

## How To Write A Book Analysis Paper

Author and former literary agent Nathan Bransford shares his secrets for creating killer plots, fleshing out your first ideas, crafting compelling characters, and staying sane in the process. Read the guide that New York Times bestselling author Ransom Riggs called "The best how-to-write-a-novel book I've read."

Develop and implement an effective content strategy tailored to your business ’ s needs
Inbound Content is a step-by-step manual for attracting the right people, turning them into leads, and closing them into customers. Today, everyone knows that content is king. It ’ s how we engage, how we inform, and how we pass the time; content is everywhere, and if you ’ re not leveraging its power to promote your business, you ’ ve already been left behind. Having a website and social media is not enough; if you truly want to take advantage of unprecedented levels of connectedness, you have to create content that draws customers in. It ’ s not about blindly expanding reach, it ’ s about reaching out to the right audience. Today ’ s marketplace is no longer about chasing the sale—with the right approach to content, your customers will come to you. Your content must be valuable, relevant, and consistent—but how should it be implemented at the actual content-creation level? This book shows you how to develop a unified strategy, create compelling content tailored to your needs, and utilize that content to its greatest advantage in order to build your brand. Discover the power of storytelling and generate effective content ideas
Plan a long-term content strategy and a content creation framework
Create great content, promote it, measure it, and analyze its performance
Extend your content ’ s value, become a more effective writer, and develop a growth mentality
Effective content is worth its weight in marketing gold. It stands out from the noise, and to the customer, looks like an oasis in a desert of clickbait and paid reviews.
Inbound Content shows you how to plan, build, and implement your content strategy for unprecedented engagement and sales.

NEW YORK TIMES BESTSELLER “ An inspiring story that manages to be painful, honest, shocking, bawdy and hilarious. ” —The New York Times Book Review
From stand-up comedian, actress, and breakout star of Girls Trip, Tiffany Haddish, comes The Last Black Unicorn, a sidesplitting, hysterical, edgy, and unflinching collection of (extremely) personal essays, as fearless as the author herself. Growing up in one of the poorest neighborhoods of South Central Los Angeles, Tiffany learned to survive by making people laugh. If she could do that, then her classmates would let her copy their homework, the other foster kids she lived with wouldn ’ t beat her up, and she might even get a boyfriend. Or at least she could make enough money—as the paid school mascot and in-demand Bar Mitzvah hype woman—to get her hair and nails done, so then she might get a boyfriend. None of that worked (and she ’ s still single), but it allowed Tiffany to imagine a place for herself where she could do something she loved for a living: comedy. Tiffany can ’ t avoid being funny—it ’ s just who she is, whether she ’ s plotting shocking, jaw-dropping revenge on an ex-boyfriend or learning how to handle her newfound fame despite still having a broke person ’ s mind-set. Finally poised to become a household name, she recounts with heart and humor how she came from nothing and nowhere to achieve her dreams by owning, sharing, and using her pain to heal others. By turns hilarious, filthy, and brutally honest, The Last Black Unicorn shows the world who Tiffany Haddish really is—humble, grateful, down-to-earth, and funny as hell. And now, she ’ s ready to inspire others through the power of laughter.

An encyclopedia designed especially to meet the needs of elementary, junior high, and senior high school students.

The inspiring sequel to the 2015 Parent's Choice Winner, How to Read a Story! Step 1: Choose an idea for your story. A good one. Step 2: Decide on a setting. Don't be afraid to mix things up. Step 3: Create a heroine—or a hero. Now: Begin. Accomplished storytellers Kate Messner and Mark Siegel playfully chronicle the process of becoming a writer in this fun follow-up to How to Read a Story, guiding young storytellers through the joys and challenges of the writing process. From choosing an idea, to creating a problem for their character to resolve, to coming to The End, this empowering picture book breaks down the writing process in a dynamic and accessible way, encouraging kids to explore their own creativity—and share their stories with others! • Perfect for educators, librarians, and parents who are helping children develop early writing and reading skills • Great read-aloud book for preschool- and kindergarten-aged children interested in learning to read • Helps teach Common Core Curriculum skills
Young readers who love We Are in a Book!, How Rocket Learned to Read, and Also an Octopus will love the reading and writing lessons and inspiration in How to Write a Story. • Read-aloud books for Kids ages 3–5 • Learning to write books for Kids • Kindergarten, pre-K creativity books
Kate Messner is an award-winning author whose many books for kids have been selected as Best Books by the New York Times, Junior Library Guild, Indie Bound, and Bank Street College of Education. She lives on Lake Champlain with her family. Mark Siegel is the author of many graphic novels and children's picture books, including the 5 Worlds series, as well as the illustrator of How to Read a Story and the Robert F. Sibert Honor Book To Dance: A Ballerina's Graphic Novel. He lives in New York.

Hoping to save his family, one man enters his realm's most glorious tournament and finds himself in the middle of a political chess game, unthinkable bloodshed, and an unexpected romance with a woman he's not supposed to want.

Is this the year you are finally going to share your message with the world? Don't let the idea of having to write a book hold you back. It's easier than you think, and you don't even have to actually write the book yourself... Never thought about writing a book? Maybe you should consider it! Publishing a book will give you expert status, help spread your message and increase sales of your other products and services. It may even kick-start or boost your public speaking career. Writing, publishing and promoting a book has never been easier. You can do it in a week. This guide will teach you: The best kept secrets to a quick start for writing, promotion and sales

The Essential Guide to Getting Your Book Published

Have you always wanted to write a book but, just never get around to it? Do you lack confidence in yourself as a writer? Need inspiration? How to Write a Book in a Week ( A Writer's Guide to Meeting a Deadline ) is the answer to all of these questions and more.

Teaches the elements of good writing through the use of essential guidelines, literary techniques, and proper writing mechanics.

At the age of seventeen, Eustace Conway ditched the comforts of his suburban existence to escape to the wild. Away from the crushing disapproval of his father, he lived alone in a teepee in the mountains. Everything he needed he built, grew or killed. He made his clothes from deer he killed and skinned before using their sinew as sewing thread. But he didn't stop there. In the years that followed, he stopped at nothing in pursuit of bigger, bolder challenges. He travelled the Mississippi in a handmade wooden canoe; he walked the two-thousand-mile Appalachian Trail; he hiked across the German Alps in trainers; he scaled cliffs in New Zealand. One Christmas, he finished dinner with his family and promptly upped and left - to ride his horse across America. From South Carolina to the Pacific, with his little brother in tow, they dodged cars on the highways, ate road kill and slept on the hard ground. Now, more than twenty years on, Eustace is still in the mountains, residing in a thousand-acre forest where he teaches survival skills and attempts to instil in people a deeper appreciation of nature. But over time he has had to reconcile his ambitious dreams with the sobering realities of modernity. Told with Elizabeth Gilbert's trademark wit and spirit, this is a fascinating, intimate portrait of an endlessly complicated man: a visionary, a narcissist, a brilliant but flawed modern hero. The Last American Man is an unforgettable adventure story of an irrepressible life lived to the extreme. The Last American Man is a New York Times Notable Book and National Book Critics Circle Award Finalist.

Have you thought about writing a book? Do you just not know where to begin? Do you get writer's block just thinking about writing a book? Best-selling non-fiction author David Kadavy shares his simple process for writing a book. Build confidence, ditch your inner critic, and finally write your book with simple habits you can start today. You can read this short read (~7,000 words) in about 30 minutes, so it won't get in the way of the one thing standing between you and your book: Action! Download today and make the book you've dreamed of a reality. Now includes a free sample chapter of David Kadavy's latest book, The Heart to Start.

Contains insights from working with some of the world's largest companies
Foreword by Ken Blanchard, co-author of The One-Minute Manager

Even if you don't happen to be a celebrity, this book will teach you methods for striking publishing gold—conceptualizing, selling, and marketing a memoir—while dealing with the complicated emotions that arise during the creation of your work. If you've ever been told that "You should really write a book" and you've decided to give it a try, this book is for you. It hones in on the three key measures necessary for aspiring authors to conceptualize, sell, and market their memoirs. Written especially for those who don't happen to be celebrities
You Should Really Write a Book reveals why and how so many relatively unknown memoirists are making a name for themselves. With references to more than four hundred books and six memoir categories, this is essential reading for anyone wanting to write a commercially viable memoir in today's vastly changing publishing industry. The days are long gone when editors and agents were willing to take on a manuscript simply because it was based on a "good" idea or even because it was well written. With eyes focused on the bottom line, they now look for skilled and creative authors with an established audience, too. Brooks and Richardson use the latest social networking, marketing, and promotional trends and explain how to conceptualize and strategize campaigns that cause buzz, dramatically fueling word-of-mouth and attracting attention in the publishing world and beyond. Full of current examples and in-depth analysis, this guide explains what sells and why, teaches writers to think like publishers, and offers guidance on dealing with complicated emotions—essential tools for maximizing memoir success.

Calling all aspiring writers, speakers, coaches, experts, entrepreneurs, business professionals or anyone considering writing a book for the first time... If the thought of writing a book has been confusing for you in the past, then here's the simplest strategy for writing your first book and ensuring you're a successful author! Do you have a book idea that you've wanted to write for a while but were confused on the steps? Are you overwhelmed by all of the books on writing, publishing and marketing? With a proven formula for success
How to Write Your First Book will help you to write better and to understand the fundamentals of writing your first book no matter your writing level or ability. If you are motivated to take your career to the next level or simply want to publish the fiction idea that's been floating around in your mind, the simple and easy to use formula called the W.R.I.T.E. method will help you to accomplish your goal of becoming a published author. Whether you are a new author hoping to find success with your very first book or a professional using it to brand your business, this formula works! The fact of the matter is a well-written book does not always guarantee success. With the W.R.I.T.E. method, you are given the tools you need to attract your audience and make a consistent passive income from your books so that you can write for a living. In this book, all of the questions you didn't even know you had will be answered. You'll learn:
- The formula for writing a book that ensures success!
- How to research your book idea to determine if it's profitable before you write the book!
- How to choose between traditional or self-publishing based on your time, writing goals and budget!
- How to write specifically for your target audience so that you can sell more books!
- How to create a book title, cover, and book description that will garner you massive sales!
- What to consider with respects to your very first book launch and while creating an author platform!
- And much more!
Perfect Gift Idea For Writers! It doesn't matter if you are looking to write great fiction or an inspiring non-fiction book, whether you choose to self-publish or traditionally publish, this book will be of value to you! If you've been waiting to write a bestseller because you just didn't know how to get started, look no further! This step-by-step guide places you on the path to success! Buy How to Write Your First Book today and be one step closer to becoming a published author in 2017! Stefanie is an expert in her field and that shows through in her writing. I have been writing for quite some time, but this book gave me information I didn't know anything about. This is definitely a must for anyone thinking about writing a book for publication. - Sarah S.

Gerard provides direction to writers by analyzing a variety of books that have made a difference and distilling the ingredients that make them memorable—such as choosing powerful themes and using storytelling strategies that move people to tears and laughter.

Her name is Mother of Exiles. From her beacon-hand glows world-wide welcome. "Give me your tired, your poor, your huddled masses. Send these, the homeless, tempest-tost to me." America has lost its way. The strongest of people can be found in the unlikelyst of places. The future of the entire country will depend on them. All across the United States, people scramble to survive new, draconian policies that mark and track immigrants and their children (citizens or not) as their freedoms rapidly erode around them. For the "inked"—those whose immigration status has been permanently tattooed on their wrists--those famous words on the Statue of Liberty are starting to ring hollow. The tattoos have marked them for horrors they could not have imagined within US borders. As the nightmare unfolds before them, unforeseen alliances between the inked--like Mari, Meche, and Toño--and non-immigrants--Finn, Del, and Abbie--are formed, all in the desperate hope to confront it. Ink is the story of their ingenuity. Of their resilience. Of their magic. A story of how the power of love and community out-survives even the grimmett times.

Desi Lee believes anything is possible if you have a plan. That's how she became student body president. Varsity soccer star. And it's how she'll get into Stanford. But she's never had a boyfriend. In fact, she's a disaster at romance, a clumsy, stammering humiliation magnet whose botched attempts at flirting have become legendary with her friends. So when the hottest human specimen to have ever lived walks into her life one day, Desi finds guidance in the Korean dramas her father has been obsessively watching for years—where the hapless heroine always seems to end up in the arms of her true love by episode ten. It's a simple formula, and Desi is a quick study. Armed with her "K Drama Steps to True Love," Desi goes after the moody, elusive artist Luca Drakos—and boat rescues, love triangles, and staged car crashes ensue. But when the fun and games turn to true feels, Desi finds out that real love is about way more than just drama.

Tiny Changes, Remarkable Results
No matter your goals, Atomic Habits offers a proven framework for improving—every day. James Clear, one of the world's leading experts on habit formation, reveals practical strategies that will teach you exactly how to form good habits, break bad ones, and master the tiny behaviors that lead to remarkable results. If you're having trouble changing your habits, the problem isn't you. The problem is your system. Bad habits repeat themselves again and again not because you don't want to change, but because you have the wrong system for change. You do not rise to the level of your goals. You fall to the level of your systems. Here, you'll get a proven system that can take you to new heights. Clear is known for his ability to distill complex topics into simple behaviors that can be easily applied to daily life and work. Here, he draws on the most proven ideas from biology, psychology, and neuroscience to create an easy-to-understand guide for making good habits inevitable and bad habits impossible. Along the way, readers will be inspired and entertained with true stories from Olympic gold medalists, award-winning artists, business leaders, life-saving physicians, and star comedians who have used the science of small habits to master their craft and vault to the top of their field.
Learn how to:
• make time for new habits (even when life gets crazy);
• overcome a lack of motivation and willpower;
• design your environment to make success easier;
• get back on track when you fall off course;
...and much more.
Atomic Habits will reshape the way you think about progress and success, and give you the tools and strategies you need to transform your habits--whether you are a team looking to win a championship, an organization hoping to redefine an industry, or simply an individual who wishes to quit smoking, lose weight, reduce stress, or achieve any other goal.

*Most of us want to be rich; we just aren't sure how to get there. Do we fake it till we make it? Do we work smarter, not harder? Do we quit our day job and pursue our dream? What if the answer to becoming rich doesn't lie in the answers to any of these questions, but instead lies in our ability to change our mindset and imitate the greats? This book will show you just that: how to become rich by changing your mindset and by imitating men who are already rich. Give and Grow Rich has been designed so that you get maximum benefit in the least amount of time. Who has time to read more than 100 pages these days? Who would want to? If you want quick solutions, no fluff, and no silly get-rich-quick techniques, then this book is for you. It's like Napoleon Hill's "Think and Grow Rich," but condensed, and more tangible. The same wisdom distilled in a third of the time (and pages). The wisdom doesn't come from me alone, for I started out a poor man just like you. To write this book, I interviewed 7 guys from 7 different income brackets, ranging from \$20,000 per year to \$1 million per year. I asked each of them the same 15 questions, and as I listened to their answers, I saw the trends between the poor, the middle, and the rich. Then, I read the biographies of 7 billionaires from 7 different sectors. Man, did I learn a lot. So I wanted to share the lessons I learned with you. Here's what you can expect: \*\*\*You will learn how the poor, middle, and rich think about money. You will learn how they spend, save, invest, and give.\*\*\* You will learn how your beliefs about money drive your actions.\*\*\* You will learn how two billionaires rose to the top, then gave it all away, and tried to die penniless.\*\*\* If you're a parent, you will learn how you can teach your kids about money. I benefited greatly from writing Give and Grow Rich, so I know you will benefit greatly from reading it. In fact, from the time I started writing the book, to the time I finished, my income doubled! I started thinking like a rich man, imitating rich men, and it is already benefiting me. The same is true for my friends who have implemented these lessons. One of them started out poor, the son of missionaries, and he is making nearly \$200,000 per year. Another started out poor, the son of a single mom, and he is making \$75,000 per year and has started two businesses. So if you want a jam-packed, practical, no fluff guide to becoming rich, read this book. Don't be the person who keeps repeating the past, who keeps spinning out in a financial rut. Don't think that the rich will always get richer and the poor will always get poorer. I am living proof that you can change your mind and change your income. You can imitate the greats and become great. My friends have done the same, and you can too. Be the person who becomes a success story and inspires your community. Be the person who gets out of the financial woes and wills yourself to riches. Change your mind and change your money. GIVE AND GROW RICH.*

*Now updated for 2015! The best, most comprehensive guide for writers is now revised and updated, with new sections on ebooks, self-publishing, crowd-funding through Kickstarter, blogging, increasing visibility via online marketing, micropublishing, the power of social media and author websites, and more—making The Essential Guide to Getting Your Book Published more vital than ever for anyone who wants to mine that great idea and turn it into a successfully published book. Written by experts with twenty-five books between them as well as many years' experience as a literary agent (Eckstut) and a book doctor (Sterry), this nuts-and-bolts guide demystifies every step of the publishing process: how to come up with a blockbuster title, create a selling proposal, find the right agent, understand a book contract, and develop marketing and publicity savvy. A heartbreaking and hilarious memoir by iCarly and Sam & Cat star Jennette McCurdy about her struggles as a former child actor—including eating disorders, addiction, and a complicated relationship with her unbearing mother—and how she retook control of her life. Jennette McCurdy was six years old when she had her first acting audition. Her mother's dream was for her only daughter to become a star, and Jennette would do anything to make her mother happy. So she went along with what Mom called "calorie restriction," eating little and weighing herself five times a day. She endured extensive at-home makeovers while Mom chided, "Your eyelashes are invisible, okay? You think Dakota Fanning doesn't tint hers?" She was even showered by Mom until age sixteen while sharing her diaries, email, and all her income. In I'm Glad My Mom Died, Jennette recounts all this in unflinching detail—just as she chronicles what happens when the dream finally comes true. Cast in a new Nickelodeon series called iCarly, she is thrust into fame. Though Mom is ecstatic, emailing fan club moderators and getting on a first-name basis with the paparazzi ("Hi Gale!"), Jennette is riddled with anxiety, shame, and self-loathing, which manifest into eating disorders, addiction, and a series of unhealthy relationships. These issues only get worse when, soon after taking the lead in the iCarly spinoff Sam & Cat alongside Ariana Grande, her mother dies of cancer. Finally, after discovering therapy and quitting acting, Jennette embarks on recovery and decides for the first time in her life what she really wants. Told with refreshing candor and dark humor, I'm Glad My Mom Died is an inspiring story of resilience, independence, and the joy of shampooing your own hair.

In this book, the author walks you through every step of how to write a book. After you read it, you'll be ready to start writing today.

Brenda Ueland was a journalist, editor, freelance writer, and teacher of writing. In If You Want to Write: A Book about Art, Independence and Spirit she shares her philosophies on writing and life in general. Ueland firmly believed that anyone can write, that everyone is talented, original, and has something important to say. In this book she explains how find that spark that will make you a great writer. Carl Sandburg called this book the best book ever written about how to write. Join the millions of others who've found inspiration and unlocked their own talent.

Money. Impact. Freedom. If you want to become a successful non-fiction author, this book explains all you need to know about writing and publishing a book your readers love. My name is Bryan Collins, I'm an author from Ireland, and I've published a number of popular non-fiction books. In this detailed, yet practical writing book, I explain all you need to know about writing your non-fiction book, step-by-step. In this book for non-fiction writers, you'll discover: Why successful non-fiction authors spend lots of time researching their book before writing it The secret behind outlining a non-fiction book that's worth publishing (and which is easy to write) How to take charge of the editing process, before it takes charge of you What you need to know about book covers, book titles and self-publishing What to do when you finish writing your book (it's not what you think) Interview with the Author Q. Why did you write this book? A. Over the past few years, learning how to write non-fiction books changed my life. I discovered it's natural to wonder if you're not good enough and what to do about it. I learnt how aspiring writers create great books and then transform themselves into successful authors.

Once I put their writing techniques into practice, I connected with readers, and I started earning an income from my writing. And isn't that the dream for most authors? So, I set out to share what I discovered about book writing with other aspiring authors. Now, this book isn't everyone. It's not going to help you write fiction or poetry, but it will help you write your non-fiction book. It will help you become a published non-fiction author. Download a sample or buy now and write the non-fiction book you always dreamed about!

The Family Roe: An American Story

How to Write a Book in a Week

How to Write a Novel

52 Insights and Actions to Boost Your Creative Mojo

An Easy Guide to Researching, Creating, Editing, and Self-Publishing Your First Book

The Best Way to Write and Publish Your Non-fiction Book

A guide to successful business communication describes how to draft effective letters, emails, and proposals; adapt one's writing style to an audience; and self-edit and troubleshoot documents.

"The family elements in the story - the real struggles with marriage, raising a family, making a living, and just trying to enjoy life - have broadened the book's appeal to a wider audience, primarily women who are not into technology." DARK END OF SPECTRUM on your cell phone or PDA! DARK END OF THE SPECTRUM is a frighteningly plausible and headline-ripping tale of the real threats that loom in cyberspace and beyond with a Michael Crichton realism. Based on the author's years of research into the hacker culture, it is a thriller that will connect with everyone with a cell phone, PDA or wireless device. When a group of digital terrorists known as ICER take over the US power grid and the cell phone network, they give the government an ultimatum - bomb the borders of Al-Qaeda or put an end to Al-Qaeda or they will start downing commercial airliners. When the government refuses, ICER destroys most of the downed aircraft in airports all over the country. When ICER sends a pulse that will kill millions on the East Coast, only security forces have kidnapped Dan's family. Will Dan save his family or will millions die?

This concise guide tells you how to write a novel by using a systematic approach to writing. This guide is written by an author not a 'guru'. A simple step by step breakdown of how to plan each day. No fillers and no theory, just the hard facts in a concise guide on the market but how many of them are written by prolific published authors? The answer is 'not many'. How can anyone write a guide unless they have been through the writing process many times before? The simple answer to this question is they can't. They use their own experiences to help another writer to avoid the mistakes and pitfalls. Most guides regurgitate information which they have picked up from creative writing books or sites. How can they give you advice when they have never sat down and focused on creating a novel? Writing a novel is the same as any other task we undertake as individuals. We have to learn how to do it in order to do it well. When you first learn to drive, you need lessons. No one walks into the kitchen and creates a gourmet dish on their first attempt. So, when you need to take advice from an 'author' who has taken years to develop the process via experience.

"Will leave you feeling happier, bolder, and ridiculously excited about diving back into your writing projects." —Chris Baty, author of No Plot? No Problem! and founder of NaNoWriMo Every writer knows that as rewarding as the creative process is, it can often be frustrating. It's designed to kick-start creativity, this handbook from the executive director of National Novel Writing Month (NaNoWriMo) gathers a wide range of insights and advice for writers at any stage of their career. From tips about how to finally start that story to how to overcome writer's block, this book has everything you need to get your words just aren't quite coming out right, Pep Talks for Writers provides motivation, encouragement, and helpful exercises for writers of all stripes.

How to Write It, Sell It, and Market It . . . Successfully

Let's Write a Short Story!

How to Write a Book

Writing a Novel

"Unlock the story within ... with over 200 new writing exercises"--Cover.

Do you want to write a book? It's not an easy question. Many of us would love to jot down our fondest stories and our tallest tales to preserve forever in written form. Whether you're a born storyteller or need a little assistance from spellcheck and the thesaurus, this book is here to help you decide whether the time is "write" to make your author's dreams a reality. How to Write a Book: A Book for Anyone Who Has Never Written a Book (But Wants To) is Lauren's most personal work, providing their own insight into what makes writing a book so difficult. Lauren shares the passion out on paper. Writing a book may come easily to you, or it may be the most painful endeavor of your life. Unfortunately, there's no way to know unless you give it a try. Thankfully, Lauren is here with a very candid look into the writing process. From how to decide if you should even bother writing a book in the first place to determining whether you have what it takes to complete your first volume, Lauren helps you evaluate what your personal writing process will look like. Next, she will guide you through the pre-work of finding a publisher. Lauren shares practical-- if not brutally honest-- advice for remaining calm and focused throughout the writing process. You'll learn about the emotional toll editing can take on you, and how a good sense of humor and an open mind can help you learn plenty about your book up for success. Whether you aspire to become a bestseller or just want to commemorate a few thoughts before it's too late, How to Write a Book: A Book for Anyone Who Has Never Written a Book (But Wants To) is the book for anyone who is a determined writer, procrastinator, excuse-maker, or anyone who is a little of each. From navigating the myriad of roadblocks that can occur when making dreams reality to getting your words to the masses, Lauren Bingham is an informal yet essential look at the writing process.

The Pushcart Prize-winning poet's memoir of his criminal youth and years in prison: a "brave and heartbreaking" tale of triumph over brutal adversity (The Nation). Jimmy Santiago Baca's "astounding narrative" of his life before, during, and immediately after the maximum-security prison garnered tremendous critical acclaim. An important chronicle that "affirms the triumph of the human spirit," it went on to win the prestigious 2001 International Prize (Arizona Daily Star). Long considered one of the best poets in America, Baca was illiterate at the age of twenty-one when he was sentenced to five years in Florence State Prison for selling drugs in Arizona. This raw, unflinching memoir is the remarkable tale of how he emerged after his years in the penitentiary—much of it spent in isolation—into a passion for writing poetry. "Proof there is always hope in even the most desperate lives." —Fort Worth Star-Telegram "A hell of a book, quite literally. You won't soon forget it." —The San Diego U-T "This book will have a permanent place in American letters."

York Times—bestselling author of A Good Day to Die

A masterpiece of reporting on the Supreme Court's most divisive case, Roe v. Wade, and the unknown lives at its heart. Despite her famous pseudonym, no one knows the truth about "Jane Roe," Norma McCorvey (1947–2017), whose unwanted pregnancy in 1969 changed the course of American life. Journalist Joshua Prager spent years with Norma, discovered her personal papers, a previously unseen trove, and witnessed her final moments. With an explosive revelation at the core of the case, he tells her full story for the first time. Prager's trajectory through three compelling figures: feminist lawyer Linda Coffee, who filed the original Texas lawsuit yet now lives in obscurity; Curtis Boyd, a former fundamentalist Christian, today a leading provider of third-trimester abortions; and Mildred Jefferson, a Harvard Medical School graduate, who became a pro-life leader with great secrets. Essential to our understanding of this key debate, the right to choose or the right to life, The Family Roe will change the way you think about our enduring American divide.
