This is a wonderful, rich, and deeply emotional novel about a young English ladies’ maid who falls in love with the son of her mistress, when an enemy betrays her and causes her expulsion from the household. With no options left, she decides to ship out to the US and become a mail order bride, where nothing in her short life prepares her for what happens next.

Thank you ... Muchas gracias ... Tusen tak ... Merci beaucoup. No matter what language you speak you can own and operate a Rent-A-Maid business. The boundaries of how large or how many areas in which you operate are only in your dreams. WHAT YOU THINK YOU BECOME! Always think positive thoughts; your thoughts control you right down to your next step. Never give up. Take a vacation yes, but remember you need to get back up some day. The sooner the better: get started and get back to work. It may sound like I am writing this to myself, and I am. I closed my Rent-A-Maid office in Oklahoma City in the fall of 1997. I enjoyed running Rent-A-Maid; it was fun, exciting, challenging and sometimes it was a heartbreaking job, but it was easy. So, ten years later, I'm starting again. I'm a strong believer in God, the Holy Spirit and Jesus. I believe that those who believe in him succeed in ways that the secular world would not believe. If you are a believer, that was the biggest step that you have ever made. No one is perfect, but we can strive in that direction. Your next big step is to make up your mind that you're going to do this. As Napoleon Hill once said, "Do it now". Please understand my friend, that where you find yourself tomorrow is a function of the positive decisions and actions you take today. Opportunities are like sunrises - if you wait too long, you miss them. Progress always involves risks. You can ?t steal second base and keep your foot on first. To solve any problem, here are three questions to keep in mind. First, what could I do? Second, what could I READ? And third, who could I ask? Don ?t wish it were easier, wish you were better. Take advantage of every opportunity. The wonderful thing about the game of life is that winning and losing are only temporary...unless you quit. Only through experience of trial and suffering can the soul be strengthened, vision cleared, ambition inspired, and success achieved. TABLE OF CONTENTS 1. This book is written in faith 2. Start a house cleaning business with this step-by-step guide and be up and running in one week. Back in the olden days before the internet was really popular and you could Google search anything, there was trial and error. If you wanted to start a house cleaning business from scratch you could, but it was rarely an overnight success for anybody. Big success was tossed to the cleaning service franchisees who could afford the fancy training, and well-built brands, while the mom and pop cleaning services were left to figure it out on their own. Good news - times have changed. As an independent house cleaner, you no longer have to wade through endless Pinterest boards for tips and ideas on how to start a house cleaning business. Angela Brown built from scratch one of the most successful independently owned and operated house cleaning companies in the Southeastern United States. If you are serious about success in the cleaning service industry, you should sign up for her free tips, tricks and time saving hacks by joining the Savvy Cleaner email list at: savvycleaner.com/tips and you follow her blog at: AskaHouseCleaner.com She has trained a multitude of independent house cleaners how to take their business from day one through expansion and enormous growth. In this step-by-step guide she'll show you: How to set up your home office What office supplies you are going to need Ideas for your company logo How to choose your company name How to choose a uniform Tips on creating your company image and brand How to set your rules and policies How to choose a territory Everything you need to know about creating flyers, worksheets and why you need them. How to bid jobs, what to charge, What kind of car you need, Confidence builders & how to build instant credentials, Bonding, insurance The magic of the Mulligan, How to get an endless stream of referrals, how much you should pay for referral fees, How to never have any billing and collections, and how to always get paid and on time. (There is a reason they call Angela Brown "The House Cleaning Guru.") If you're here because you have an interest in house cleaning or in upgrading your life and you want to start a house cleaning business, welcome. House cleaning business is a 49 billion dollar a year industry that is nearly recession proof - when times get hard, people work more hours to pay the bills, they have less time at home to clean, so they outsource their cleaning - which means more business for you and me. Another awesome reason to start a house cleaning business is this: unlike a regular 9 to 5 job if you get fired, you're not out of work. You simply add another customer into your new available time slot and keep going. And you will learn here how to do such an amazing job, that you will never get fired, and your clients will never want you to leave. Franchise or Start a house cleaning business? "I have always had faith that the best writers will rise to the top, like cream, sooner or later, and will become exactly as well-known as they should be-their work talked about, quoted, taught, performed, filmed, set to music, anthologized. Perhaps, with the present collection, Lucia Berlin will begin to gain the attention she deserves." -Lydia Davis
A MANUAL FOR CLEANING WOMEN compiles the best work of the legendary short-story writer Lucia Berlin. With the grit of Raymond Carver, the humor of Grace Paley, and a blend of wit and melancholy all her own, Berlin crafts miracles from the everyday, uncovering moments of grace in the Laundromats and halfway houses of the American Southwest, in the homes of the Bay Area upper class, among switchboard operators and struggling mothers, hitchhikers and bad Christians. Readers will revel in this remarkable collection from a master of the form and wonder how they'd ever overlooked her in the first place.
