town--a group of down-to-earth, deeply caring people willing to help a homeless, jobless girl living secretly in a Wal-Mart. From Bible-thumping blue-haired Sister Thelma Husband to eccentric librarian Forney Hull who loves Novalee more than she loves herself, they are about to take her--and you, too--on a moving, funny, and unforgettable journey to . . . Ten years ago, Violet Collingsworth left the town founded by her family, eager to escape a domineering grandmother and a past filled with hurt. Finally able to pursue her own dreams, Violet has spent the last decade traveling and enjoying adventures in the outdoors she loves so much. But now her grandmother's death has brought her back to Collingsworth and to the conflicted familial relationships of her past. Settling down anywhere, let alone Collingsworth, was not part of her agenda, but a run-in with the town sheriff has her reconsidering. Sheriff Dean Marconett has heard plenty about the Collingsworth sister who loved to travel, but he never imagined he'd be so drawn to her when they finally met. Hoping to win her heart, he keeps secret the one thing that might scare her away. Will he be able to convince Violet to consider settling down in the town she fled from so long ago before his secret is revealed? Or will her adventuresome spirit and the hurts and fears of her past, along with his secret, drive her away from a chance at love?

The Heart of the Home

Call Home the Heart (1932) is the story of Ishma Waycaster, a poor woman who, pregnant for the third time and discouraged by the endless struggle of rural life in the Great Smoky Mountains, flees to a mill town, where she becomes involved in union organizing and a bloody strike (modeled on the Gastonia strike of 1929). Burke (1869-1968) provides a remarkably honest portrayal of the conflicts between Ishma's sexual and emotional needs and her intellectual and political loyalties, and of the racial issues raised by the strike. In this courageous and deeply inspiring memoir, Richa Badami shares how she overcame the psychic damage inflicted on her for years in the form of sexual abuse that began when she was only a child. Because of cultural taboos that denied her treatment for her trauma, Badami mustered formidable inner resources to engineer her own healing. Through sheer determination, painful step by painful step, she rediscovered her capacity for joy, love, and, most important, an ability to forgive. *Coming Home to the Heart* traces her path to recovery and a wholesome, fulfilling life, and teaches readers how they can utilize similar transformative tools to help find their own way back to peace. This manual on life and relationships provides clear and in-depth explanations and solutions for the problems that overwhelm the average person, couple and family. It offers abundant and explicit professional advice and a wide array of effective skills, resources and methods for managing emotions, healing psychological trauma, building self-awareness and fostering effective, fulfilling relationships. A multitude of memorable anecdotes, metaphors and quotations bring the material to life. **Original.**

Home is Where the Heart Is... The final book in the Cloverleah Pack series. All Cloverleah Pack Enforcer Wesley (Wes) wanted the night he went out, was to have a few drinks, maybe find some company, and try and forget his worries and insecurities for few hours. The drinks flowed and he found the company; a gorgeous man with a mysterious scent, who seemed to completely understand the anger, shame, and jealousy Wes was hiding from his pack mates. Unfortunately, Wesley didn't understand how badly he'd been conned until he woke up the next morning alone in a cave. Fast forward months later and Wes discovered the wards that had held him captive from day one had suddenly disappeared. Not one to dither when a chance to escape presented itself, Wesley set off, sometimes on two feet and sometimes on four... looking for a way out of a barren realm that held nothing but red sand and black rocks. Cass enjoyed being a demon from a large family. The Underworld was good to him; he had a job, a house, and he didn't lack for company. Unfortunately, his carefree attitude tended to get him into trouble at times and when his brother Myka insisted on him paying back a "favor" he'd incurred through a badly placed bet, Cass had no choice but to agree. It sounded simple

enough. Meet with the snobby and reclusive members of the Cloverleah Pack, find out about a missing wolf, and then search for that wolf in the Underworld. Cass figured he could be home in time for his mama's Sunday dinner. Finding Wes wasn't the problem, but Wesley had stumbled onto a situation of his own he couldn't leave. What was worse, was when Cass was forced to tell Wesley about why no one from his pack had been looking for him before, Wes knew he had no way of ever going back to the life he had. The fact that Cass and Wesley were fated mates was hard to celebrate as Wes tried to cope with the loss of his pack status and the implications of his current situation.

Meanwhile, the men from Cloverleah were coming to terms with some home truths of their own. The thought of having to see Wesley again, and actually apologize for thinking he'd sunk so low as to try and destroy a mating, was too hard for some pack members to face. This in turn causes issues between those who struggled and those who believed in the bonds of a pack. Serious soul searching was needed if the men were ever going to understand that the only powers worth trusting were unconditional love and acceptance. This book is not a standalone. It is the fifteenth and final book in the series (Thirteen full novels and two compilations of short stories). It is recommended that you have read at least the last three books before reading this

*When Kathleen Hirsch first moved to Jamaica Plain, an unassuming neighborhood in Boston, she was looking for a place to belong, to set down roots. Was it possible, she wondered, to find community in a contemporary city? *A Home in the Heart of a City* is Hirsch's exuberant and hopeful response. We follow her as she meets extraordinary individuals, including the protector of a local park, an urban gardener, and a corporate lawyer turned community advocate. They become her guides, showing that tiring well in community is as much about the personal choices we make to work, pray, and associate in certain ways as it is about the grassroots institutions we build to foster community life.*

“Powerful and haunting . . . an intimate and unforgettable tale that transports the reader to the heart of Imperial Russia.”

—Chanel Cleeton, New York Times bestselling author of *The Most Beautiful Girl in Cuba* This sweeping novel takes readers behind palace walls to see the end of Imperial Russia through the eyes of Olga Nikolaevna Romanov, the first daughter of the last tsar. Grand Duchess Olga Romanov comes of age amid a shifting tide for the great dynasties of Europe. But even as unrest simmers in the capital, Olga is content to live within the confines of the sheltered life her parents have built for her and her three sisters: hiding from the world on account of their mother’s ill health, their brother Alexei’s secret affliction, and rising controversy over Father Grigori Rasputin, the priest on whom the tsarina has come to rely. Olga’s only escape from the seclusion of Alexander Palace comes from the grand tea parties her aunt hosts amid the shadow court of Saint Petersburg—a world of opulent ballrooms, scandalous flirtation, and whispered conversation. But as war approaches, the palaces of Russia are transformed. Olga and her sisters trade their gowns for nursing habits, assisting in surgeries and tending to the wounded bodies and minds of Russia’s military officers. As troubling rumors about her parents trickle in from the front, Olga dares to hope that a budding romance might survive

whatever the future may hold. But when tensions run high and supplies run low, the controversy over Rasputin grows into fiery protest, and calls for revolution threaten to end three hundred years of Romanov rule. At turns glittering and harrowing, *The Last Grand Duchess* is a story about dynasty, duty, and love, but above all, it's the story of a family who would choose devotion to each other over everything—including their lives. Ilse Crawford is always breaking new ground in her study of the individual's search for the perfect home. Continuing the theme of 'one eye sees, the other feels' from her previous book, *Sensual Home*, this book moves beyond to an investigation of our basic human drives for survival, safety, love, respect and self-fulfillment.

Years later, Renshu has settled in America as Henry Dao. Though his daughter is desperate to understand her heritage, he refuses to talk about his childhood. How can he keep his family safe in this new land when the weight of his history threatens to drag them down? Yet how can Lily learn who she is if she can never know her family's story?
