A teenage boy uncovers a horrific family secret. A widower seeks vengeance on the creatures that killed his wife. A drug addled writer stalks the woman of his dreams, a woman much more sinister than she appears. A federal agent races to find the cursed relic powering this city full of spooks, spirits, and serial killers. The city was built over the crystalline skull of a bloodthirsty beast. Now, the hunt is on for this lost treasure and whoever finds it first will control the fate not only of Adderlass but of the entire world. Sixteen-year-old Simon Cubbins, young and naive, may be the key to unlocking the mystery buried in this twisted labyrinth of hidden agendas. He also unknowingly harbors a secret that could destroy the Cubbins bloodline. As different characters fight for control over Simon, he will have to decide whether or not to carry on his family's legacy.

Amid a backdrop of Steampunk inventions and a harsh winter landscape, The Beast is a re-imagining of the infamous love between a beauty and a beast. Young Adult Fantasy/Adventure Romance

His hungry predatory eyes never leaving her, waiting silently for her to wander steadily closer to where he crouches unseen. Restlessness stirs the air just as the Beast strikes. Snatching the unsuspecting quarry clear off the ground with a blur of movement, abducting her to his secret layer deep in the dark forbidding forest. But her freedom is short lived. The Beast pounces easily recapturing her. Primal urges heightened, he is scarcely inside the concealing darkness of the dank cavern before he forces her down to the floor of the den. Structophis is a heartwarming YA adventure from the author of The Book of Deacon, Bypass Gemini, and Free-Wrench. It is based upon a concept and artwork by ProjectENDO. In a small town in Colorado, Markus Spiros was just getting his life on track. By day he worked as a veterinary tech, by night he took classes. His steady little routine was rolling along nicely when his impulsive Uncle Dimitrios threw a wrench in the works. Thanks to an unannounced trip, Markus had to swing by his uncle's bistro to tend to the 'special oven.' When he arrived, he discovered it wasn't the oven that was special, it was the rare and exotic egg that had been incubating inside it. And now it had hatched. Suddenly, Markus found his life had become a good deal more complicated. The creature was a Structophis Gastrignae—a strange creature that was equal parts dragon and oven—and she'd become quite a big girl. Large as a refrigerator and curious as a toddler, the creature he'd dubbed Blodgette would have been a handful in any situation. Markus had bigger problems than figuring out how to take care of her, though. Owning such a rare and special beast was illegal, so should the cops learn of it, Markus would be destined for jail. Worse, there were certain unscrupulous people who would do anything to acquire Blodgette. Now, with the help of his old classmate Gale, Markus must scramble to stay two steps ahead of the authorities and a corrupt CEO, all while being the best 'mommy' he can be to his brand-new pizza dragon.

I warned her I wasn't the man for her. Now she'll learn what happens when you tempt an animal. I left my past behind me. I ran. I didn't slow down, and I didn't look back. I couldn't outrun the memories—or escape the nightmares. I came to North Carolina to be alone. Which would have been fine, if she wasn't here. Hayden Graham claims to want the same thing I do—to be left alone. But the woman stumbles into one mess after another. This time the mess she's in puts her life in danger. She's waiting for a Prince to save her. I'm no Prince. I'm just a wounded animal. A Beast. Her lips, soft, lush, sweet...they call to me. She tastes like Heaven. She only adds to my Hell. She makes me want things that I can't have. Things I don't deserve. Hayden just might be the one to finish destroying me. Love isn't always pretty. Sometimes it's dirty. Standalone Romance.
