" Mere Christianity and Moral Christianity" defends the biblical doctrine of unconditional security by demonstrating that perseverance in faith cannot be made a condition for reaching heaven without teaching salvation by works. An extended prologue and introduction prepare the reader for the more advanced material in the body of the book by sharing personal examples regarding the urgent need encountered within the church and within popular evangelism. The first chapter interacts with C. S. Lewis. Positive interaction with his philosophical defense of Christianity and Jesus' Deity is followed by critical discussion of his Arminian views regarding conditional security. The second chapter explores a related Reformed perspective from Jonathan Edwards. A parallel perspective within Catholicism is provided in the third chapter. The third chapter interacts with contemporary Arminian and Calvinistic authors. Appendix one shows that the ordo apostasia that would be necessary for the loss of the gift of eternal life is biblically impossible. The objection that moral performance is merely necessary evidence rather than a condition for the retention of eternal life is evaluated and rejected in appendix two. Appendix three demonstrates that moral performance cannot be a condition for entrance into heaven. Appendix four locates moral repentance within the gospel of the kingdom, which is a substratum of the gospel of Jesus. The gospel of grace, which is the aspect upon which one's security from eternal damnation is solely conditioned, does not contain a call for repentance as a theological condition for such salvation. Benefits of this book to the reader include:
• Performance-related concepts such as repentance, commitment, and perseverance can play a positive role without being made a legalistic distraction.

The Defined King James Bible

Basic Version

The Oxford Handbook of the Bible in China

AB Bookman's Weekly

Here Stephen Binz takes one of the key issues of our day and examines it from a biblical point of view. He invites readers to experience Gods creation as a great gift and a sacred trust, one that God has lovingly shared with humanity. He chooses biblical texts that help readers understand their privilege and responsibility in caring for the earth and humbly recognizing their place within it.

The New Testament is the primary written source material for Christianity. 'The Grace New Testament: Basic Version' presents the Word of God in early twenty-first century English. Deciphering original apostolic intent remains the goal of interpreters, translators and christian teachers. Mr. Kreiling brings a fresh approach to freeing New Testament language into modern evangelicalism born by Jesus and His apostles nearly 2,000 years ago. This BASIC VERSION features format enhancements to reveal the simple structure of the text. Read Mr. Kreiling's other books, ONE STEP and JESUS RICH derived from 'The Grace New Testament' and look for the STUDY VERSION for easy study suited especially for teachers and students of bible study.

Darrow, Clarence and William J. Bryan. The World's Most Famous Court Trial. Tennessee Evolution Case. A Complete Stenographic Report of the Famous Court Test of the Anti-Evolution Act, at Dayton July 10 to 21, 1925, Including Speeches and Arguments of Attorneys. Cincinnati: National Book Company, [1925]. [4], 339 pp. Reprinted 1997 by The Lawbook Exchange, Ltd. LCCN 97-38485. ISBN 1-886363-31-5. Cloth. \$75. \* Complete transcript of the celebrated "monkey trial," the case of the State of Tennessee vs. John Thomas Scopes, a 24-year old high school teacher accused of violating a recently enacted state law that banned the teaching of Charles Darwin's theory of evolution. Perhaps the first modern media event, the trial attracted enormous national and international attention. A star-studded cast of trial attorneys included the great orator and three time Democratic presidential candidate William Jennings Bryan and the brilliant trial lawyer and champion of the downtrodden, Clarence Darrow, among others. The climax of the trial came on the seventh day when the defense put the senior Bryan on the stand as an expert on the Bible and he was ruthlessly interrogated by Darrow. As a milestone in the American struggle between modernity and the forces of Protestant fundamentalism, and a vivid manifestation of the clash between two valid principles, academic freedom and democratic control of the public schools, the Scopes case has tremendous historical significance. This edition also includes statements by scientists entered at the defense's request, and the text of a lengthy concluding speech that Bryan prepared but never delivered.

Free grace means anyone can receive eternal life the moment they believe Jesus is the Christ, the Son of God. This assures the new believer of an everlasting personal relationship with Jesus Christ (who died on the cross as payment for sin and then overcame death by resurrection). In this new relationship, Jesus delivers the believer, an heir among the family of New Testament church believers, through highs and lows to eternal rewards in the Kingdom of God. This is the simple, plain meaning of New Testament authors. The Holy Spirit helps the believer walk down paths to glorify the Father; from revealed truths to spiritual gifts. Believing in 'The Great News of Free Grace' will set you free from certain death for an irrevocable relationship with Jesus Christ in the power of the Holy Spirit. Experience personal communion with the Messiah. Unify life in the person of the Christ. Unify the church in relationship with the Christ. Set the stage for the 2nd Coming of Jesus Christ. Fulfill the Great Commission! Spread the Word. Perhaps a 2nd Reformation, based on the plain meaning of the New Testament, goes viral tomorrow? Read Mr. Kreiling's topical books that copy passages from THE GRACE NEW TESTAMENT. Enjoy ONE STEP to eternal life and JESUS RICH on money and wealth. Look to the The Grace New Testament: Basic Version for simple formatting. Today, wonderful authors like Max Lucado, Dave Anderson, Charles Ryrie, Charlie Bing, Charles Stanley, Charles Ryrie (Ryrie Study Bible), Tony Evans (Study Bible), Creflo Dollar, Andrew Farley and Andrew Wommack keep the fire of free grace evangelism lit. Others; like David Jeremiah, Amanda Grace, David Platt, Sid Roth, Joel Osteen, Franklin Graham, Robert Morris, Rick Warren, Jack Deere, Ed Young, Beth Moore, TD Jakes, Joyce Meyer, Tim Keller, Jack Graham and radio host June Hunt, along with Baptist ministers like Kerry Shook, Matt Chandler and many, many others evangelize to the glory of God. Reformed luminaries like John MacArthur, John Piper and RC Sproul, plus recent insightful New Testament translations like NT Wright's Kingdom New Testament, Hal Taussig's New New Testament and David Bentley Hart's translation interpret the text quite differently from THE GRACE NEW TESTAMENT. And bibles like the NIV, NET, ESV, NRSV, The Ignatius Catholic Study Bible New Testament, Phillips New Testament in Modern English and the Passion New Testament Translation possess amazing qualities. The HCSB, NASB, NKJV and Good News Holy Bible add precision and clarity to the evangelical message. The Message by Eugene Peterson brilliantly adjusted interpretative assumptions to forge a biblical-literary paraphrase analogous to David Kreiling's biblical-science paraphrase, THE QUANTUM NEW TESTAMENT: PARAPHRASE. Compare these respected authors, books, messages and translations, along with so many others to THE GRACE NEW TESTAMENT.

Annals of Saint Joseph

The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance.

The Story of a Soul conveys St. Thérèse of Lisieux's "Little Way" of spiritual childhood - her "elevator" to Heaven, as she called it. This method was approved by Pope Pius XI as a way for all to grow in holiness through unflinching confidence and childlike delight in God's merciful love. Again and again in this book, St. Thérèse shows us how her "Little Way" of love and trust comes straight from Sacred Scripture. This book belongs in every Catholic home, for Pope St Pius X stated St. Thérèse of Lisieux the "greatest Saint of modern times". This is the original TAN edition now with updated typesetting, fresh new cover, new size and quality binding, and the same trusted content.

A Spirituality for the Two Halves of Life -- A Companion Journal

Conspiracy Theory

A valuable new companion journal for the best-selling FallingUpward In Falling Upward, Fr. Richard Rohr seeks to help readers understand the tasks of the two halves of life and to show them that those who have fallen, failed, or "gone down" are the only ones who understand "up." The Companion Journal helps those who have (and those who have not) read Falling Upward to engage more deeply with the questions the book raises. Using a blend of quotes, questions for individual and group reflection, stories, and suggestions for spiritual practices, it provides a wise guide for deepening the spiritual journey. . . at any time of life. Explains why the second half of life can and should be full of spiritual richness Offers tools for spiritual growth and greater understanding of the ideas in Falling Upward Richard Rohr is a regular contributing writer for Sojourners and Tikkun magazines This important companion to Falling Upward is an excellent tool for exploring the counterintuitive messages of how we grow spiritually.

The New Testament teaches that ONE STEP of faith assures any person of eternal salvation. If you doubt this, then read all of the passages on this subject and decide for yourself. If you believe there are other necessary steps, then find them in these passages. ONE STEP lists verses from newly released: THE GRACE NEW TESTAMENT, on the single subject of salvation. This is obviously the ultimate issue from the life and teachings of Jesus Christ. Decide the means of salvation for yourself directly from biblical text. What is necessary for eternal life? How are you born again? If a person can be saved; how? Can God help us with a mad, messy life? If saved, can someone lose their salvation? What is the difference between temporal deliverance and eternal salvation? Take ONE STEP, or not. Have you? Will you? Decide for yourself what the verses say to you about your eternal life and death: heaven or the lake of fire. Read these verses in prayer and humility for you, your family and people across the planet.
