The instant #1 New York Times bestseller! "It's the best memoir I've ever read." —Oprah Winfrey "Will Smith isn't holding back in his bravely inspiring new memoir . . . An ultimately heartwarming read, Will provides a humane glimpse of the man behind the actor, producer and musician, as he bares all his insecurities and trauma." —USA Today Winner of the NAACP Image Award for Outstanding Literary Achievement One of the most dynamic and globally recognized entertainment forces of our time opens up fully about his life, in a brave and inspiring book that traces his learning curve to a place where outer success, inner happiness, and human connection are aligned. Along the way, Will tells the story full of one of the most amazing rides through the worlds of music and film that anyone has ever had. Will Smith's transformation from a West Philadelphia kid to one of the biggest rap stars of his era, and then one of the biggest movie stars in Hollywood history, is an epic tale—but it's only half the story. Will Smith thought with good reason, that he had won at life: not only was his own success unparalleled, his whole family was at the pinnacle of the entertainment world. Only they didn't see it that way: they felt more like star performers in his circus, a seven-days-a-week job they hadn't signed up for. It turned out Will Smith's education wasn't nearly over. This memoir is the product of a profound journey of self-knowledge, a reckoning with all that your will can get you and all that it can leave behind. Written with the help of Mark Manson, author of the multi-million-copy bestseller *The Subtle Art of Not Giving a F*ck*, Will is the story of how one person mastered his own emotions, written in a way that can help everyone else do the same. For us will know the pressure of performing on the world's biggest stages for the high of stakes, but we can all understand that the fuel that works for one stage of a journey might have to be changed if we want to make it all the way home. The combination of genuine wisdom of universal value and a life story that is preposterously entertaining, even astonishing, puts Will the book, like its author, in a category by itself.

Long ago, at the height of the Golden Age of Piracy, the infamous pirate Ramsey and his shipmates sacrificed everything to embark on an impossible journey into the Sea of Thieves. In the present day, Larinna, an ambitious stowaway determined to leave her mark on history, joins forces with a wild and adventurous captain seeking the greatest treasure ever buried. Separated by time but united by their drive to uncover the secrets of the Sea of Thieves, both crews will face tricks, traps, and malevolent horrors unleashed from the depths of the sea as each draws nearer to Athena's Fortune. Take a deep breath and dive into an epic story based on Rare's thrilling shared-world adventure game *Sea of Thieves*, where aspiring pirates can set sail on exciting voyages. Discover the tales of famously fearsome pirates whose legends endure and whose plunder still lies buried, ready for the taking. New York Times Bestseller "Dark and twisty, with white-knuckle tension and jaw-dropping surprises." —Riley Sager, New York Times bestselling author of *Home*

Before Dark In this smart and chilling thriller, master of suspense Mary Kubica takes domestic secrets to a whole new level, showing that some people will sto nothing to keep the truth buried. People don't just disappear without a trace... Shelby Tebow is the first to go missing. Not long after, Meredith Dickey and her year-old daughter, Delilah, vanish just blocks away from where Shelby was last seen, striking fear into their once-peaceful community. Are these incidents connected? After an elusive search that yields more questions than answers, th eventually goes cold. Now, eleven years later, Delilah shockingly returns. Everyone wants to know what happened to her, but no one is prepared for what they'll fi Look for these other riveting thrillers by Mary Kubica: The Good Girl Pretty Baby Don't You Cry Every Last Lie When the Lights Go Out The Other Mrs.

A must-have resource for anyone who lives or works with young kids, with an introduction by Adele Faber, coauthor of How to Talk So Kids Will Listen & Listen So Kids Will Talk, the international mega-bestseller The Boston Globe dubbed "The Parenting Bible." In this revised and updated edition of her classic, bestselling book, Karen Kingston draws on her wealth of experience as a clutter clearing, space-clearing, and feng shui practitioner to show you how to transform your life by letting go of clutter. Her unique approach lies in understanding that clutter is stuck energy that has far-reaching physical, mental, emotional, and spiritual effects. You'll be motivated to clutter clear as never before when you realize just how much your junk has been holding you back! You will learn: - Why people keep clutter - How clutter causes stagnation in your life - How to clear clutter quickly and effectively - How to live clutter-free

In the near future sci-fi world of Qualityland, algorithms help create an idyllic life for its citizens, but what if the perfect world wasn't built for you? Welcome to QualityLand, the best country on Earth. Here, a universal ranking system determines the social advantages and career opportunities of every member of society. An automated matchmaking service knows the best partners for everyone and helps with the break up when your ideal match (frequently) changes. And the foolproof algorithms of the biggest, most successful company in the world, TheShop, know what you want before you do and conveniently deliver to your doorstep before you even order it. In QualityCity, Peter Jobless is a machine scrapper who can't quite bring himself to destroy the imperfect machines sent his way, and has become the unwitting leader of a band of robotic misfits hidden in his home and workplace. One day, Peter receives a product from TheShop that he absolutely, positively knows he does not want, and which he decides, at great personal cost, to return. The only problem: doing so means proving the perfect algorithm of TheShop wrong, calling into question the very foundations of QualityLand itself. Qualityland, Marc-Uwe

Kling's first book to be translated into English, is a brilliantly clever, illuminating satire in the tradition of Kurt Vonnegut, Douglas Adams, and George Orwell that offers a visionary, frightening, and all-too funny glimpse at a near future we may be hurtling toward faster than it's at all comfortable to admit. So why delay any longer?

TheShop already knows you're going to love this book. You may as well head to the cash register, crack the covers, and see why that is for yourself.

Memories of a Machine Gunner on the Eastern Front, 1943-45

A stunning debut novel with an intriguing literary hook: written in part as a letter from a victim to her abductor. Sensitive, sharp, captivating! Gemma, 16, is on layover at Bangkok Airport, en route with her parents to a vacation in Vietnam. She steps away for just a second, to get a cup of coffee. Ty--rugged, tan, too old, oddly familiar--pays for Gemma's drink. And drugs it. They talk. Their hands touch. And before Gemma knows what's happening, Ty takes her. Steals her away. The unknowing object of a long obsession, Gemma has been kidnapped by her stalker and brought to the desolate Australian Outback. *STOLEN* is her gripping story of survival, of how she has to come to terms with her living nightmare--or die trying to fight it.

Filme ansehen, Videos drehen und bearbeiten, Fotos aufnehmen und vorfuhren, Bucher lesen, im Internet surfen, kommunizieren, spielen, Musik und Radio horen, Termine verwalten, Texte schreiben und Prasentationen erstellen ... Mit Android Tablets, diesen superleichten, auerst leistungsfahigen kleinen Computern, konnen Sie fast alles machen, wofur Sie fruher einen stationaren Rechner oder ein Notebook brauchten - oft sogar deutlich schneller und komfortabler. Bei so vielen Moglichkeiten kann man schon mal den Uberblick verlieren. Hans Dorsch nimmt Sie deshalb mit auf eine Tour durch die bunte Welt der Android-Tablets. Er zeigt Ihnen unter anderem, wie Sie die verschiedenen Funktionen Ihres Tablets optimal nutzen, wie Sie mit Apps viele interessante Moglichkeiten hinzugewinnen und wie Sie dabei auch die Sicherheit immer im Blick behalten. Kommen Sie mit, eine hochst informative und unterhaltsame Reise ist Ihnen gewiss! Die Anleitungen und Tipps in diesem Buch konnen Sie mit jedem Android-Tablet nutzen. Das Buch behandelt Gerate mit der Systemversion 4.1 und hoher, so gut wie alle Inhalte gelten aber auch fur Android-Systeme mit niedrigerer Versionsnummer. Der Autor hat als Grundlage fur dieses Buch Gerate von Google (gefertigt von Asus) und von Samsung verwendet. Mitunter unterscheiden sich die Bildschirme der Gerate, die Funktionen stimmen jedoch weitgehend uberein.

“One of the 12 best business books of all time.... Timeless principles of empowering leadership.” – USA Today "The best how-to manual anywhere for managers on delegating, training, and driving flawless execution.” —FORTUNE Since *Turn the Ship Around!* was published in 2013, hundreds of thousands of readers have been inspired by

former Navy captain David Marquet's true story. Many have applied his insights to their own organizations, creating workplaces where everyone takes responsibility for his or her actions, where followers grow to become leaders, and where happier teams drive dramatically better results. Marquet was a Naval Academy graduate and an experienced officer when selected for submarine command. Trained to give orders in the traditional model of "know all-tell all" leadership, he faced a new wrinkle when he was shifted to the Santa Fe, a nuclear-powered submarine. Facing the high-stress environment of a sub where there's little margin for error, he was determined to reverse the trends he found on the Santa Fe: poor morale, poor performance, and the worst retention rate in the fleet. Almost immediately, Marquet ran into trouble when he unknowingly gave an impossible order, and his crew tried to follow it anyway. When he asked why, the answer was: "Because you told me to." Marquet realized that while he had been trained for a different submarine, his crew had been trained to do what they were told—a deadly combination. That's when Marquet flipped the leadership model on its head and pushed for leadership at every level. *Turn the Ship Around!* reveals how the Santa Fe skyrocketed from worst to first in the fleet by challenging the U.S. Navy's traditional leader-follower approach. Struggling against his own instincts to take control, he instead achieved the vastly more powerful model of giving control to his subordinates, and creating leaders. Before long, each member of Marquet's crew became a leader and assumed responsibility for everything he did, from clerical tasks to crucial combat decisions. The crew became completely engaged, contributing their full intellectual capacity every day. The Santa Fe set records for performance, morale, and retention. And over the next decade, a highly disproportionate number of the officers of the Santa Fe were selected to become submarine commanders. Whether you need a major change of course or just a tweak of the rudder, you can apply Marquet's methods to turn your own ship around.

It is a quiet, uneventful Saturday in Doncaster. Nick Aten, and his best friend Steve Price – troubled seventeen year olds – spend it as usual hanging around the sleepy town, eating fast food and planning their revenge on Tug Slatter, a local bully and their arch-enemy. But by Sunday, Tug Slatter becomes the last of their worries because somehow overnight civilization is in ruins. Adults have become murderously insane – literally. They're infected with an uncontrollable urge to kill the young. Including their own children. As Nick and Steve try to escape the deadly town covered with the mutilated bodies of kids, a group of blood-thirsty adults ambushes them. Just a day before they were caring parents and concerned teachers, today they are savages destroying the future generation. Will Nick and Steve manage to escape? Is their hope that outside the Doncaster borders the world is 'normal' just a childish dream? *Blood Crazy*, first published in 1995, is a gripping, apocalyptic horror from Simon Clark.

Finding Balance in the Age of Indulgence

Entrepreneur Jesse Itzler chronicles his month of living and extreme fitness training with a Navy SEAL in the New York Times and #1 LA Times bestseller LIVING WITH A SEAL, now with two bonus chapters. Entrepreneur Jesse Itzler will try almost anything. His life is about being bold and risky. So when Jesse felt himself drifting on autopilot, he hired a rather unconventional trainer to live with him for a month--an accomplished Navy SEAL widely considered to be "the toughest man on the planet"! LIVING WITH A SEAL is like a buddy movie if it starred the Fresh Prince of Bel-Air...and Rambo. Jesse is about as easy-going as you can get. SEAL is...not. Jesse and SEAL's escapades soon produce a great friendship, and Jesse gains much more than muscle. At turns hilarious and inspiring, LIVING WITH A SEAL ultimately shows you the benefits of stepping out of your comfort zone.

One of this generation's hottest and boldest young comedians presents a transgressive and hilarious analysis of all of our dysfunctional relationships, and attempts to point us in the vague direction of sanity. Daniel Sloss's stand-up comedy engages, enrages, offends, unsettles, educates, comforts, and gets audiences roaring with laughter--all at the same time. In his groundbreaking specials, seen on Netflix and HBO, he has brilliantly tackled everything from male toxicity and friendship to love, romance, and marriage--and claims (with the data to back it up) that his on-stage laser-like dissection of relationships has single-handedly caused more than 300 divorces and 120,000 breakups. Now, in his first book, he picks up where his specials left off, and goes after every conceivable kind of relationship--with one's country (Sloss's is Scotland); with America; with lovers, ex-lovers, ex-lovers who you hate, ex-lovers who hate you; with parents; with best friends (male and female), not-best friends; with children; with siblings; and even with the global pandemic and our own mortality. In *Everyone You Hate Is Going to Die*, every human connection gets the brutally funny (and unfailingly incisive) Sloss treatment as he illuminates the ways in which all of our relationships are fragile and ridiculous and awful--but also valuable and meaningful and important.

Apps. Seit drei Jahren sind diese Anwendungsprogramme vom Mobile-Business-Markt nicht mehr wegzudenken. Von Privatpersonen bis hin zu Managern, fast jeder nutzt sie

tächlich. Es ist noch nie so simpel und komfortabel gewesen, Informationen, Angebote oder Spiele so schnell zu finden und anzuwenden. Dr. Ansgar Mayer hat mit seinem Werk ein praxisnahes Managementbuch zur strategischen Nutzung von Apps geschaffen. Es umfasst sowohl die praktische Anwendung – verdeutlicht durch viele Abbildungen – als auch einen großen theoretischen Teil, der mit den neuesten Entwicklungszahlen belegt ist. Außerdem wird der Titel ergänzt durch hochkarätige Interviews mit Machern aus der App-Economy, wie z. B. Heike Scholz, die den Weblog mobile Zeitgeist gegründet hat.

Burning ambition, brutal setbacks, meteoric rises, and unbelievable coincidences. Teetering on the edge of the abyss, risking everything, and reaching multi-national stardom. Not to mention life choices that could have sent the whole story in an entirely different direction. The life of Samu Haber – front man of Finnish rock band Sunrise Avenue ("Hollywood Hills", "Fairytale Gone Bad") and celebrity judge on The Voice of Germany – has been one stupendous roller-coaster ride. His passion for music has been the constant that kept him sane throughout. Written in a brisk, engaging – and characteristically charming – style, this exclusive autobiography is Samu's true story: from shady encounters, narrow escapes, and a barrage of record-company rejections to muscling his own way into pan-European music stardom. With vivid recall and total candour, Samu charts his determined path to success – but also the price he and loved ones paid along the way: burnout, broken relationships, artistic crises, and one close call after another. At turns tender, hilarious, and incredible, this thrilling full-disclosure read is a must for all Sunrise Avenue fans and for anyone that dreams of something other than the ordinary.

"Oprah's Book Club 2018 selection"--Jacket.

NEW YORK TIMES BESTSELLER • Two longtime friends share an intimate and unscripted conversation about life, music, and their enduring love of America, with all its joys and contradictions, in this stunningly produced expansion of their groundbreaking Higher Ground podcast, featuring more than 350 photographs, exclusive behind-the-scenes and never-before-seen archival material. Renegades: Born in the USA is a candid and revealing, and entertaining dialogue between President Barack Obama and legendary musician Bruce Springsteen that explores everything from their origin stories and defining moments to our country's polarized politics and the growing distance between the American Dream and the American reality. Filled with full-color photographs and rare archival material, it is a compelling and beautifully illustrated portrait of two outsiders—one Black and one white—looking for a way to connect their unconnected searches for meaning, identity, and community with the American story itself.

- Original introductions by President Obama and Bruce Springsteen
- Exclusive behind-the-scenes material from the Renegades podcast recording sessions
- Obama's never-before-annotated speeches, including his "Remarks at the 50th Anniversary of the Selma to Montgomery Marches"
- Springsteen's handwritten lyrics for songs spanning his 50-year-long career
- Rare and exclusive photographs from the authors' personal archives
- Historical photographs and documents that provide rich visual context to their conversation

In a recording studio stocked with dozens of guitars, and with a one-of-a-kind Corvette ride, Obama and Springsteen discuss marriage and fatherhood, masculinity, the lure of the open road and the call back to home. They also discuss notes on their favorite protest songs, the most inspiring American heroes of the past and more. Along the way, they reveal their passion for—and the occasional toll of—their bigger, truer story about America throughout their careers, and explore how a fractured country might begin to find its way back toward unity and global leadership.

"The epic story of the U.S. Army's 10th Mountain Division, whose elite soldiers

last line of German defenses in Italy's mountains in 1945, spearheading the Allied advance to the Alps and final victory."--Provided by publisher.

"The following pages represent the gist of a series of sermons given on successive Sunday evenings to the congregation of the church of which I am pastor. The fact that these were originally spoken messages accounts for their racy style and for the personal references which occur in them occasionally. Had I been writing the messages I

should have exercised greater care in the composition. The subject is, however, so vitally important that I feel sure the reader will pardon the offhand style of the language. The truth is always good even when the vehicle in which it rides is homely and plain."

The breakthrough million-copy international bestseller about how to befriend your inner child to find happiness

"Compassionate, clear-eyed, and insightful . . . The Child in You is like your own personal therapist that you can carry around with you." --Lori Gottlieb, New York Times bestselling author of *Maybe You Should Talk to Someone*
Nominated for Malcolm Gladwell, Susan Cain, Adam Grant, and Daniel H. Pink's Next Big Idea Club
We all want to be loved and to feel safe to express who we really are. But over time we grow estranged from what brings us our purest happiness--because everyday traumas, unyielding societal expectations, and the judgment of our parents and peers submerge our true self beneath layers of behaviors rooted in fear and shame and mistrust. In *The Child in You*, psychologist Stefanie Stahl guides you, step-by-step, through her therapeutic method that has helped millions to peel away these layers and reconnect with their inner child--both the shadow child, representing our deepest insecurities and the part of our self-esteem that is injured and unstable, and the sun child, representing our greatest joys and the part of our self-esteem that remains positive and intact. The many examples and exercises in this book will help you discover your shadow child and sun child, identify which of the shadow child's dozen self-protection strategies are at work in you, and put into practice the array of proven self-reflection strategies to overcome negative influences and beliefs. Because it's never too late to have a happy childhood, or to bring your authentic self out from the shadows so you can embody your radiant individuality. A PENGUIN LIFE TITLE

Das Buch zu Android Tablets : [das Handbuch zu ihrem Android-Tablet von Google, Samsung, Asus, Acer, Fujitsu, Sony oder einem anderen Hersteller]

Smartphones sollen unser Leben vereinfachen und bereichern - funktioniert oft, aber nicht immer. Hier setzt unser Sonderheft an, eine Auswahl von aktualisierten Artikeln zum Thema Android, die in c't erschienen sind. Zu Recht haben Handys vielerorts die Kompaktkameras abgelöst. Wir testen Apps, die noch mehr aus den Smartphone-Kameras herausholen, die Fotos in schicke Schwarzweiß-Aufnahmen verwandeln und mit denen Sie Ihre Werke direkt als Postkarte verschicken. Unter dem Schlagwort „Digital Detox“ zeigen wir, wie Sie die Zeithoheit über alle Stören - friede im Smartphone behalten, ohne es auszuschalten. Die gewonnene Zeit können Sie zum Meditieren oder für Hörbücher nutzen - wir haben die passenden Apps getestet. Oder Sie entspannen sich bei den Lieblingsspielen der Redaktion; vielleicht probieren Sie auch Spielestreaming etwa per Stadia aus. Im Test: das erste faltbare Smartphone, die besten Kamera-Handys, Smartphones um 300 Euro - und Öko-Handys. Zudem haben wir fast alle In-Ear-Kopfhörer einem ausführlichen Hörtest unterzogen. Schließlich zeigen wir Ihnen, wie Sie das neue Smartphone perfekt einrichten - inklusive eines Schwerpunktes speziell zum Kinderschutz. Sie lernen, wie Sie Android-Updates, Tracker in Apps und generell Traffic von Apps prüfen.

"The rulers' mistakes are paid for with the blood of the people. This is shown in history both recent and ancient, time and time again. It was no different of an Austrian mountain farmer's son who was thrown into the carnage of the Eastern Front. He was in the prime of his youth, and the German Reich was already close to losing the war. In ripe old age, he remembers those dark hours that have haunted him throughout his life. Manning his machine gun in merciless struggles with a superior enemy, or fighting for survival in brutal close combat, reduced to basest instincts. He also remembers the rock-solid comradeship with his mountain troop, the unexpected gestures of humanity, and an insane destructiveness at a time when the world was out of joint. This ruthless, honest, and touching real-life account of a simple frontline soldier serves as a reminder to standup for

peace at all times, and to despise war. Until the eyes shut..."--Amazon.com

The New York Times bestseller Daemon unleashed a terrifying technological vision of an all-powerful, malicious computer program. Now, our world is the Daemon's world—unless someone stops it once and for all... The Daemon is in absolute control, using an expanded network of shadowy operatives to tear apart civilization and build it anew. Even as civil war breaks out in the American Midwest in a wave of nightmarish violence, former detective Pete Sebeck—the Daemon's most powerful, though reluctant, operative—must lead a small band of enlightened humans in a movement designed to protect the new world order. But the private armies of global business are preparing to crush the Daemon once and for all. In a world of shattered loyalties, collapsing societies, and seemingly endless betrayal, the only thing worth fighting for may be nothing less than the freedom of all humankind.

Individuality vs. conformity. Identity vs. access. Freedom vs. control. The bar code tattoo. The bar code tattoo. Everybody's getting it. It will make your life easier, they say. It will hook you in. It will become your identity. But what if you say no? What if you don't want to become a code? For Kayla, this one choice changes everything. She becomes an outcast in her high school. Dangerous things happen to her family. There's no option but to run . . . for her life. Individuality vs. conformity..

Finden Sie Wochenmärkte in Ihrer Umgebung und durchstreifen Sie auf Ihrem Smartphone die schönsten Museen. Erledigen Sie Ihre Bankgeschäfte bequem vom Sofa aus und behalten Sie Ihre Depots im Blick. Erstellen Sie Fotobücher, verschicken eigene Fotos als echte Postkarten, planen Sie Ausflüge und Touren mit dem E-Bike. 60 Apps, die Spaß machen und ganz neue Möglichkeiten eröffnen - alle für iPhone und Android.

The staged suicide of a young glamour journalist leads Hamburg police detective Isa Boysen to a mysterious crime case. While her boss wants the case closed asap, she finds evidence for a conspiracy. The journalist had to die because she discovered disturbing facts about an organization which is selling East-European babies in Hamburg.

Jacob Reckless continues to travel the portal in his father's abandoned study. His name has continued to be famous on the other side of the mirror, as a finder of enchanted items and buried secrets. His family and friends, from his brother, Will to the shape-shifting vixen, Fox, are on a collision course as the two worlds become connected. Who is driving these two worlds together and why is he always a step ahead? This new force isn't limiting its influence to just Jacob's efforts -- it has broadened the horizon within MirrorWorld. Jacob, Will and Fox travel east and into the Russian folklore, to the land of the Baba Yaga, pursued by a new type of being that knows our world all too well.

A Survival Guide to Life with Children Ages 2-7

Too much power. Wow. Too much energy. Wow. Too much anticipation. WOW. It's the nationally bestselling memoir from the biggest star in gaming: Dr Disrespect. Dr Disrespect is a 6-foot-8 freak of nature with a 37-inch vertical, the two-time, back-to-back 1993-94 Blockbuster Video Game Champion, and in his factual opinion, the most dominant international gaming superstar in the history of the world. It was just a matter of time before Western civilization came begging Doc to save literature by writing a memoir that reads like a vicious, muscular lion clawing his way through the rocks, roaring in anger and dominance. Here you will find his deepest, most intimate secrets. The untold history of his mysterious, legendary origins and his rise to unparalleled dominance. And most of all, you will find out what, exactly, Doc's a doctor of. Are you ready for a book with the rhythm of a sleazy '70s muscleman and the ruthlessness of a '90s serial killer? A journey that stares down the long, dark alley of your fears and never looks back? Does your warrior's heart yearn to reach the tippity top of the mountain just to realize you're still only halfway up? If so, firm handshakes, Champion: Welcome to the salvation of literature.

Teachers are continually looking for materials that will enhance their studies of cultures around the world. With this new book, author, Tony Fredericks and illustrator, Bongaman, present

readers theatre scripts based on traditional African folklore. Plays are organized by area and identified by country. Included are tales from Algeria to Zambia and all areas in between. This title contains background information for teachers on each African country included as well as instruction and presentation suggestions. The rationale and role of readers theatre in literacy instruction is discussed and additional resources for extending studies of African folklore are included. Grades 4-8.

INSTANT NEW YORK TIMES and LOS ANGELES TIMES BESTSELLER “Brilliant... riveting, scary, cogent, and cleverly argued.”—Beth Macy, author of *Dopesick* As heard on *Fresh Air* This book is about pleasure. It’s also about pain. Most important, it’s about how to find the delicate balance between the two, and why now more than ever finding balance is essential. We’re living in a time of unprecedented access to high-reward, high-dopamine stimuli: drugs, food, news, gambling, shopping, gaming, texting, sexting, Facebooking, Instagramming, YouTubing, tweeting... The increased numbers, variety, and potency is staggering. The smartphone is the modern-day hypodermic needle, delivering digital dopamine 24/7 for a wired generation. As such we’ve all become vulnerable to compulsive overconsumption. In *Dopamine Nation*, Dr. Anna Lembke, psychiatrist and author, explores the exciting new scientific discoveries that explain why the relentless pursuit of pleasure leads to pain...and what to do about it. Condensing complex neuroscience into easy-to-understand metaphors, Lembke illustrates how finding contentment and connectedness means keeping dopamine in check. The lived experiences of her patients are the gripping fabric of her narrative. Their riveting stories of suffering and redemption give us all hope for managing our consumption and transforming our lives. In essence, *Dopamine Nation* shows that the secret to finding balance is combining the science of desire with the wisdom of recovery.

In *Team Topologies* DevOps consultants Matthew Skelton and Manuel Pais share secrets of successful team patterns and interactions to help readers choose and evolve the right team patterns for their organization, making sure to keep the software healthy and optimize value streams. *Team Topologies* will help readers discover:

- Team patterns used by successful organizations.
