Childhood is an exciting time, during which your budding young artist will constantly be seeing new things and having new experiences. One of the most rewarding experiences as a parent is watching your child react to these experiences and learn valuable skills - teaching them to draw is the perfect way to do this. Drawing is a valuable talent for any child. It improves their hand-to-eye co-ordination, which is important for many other disciplines - not just art but also writing and learning to play instruments.

Through drawing, a child begins to understand the world around them. Without even knowing it, they learn about color, form, perspective and
