The Armies of Forever by Russell M. Peterson Murder. Destruction. Chaos in the streets. Political turmoil. These are just a few of the tools used by the forces of hell as they begin their push toward a long-awaited final battle against the forces of heaven. Despite the evidence around them, most men and women continue to resist a belief in the supernatural – in heaven and hell and devils and angels. But when a literal war to end all wars begins with Satan and his demons facing off against God, Jesus Christ, and their army of angels, mankind will have no choice but to face the truth it has sought to deny. The vivid details and storytelling in The Armies of Forever will give today's readers much to think about regarding whose side they want to be on during the coming battle.

CHILDFINDERS, INC. A DANGEROUS DISTRACTION... She was the last person Garrett Wichita needed in his life. When a nuclear civil war shatters the United States, Mya loses everything. After being stripped of her poverty stricken childhood in Baltimore, a twisted turn of fate elects her the princess of a post United States empire. However, that same fate takes the only thing she treasured during her low times in Baltimore—her childhood lover. After five years of dealing with a harsh term in office, without her lover by her side, Mya finds the strength to move on, but just when she's moving forward the betrayal of a trusted father, and the sudden revelation of a terrorist mastermind planning to apprehend her with unknown motives, causes doubt about her unexplainable past. Mya finds herself in limbo; on an opportunity to prevent another nuclear war and on the brink of uncovering the past she tried to leave behind.

A warm, witty, compelling and emotional novel about love, family and coming to terms with your past. Perfect for fans of Patricia Scanlon and Lucy Dillion. How can you find yourself again, when you can't face what you've lost? Joanna Woulfe is looking to get her life back on track after her husband John leaves their family home. Once a high-flying PR Director, Jo now looks after her son Harry and seeks support only from her mother Marietta and her best friend Nicole. But Nicole's own marriage is facing its greatest ever crisis, and Marietta, too, is distracted by the reappearance of an old flame, ex-Showband-singer and lothario Patrick Realta. Soon Jo enrolls with a colourful local amateur dramatics group and begins a flirtation with the handsome young Ronan Forest. But is she really ready to move on from her old life – and from her years of marriage to John? And what was it that happened three years ago that sent the couple into free-fall? Before long Jo will realise that is only by looking back that she will ever truly be able to move forward...

This is the story of a Kanaka, a Samoan warrior caught up in the illegal practice of Blackbirding to acquire pacific islanders as unpaid workers. Mel Milo is the son of the king of Samoa. His life of privilege came to a sudden end when he was taken aboard a slave ship bound for the cane fields in the Great Southern Land: Australia. His mother had educated him in reading, writing, and arithmetic, against the wishes of his father, who taught the heir to his throne the traditional ways of Samoa. He was later bought by a sheep farmer, who treated Mel as a son. His devoted friend, a young Aborigine, shared many adventures, while a temperamental ghost liked to stir the pot. His European education opened unexpected doors to a life of respectability and fulfillment. His greatest joy was his wife and family. He was one of the lucky ones.

Praying For A Cowboy To Love Me, is about a woman and her sister who are sent out to Texas for one of them to be a mail order bride to a disabled war veteran rancher with one hand, and as a new mother to his two children. As her son grows up from little boy to adult man, a mother secretly rocks him each night as he sleeps.

In ages past, the Templar Knights were the only true force for good, battling evil in the hope that man would move into a time of enlightenment. Frustrated that they were making the same mistakes generation after generation, a plan was devised. Tapping into a base magic that was used during the time of creation; the Templars extended the life of one of their order to become their teacher and guide, their Forever Man. This knight's name was Lecturo.

Always well protected, evil could not touch him and the power of Light started to make great advancements over evil. If the darkness could not kill him,

they did the next best thing. During the Christmas Festival, they placed a powerful drug in his wine. When a toast was called for to honor the birth of Christ,

Lecturo's mind was wiped of memories. What good was a teacher that could not even remember his own name? Generations past before Lecturo finally started to regain some of his memories and remember who and what he was. Once again the Templar Teacher, Lecturo formed a new team of good hearts and pure souls to again battle evil wherever it tried to change the course of man away from the path of the Light.

A fan-favorite from #1 New York Times bestselling author Linda Lael Miller Up-and-coming TV personality Vanessa Lawrence has learned the hard way that jocks are bad news. Her cheating ex-husband is a prime example—and now he won't stop demanding permission to write lies about her in his tell-all memoir. So when sexy, confident athlete Nick strides into her life, she should have known he'd be nothing but trouble... Former football star Nick DeAngelo knows all about cutting through defenses—and he's not prepared to let Vanessa's demons come between them. Instead, he tackles her stubborn pride, her obnoxious ex and the gossip columns head-on. Because the day he saw Vanessa, he knew he'd found his destiny.... First published in 1989

The Mayan Indians of the Yucatan Peninsula, through a very complicated process, were able to study the sun by monitoring the planet Venus. This formed the basis for their complex calendrical system, which stretches over thousands of years. They discovered the way the sun rotates creates sunspots. After twenty sunspot cycles, which occurred approximately every thirty seven hundred years, the sun's rotational orbit would change, causing the Earth to turn on its axis. This is due to occur again on December 22, 2012. On this day, the world as we know it will end. Austin Green, a forty year old theoretical physicist, and his nineteen year old son, Zeo, barely escape from Los Angeles before a third massive earthquake cracks the North American plate, and the entire west coast sinks into the ocean in a matter of minutes. Now in the year is 2011, they're struggling to re-build a society in the coastal city of Phoenix, Arizona, with others who've survived the precursors to the pole shift--a long string of natural disasters that had been plaguing the Earth since 2009. The United States economy has fallen, making money worth nothing. The barter system is used for everything, and horses and bicycles are again common modes of transportation. Austin, once a well recognized physics professor and researcher at the California Institute of Technology, still harbors the slight hope that there will again come a time when our scientific technology will be applied to real life. Now, while everyone awaits the outcome of the final pole shift, he teaches cutting edge physics to a small class of students of various ages--the future parents of the root race of humans that will hopefully re-build society. But, Austin is restless. He can't believe what has become of the planet, and the humans who once ruled it. He has to know what the future holds. Does the music play forever? Will all life on Earth end before the middle of the twenty first century, thus destroying everything mankind has ever discovered since the beginning of time as we know it? Or have we learned from our past mistakes? Will we build a future society more in tune with nature? Or will greed cause us to make the same mistakes over again? Combining Austin's expertise in hyperspace manipulation, and Zeo's deep seeded, new age intuition, they devise an elaborate plan utilizing a home made proton accelerator, the energy vortexes in Sedona Arizona, a quartz crystal, and the energy generated on the day of the winter solstice, when the sun changes its rotation, to construct a worm hole two hundred years into the future and escape just seconds before the Earth turns on its axis. "Does the Music Play Forever?" is a story of one man's discovery of, not only his true nature, but also the true nature of the universe and mankind's innate connection to it. It is the ultimate example of the law of cause and effect, and the interconnectedness of everything in the universe..

In less than a summer, shy and introverted Robbie Myers goes from eighteen and never been kissed to the passionate intensity of first love that could last forever. Literally... Eighteen-year-old Robbie Myers has difficulty talking to people. Not only is he shy, but he seems to say the wrong thing every time he opens his mouth, especially to the mysterious, handsome stranger who shows up at his supermarket job, defends him from an aggressive colleague and then asks him on a date. He can't believe a hot, worldly badboy like seventeen-year-old Colt Abernathy is actually interested. Yet he can't deny that the ardor burning in Colt's dark eyes is just for him. In the space of one breath, Robbie is launched from his plan to attend community college while living at home with his mom

and saving up for a car to the tender yet passionate exploration of intense first love. Little does Robbie know... Brought across during the height of the Civil War, Colt has remained trapped in the body of a lonely seventeen year old. When he spots the slim, blond-haired, blue eyed young man, pushing a line of shopping carts across a parking lot, Colt knows instantly they're destined for each other. There's just one major problem: if he survives the impending battle between vampires and the Matarians - an army of brutal vampire slayers - he's going to live forever. Robbie isn't...

Can souls touch through time and hold on when all odds are against them? Claire Winslow vacations on an East Coast barrier island, content with her life and her potential future—until the illusion of a man walking the misty shore haunts her. Then one kiss—a beautiful, soulful, stolen kiss in the night—and her life changes forever. Nearly 300 years past, Jack Porter is in hot pursuit of his kidnapped wife. Not an easy feat considering the year is 1718 and the kidnapper is the notorious pirate Blackbeard aka Edward Teach. Determined to rescue his wife and take the pirate's head in the process, Jack steals aboard the pirate's ship to save her. Entranced sends Jack and Claire on a wild search through time, not only for the resolution to a powerful attraction between them, but also for a historical artifact that holds the key to their future happiness—the coveted silver-plated chalice made from Blackbeard's skull.

Frodge 'Strafer' Reeport and T.T. Teckachi, sworn enemies, land on a young planet called Torcysolica. Frodge almost wins the battle, but is distracted by something in the corner of his eye. On a well developed planet, Klonoa falls asleep and dreams of a stranger. The stranger introduces himself as Frodge. A week later, while in class, Klonoa sees a vision of Frodge on Torcysolica. Klonoa screams and runs out of the class. The image she saw was as clear as if she had been there herself. "So," started the Entity From Within Bob, "what is it you are supposed to tell me?" "Call it a mission, a plant, or an intrusion if you wish, but there is a particular life that the Top Brass want you to fulfill. Another Clan is attempting to control a significant size of our Universe to our detriment." This is the first book from Michael Bidan. He is currently programming a Virtual World and will give everyone, who buys this book, some free land in his Virtual World when completed.

Councilman Lorian Bakerman knows his mother's dinner invitation is a set-up. Having been dodging her attempts to introduce him to eligible shifter women of her choosing for the last several years, he's learned all the signs. Ever since other single councilmen have begun finding their mates—male mates—she's been urging him to settle down...with someone she finds appropriate. When Lorian accepts a barbeque invitation from Enforcer Germaine for the express purpose of avoiding his mother's plans, he's shocked to find himself drawn in by a pair of sad hazel eyes. Scenting the shifter, he realizes that Randy Cullers is his mate. While Randy acknowledges their connection, he seems timid and uncertain, leaving Lorian confused...until he learns that Randy is mourning the loss of a long-standing partner. Lorian wants Randy and is willing to give him time. Can his patience hold out as he helps Randy's heart mend while stopping his meddling and manipulative mother's ways before she scares him off?

"This book blew me away, completely. Gripping from page one, I—quite literally—couldn't put it down."—Christina Lauren, New York Times bestselling author of The Unhoneymooners Growing up, Mallory Dodge learned that the best way to survive was to say nothing. And even though it's been four years since her nightmare ended, she's beginning to worry that the fear that holds her back will last a lifetime. Now, after years of homeschooling, Mallory must face a new milestone—spending her senior year at a public high school. But she never imagined she'd run into Rider Stark, the friend and protector she hasn't seen since childhood, on her very first day. It doesn't take long for Mallory to realize that the connection she shared with Rider never really faded. Yet soon it becomes apparent that she's not the only one grappling with lingering scars from the past. And as she watches Rider's life spiral out of control, Mallory must make a choice between staying silent and speaking out—for the people she loves, the life she wants and the truths that need to be heard. Praise for The Problem with Forever: "We're left breathless and a little haunted and wanting more."—Danielle Paige, New York Times bestselling author of Dorothy Must Die "Heartbreakingly real...a remarkable novel about the power of first love and the courage it takes to face your fears."—Kami Garcia, #1 New York Times bestselling author Also from #1 bestselling author Jennifer L.
