NATIONAL BESTSELLER • A coming-of-age classic, acclaimed by critics, beloved by readers of all ages, taught in schools and universities alike, and translated around the world—from the winner of the 2019 PEN/Nabokov Award for Achievement in International Literature. The House on Mango Street is the remarkable story of Esperanza Cordero, a young Latina girl growing up in Chicago, inventing for herself who and what she will become. Told in a series of vignettes—sometimes heartbreaking, sometimes deeply joyous—Sandra Cisneros' masterpiece is a classic story of childhood and self-discovery. Few other books in our time have touched so many readers. “Cisneros draws on her rich [Latino] heritage . . . and seduces with precise, spare prose, creat[ing] unforgettable characters we want to lift off the page. She is not only a gifted writer, but an absolutely essential one.” —The New York Times Book Review

Every year, 6 million companies and more than 100,000 products are launched. They all need an awesome name, but many (such as Xobni, Svbtle, and Doostang) look like the results of a drunken Scrabble game. In this entertaining and engaging book, ace naming consultant Alexandra Watkins explains how anyone—even noncreative types—can create memorable and buzz-worthy brand names. No degree in linguistics required. The heart of the book is Watkins's proven SMILE and SCRATCH Test—two acronyms for what makes or breaks a name. She also provides up-to-date advice, like how to make sure that Siri spells your name correctly and how to nab an available domain name. And you'll see dozens of examples—the good, the bad, and the “so bad she gave them an award.” Alexandra Watkins is not afraid to name names.

Frustrated by a day full of teachers and classmates mispronouncing her beautiful name, a little girl tells her mother she never wants to come back to school. In response, the girl's mother teaches her about the musicality of African, Asian, Black-American, Latinx, and Middle Eastern names on their lyrical walk home through the city. Empowered by this newfound understanding, the young girl is ready to return the next day to share her knowledge with her class. Your Name is a Song is a celebration to remind all of us about the beauty, history, and magic behind names.

Universally acclaimed, rapturously reviewed, winner of the National Book Critics Circle Award for autobiography, and an instant New York Times bestseller, Chanel Miller's breathtaking memoir "gives readers the privilege of knowing her not just as Emily Doe, but as Chanel Miller the writer, the artist, the survivor, the fighter." (The Wrap). "I opened Know My Name with the intention to bear witness to the story of a survivor. Instead, I found myself falling into the hands of one of the great writers and thinkers of our time. Chanel Miller is a philosopher, a cultural critic, a deep observer, a writer's writer, a true artist. I could not put this phenomenal book down." --Glennon Doyle, #1 New York Times bestselling author of Love Warrior and Untamed "Know My Name is a gut-punch, and in the end, somehow, also blessedly hopeful." --Washington Post She was known to the world as Emily Doe when she stunned millions with a letter. Brock Turner had been sentenced to just six months in county jail after he was found sexually assaulting her on Stanford's campus. Her victim impact statement was posted on BuzzFeed, where it instantly went viral--viewed by eleven million people within four days, it was translated globally and read on the floor of Congress; it inspired changes in California law and the recall of the judge in the case. Thousands wrote to say that she had given them the courage to share their own experiences of assault for the first time. Now she reclaims her identity to tell her story of trauma, transcendence, and the power of words. It was the perfect case, in many ways--there were eyewitnesses, Turner ran away, physical evidence was immediately secured. But her struggles with isolation and shame during the aftermath and the trial reveal the oppression victims face in even the best-case scenarios. Her story illuminates a culture biased to protect perpetrators, indicts a criminal justice system designed to fail the most vulnerable, and, ultimately, shines with the courage required to move through suffering and live a full and beautiful life. Know My Name will forever transform the way we think about sexual assault, challenging our beliefs about what is acceptable and speaking truth to the tumultuous reality of healing. It also introduces readers to an extraordinary writer, one whose words have already changed our world. Entwining pain, resilience, and humor, this memoir will stand as a modern classic. Chosen as a BEST BOOK OF 2019 by The New York Times Book Review, The Washington Post, TIME, Elle, Glamour, Parade, Chicago Tribune, Baltimore Sun, BookRiot

This chunky, 'wipe-clean' board book with carry handle is the perfect book for children just learning to write. Children can trace words and count objects and try writing on their own in the space provided. Each exercise can be repeated and practised time and time again with the 'wipe-clean' surface, helping to children to perfect their writing skills.

The USA Today bestselling author of When We Believed in Mermaids returns with a tale of two generations of women reconciling family secrets and past regrets. Life's beautiful for seventysomething influencer Gloria Rose, in her Upper West Side loft with rooftop garden and scores of Instagram followers--until she gets word that her old flame has been arrested for art theft and forgery, and, knowing her own involvement in his misdeeds decades earlier, decides to flee. But that plan is complicated when the nieces she raised are thrown into crises of their own. Willow, overshadowed by her notorious singer-songwriter mother, has come home to lick her wounds on the heels of a failed album and yet another disastrous relationship. Sam, prickly and fiercely independent, is on the verge of losing not only her beloved video game company but the man she loves, thanks to her inability to keep her always-simmering anger in check. With the FBI closing in, Willow's career in shambles, and Sam's tribulations reaching a peak, each of the three women will have to reckon with and reconcile their interwoven traumas, past loves, and the looming consequences that could either destroy their futures or bring them closer than ever.

Write My Name: Authorship in the Poetry of Thomas Moore is the first monograph devoted to Moore's poetry. The focus of the book is on Moore's poetry and differing formulations of authorship therein. Its scope comprises poetic publications from Moore's early career, from his Romantic Orientalist writings, and from selected musical works, and political and satirical verse. It shares the strong historicist awareness of much previous scholarship on Moore, but combines this with a range of new and interdisciplinary contexts that are of increasing interest to scholarship in the twenty-first century, and which are rarely adopted as frameworks for viewing Moore's work: digital humanities, book history, legal history, and textual theory. Ultimately, the book argues for the value of attending to neglected aspects of Moore's work through analysis of his shifting modes of authorship and their various motivations
