

How To Heal A Broken Heart In 30 Days Ebook

If you're holding this book, it likely means you or someone you love has had a stroke. Dealing with the onslaught of information about stroke can be confusing and overwhelming. And if you happen to be a stroke survivor with newly impaired language skills, it can be especially hard to comprehend everything your doctors, nurses, and specialists are telling you. This book consists of the top 100 questions that survivors and their families ask, with answers from the top physicians and therapists in the country. The questions start out basic but then get more specific to address different areas of recovery. And, for stroke survivors still struggling with reading comprehension, or for family members who are simply too tired to read long passages, there are Takeaway Points at the end of each chapter to help simplify everything. Includes answers to frequently asked questions such as:

- What is a stroke, and who is at risk for one?
- What is the best diet for a stroke

survivor?• How does group therapy compare to individual therapy?• What should a stroke survivor look for in a therapist?• How long will it take to recover, and how can stroke survivors maximize their recovery?• What can someone do to prevent having another stroke?In this book, you'll gain a wealth of information, inspiration, advice, and support as you navigate your journey through stroke recovery.

Breaking up may be hard to do, but with *The Break-up Repair Kit*, breaking up can also be a lot of fun. Packed with activities, inspiration, advice, and even recipes, *The Break-up Repair Kit* is like a wise- and hilarious- girlfriend who can help anyone get over him and get a life. Whether you're the dump-er or the dump-ee in a former relationship, authors Kamins and MacLeod help you get over your broken heart, get it together, and get back in the game. In "The Mourning After" the authors help the heartbroken deny denial and indulge in how sad and mad breaking up can be. They give readers permission to cry themselves a river. Readers learn how to nurture and take care of themselves after a break-up with "Fatigue Fighters"- activities that help fight off depression such as eating well and often, moving that

beautiful body, and sleeping the sleep of the innocent. Readers also follow recipes that mend the broken heart, including making the perfect pretzel and cleansing the entire body with a homemade pumpkin scrub. "Rebuild Your Life" is all about getting ready to leave the house again and taking yourself on a date. Eating alone at a nice restaurant is actually pleasant. "Back in the Saddle" helps readers identify rebound relationships and explore their idea of Mr. Perfect as they look forward to dating again. A "When You Know You're Ready" checklist helps readers find out whether they're ready to start dating. And when they do get back in the saddle, readers learn the power-and fun-of dating themselves while dating him. For teenagers to recent divorcees, The Break-Up Repair Kit offers timeless advice on how to build a life that is powerful, beautiful, independent -- and attractive to the Next Guy.

information that any patient can follow and implement. I highly recommend this book for anyone interested in getting their life back fast after an injury." Anita Mascarinia Occupational Therapist. On Divorce, the Break Up, and a Broken Heart Originally published in 1987, and continuously in print since then, Coming Apart has been an important resource for hundreds of thousands of readers experiencing painful breakups. Whether going through a divorce, separation, or break up, bestselling author, Daphne Rose Kingma, offers the tools and validation needed to move forward. Bad breakups and stressful situations. Love is great; a broken heart, not so much. Usually accompanied by insomnia, loss of appetite, and depression, the end of a relationship is a hard time for anyone. Getting over a break up requires grit and understanding. This breakup first aid kit helps you get through heartbreak without falling apart and with your self-esteem intact. Uncoupling and understanding. While only time can heal wounds, understanding what transpired in each of our relationships is what allows us to finally let go and move on. With a refreshing perspective on relationships, Coming Apart helps us understand that all relationships come with lessons to be learned. So, rather than obsess over your ex, explore the critical facets of relationship breakdowns: • Why we choose who we choose • What relationships are really about • The life span of love • How to get through the end • A personal workbook to process and move forward With a foreword by the author of Conscious Uncoupling, Katherine Woodward Thomas, this new edition is sure to impress fans of, How to Survive the Loss of a Love, Getting Past Your Breakup, The Breakup Bible, Uncoupling, and other divorce books for women. First off, I'm very sorry that you have an interest in this topic. I suspect that either you or someone that you know has broken a bone. This is the kind of thing that seems to bedevil children but it turns out that it can strike any of us at any age. I suspect that by this point in life you already know

Online Library How To Heal A Broken Heart In 30 Days Ebook

how to deal with having a cold, the flu, or a stomach ache. However, there is a very good chance that nobody ever told you how to deal with breaking a bone. That is exactly why this book was written. It turns out that your life is going to be turned upside down for a while and I want to make sure that you know what is coming and help you to prepare to deal with it. What You'll Find Inside: RECOVERING FROM SURGERY Crutches vs Wheelchair What Happens While You Heal: The 90-Day Plan Emotional Issues Your recovery after your surgery is going to be in your hands. Nobody else's. Your family and friends who have been so supportive so far, are going to be getting a little tired of having to do things for you. You need to realize this and start to both take on more tasks and start to plan how you are going to manage your recovery. Life after the surgery for me was very similar to life before the surgery, but there was just a lot more to it. Now that I had had my broke bone repaired I found myself needing my leg immobilizer much more because I didn't want to somehow step wrong or fall over and once again screw up my already broken leg. During your recovery time, your life is going to be more complicated and you are going to have to make adjustments to accomplish things that you used to be able to do without thinking about them. Dealing with issues like this is exactly why this book was created. When I broke my leg, I had no idea what I was in for. As I went through the process of healing my bones, learning to walk again, and then regaining the mobility that I had had before the accident, I learned a lot. I was not shy and I asked all of the questions that you will soon be asking. The good news for you is that I remember what I was told and all of that information has been included in this book. No, the book is not going to help your leg heal, but it will tell you what to expect and when to expect it. Knowledge is power and by reading this book you'll be able to take control over your recovery process.

Online Library How To Heal A Broken Heart In 30 Days Ebook

This is a guidebook to help anyone who needs to heal emotional wounds, but isn't sure how, or where, to start. A broken heart is one of the most difficult things a person can endure in their lifetime. When a hurricane rips through our house, we file a claim with insurance and build a new one. When we get laid off from our job, we find another one. Both of these instances are devastating, yet we seem to be able to pick up the pieces and move on. However, when our lover leaves us we can't eat, we can't sleep, we can't function as human beings any longer. We feel as if our souls have been ripped from our bodies. We are walking around like an empty bag of bones. Some of us do this for years in and years out. We just don't know what to do. How do you heal your broken heart?

Ten Ways to Heal from a Broken Heart God's Way

Wounded Angels

40 Years to Heal a Broken Child

Heal Your Broken Heart and Move On

Bruised But Not Broken

The void of an absent father breaks a child's emotional psyche sending the adolescent into a seemingly never-ending battle of acceptance, and identity issues which ultimately land him in a world of race, insecurities, and low self-esteem. That world leads him to crack cocaine and ultimately prison. That broken psyche stunts the growth of a young boy who desperately needs a father's love and strength that father simply never shows up. The child grows into adulthood and a life of crime where he is ultimately sentenced to prison for a crime he didn't commit. It takes six years before he can re-enter society. The child desperately tries to put back the

Online Library How To Heal A Broken Heart In 30 Days Ebook

pieces to his broken life and shattered psyche but only masks his pain with a false ego and machismo. Surrounded by those who love him he feels isolated and still longs for the comfort of a father. Searching for any sort of normalcy it comes to him in the form of a college education and a family he can call his own and the ability to be the father figure that had eluded him his entire life. He finds a peace knowing his children will never understand what it feels like to long for a father. The child breaks through and puts the man back together piece by piece.

The messages about attention and compassion to help heal when life's unexpected events occur are expressed in this simple story of, "How to Heal a Broken Heart". Dr. DiRe' practices these gentle ways in her active clinical practice in Scottsdale, Arizona.

Love comes from different angles, making it difficult to identify its purpose. No-one anticipates love would become painful, abusive, and uncontrollable. This book is based on a true story, which tells how love feels when your heart has been broken. Most people get into their emotions and give up on healing, but the answer is not running. For a heart to heal one must face the hurt head-on, not leaving one relationship in the hands of another. Giving up is the easy way out, think for a moment how would it be if you walk the road of healing? Many have escaped the situation the best they knew how now you will have no excuse to know how to heal after a broken heart. This book will equip you with the tools necessary to understand, take ownership, and face reality, by using the 8 steps to healing after a broken heart. Each step has been researched and evaluated to meet the pain which comes after a broken heart. If necessary, skip through the chapters to connect with your situation, then return to the previous chapters to gain insight on helpful tips for friends, co-workers, or even family members. It has

or will be a time in everyone's life where a broken heart needs guidance for healing. The loss of a love is a nearly universal emotional crisis, whether the end is divorce, desertion, or a mutually agreed-upon separation. At first, friends and family are there to offer a shoulder to cry on, but after a few months there's an expectation that we just need to get over the crisis and move on. Thus, unprocessed, painful feelings are buried, leaving us numb. Or we repeat damaging relationship patterns over and over again. The situation doesn't have to be like that. Healing a Broken Heart guides those of us grieving for a lost love through four metaphorical seasons of recovery with provocative questions -- and journal pages on which to respond -- to help move us forward. The four seasons serve as powerful metaphors for the stages of the grieving process. Summer is the season for charting the course of a relationship: remembering hopes and expectations, the warning signs that went unheeded. During autumn, journalers accept the reality of breaking up and acknowledge things about the relationship that didn't serve their needs. Winter brings the pain of grief over the profound loss. Finally, spring -- and, with it, renewal -- invites readers to examine and understand how their family history may have affected their past relationships. Punctuated throughout with poems and moving meditations, the thoughtful, interactive approach of this book offers the time and space we all need to heal when our hearts are broken.

A Cardiologist's Secrets For Physical, Emotional, and Spiritual Health

The messages about attention and compassion to help heal when life's unexpected events occur are expressed in this simple story of, "How to Heal a Broken Heart". Dr. DiRe practices these gentle ways in her active clinical practice in Scottsdale, Arizona. I have yet to meet someone who has not been heartbroken at least once in their life. It happens to us all, more often than not, it'll happen more than once. We get heartbroken, we get disappointed, we get rejected. It's part of life. We live in a world with flawed humans who fail us and make mistakes. Many of our dreams are wrapped up in these humans, and because of that, brokenness is just a part of living on this earth. It's a price of admission to this life and something which we all must pay. We can't always control the situation or the outcome for that matter. But we can control how we respond to the devastating blow when heartbreak strikes. In this book, I will go over all the ways one can truly heal from heartbreak. Dealing with the pain that comes with it, the struggle, the insecurities, disappointment, and the rejection. I will show you how to combat grief and how to endure the difficult road to becoming whole again. Heartbreak and disappointment, they change you; change how you eat, how you sleep, and how you interact with others. It shakes you to your very core. The essence of who you are. Recovering from such trauma can be an extremely lengthy and challenging process. If done incorrectly, you're not only prolonging your heartbreak but also risking long-term emotional damage. Add to the fact that most people don't even know what

genuine healing really is, and then you understand why most people never truly accomplish it. In a world that leaves us broken many times over, we must excel in the process of healing. Healing is an art. An art that we must master if we want to live a truly fulfilling life. If we're going to create healthy, long-lasting relationships, then we have to learn how to heal fully, and in the right way from the ones that leave us broken. Because heartbreak isn't physical trauma where our bodies automatically know how to respond. No, I'm afraid with mental trauma, the healing process is far more complicated than that. And it's entirely up to us whether we heal or not. If your heart is heavy, if your soul is crushed, if you're suffocating in immeasurable grief and disappointment, I want you to take this book and let it be your lifeline for these troublesome times. Let me be the compass that will lead you out of this storm.

Imagine if we treated broken hearts with the same respect and concern we have for broken arms? Psychologist Guy Winch urges us to rethink the way we deal with emotional pain, offering warm, wise, and witty advice for the broken-hearted. Real heartbreak is unmistakable. We think of nothing else. We feel nothing else. We care about nothing else. Yet while we wouldn't expect someone to return to daily activities immediately after suffering a broken limb, heartbroken people are expected to function normally in their lives, despite the emotional pain they feel. Now psychologist Guy Winch imagines how different things would be if we paid more attention to this unique emotion—if only we can understand how heartbreak works, we can begin to fix it.

Online Library How To Heal A Broken Heart In 30 Days Ebook

Through compelling research and new scientific studies, Winch reveals how and why heartbreak impacts our brain and our behavior in dramatic and unexpected ways, regardless of our age. Emotional pain lowers our ability to reason, to think creatively, to problem solve, and to function at our best. In *How to Fix a Broken Heart* he focuses on two types of emotional pain—romantic heartbreak and the heartbreak that results from the loss of a cherished pet. These experiences are both accompanied by severe grief responses, yet they are not deemed as important as, for example, a formal divorce or the loss of a close relative. As a result, we are often deprived of the recognition, support, and compassion afforded to those whose heartbreak is considered more significant. Our heart might be broken, but we do not have to break with it. Winch reveals that recovering from heartbreak always starts with a decision, a determination to move on when our mind is fighting to keep us stuck. We can take control of our lives and our minds and put ourselves on the path to healing. Winch offers a toolkit on how to handle and cope with a broken heart and how to, eventually, move on.

Everyone at some point in life encounter some form of heartbreak. It may come from a relationship, a divorce, death of a loved one, or even a failed business. We often don't know how to deal with the pain and as a result we can be overcome by it. When we put our hearts in God's hands and depend on him for our healing, we can overcome the heartache and learn how to never hurt so badly again.

To turn circumstances around you have to break this pattern. But how to do it? You can do it **ONLY** knowing the true causes of being dumped! Find out why He dumped you. Not why you think or your friends/relatives/therapist told you. Discover the Real Reasons. Broken heart is too serious issue to ignore. You live only

once in this body and don't have any extra minute to be miserable. Like attracts like. Get an "Emergency Kit" to stop your pain immediately, find out the Proven Rules that will help you to remain sane and learn How to Heal Your Broken Heart Completely in three week!

To be able to heal a broken heart, you need to be an empowered individual. That means being in complete acceptance of who you are. If you find that you attract conflict or discord at home, at work, with your friends or even with innocent salespeople in stores, it's time to look at your relationship with yourself. There are always valid reasons for building defences, but when you can become aware of your triggers and make peace with past wounds that no longer serve you, you can thrive and evolve into an empowered, compassionate, peaceful individual - the best version of yourself. Former students of mine have found that as their lives opened up, they steadily experienced a degree of freedom, self-trust, love and compassion they never knew was possible. Ultimately, this heart opening changes your relationships for the better. As you become more conscious, you will notice new relationship patterns emerging while old patterns disappear. That creates a ripple effect that leads to fulfilled relationships.

"It's over. Now what?" Suffering from a broken heart? Afraid you'll never get over this feeling of emptiness and loss? You can, and with the help of this easy-to-follow program of action, you will. Follow Howard Bronson and Mike Riley as they lead you through

their thirty-day plan for recovering from your broken heart. They will guide you through a brief period of mourning for your loss, and then the process of rebuilding yourself and your life. You are encouraged to enjoy good memories of the relationship that's just ended, while remembering the reasons for the breakup. You will learn to take responsibility for your own emotions, face your fears, and ultimately to seek new people and new experiences. Find out: How and why to cry 'til dry Good ways to beat loneliness Why it pays to forgive your ex How to "let go" of old memories and resentments How to Heal a Broken Heart in 30 Days prescribes a wide array of tested and proven insights and exercises. After thirty days of active self-restoration, your heart will be healed and whole again--and you'll be ready for anything. Of course, your feelings of grief, hurt, or shame may come and go. But in less than a month, you can be ready to deal with life's new challenges with a positive sense of emotional balance you may never have had before.

How long will you limp through life before deciding it's worth the discomfort and outright pain to heal the way Jesus intended you to heal? After a childhood marked by abuse and dysfunction, Penny Maxwell knows how challenging the journey to healing can be. Healing hurts, and Maxwell knows how enticing it is to walk with wounds and dysfunction rather than endure the pain it takes to truly be free. In *Setting Broken Bones*, Maxwell shares hard truths she learned through her own healing journey and challenges readers to trust God with their hurts. Using the analogy of a person walking around with broken physical bones that never healed properly, Maxwell confronts readers with the truth: we can either walk around in pain with bones that were never healed or experience temporary pain to have them set properly so healing can occur. Sharing from her personal story, Maxwell provides: Powerful teachings from God's Word Practical ways to walk free from a painful past no matter what your personal struggles have been Guidance to face the pain you've been hiding to experience healing and freedom Sometimes Christians wrap bandages around their pain with more church, more good works, more Bible reading plans, and other seemingly spiritual activities to distract themselves from the pain. This book will help you face the pain you have been hiding from so it can

be healed once and for all. Whether you have come from a painful past yourself, have a loved one who is still trapped in that pain, or desire to minister to people who are on the path to healing from pain, this book will reveal God's heart toward that pain, and show you how He will heal it when you surrender it to Him. This book will help you find healing from past pain rather than focusing on blame, becoming bitter, and asking why. You will lean into God to gather strength and healing so that you can minister freedom to others who have faced pain themselves.

'The poster girl for divorce.' The Times 'If you've ever had your heart broken (and who hasn't) Rosie Green's How to Heal a Broken Heart is your best friend. Honest, comforting and hopeful.' MARIAN KEYES 'I love Rosie Green's writing.' ELIZABETH DAY 'Brilliant. One of the few books that I've found that really describes what a broken heart feels like. It touched so many nerves.' VANESSA FELTZ 'It reduced me to tears.' EMMA BARNETT, Woman's Hour, BBC Radio 4 'It wasn't a conscious uncoupling. I had my heart ripped out and stamped on.' When Rosie Green's husband walked out after 26 years together, he declined to leave a forwarding address. Instead, he left a devastated woman who turned into someone she barely recognised: unable to eat or sleep, and so desperate to keep her family together she'd sacrifice her sense of self - and her dignity. She thought she'd never get over it. But she did. And so can you. This is the frank, uplifting and insightful book Rosie wished she could have found when her whole world fell apart. Here's your guide to

getting through it - with advice from the experts, with the help of your friends, with a deliciously dark sense of humour and, for Rosie, with some highly inappropriate sex advice from her pre-teen daughter. Let her brilliantly honest handbook show how you can heal faster, understand yourself better and move on. How to Heal a Broken Heart doesn't sugarcoat it - heartbreak brings you to your knees. But, sometimes, it also gives you a necessary shove towards a happier, more fulfilled life than you ever dreamed was possible.

In this book Sarita shares a very transparent and honest account of having her heart broken throughout issues of infidelity and deception. She describes a 5 step process which led to accelerated healing and deliverance in Christ Jesus. She will guide you through these very practical ways to transition from pain to peace and begin enjoying your single season while you await the manifestation of your godly husband.

Single Mum Survive

Finding help for a broken heart or struggling to move on from a bad relationship is

difficult in most cases and more than some people can handle. In Erica Burse's new book, Bruised But Not Broken, God gives her ten healing steps that can take anyone from victim to victory. It all begins when we admit that we need help and cannot navigate the muddy waters of pain and rejection alone. Erica admits that she did not overcome her painful past without an intense struggle of her own. However, with God's help and these healing instructions, she now relays the ten easy steps that brought healing and triumph in her life. She also guarantees that you too will find resolution to your problems and live a life that is meaningful and full of blessings if you follow God's lead. These steps will not only work in repairing personal relationship issues, but they will also help bring closure to any conflict situation.

“Such a visual piece . . . readers young and old will return to the story to look more deeply; they won't be disappointed.” — Booklist (starred review) In a city full of hurried people, only young Will notices the bird lying hurt on the ground. With the help of his sympathetic mother, he gently wraps the injured bird and takes it home. Wistful and uplifting in true Bob Graham fashion, here is a tale of possibility — and of the souls who never doubt its power.

I presently can't seem to meet somebody who has not been sorrowful any less than once in their life. It happens to every one of us, as a general rule, it'll happen at least a couple of times. We get crushed, we get frustrated, we get dismissed. It's important for life. We live in a world with imperfect people who bomb us and commit

errors. A large number of our fantasies are enveloped with these people, and thus, brokenness is only a piece of living on this planet. It's a cost of admission to this life and something which we as a whole should pay. We can't continuously control what is happening or the result so far as that is concerned. Yet, we can handle how we react to the overwhelming blow when disaster strikes. In this book, I will go over every one of the manners in which one can really mend from grievousness. Managing the aggravation that accompanies it, the battle, the uncertainties, disillusionment, and the dismissal. Deplorability and dissatisfaction change you; change how you eat, how you rest, and how you cooperate with others. It shakes you deeply. The embodiment of what your identity is. Recuperating from such an injury can be a very extensive testing process. Whenever done erroneously, you're dragging out your disaster as well as gambling long-haul enthusiastic damage. Add to the way that the vast majority don't have the foggiest idea of what certified recuperating truly is, and afterward you comprehend the reason why a great many people never genuinely achieve it. In a world that leaves us broken many times over, we should dominate during the time spent recuperating. Recuperating is workmanship. The workmanship that we should dominate to carry on with a really satisfying life. On the off chance that we will make solid, durable connections, we need to figure out how to recuperate completely, and immediately from the ones that leave us broken. Since misfortune isn't actual injury where our bodies consequently know how to react. No,

Online Library How To Heal A Broken Heart In 30 Days Ebook

I'm apprehensive about mental injury, the mending system is undeniably more confounded than that. What's more, it's altogether dependent upon us whether or not we recuperate. On the off chance that your heart is weighty, assuming your spirit is squashed, on the off chance that you're choking in endless misery and disillusionment, I need you to take this book and allow it to be your help for these problematic times. Allow me to be the compass that will lead you out of this tempest. In short: this book is amazing. Give the principles and practice in this book a chance and you will be so amazed the transformation you'll get. Scroll up and click on the BUY button

So many things can break our hearts. Relationships break up. Friendships dissolve. Death can take a parent, a partner, a child. And, the loss breaks something in us. The only way out of heartache is to journey into and beyond it. Here, you have a safe place to explore and release the thoughts and feelings that can be hard to share with others. So, cry, sob, write, scribble and dance with it - until it is done. With a space to acknowledge, feel and express the awful ache within, you can begin to find your path through the labyrinth of sorrow and start to heal your hope and restore your tender heart. This journal-style workbook includes guidance, prompts and imagery to help you move beyond the pain and confusion of loss. With text, paintings and scribbles by someone who's been there and wants you to know, you are not alone.

The Power of Forgiveness to Heal a Broken Heart

“This book serves as your personal heart healing coach to . . . free your heart and mind of the wounds of the past.” —Jamie Lynn Sigler, actress on The Sopranos Whatever the cause of your heartbreak—the end of a relationship, the death of a loved one, a divorce, shattered dreams, a family feud, a life-threatening diagnosis, career turmoil, or past abuse that repeats over and over again—it is never too early or too late to courageously forgive and let go. Filled with stories, proven exercises, and powerful affirmations to free you from any resentment and anger you are holding towards yourself or others, this book offers potent opportunities for lasting, life-changing heart-healing. The “emotional clutter” of old resentments, grudges, guilt, and shame are blocks to love and a direct call for action. Readers will learn: The distinction between a closed and broken heart To identify the specific beliefs that continue to activate your emotional wounds and unresolved anger How to forgive yourself and others using the Deal-Heal-Forgive Process How healing your heart contributes to healing the broken-heartedness in the world today. With wisdom gained from her own heartbreak story and decades of study with Joseph Campbell, Jean Houston, Robert Fritz, don Miguel Ruiz and thousands of clients and students, Susyn Reeve has written a refreshingly honest and practical guide to living a life of contentment, connection, and long-overdue love. “Heartbreak is a painful fact of life. Be prepared to free your

Everyone needs love in their life. And they need to be loved. Why? Because it's through love that we find our identity and worth. When you're struggling with the pain of a broken heart, it hits to the core of your mind, body and soul. This book is for anyone who has had their heart broken in the past or who is going through a heartbreak. Whether it's the loss of a loved one, a failed relationship, an abusive partner, or a family difficulty, the hurt is real. 'How to Heal a Broken Heart - Let go of pain and learn to love again' can help you make the transition from broken-hearted to whole-hearted so that you are free to love yourself and others. Also includes 365 inspirational quotations, reflective thoughts and empowering aspirations to help you live your life as the person you were meant to be.

Nobody wants to experience the agony of heartbreak. But if you've ever been in love-really, truly in love-you already know you don't have a choice in the matter. Millions of women before you have undergone the painful experience of heartbreak and emerged on the other side wiser and stronger. The Breakup Book: 20 Steps to Heal a Broken Heart combines poignant and relatable stories from the author's own heartbreak-straight-talking wisdom from a woman who's been through it all, including the early days after a breakup when she couldn't get off the couch to moving on gracefully using various techniques to get her through the day. Some of it worked and some of it didn't, and that's where this guide comes in. If you're

struggling to get back on your feet and reclaim your life after a breakup, this book will give you a roadmap to finding yourself again—a stronger, wiser self. With wit and honesty, Lesley Robins shares her own experiences to show that she too has suffered the lack of self-worth many women experience after a difficult breakup. She shapes the lessons she learned into frank and practical advice, providing simple and effective ways to move on with your life. With time and the right approach, your heart will heal and you will be ready to face the world with new-found strength and wisdom. The Breakup Book will help thousands, perhaps millions, of women who are struggling to find their life, their path, their soul when it seems that all is lost forever.,

In the face of a breakup or loss, the idea of finding meaning and moving on seems impossible. While we cannot stop the loss from occurring, we can change our thoughts around it. These difficult events can remind us that relationships are lessons and true gifts. A broken heart is an open heart, and endings are also beginnings. Reclaim Love aims to empower an extraordinary new way of thinking about broken hearts and inspire you to seek out another chance at love. Author Giordana Silverberg writes from her own experiences of losing her partner to cancer and later finding new love. She presents tools that can help transform your grief to love by uncovering and releasing any fears, limiting beliefs, and unhealthy patterns that block you from finding and having the love you truly desire. The guidance offered here can comfort you on your journey to healing, acceptance, and closure from the past, allowing to manifest the future and love you deserve.

release the sadness and pain that trouble you? “ How to Heal Your Broken Heart- A Cardiologist’s Secrets for Physical, Emotional, and Spiritual Health,” By Dr. Kirk Laman can take you where you want to go. When Andrea first came to see Dr. Laman her life was in shambles. She had just suffered a heart attack and was emotionally and psychologically drained. Yet, amazingly she was able to quickly turn her life around by using a technique called Practicing Remembrance- a powerful healing method for rejuvenating the heart. In this groundbreaking book, Dr. Kirk Laman combines his cardiology knowledge with the centuries old Sufi Practice of Remembrance of God to open a new pathway towards healing. You won’t want to miss this incredible journey-a journey that could forever change your life.
