medical economics - how to
establish and maintain a
medical practice

I met Bob Doroghazi when he

Where To Download
Hospitalists A Guide To
Building And Sustaining A
dropped the first draft of
his manuscript of The American
Physician's Guide to
Investing: A Practical
Approach to Building Wealth
at my office. I will have to
admit I was a bit skeptical:
a physician writing a book

Where To Download
Hospitalists A Guide To
Building And Sustaining A
Successful Program American
College Of Healthcare
Executives

on investments? During that first meeting with Bob, it became evident that he had been a successful physician and a successful investor, so I agreed to take a look at the book. I was in for a pleasant surprise. Bob's

Where To Download
Hospitalists A Guide To
Building And Sustaining A
manuscript was easy to read
and had specific advice
useful to physicians,
interspersed with lots of
practical tidbits for any
investor. Having written
three college-level finance
and investment texts, I was

Where To Download
Hospitalists A Guide To
Building And Sustaining A
excited to be in on a
Successful Program American
College Of Healthcare
Executive
practical investment advice
to a more general, yet
specialized, audience. I had
high expectations for the
book and am pleased to say
that I believe Bob has

Where To Download
Hospitalists A Guide To
Building And Sustaining A
Successful Program American
College Of Healthcare
Executives

delivered a book that every
physician interested in
building wealth and
protecting assets should
read. Bob is a straight
shooter; he tells it like he
sees it in his book. Some
doctors might be indignant

Where To Download
Hospitalists A Guide To
Building And Sustaining A
Successful Program American
College Of Healthcare
Executives

on reading his statements,
such as "Physicians
sometimes have no idea of
their limitations. This type
of arrogance and ego can
result in investing
disaster." However, if you
do have these limitations

Where To Download
Hospitalists A Guide To
Building And Sustaining A
(and most professionals,
even college professors,
do), then reading Bob's book
will help you recognize
situations in which they can
lead to poor investment
decisions.
