GIST OF OLD NCERT History 1) Ancient India- R.S. SHARMA (CLASS-11), 2) Medieval India - SATISH CHANDRA (CLASS-11), 3) MODERN INDIA - BIPIN CHANDRA (CLASS-12)

Keywords: UPSC IAS Civil Services Previous Year Papers, Indian Polity by Laxmikant, Indian Economy Ramesh Singh, General Studies UPPSC Uttar Pradesh, MPPSC Madhya Pradesh, RPSC Rajasthan, Bpsc Bihar Etc. Objective History Economy Polity Geography

This book presents a complete and accessible description of the history of early India. It starts by discussing the origins and growth of civilizations, empires, and religions. It also deals with the geographical, ecological, and linguistic backgrounds, and looks at specific cultures of the Neolithic, Chalcolithic, and Vedic periods, as well as at the Harappan civilization. In addition, the rise of Jainism and Buddhism, Magadha and the beginning of territorial states, and the period of Mauryas, Central Asian countries, Satvahanas, Guptas, and Harshavardhana are also analysed. Next, it stresses varna system, urbanization, commerce and trade, developments in science and philosophy, and cultural legacy. Finally, the process of transition from ancient to medieval India and the origin of the Aryan culture has also been examined.

9789354881008 | The Presented book covers the questions of the UPSC Civil Service Examination of General Studies in Topic-wise Solved Papers of the last 27 years (1995-2021) & CSAT (2011-2020). **Panini's Ashtadhyayi represents the first attempt in the history of the world to describe and analyse the components of a language on scientific lines. It has not only been universally acclaimed as the first and foremost specimen of Descriptive Grammar but has also been the chief source of inspiration for the linguist engaged in describing languages of different regions. To understand Sanskrit language, and especially that part of it which embodies the highest aspirations of ancient Aryan people, viz., the Brahmanas, Samhitas, Upanisads, it is absolutely necessary to have a complete knowledge of the grammar elaborated by Panini. Being a masterpiece of reasoning and artistic arrangement its study is bound to cultivate intellectual powers. Western scholars have described it as a wonderful specimen or a notable manifestation of Indian intelligence. This book is an English translation of Ashtadhyayi in two volumes and has won a unique position in the world of scholarship.**

**When the Hindu nationalist Bharatiya Janata Party (BJP) assumed power in India in 1998 as the largest party of the National Democratic Alliance, it soon became evident that it prioritized educational reforms. Under BJP rule, a reorganization of the National Council of Educational Research and Training occurred, and in 2002 four new history textbooks were published. This book examines the new textbooks which were introduced, considering them to be integral to the BJP’s political agenda. It analyses the ways in which their narrative and explanatory frameworks defined and invoked Hindu identity. Employing the concept of decontextualization, the author argues that notions of Hindu cultural similarity were conveyed, particularly as the textbooks paid scarce attention to social, geographical and temporal contexts in their approaches to Indian history. The book shows that intrinsic to the textbooks’ emphasis on similarity is a systematic backgrounding of any references to internal lines of division within the Hindu community. Through a comparison with earlier textbooks, it sheds light on the contested nature of history writing in India, especially in terms of nation building and identity construction. This issue is also highly relevant in India today due to the electoral success of the BJP in 2014, and the efforts of the Hindu nationalist organization Vishwa Hindu Parishad to construct a coherent Hinduism. Arguing that the textbooks operate according to the BJP’s ideology of Hindu cultural nationalism, this book will be of interest to academics in the field of South Asian studies, contemporary history, the uses of history, identity politics and Hindu nationalism.**

**This book is very much helpful in effective preparation for Competitive, College, and School exams for every generation of students. The book contains a 'Preface' by N.S. Avhad, the topper of 1996 batch of IAS (Indian Administrative Services). He finds this book unique, as it contains all the topics related to exam.**

**This book is an outcome of sheer hard work of successful candidates. Previously; I had given thought to publish the success stories last year too but it could not materialize. Subsequently; when I came in contact with successful candidates; I realized that some had so unique journeys that I could not resist myself to give shape to the idea which was in mind since long. Again; the question arose to whom should I approach since I had known only limited number of successful candidates. In this book you will find a unique success pattern of each successful officer. Some of them come from backward areas; some have average educational qualification; so that you may realize that successful candidates not born with a silver spoon. Some of them were already in job; it is interesting to see how they could sale through their arduous journey and made it to the destination.**

**Long Walk to Freedom**

**Tree and Serpent Worship**

**Colonial Society and Economy**

The book that inspired the major new motion picture Mandela: Long Walk to Freedom. Nelson Mandela is one of the great moral and political leaders of our time: an international hero whose lifelong dedication to the fight against racial oppression in South Africa won him the Nobel Peace Prize and the presidency of his country. Since his triumphant release in 1990 from more than a quarter-century of imprisonment, Mandela has been at the center of the most compelling and inspiring political drama in the world. As president of the African National Congress and head of South Africa's antiapartheid movement, he was instrumental in moving the nation toward multiracial government and majority rule. He is revered everywhere as a vital force in the fight for human rights and racial equality. LONG WALK TO FREEDOM is his moving and exhilarating autobiography, destined to take its place among the finest memoirs of history's greatest figures. Here for the first time, Nelson Rolihlahla Mandela tells the extraordinary story of his life--an epic of struggle,

setback, renewed hope, and ultimate triumph.

India's Ancient PastOxford University Press

A thorough and incisive introduction to contemporary India The story of the forging of

India, the world's largest democracy, is a rich and inspiring one. This volume, a sequel to the best-selling India's Struggle for Independence, analyses the challenges India has faced and the successes it has achieved, in the light of its colonial legacy and century-long struggle for freedom. The book describes how the Constitution was framed, as also how the Nehruvian political and economic agenda and basics of foreign policy were evolved and developed. It dwells on the consolidation of the nation, examining contentious issues like party politics in the Centre and the states, the Punjab problem, and anti-caste politics and untouchability. This revised edition offers a scathing analysis of the growth of communalism in India and the use of state power in furthering its cause. It also documents the fall of the National Democratic Alliance in the 2004 General Elections, the United Progressive Alliance's subsequent rise to power and the Indo-US Nuclear Deal that served to unravel the political consensus at the centre. Apart from detailed analyses of Indian economic reforms since 1991 and wide-ranging land reforms and the Green Revolution, this new edition includes an overview of the Indian economy in the new millennium. These, along with objective assessments of Jawaharlal Nehru, Indira Gandhi, Jayaprakash Narayan, Lal Bahadur Shastri, Rajiv Gandhi, Vishwanath Pratap Singh, Atal Bihari Vajpayee and Manmohan Singh, constitute a remarkable overview of a nation on the move.

*This book examines both history textbook controversies AND teaching historical controversy in Asian contexts. The different perspectives provided by the book's authors offer numerous insights, examples, and approaches for understanding historical controversy to provide a practical gold mine for scholars and practitioners. The book provides case studies of history textbook controversies ranging from treatments of the Nanjing Massacre to a comparative treatment of Japanese occupation in Vietnamese and Singaporean textbooks to the differences in history textbooks published by secular and Hindu nationalist governments in India. It also offers a range of approaches for teaching historical controversy in classrooms. These include Structured Academic Controversy, the use of Japanese manga, teaching controversy through case studies, student facilitated discussion processes, and discipline-based*

*approaches that can be used in history classrooms. The book's chapters will help educational researchers and curricularists consider new approaches for curriculum design, curriculum study, and classroom research.*

*THE DEFINITIVE EDITION • Discovered in the attic in which she spent the last years of her life, Anne Frank's remarkable diary has since become a world classic—a powerful reminder of the horrors of war and an eloquent testament to the human spirit. Updated for the 75th Anniversary of the Diary's first publication with a new introduction by Nobel Prize-winner Nadia Murad "The single most compelling personal account of the Holocaust ... remains astonishing and excruciating."—The New York Times Book Review In 1942, with Nazis occupying Holland, a thirteen-year-old Jewish girl and her family fled their home in Amsterdam and went into hiding. For the next two years, until their whereabouts were betrayed to the Gestapo, they and another family lived cloistered in the "Secret Annex" of an old office building. Cut off from the outside world, they faced hunger, boredom, the constant cruelties of living in confined quarters, and the ever-present threat of discovery and death. In her diary Anne Frank recorded vivid impressions of her experiences during this period. By turns thoughtful, moving, and amusing, her account offers a fascinating commentary on human courage and frailty and a compelling self-portrait of a sensitive and spirited young woman whose promise was tragically cut short.*
