

How To Be Good Nick Hornby

Nick of Time is the first young reader's book written by bestselling author Ted Bell – a wondrous tale of time travel, adventure, and riches, in which twelve-year-old Nick McIver sets out to become "the hero of his own life." The setting is England, 1939, on the eve of war. Nick and his younger sister, Kate, live in a lighthouse on the smallest of the Channel Islands. Nick and Kate come to the aid of their father who is engaged in a desperate war of espionage with German U-boat wolf packs that are circling the islands. The information they provide to Winston Churchill is vital as he tries to warn England of the imminent Nazi invasion. One day Nick discovers an old sea chest, left for him by his ancestor, Captain Nicholas McIver of the Royal Navy. Inside, he finds a time machine and a desperate plea for help from the captain. He uses the machine to return to the year 1805. Captain McIver and, indeed, Admiral Nelson's entire fleet are threatened by the treachery of the French and the mutinous Captain Billy Blood. Nick must reach deep inside, using his wits, courage, and daring to rescue the imperiled British sailors. His sister, Kate, meanwhile, has enlisted the aid of two of England's most brilliant "scientific detectives," Lord Hawke and Commander Hobbes, to thwart the invading Nazis. She and Nick must face England's underwater enemies, a challenge made all the more difficult when they discover the existence of Germany's secretest submarine. In this striking adventure for readers of all ages, Nick must fight ruthless enemies across two different centuries, on land and sea, to help defeat those determined to destroy his home and his family.

A humorous and rousing set of literal and figurative sojourns as well as a mission statement about comprehending, protecting, and truly experiencing the outdoors, fueled by three journeys undertaken by actor, humorist, and New York Times bestselling author Nick Offerman Nick Offerman has always felt a particular affection for the Land of the Free—not just for the people and their purported ideals but to the actual land itself: the bedrock, the topsoil, and everything in between that generates the health of your local watersheds. In his new book, Nick takes a humorous, inspiring, and elucidating trip to America's trails, farms, and frontier to examine the people who inhabit the land, what that has meant to them and us, and to the land itself, both historically and currently. In 2018, Wendell Berry posed a question to Nick, a query that planted the seed of this book, sending Nick on two memorable journeys with pals—a hiking trip to Glacier National Park with his friends Jeff Tweedy and George Saunders, as well as an extended visit to his friend James Rebanks, the author of *The Shepherd's Life* and *English Pastoral*. He followed that up with an excursion that could only have come about in 2020—Nick and his wife, Megan Mullally, bought an Airstream trailer to drive across (several of) the United States. These three quests inspired some “deep-ish” thinking from Nick, about the history and philosophy of our relationship with nature in our national parks, in our farming, and in our backyards; what we mean when we talk about conservation; and the importance of outdoor recreation, all subjects very close to Nick's heart. With witty, heartwarming stories and a keen insight into the human problems we all confront, this is both a ramble through and celebration of the land we all love.

New York Times Bestseller Get ready to defy the odds when everyone's counting you out. When the Philadelphia Eagles starting quarterback went down with a tom ACL in week 14 of the 2017 NFL season, many fans and commentators assumed the Eagles season was over. Instead, Nick Foles came off the bench and, against all odds, led the Eagles to their first Super Bowl victory in history. How did Nick get it downwinning MVP honors, silencing the critics, and shaking the world? How did the man who was on the verge of retiring just two seasons earlier stay optimistic and rally the team to an astounding win? How did he stay steady despite numerous trades and discouraging injuries, able to step up in the moment and perform at the top of his game? Believe It Offers a behind-the-scenes look at Nick's unlikely path to the Super Bowl, the obstacles that threatened to hold him back, his rediscovery of his love for the game, and the faith that grounded him through it all. Learn from the way Nick handled the trials and tribulations that made him into the man he is today and discover a path to your own success.

How Will You Measure Your Life? (Harvard Business Review Classics)
Light on Snow
Nick of Time
THE GREAT GATSBY

Told in two voices, Nick, a sometimes artist who steals cars to support his aunt, and June, who has been hiding her symptoms of schizophrenia, run away together.

The world has fallen in love with Nick Gautier and the Dark-Hunters. Now Nick's saga continues in the next eagerly anticipated volume... Go to school. Get good grades. Stay out of trouble. That's the mandate for most kids. But Nick Gautier isn't the average teenager. He's a boy with a destiny not even he fully understands. And his first mandate is to stay alive while everyone, even his own father, tries to kill him. He's learned to annihilate zombies and raise the dead, divination and clairvoyance, so why is learning to drive and keep a girlfriend so dang hard? But that isn't the primary skill he has to master. Survival is. And in order to survive, his next lesson makes all the others pale in comparison. He is on the brink of becoming either the greatest hero mankind has ever known. Or he'll be the one who ends the world. With enemies new and old gathering forces, he will have to call on every part of himself to fight or he'll lose everyone he cares about. Even himself.

*The only authorized edition of the twentieth-century classic, featuring F. Scott Fitzgerald's final revisions, a foreword by his granddaughter, and a new introduction by National Book Award winner Jesmyn Ward. Nominated as one of America's best-loved novels by PBS's The Great American Read. The Great Gatsby, F. Scott Fitzgerald's third book, stands as the supreme achievement of his career. First published in 1925, this quintessential novel of the Jazz Age has been acclaimed by generations of readers. The story of the mysteriously wealthy Jay Gatsby and his love for the beautiful Daisy Buchanan, of lavish parties on Long Island at a time when The New York Times noted "gin was the national drink and sex the national obsession," it is an exquisitely crafted tale of America in the 1920s. The Great Gatsby is a 1925 novel written by American author F. Scott Fitzgerald that follows a cast of characters living in the fictional towns of West Egg and East Egg on prosperous Long Island in the summer of 1922. Many literary critics consider *The Great Gatsby* to be one of the greatest novels ever written. The story of the book primarily concerns the young and mysterious millionaire Jay Gatsby and his quixotic passion and obsession to reunite with his ex-lover, the beautiful former debutante Daisy Buchanan. Considered to be Fitzgerald's magnum opus, *The Great Gatsby* explores themes of decadence, idealism, resistance to change, social upheaval and excess, creating a portrait of the Roaring Twenties that has been described as a cautionary[a] tale regarding the American Dream. "The Great Gatsby" is a 1925 novel written by American author Francis Scott Fitzgerald (1896–1940) that follows a cast of characters living in the fictional town of West Egg on prosperous Long Island in the summer of 1922. The story primarily concerns the young and mysterious millionaire Jay Gatsby and his quixotic passion and obsession for the beautiful former debutante Daisy Buchanan. Considered to be Fitzgerald's magnum opus, *The Great Gatsby* explores themes of decadence, idealism, resistance to change, social upheaval, and excess, creating a portrait of the Jazz Age or the Roaring Twenties that has been described as a cautionary tale regarding the American Dream.*

In the new edge-of-your-seat adventures from national bestselling author Nick Petrie, Peter Ash pursues one case—and stumbles into another—in the City of the Blues. Iraq war veteran Peter Ash is restless in the home he shares with June Cassidy in Washington State. June knows Peter needs to be on the move, so she sends him to Memphis to help her friend Wanda Wyatt, a photographer and war correspondent who's been receiving peculiar threats. When Peter arrives in Memphis, however, he finds the situation has gone downhill fast—someone has just driven a dump truck into Wanda's living room. But neither Wanda nor Peter can figure out why. At the same time, a young homeless street musician finds himself roped into a plan to rob a jewelry store. The heist doesn't go as planned, and the young man finds himself holding a sack full of Rolexes and running for his life. When his getaway car breaks down, he steals a new one at gunpoint—Peter's 1968 green Chevrolet pickup truck. Peter likes the skinny kid's smarts and attitude, but he soon discovers that the desperate musician is in far worse trouble than he knows. And Wanda's troubles are only beginning. Peter finds himself stuck between Memphis gangsters—looking for Rolexes and revenge—and a Mississippi ex-con and his hog-butcher brother looking for a valuable piece of family history that goes all the way back to the Civil War.

My Journey of Success, Failure, and Overcoming the Odds

"If he hadn't needed the cash so badly, Nick Stone would never have messed with the Russian mafia. But the lucrative offer was one he couldn't refuse. The job seemed simple enough for a man of his particular talents: kidnap a ruthless, money-laundering mob boss from his fortified Helsinki hotel room and deliver him to St. Petersburg. But as the plan begins to unfold, Stone soon realizes that by no means has he been told the full story. Catapulted into the bleak underworld of the former Soviet republic of Estonia, where unknown aggressors stalk the arctic landscape, Stone finds that the mob may now turn out to be the least of his problems. Russia has embarked on a new Cold War offensive -- hacking into the West's computer systems and stealing their most coveted military secrets. As one bloody double cross leads to another, Stone finds himself caught between the suicidal schemes of the British and American intelligence agencies and the ruthless Russians who want to silence him."

This well-received novel from a cast of acclaimed authors is now available in paperback!A video message from a dead person. A larcenous soldier. A man who can stick his left toe behind his head and in his ear. An epileptic girl seeking answers in a fairy tale. A boy who loses everything in World War II, and his brother who loses even more. And a family with a secret so big that it changes everything.The world's best beloved authors each contribute a chapter in the life of the mysterious George "Gez" Keane, photographer, soldier, adventurer, and enigma. Under different pens, a heading portrait emerges of a man, his family, and his gloriously complicated tangle of a life.

A critically acclaimed novelist pulls Nick Carraway out of the shadows and into the spotlight in this "masterful" look into his life before Gatsby (Richard Russo, Pulitzer Prize-winning author of Empire Falls and Chances Are). Before Nick Carraway moved to West Egg and into Gatsby's periphery, he was at the center of a very different story—one taking place along the trenches and deep within the tunnels of World I. Floundering in the wake of the destruction he witnessed firsthand, Nick delays his return home, hoping to escape the questions he cannot answer about the horrors of war. Instead, he embarks on a transcontinental redemptive journey that takes him from a whirlwind Paris romance-doomed from the very beginning-to the dizzying frenzy of New Orleans, life with its own flavor of debauchery and violence. An epic portrait of a truly singular era and a sweeping, romantic story of self-discovery, this rich and imaginative novel breathes new life into a character that many know but few have pondered deeply. Charged with enough alcohol, heartbreak, and profound yearning to paralyze even the heartiest of golden age scribes, Nick reveals the man behind the narrator who has captivated readers for decades.

Now in mass-market paperback from the national bestselling author of *The Troop*—which Stephen King raved "scared the hell out of me and I couldn't put it down....old-school horror at its best"—an utterly terrifying novel that pits the mysteries of *The Abyss* against the horrors of *The Shining*. A strange plague called the 'Gets is decimating humanity on a global scale. It causes people to forget—*sm*all things at first, like where they left their keys...then the not-so-small things like how to drive, or the letters of the alphabet. Then their bodies forget how to function involuntarily...and there is no cure. But now, far below the surface of the Pacific Ocean, deep in the Mariana Trench, an heretofore unknown substance hailed as "ambrosia"—a universal healer, from initial reports—has been discovered. It may just be the key to eradicating the 'Gets. In order to study this phenomenon, a special research lab, the Trieste, has been built eight miles under the sea's surface. But when the station goes uncommunicado, a brave few descend through the lightless fathoms in hopes of unraveling the mysteries lurking at those crushing depths...and perhaps to encounter an evil blacker than anything one could possibly imagine. "Fans of unflinching bleakness and all-out horror will love this novel....Each new shock is freshly disturbing" (Publishers Weekly, starred review).

It's time to go back to basics! If you're interested in art, but find that it's becoming an increasingly expensive hobby, The Organic Artist is just the book for you! The Organic Artist encourages you to return to those days when art was made with all-natural materials, like charcoal and birch bark. Immersing you in the natural world, The Organic Artist seeks to inspire creativity by connecting you to your organic roots. In addition to offering a wide variety of suggestions for using nature as supplies for art, this book also introduces the concepts of awareness and perception that are foundational to the creative process. Readers will refine drawing skills, as well as increase their appreciation for the visual arts and the natural landscape. Some of the projects and skills covered include the following: making paper and wild ink, working with soapstone, clay, wood, and rawhide, printmaking and stenciling, natural pigments and dyes, camouflage and body painting, and nature journaling.

The Good Life Crisis

Whisper to Me

"[A] charming, funny, touching, and relevant comedy." —*The Boston Globe*
"A provocative yet sweet romantic comedy." —*People*.
Best of Fall 2020 This warm, wise, highly entertaining twenty-first century love story is about what happens when the person who makes you happiest is someone you never expected Lucy used to handle her adult romantic life according to the script she'd been handed. She met a guy just like herself: same age, same background, same hopes and dreams; they got married and started a family. Too bad he made her miserable. Now, two decades later, she's a nearly divorced, forty-one-year-old schoolteacher with two school-aged sons, and there is no script anymore. So when she meets Joseph, she isn't exactly looking for love—she's more in the market for a babysitter. Joseph is twenty-two, living at home with his mother, and working several jobs, including the butcher counter where he and Lucy meet. It's not a match anyone could have predicted. He's of a different class, a different culture, and a different generation. But sometimes it turns out that the person who can make you happiest is the one you least expect, though it can take some maneuvering to see it through. Just Like You is a brilliantly observed, tender, but also brutally funny new novel that gets to the heart of what it means to fall surprisingly and headlong in love with the best possible person—someone you didn't see coming.

Often what passes for love is a product of self-deception and wishful thinking. Genuine love, according to philosopher Caroline J. Simon, must be based on knowledge of reality, and Christianity affirms that reality includes not just who people are but the unfolding story of who God intends them to be. Taking the use of narrative seriously, The Disciplined Heart draws on works of literature to display a Christian understanding of love in its various forms: love of self, love of neighbor, friendship, romantic love, and marital love. Using instances of love and its counterfeits in novels and short stories by such authors as Flannery O'Connor, Leo Tolstoy, George Eliot, and F. Scott Fitzgerald, Simon constructs an account of love's joys and obligations that both charms and instructs. Learned, astute, and elegantly written, The Disciplined Heart is a groundbreaking work at the intersection of theology, philosophy, and literary analysis.

The Good Life Crisis is a project that seeks to find the best answers to the question "What is the Good Life?" After traveling around the world and interviewing hundreds of inspiring people, Nick Shelton has compiled a book based on the best advice he's received. Comprised of humorous stories and practical advice, it provides you a glimpse of how to lead an ideal life in the 21st century.Containing just over 40 chapters, the book provides stories, real-life examples, and practical advice on how each of us can improve our lives and we appreciate each day. Notes from the Reading Life of a Celebrated Author Locked in Battle with Football, Family, and Time Itself

What Does the Bible Say about How to Be Good

How to Be Good

What makes a family? That's what twelve-year-old Nicky Dillon wonders after she and her widowed father discover a wailing abandoned baby in the snow-filled woods near their New Hampshire home. Through the days that follow, the Dillons and an unexpected visitor who soon turns up at their door—a young woman evidently haunted by her own terrible choices—face a thicket of decisions, each seeming to carry equal possibilities of heartbreak and redemption. Writing with all the emotional resonance that has drawn millions of readers around the world to her fiction, Anita Shreve unfolds in *Light on Snow* a tender and surprising novel about love and its consequences.

After two New York Times bestsellers, Nick Offerman—woodworker, actor, comedian, and co-host of NBC's crafting competition series *Making It*—returns with the subject for which he's known best—his incredible real-life woodshop. Nestled among the glitz and glitter of Tinseltown is a testament to American elbow grease and an honest-to-god hard day's work: Offerman Woodshop. Captained by hirsute woodworker, actor, comedian, and writer Nick Offerman, the shop produces not only fine handcrafted furniture, but also fun stuff—kazoes, baseball bats, ukuleles, mustache combs, even cedar-strip canoes. Now Nick and his ragtag crew of champions want to share their experience of working at the Woodshop, tell you all about their passion for the discipline of woodworking, and teach you how to make a handful of their most popular projects along the way. This book takes readers behind the scenes of the woodshop, both inspiring and teaching them to make their own projects and besotting them with the infectious spirit behind the shop and its complement of dusty wood-elves. In these pages you will find a variety of projects for every skill level, with personal, easy-to-follow instructions by the OWS woodworkers themselves; and, what's more, this tutelage is augmented by mouth-watering color photos (Nick calls it "wood porn"). You will also find writings by Nick, offering recipes for both comestibles and mirth, humorous essays, odds to his own woodworking heroes, insights into the ethos of woodworking in modern America, and other assorted tomlology. Whether you've been working in your own shop for years, or if holding this stack of compressed wood pulp is as close as you've ever come to milling lumber, or even if you just love Nick Offerman's brand of bucolic yet worldly wisdom, you'll find *Good Clean Fun* full of useful, illuminating, and entertaining information.

As a wife and philanthropist, she knows what it means to be a "good person" from the bestselling author of *Dickens* and *Prince*. Just Like You, Funny Girl and High Fidelity. A brutally truthful, compassionate novel about the heart, mind, and soul of a woman who, confronted by her husband's sudden and extreme spiritual conversion, is forced to learn "how to be good"—whatever that means, and for better or worse...
Katie Carr is a good person, sort of. For years her husband's been selfish, sarcastic, and underemployed. But now David's changed. He's become a good person, too—really good. He's found a spiritual leader. He has become kind, soft-spoken, and earnest. Katie isn't sure if this is deeply felt conversion, a brain tumor—or David's most brilliantly vicious manipulation yet. Because she's finding it more and more difficult to live with David—and with herself.

In the aftermath of the Haitian earthquake, 15-year-old Shory, a poor gang member from the slums of Site Soleil, is trapped in the rubble of a ruined hospital, and as he grows weaker he has visions and memories of his life of violence, his lost twin sister, and of Toussaint L'Ouverture, who liberated Haiti from French rule in the 1804.

"How often do you begin reading a book that makes you—immediately, urgently, desperately—want to read more books?" (Booklist). Nick Hornby has managed to write just such a book in this hilarious, insightful, and infectious volume. Ten Years in the Tub chronicles Hornby's journey through a decade's worth of books, as related in his wildly popular Believer column "Stuff I've Been Reading." Ten Years in the Tub is a one-of-a-kind, funny, and enlightening book that returns with the subject for which he's known best—his incredible real-life woodshop. Nestled among the glitz and glitter of Tinseltown is a testament to American elbow grease and an honest-to-god hard day's work: Offerman Woodshop. Captained by hirsute woodworker, actor, comedian, and writer Nick Offerman, the shop produces not only fine handcrafted furniture, but also fun stuff—kazoes, baseball bats, ukuleles, mustache combs, even cedar-strip canoes. Chronicles of Nick

How Different Is Good

The definitive biography of singer-songwriter Nick Lowe, best-known for "Cruel to Be Kind" and "(What's So Funny 'Bout) Peace, Love, and Understanding" Described as "Britain's greatest living songwriter," Nick Lowe has made his mark as a pioneer of pub rock, power-pop, and punk rock and as a producer of Elvis Costello, Graham Parker, the Damned, and the Pretenders. He has been a pop star with his bands Brinsley Schwarz and Rockpile, a stepson-in-law to Johnny Cash and June Carter Cash, and is the writer behind hits including "Cruel to Be Kind" and "(What's So Funny 'Bout) Peace, Love, and Understanding." In the past decades, however, he has distinguished himself as an artist who is equally acclaimed for the second act of his career as a tender yet sharp-tongued acoustic balladeer. Biographer Will Birch, who in addition to being a music writer was a drummer and songwriter with the Records, has known Lowe for over forty years and melds Lowe's gift as a witty raconteur with his own authoritative analysis of Lowe's background and the cultural scenes he exemplifies. Lowe's parallel fame as one of the best interviews in the business will contribute to this first look into his life and work--and likely the closest thing fans will get to an autobiography by this notoriously charming cult figure. This is not an authorized biography, but Lowe has given it his spiritual blessing and his management and label are fully on board. Cruel to Be Kind will be the colorful yet serious account of one of the world's most talented and admired musicians.

A brilliant novel from the bestselling author of *High Fidelity*, *About a Boy*, and *A Long Way Down*. Set in 1960's London, *Funny Girl* is a lively account of the adventures of the intrepid young Sophie Straw as she navigates her transformation from provincial ingénue to television starlet amid a constellation of delightful characters. Insightful and humorous, Nick Hornby's latest does what he does best: endears us to a cast of characters who are funny if flawed, and forces us to examine ourselves in the process.

In the spring of 2010, Harvard Business School's graduating class asked HBS professor Clay Christensen to address them—but not on how to apply his principles and thinking to their post-HBS careers. The students wanted to know how to apply his wisdom to their personal lives. He shared with them a set of guidelines that have helped him find meaning in his own life, which led to this now-classic article. Although Christensen's thinking is rooted in his deep religious faith, these are strategies anyone can use. Since 1922, Harvard Business Review has been a leading source of breakthrough ideas in management practice. The Harvard Business Review Classics series now offers you the opportunity to make these seminal pieces a part of your permanent management library. Each highly readable volume contains a groundbreaking idea that continues to shape best practices and inspire countless managers around the world.

'Nick Bryant is brilliant. He has a way of showing you what you've been missing from the whole story whilst never leaving you feeling stupid.' - Emily Maitlis 'Bryant is a genuine rarity, a Brit who understands America' - Washington Post
In *When America Stopped Being Great*, veteran reporter and BBC New York correspondent Nick Bryant reveals how America's decline paved the way for Donald Trump's rise, sowing division and leaving the country vulnerable to its greatest challenge of the modern era. Deftly sifting through almost four decades of American history, from post-Cold War optimism, through the scandal-rwacked nineties and into the new millennium, Bryant unpacks the mistakes of past administrations, from Ronald Reagan's 'celebrity presidency' to Barack Obama's failure to adequately address income and racial inequality. He explains how the historical clues, unseen by many (including the media) paved the way for an outsider to take power and a country to slide towards disaster. As Bryant writes, 'rather than being an aberration, Trump's presidency marked the culmination of so much of what had been going wrong in the United States for decades - economically, racially, politically, culturally, technologically and constitutionally.' A personal elegy for an America lost, unafraid to criticize actors on both sides of the political divide, *When America Stopped Being Great* takes the long view, combining engaging storytelling with recent history to show how the country moved from the optimism of Reagan's 'Morning in America' to the darkness of Trump's 'American Carnage'. It concludes with some of the most dramatic events in recent memory, in an America torn apart by a bitterly polarised election, racial division, the national catastrophe of the coronavirus and the threat to US democracy evidenced by the storming of Capitol Hill.

Give Me One Good Reason is a tale of love, passion, and commitment, but yet there's betrayal, dishonesty, deception, and deceit. It gives you a twisted perception of a certain situation and then explodes into the unthinkable. But just when you think that all hope is gone, as we sometimes feel in life, there's a silver lining. That certain someone or something comes along and makes it all better. We can either accept certain situations, people, and things within our lives or we can let it go. We know that life isn't always as sweet as a bed of roses, but it doesn't have to be a bed of thorns either. Give Me One Good Reason is just that tale of failure to Faith. Life sometimes come with drama and dissatisfaction, but you don't have to deal with that and why would you want to. It's all about being happy and enjoying life to the fullest. Happiness starts with you and you only, other people may come along to enhance that happiness or add to it. Never let anyone determine your happiness, because they can be a part of your life one moment and decide to walk out the next.

A heartbreaking, funny, and honest look inside of a marriage falling apart and the lengths a couple would go to in order to fix it from the bestselling author of *About a Boy* and *High Fidelity* Now an Emmy award winning SundanceTV series starring Rosamund Pike and Chris O'Dowd Tom and Louise meet in a pub before their couple's therapy appointment. Married for years, they thought they had a stable home life—until a recent incident pushed them to the brink. Going to therapy seemed like the perfect solution. But over drinks before their appointment, they begin to wonder: what if marriage is like a computer? What if you take it apart to see what's in there, but then you're left with a million pieces? Unfolding in the minutes before their weekly therapy sessions, the ten-chapter conversation that ensues is witty and moving, forcing them to look at their marriage—and, for the first time in a long time, at each other.

One of America's most successful coaches shares a compelling collection of lessons that he has learned not only about football, but also about life, motivation, leadership, perseverance, and accomplishment.

A famous account of growing up to be a fanatical football supporter. Told through a series of match reports, FEVER PITCH has enjoyed enormous critical and commercial success since it was first published in 1992. It has helped to create a new kind ofsports writing, and established Hornby as one of the finest writers of his generation.

Tear It Down

Now a Hulu TV series starring Zoë Kravitz From the bestselling author of *Funny Girl*, *About a Boy*, and *A Long Way Down*, a wise and hilarious novel about love, heartbreak, and rock and roll. Rob is a pop music junkie who runs his own semi-failing record store. His girlfriend, Laura, has just left him for the guy upstairs, and Rob is both miserable and relieved. After all, could he have spent his life with someone who has a bad record collection? Rob seeks refuge in the company of the offbeat clerks at his store, who endlessly review their top five films; top five Elvis Costello songs; top five episodes of Cheers. Rob tries dating a singer, but maybe it's just that he's always wanted to sleep with someone who has a record contract. Then he sees Laura again. And Rob begins to think that life with kids, marriage, barbecues, and soft rock CDs might not be so bad.

Presents a collection of writings exploring the Nick Adams character who appears in many short stories written by Ernest Hemingway.

A remarkable story of strange beauty and self-discovery from Printz Award winner Nick Lake. Cassie is writing a letter to the boy whose heart she broke. She's trying to explain why. Why she pushed him away. Why her father got so angry when he saw them together. Why she disappears some nights. Why she won't let herself remember what happened that long-ago night on the boardwalk. Why she fell apart so completely. Desperate for his forgiveness, she's telling the whole story of the summer she nearly lost herself. She's hoping that love-love for your family, love for that person who makes your heart beat faster, and love for yourself—can save both of them after all. Awards for: *There Will Be Lies* A Boston Globe Best YA Book of 2015 A Texas TAYSHAS Pick
