks to explain by experience who Jesus is, who God is, who the Holy Spirit is, what the Bible is, why it is crucial to life that we believe in them, what "belief" is, what "to be saved" is, just how Salvation is effected, what the "take-away" benefits are, and how to

find meaning and purpose in life. This volume focuses on what exactly is the Will of God for each individual and well as corporately for Humankind. It holds God's Warning Messageto the World addressed to every level of society from highest to lowest: world, nation, state, community, family, and individual - that the state of humankind is deplorable to God, and offers the Call of God to believe in Jesus as the Christ Savior and accept his Holy Spirit for Life with Him. He assays it through his Eyes of Christ, warns of coming retribution, and presents the Christ Spirit as the only solution to restore humankind to a godly image. "Each of these ten volumes is able to stand alone as God's Book of Life, portraying Life with the Holy Spirit by belief in the Christ of Jesus as Savior to eternal life with God. The ten volumes relate my Story of Writing God's Book of Life, using nonfiction essays and poetry with daily help of divine intervention in producing the seven-Logos Work of ten volumes, and the four supporting volumes, all seek to fully understand and explain this work inspired by the Holy Spirit, the Christ of Jesus. being on the Biblical text in terms of its original form and language and in consideration of its full and proper context linguistically, textually, historically, culturally, and literarily. It stresses the importance of moving from a knowledge of the Bible to an understanding of its life-giving instructions, being studied in its entirety as a gift to mankind from a loving creator, Elohim. The thrust of the book is accordingly threefold: An indictment of two of mans religious systems (Judaism and Christianity) for syncretism, corruption of Elohim's written Word of truth, and abuses of religious authority, plus promulgation of religious traditions not aligned with the whole truth of Elohim's Word. A call to return to the one source of truth—the written Word of Elohim understood in its originally written form and in its full and proper context. Providing the equipping and study tools necessary to move from a mere knowledge of the Word to an understanding of its life-giving instructions—how to live a redeemed life as Elohim intended for all mankind.

approaches, the stars fall, the sun goes dark, and the moon proclaims death. Jesus comes and His powerful presence causes the atmosphere to split and roll away. Revelation 6 shows people wailing for the mountains to bury them: "Fall on us, and hide us from the face of Him who sits on the throne, and from the wrath of the Lamb: for the great day of His wrath is come; and who will be able to stand?" And who does stand in that day? No one. Not a single soul. It's the total annihilation of a vile, self-righteous human race. God's followers expected all of this to happen on October 22, 1844. They watched and waited, but Jesus didn't return. This was only a warning preview of His return in the sixth seal. In God's mercy, He commands to delay the cataclysm of judgment day so that He can send to the world the needed preparation for the day of wrath. That needed preparation comes with the seven trumpets of the seventh seal that occur after 1844. The postponed destruction seen in the sixth seal will yet be a future reality. The Seven Trumpets and the Investigative Judgment examines chapters 4–11 in the book of Revelation and studies how recent events since 9/11 have almost completed God's gracious delay. This book presents a new view of Revelation that meets the biblical rules of prophetic interpretation and of the inspired "testimony of Jesus," which is "the spirit of prophecy" (Rev. 19:10). How have we done in this waiting period? Will we stand when Jesus returns? By God's grace this book will help you prepare for that great day.
