It has a real plan that

you can follow today
tomorrow, forever. Let
us face it. You have no
plan of your own. You
have nothing. Nada.
Zero. So take my plan,
please. The is book is
not full of nonsense like,
"Be yourself." It has no
platitudes, like, " you
can succeed, if you
really try." It has no
trash like: "I got to be
me." Which makes me

"Me" is non-success.
"Me is a failure,

Information for your

is based on my ideas,

many idiots do. You

It's never been easier to
become a millionaire
than now. This is
because of many
reasons. 1) Online

business. It's never been easier to create a \$1m+ per year business on the internet2) Social media. It's never been easier to connect with and learn from other

millionaires.3) Inflation. \$1m isn't what it used to be. It's becoming less in terms of real wealth

every year4) Easy money/low interest rates. You only need

File Type PDF How To Be Wealthy Now 108

\$200,000 in cash to
borrow the remaining
\$800,000. 1700 new
millionaires are created
every day in the United
States. This is an
unbelievable statistic
and shows how easy it is
to become a millionaire.
If all these people are
becoming millionaires,
why aren't you? It's
usually down to a few
reasons: 1) No personal

File Type PDF How To Be Wealthy Now 108

brand. No reason for people to purchase your products or services.

Who are you and why should they buy from you? 2) Not enough products/services.

Hoping, wishing and wanting to become a millionaire without products and services that solve people's problems. 3) Not surrounding yourself

with winners/other
millionaires.

Millionaires create
opportunities. In this
book, you'll learn how
I'm financially free from
meeting 1 millionaire
who connected me to
someone else. All 3 of
us are now making
passive income profits
from an opportunity this
millionaire created for
the 3 of us. 4) Not

having systems for your
products and services. If
you're doing all the
work for your products
and services, you're not
able to use leverage.

This means using your
money to buy other
people's time. This gives
you time freedom to
learn more skills and
improve your systems.

This is why the rich get
richer so quickly, they

File Type PDF How To Be Wealthy Now 108

can use leverage to speed up their success.

5) Not investing back into their business. Non-millionaires invest in other people's companies while their business is still in the growth phase. Whatever I put into my business during the growth stage, I'm looking at massive returns. People are looking for safety

File Type PDF How To Be Wealthy Now 108

instead of looking for
freedom. 6) Not
learning enough.

Millionaires spend a lot
of time learning new
information to grow
their businesses. 7)

Focusing on the wrong
things. In this book,
you'll learn what to
focus on to become a
millionaire. You'll learn
how I've become
financially free at 24

years old by focusing on
less than the average

person. I believe that it's

crucially important for

you to become a

millionaire as soon as

possible. Why? 1) Rapid

inflation. \$1m isn't what

it used to be. It's

becoming less and less

every year. Soon you'll

need to be a millionaire

just to have a middle

class quality of life.

File Type PDF How To Be Wealthy Now 108

When I look at my middle class friends, everything's changed.

They used to go on many holidays a year, now they go on 1. They used to go shopping for clothes almost every weekend, now they only go when the sales are on. They used to go out for dinner multiple nights a week, now they go during special

File Type PDF How To Be Wealthy Now 108

occasions. The middle class is dying. How to protect yourself?

Become a millionaire

ASAP.2) Machine learning algorithms.

Machine learning (artificial intelligence) is here. Soon they'll replace a large percentage of the jobs. This will cause massive inequality and a 2 tier system of have's and

File Type PDF How To Be Wealthy Now 108

have not's. The have not's will need to be given a universal basic income. Although living standards will increase, it'll become almost impossible to become rich once machine learning is fully implemented. There isn't much time left. If you're a millionaire before it happens, you can protect yourself and
