The story is told of a family that adopted a little boy from a far-away country. He had been raised in an atheist home. One night, his father, in rage and desperation, had killed his mother and siblings right before his eyes. He then turned the gun on himself and committed suicide. The adopting family were Christians and wanted to be very careful about taking the little boy to church. They took him to a children's class and, as they dropped him off with the teacher, they explained that he had no previous education about God. They asked the teacher to be careful not to embarrass him. In kindness, the teacher decided to talk about Jesus using pictures to help the children understand. As she held up the drawing of Jesus, she asked the class the question, "Who knows who this is?" The little boy, in broken English raised his hand and blurted out, "I know Him. He's the man that was holding me when my father killed my family!"

Long ago we humans used a form of communication and sensing that did not involve the brain in any way; rather, it came from a sacred place within our hearts. What good would it do to find this place again? This is a book of remembering. You have always had this place within your heart, and it is still there now. It existed before creation, and it will exist even after the last star shines its brilliant light. At night when you enter your dreams, you leave your mind and enter the sacred space of your heart. But do you remember? Or do you only remember the dream? Why am I telling you about this "something" that is fading from our memories? What good would it do to find this place again in a world where the greatest religion is science and the logic of the mind? Don't I know where emotions and feelings are second-class citizens? Yes, I do. But my teachers have asked me to remind you who you really are. You are more than just a human being, much more. For within your heart is a place, a sacred place, where the world can literally be remade through conscious cocreation. If you really want peace of spirit and if you want to return home, I invite you into the beauty of your own heart. With your permission, I will show you what has been shown to me. I will give you the exact instructions to the pathway into your heart where you and God are intimately one. It is your choice. But I must warn you: Within this experience resides great responsibility. Life knows when a spirit is born to the higher worlds, and life will use you as all the great masters who have ever lived have been used. If you read this book and do the meditation and then expect nothing to change in your life, you may get caught spiritually napping. Once you have entered the light of the great darkness, your life will change -- eventually, you will remember who you really are.

Have you ever been on the receiving end of gross injustices, forced out of your home or country or endured life-threatening events because of misguided political or religious zeal? Are you and your descendants bearing the emotional and physical scars of inhumane brutality? Is it possible, under such circumstances, to simply survive, make sense of life let alone find true happiness, love and forgiveness?

Discover the wonder of a life with God you can't contain. The pages of scripture are full of ordinary people who walked with God as he poured himself out through them to a world in need. What if God never changed? What if he is still speaking to us and longing to work miraculously through us? What if it isn't a matter of more training or effort but simply receiving and releasing everything he already purchased? "Life in the Overflow" invites you to know God intimately as your Daddy in a way that spills out of you naturally. Filled with disarming honesty and fervent expectation, this book mirrors a reflection of who you are, who your God is and what he actually longs to do through "ordinary, messy kids" today!

Live authentically, abundantly, and victoriously as you learn how to embrace God's will for your life. As one of the most sought-after realizations in this world, discovering your purpose is something countless self-help books will claim they can help you do, but they're missing the biggest piece of the puzzle: your relationship with God. If you're ready to wake up, shake up, break away from bondage, dust off the dullness, and discover genuine joy, it's time to take action and allow the Lord to take control of your life. True transformation can only occur when you're receptive to God's will for your life, and past sorrows and mistakes often prohibit you from moving forward and receiving Jesus's forgiveness and grace. But forgiving others-and receiving forgiveness from the Lord-is imperative for experiencing wholeness and freedom. Growing closer to God also requires some internal housecleaning. From chapters on dusting away anything that dulls the true joy of a relationship with God to receiving the living water from Jesus that quenches any thirst for fulfillment, learn how trusting God fully and seeking after His guidance are the real keys to receiving lasting contentment and transformation.

When the Will to Survive Is Pushed to the Limit

A Year to Live

In his new book, Stephen Levine, author of the perennial best-seller Who Dies?, teaches us how to live each moment, each hour, each day mindfully--as if it were all that was left. On his deathbed, Socrates exhorted his followers to practice dying as the highest form of wisdom. Levine decided to live this way himself for a whole year, and now he shares with us how such immediacy radically changes our view of the world and forces us to examine our priorities. Most of us go to extraordinary lengths to ignore, laugh off, or deny the fact that we are going to die, but preparing for death is one of the most rational and rewarding acts of a lifetime. It is an exercise that gives us the opportunity to deal with unfinished business and enter into a new and vibrant relationship with life. Levine provides us with a year-long program of intensely practical strategies and powerful guided meditations to help with this work, so that whenever the ultimate moment does arrive for each of us, we will not feel that it has come too soon.

A general guide to camping including a checklist on what to bring and recipes for cooking on a campfire.

One day I woke up and realized that I had been lost for quite some time. I had got comfortable with how life was treating me. I no longer cared about how I presented myself, stuck between life and death, you know Purgatory. The real me had left long ago and the figure that I saw before me was just a shell that protects me until I could be found again. I had everything a woman could ask for and more yet somehow and somehow I forgot about myself and ended up in the purgatory of living. When I had my epiphany, I discovered some things that I should have seen all along but was too busy allowing life to consume me that I didn't care to pay attention. You know, taking care of kids, husband, family, work, friends and oh yeah, then me if I'm not too tired.... Me! One day I found myself on the outside of the milk carton... Lost, hanging in the purgatory of living. It was the shock of my life yet not a shock for everyone else. Most often others can see what's going on in your life even when you cannot (or you think you do). Don't let that to happen to you or to allow it to continue. You can step out of the purgatory of living and into a new beginning. It could be easier than you think it is. For me... I have some changing to do and the changing can only be done by me for me. I cannot change you or the rest of the world but we can help each other with the process of changing for the better.... TOGETHER! And look who we shall find! (You and me too) Let's begin... how did I lose myself?

In "The Affair is Over Now Go Live Your Life Abundantly," sociologist Dr. Jayne Maugans Swanson offers hope and healing to individuals who have had an affair or been impacted by an affair, including a spouse or partner, a daughter, son or other family member, a friend, to a fellow believer. The focus of this book is on how someone who had an affair or someone who was impacted by an affair needs to reach a point after the affair where the person can go on to live an abundant life, that is, to be who God created the person to be. Someone's success at living an abundant life after an affair can be helped or hindered by others' words and actions, which is a major reason this book is worthwhile for clergy, counselors, coworkers, and correspondents to read as well as for those involved in and impacted by an affair. Living an abundant life after an affair is over happens, explains Dr. Swanson, through a process involving these four steps explored in separate chapters of this book: recognizing, releasing, redeeming, and reconciling. Dr. Swanson draws on her faith, sociological insights, and the Quaker tradition of using queries to help individuals with their journey toward living life abundantly after an affair is over.

Go-go is an upbeat, funky Black popular music from Washington, D.C. with a history as long as that of house or hip-hop. Natalie Hopkinson is the Media and Culture Critic for The Root, with access to clubs, producers, and artists, and is therefore well-placed to tell the story of the music from the 70s to the present. With the regentrification of the District, more of the Black population and the go-go industry have moved to the Maryland suburbs. In Go-Go Live, Hopkinson gives a critical, inside account of the scene and how it survives in a changing city.
