You don't have to think about your father and the river. Your best friend, who is gone forever. Or your mother, who has nothing left to give you. Every new scar hardens Charlie's heart just a little more, yet it still hurts so much. It hurts enough to not care anymore, which is sometimes what has to happen before you can find your way back from the edge. The #1 bestselling pioneer of "fratire" and a leading evolutionary psychologist team up to create the dating book for guys. Whether they conducted their research in life or in the lab, experts Tucker Max and Dr. Geoffrey Miller have spent the last 20+ years learning what women really want from their men, why they want it, and how men can deliver those qualities. The short answer: become the best version of yourself possible, then show it off. It sounds simple, but it's not. If it were, Tinder would just be the stuff you use to start a fire. Becoming your best self requires honesty, self-awareness, hard work and a little help. Through their website and podcasts, Max and Miller have already helped over one million guys take their first steps toward Ms. Right. They have collected all of their findings in Mate, an evidence-driven, seriously funny playbook that will teach you to become a more sexually attractive and romantically successful man, the right way: No "seduction techniques," No moralizing, No bullshit. Just honest, straightforward talk about the most ethical, effective way to pursue the win-win relationships you want with the women who are best for you. Much of what they've discovered will surprise you, some of it will not, but all of it is important and often misunderstood. So listen up, and stop being stupid!

If you want to play the Game, you've got to know the Rules. In his international bestseller The Game, Neil Strauss delved into the secret world of pick-up artists—men who have created a science out of the art of seduction. Not only did he reveal the techniques that they had developed, but he became a master of The Game, and the world's No. 1 PUA, as Style. Now, in this bestselling companion, Strauss reduces three books of life-changing knowledge into a single-volume set. The first book, The Stylelife Challenge, breaks down the knowledge he learned and techniques he invented into simple step-by-step instructions that anyone can follow to meet and land the women of their dreams. In the second book, Strauss takes readers into the dark side of The Game. The Style Diaries offers a series of tales of seduction and sexual (mis)adventure. From accidentally getting married during a drunken night in Reykjavik, to luring a famous musician's granddaughter into a threesome; to the stress and frustration of the torturous and highly unorthodox "30 Day Sex Experiment," The Style Diaries takes you further into the seduction underworld than ever before. Finally, in the all-new, updated third volume, Strauss collects the greatest, most powerful, field-tested, word-for-word routines. You don't need money, looks, or fame to succeed with women. All you need is an understanding of how attraction works—and this thirty-day workout program for your social skills, which has already guided countless men from frustration to fulfillment.

The Incredible True Story of Two Girls in the Seventeen-Hundreds Who Become the Powers Behind the Thrones of the World's Greatest Empires The fulfillment of an

outrageous prediction seals the fates of two cousins in this true story that begins on a Caribbean sugar plantation and careens wildly towards the thrones of two empires. Innocent Aimée refuses to believe she might ever have to face the intrigue and evil that lurks beneath the exotic beauty and opulence of the Ottoman Empire. Rose mistakenly believes that her marriage to an aristocratic French lieutenant will insure her place in Parisian society. Both will be proven wrong. This first book in Zia Wesley's The Veil and the Crown series tells the beginning of the extraordinary true story of Aimée Dubucq de Rivery and her cousin, Rose Tascher de La Pagerie...both destined to be queens. Publisher's Note: This is an extraordinarily well-researched novel that is true to the period. As such, there is explicit sexual and violent content that, while typical to the era, is most appropriate for adult readers. The Veil and the Crown, in series order: The Stolen Girl The French Sultana "I lingered over and savored the vivid descriptions and found it absorbing, historically interesting, well researched and constantly enticing. It was as if Zia took me by the hand and we followed the heroine through all her adventures. Scheherazade, eat your heart out!" - Lorain Fox Davis, Grammy winner and educator Pitch Like a Girl offers proven techniques to maximize a woman's instinctive strengths and effectiveness in the workplace. Despite steady advancement, part of the reason women still struggle to succeed in business is the discomfort they feel doing anything that feels like self-promotion. That's why Ronna Lichtenberg, corporate veteran turned highly sought-after management consultant, developed a program for women that works with their unique advantages. Starting with recent developments in brain sex research and moving through social stereotypes, Lichtenberg takes a fresh look at how women relate to work and shows them how to use their gifts to get what they want. The book includes easy-to-use tools, tips on managing communication styles, and exercises that have been honed in Lichtenberg's many workshops. Whether giving women pragmatic advice on what to do about that infuriating boss, how to know how much money they should be making (and how to get it), or how to follow up without feeling like a beggar or a stalker, Lichtenberg is real, and really funny at the same time. Her advice ushers in a new world of possibilities for women who are ready for a success that feels right.

Frankel reveals a distinctive set of behaviors--over 130 in all--that women learn in girlhood that ultimately sabotage them as adults.

She teaches you how to eliminate these unconscious mistakes that could be holding you back and offers invaluable coaching tips that can easily be incorporated into your social and business skills. Stop making "nice girl" errors that can become career pitfalls, such as: Mistake #13: Avoiding office politics. If you don't play the game, you can't possibly win. Mistake #21: Multi-tasking. Just because you can do something, doesn't mean you should do it. Mistake #54: Failure to negotiate. Don't equate negotiation with confrontation. Mistake #70: Inappropriate use of social media. Once it's out there, it's hard to put the toothpaste back in the tube. Mistake #82: Asking permission. Children, not adults, ask for approval. Be direct, be confident.

A "profound and soul-nourishing memoir" (Oprah Daily) from an African girl whose near-death experience sparked a lifelong dedication to humanitarian work that helps bring change across the world. When severe drought hit her village in Zimbabwe, Elizabeth Nyamayaro, then only eight, had no idea that this moment of utter devastation would come to define her life's purpose. Unable to move from hunger and malnourishment, she encountered a United Nations aid worker who gave her a bowl of warm porridge and saved her life—a transformative moment that inspired Elizabeth to dedicate herself to giving back to her community, her continent, and the world. In the decades that have followed, Elizabeth has been instrumental in creating change and uplifting the lives of others: by fighting global inequalities, advancing social justice for vulnerable communities, and challenging the status quo to accelerate women's rights around the world. She has served as a senior advisor at the United Nations, where she launched HeForShe, one of the world's largest global solidarity movements for gender equality. In I Am a Girl from Africa, she charts this "journey of perseverance" (Entertainment Weekly) from her small village of Goromonzi to Harare, Zimbabwe; London; New York; and beyond, always grounded by the African concept of ubuntu—"I am because we are"—taught to her by her beloved grandmother. This "victorious" (The New York Times Book Review) memoir brings to vivid life one extraordinary woman's story of persevering through incredible odds and finding her true calling—while delivering an important message of hope, empowerment, community support, and interdependence.

Our mindsets drive the emotions we have, the decisions we make, and the women we attract into our lives. This book outlines the very best dating mindsets I've tested, experienced, and found. The girl isn't just a Hollywood fantasy; attracting beautiful women isn't the sole domain of the super rich, the super hunk, or the outrageously gifted. Attracting and dating beautiful women isn't just about pickup lines, it's about your mindsets, basic human insights, and a little female psychology. This book outlines the FOUR FOUNDATIONS of successful dating: Attraction, Rapport, Leading, and Escalation. ATTRACTION is about tension and her emotional response to you. RAPPORT is about intimacy and her emotional connection with you. LEADING is about challenging your fears and taking action while communicating sincerity through your actions. ESCALATION is about consistently increasing the intensity of your relationship via attraction and rapport so that it goes where ever you want it to go. To learn how to inspire ATTRACTION and RAPPORT in a woman through your actions of LEADING and ESCALATION, you'll create a compelling chemistry between you and her that most men will NEVER achieve. QUESTIONS THIS BOOK ANSWERS: - What's the best way to avoid the "friend zone"? - Why do some women resist guys they're REALLY into? And how can you tell the difference? - How can you remove the fear of rejection when approaching a woman? - What are 5 easy ways to make a woman feel at ease and comfortable with you? - What are 6 powerful ways to prevent yourself from being rejected? - What are 14 ways she is trying to tell you she's into you that most guys miss? - When is the right time to kiss her? - What are 5 things you should do or say when in bed with a woman?! - Etc.
