

## Horus Heresy Book 6 Retribution

An anthology of Horus Heresy tales written by some of Black Library's bestselling authors. The galaxy burns at Horus's command, and a billion more lives are lost with each passing moment – though it was not always so. Once, the title of Warmaster stood for honour, loyalty and a fierce pride in the strength of the Space Marine Legions. But perhaps by following the myriad lines of destiny and defiance that were already woven around the primarchs and their sons, we may yet come to understand the bitterness that can eat away at even the most steadfast of souls... This Horus Heresy anthology contains fifteen short stories by authors including Graham McNeill, Nick Kyme, Gav Thorpe, Chris Wraight and many more. It also includes Aaron Dembski-Bowden's acclaimed novella Aurelian.

With Imperium Secundus a failed dream, the primarchs of the Triumvirate swear to reach Terra and defend the Imperium's heart. But danger awaits them, and their destinies are in their hands... Imperium Secundus lies revealed as a heretical folly. Terra has not fallen, though it remains inaccessible. Sanguinius, Guilliman and the Lion El'Johnson, the primarchs of the Triumvirate, must reach Terra at all costs. They seek to defend the Emperor, and to atone for their sins. But the Ruinstorm, a galaxy-wide maelstrom of chaos, hides the Throneworld from the primarchs. Now the fleets of three Legions depart Macragge, and the primarchs will stop at nothing to overcome the Ruinstorm. Yet an insidious enemy watches their every move, and plots against the weaknesses of the errant sons of the Emperor. Each has his own inner storm, and each marches towards his own ruin.

Book 7 in the global best-selling series from Black Library, The Horus Heresy: Siege of Terra. The walls have fallen. The defenders' unity is broken. The Inner Palace lies in ruins. The Warmaster's horde advances through the fire and ash of Terra's dying breaths, forcing the loyalists back to the Delphic Battlement, the very walls of the Sanctum Imperialis. Angron, Herald of Horus, has achieved immortality through annihilation – now he leads the armies of the damned in a wrathful tide, destroying all before them as the warp begins its poisonous corruption of Terra. For the Emperor's beleaguered forces, the end has come. The Khan lies on the edge of death. Rogal Dorn is encircled, fighting his own war at Bhab Bastion. Guilliman will not reach Terra in time. Without his brothers, Sanguinius – the Angel of the Ninth Legion – waits on the final battlements, hoping to rally a desperate band of defenders and refugees for one last stand.
