

Human Resources Managementin Canada Pearson 12th Edition

Human Resource Management provides readers with a complete, comprehensive review of essential personnel management concepts and techniques in a highly readable and understandable form. Coverage emphasizes essential themes throughout the book, including the building of better, faster, more competitive organizations through HRM; practical applications that help all managers deal with their personnel-related responsibilities; and technology and HR. Specific topics include the strategic role of human resource management; equal opportunity and the law; job analysis; personnel planning and recruiting; employee testing and selection; interviewing candidates; training and developing employees; managing organizational renewal; appraising performance; managing careers and fair treatment; establishing pay plans; pay-for-performance and financial incentives; benefits and services; labor relations and collective bargaining; employee safety and health; managing human resources in an international business; human resources information systems and technology. For practicing Human Resource Managers as well as any business managers who deal with human resource/personnel issues.

7 Skills for the Future.

Although construction is one of the most labour-intensive industries, people management issues are given inadequate attention. Furthermore, the focus of attention with regards to HR has been on the strategic aspects of HRM function - yet most problems and operational issues arise on projects. To help redress these problems, this book takes a broad view of HRM, examining the strategic and operational aspects of managing people within the construction sector. The book is aimed at project managers and students of project management who, until now, have been handed the responsibility for human resource management without adequate knowledge or training. The issues addressed in this book are internationally relevant, and are of fundamental concern to both students and practitioners involved in the management of construction projects. The text draws on the authors' experience of working with a range of large construction companies in improving their HRM operational activities at both strategic and operational levels, and is well illustrated with case studies of projects and organizations.

Human Resource Management in Canada, Gary Dessler, Alvin Turner, Canadian Fifth Edition. Instructor's Resource Manual with Transparency Masters

A Management Approach

Dessler: Preparing today's students to be tomorrows HR Professionals Management of Human Resources: The Essentials, Fourth Canadian Edition, brings both human resources and non-human resources students into the current and comprehensive discussion on the ways in which human resources are among the most important assets in organizations today. The Canadian fourth edition provides extensive coverage of all HRM topics, such as job analysis, HR planning, recruitment, selection, orientation and training, career development, compensation and benefits, performance appraisal, health and safety, and labour relations. Note: If you are purchasing an electronic version, MyManagementLab does not come automatically packaged with it. To purchase MyManagementLab, please visit www.MyManagementLab.com or you can purchase a package of the physical text and MyManagementLab by searching for ISBN 10: 0133807339 / ISBN 13: 9780133807332.

This revised edition is a comprehensive, authoritative set of essays. It is more detailed and analytical than the mainstream treatments of HRM. As in previous editions, Managing Human Resources analyses HRM, the study of work and employment, using an integrated multi-disciplinary approach. The starting point is a recognition that HRM practice and firm performance are influenced by a variety of institutional arrangements that extend beyond the firm. The consequences of HRM need to incorporate analysis of employees and other stakeholders as well as the implications for organizational performance.

Conducting business across national borders is nothing new; the Knights Templar were banking internationally as long ago as 1135. But modern globalization processes raise different challenges, and as the world becomes smaller and labour movements more common, an international understanding of human resource management is essential. The second edition of International HRM provides a fully updated and revised analysis of this important area. Its innovative, multi-disciplinary approach allows a holistic picture to emerge in which key issues are assessed from organizational, individual and societal perspectives. The collection is divided into three parts: the contemporary internationalization context the management of international employees strategic issues facing international HR managers. Supported by new research, and including work from eminent writers in the field, this book discusses issues as diverse as the relative absence of women in international work, the ethical merits of localization, and the context faced by organizations like the United Nations. It is a valuable tool for all students, researchers and practitioners working in international business and human resource management.

This book centers on business decision-making and managerial problem-solving, consistent with today's best practices' Human Resource Management Practice and Research. Real-life cases and a global focus will hold readers' interest as this book imparts valuable information about the dynamic field of human resources. Expanded coverage of international human resource issues governs this edition of the popular book; it also covers the management of work flows, job analysis, equal opportunity and the legal environment, diversity, recruitment and selection of employees, downsizing and outplacement, performance management and appraisal, workforce training, career development, compensation management, rewards and performance, employee benefits, employee relations, employee rights and discipline, organized labor, and workplace safety and health. The reference resource for human resource directors, managers, and small business owners, as well as others in leadership positions.

The Present Book Is The Most Authentic Presentation Of Contemporary Concept, Tools And Application Of Human Resource Management. All The Latest Developments In The Arena Have Been Incorporated. It Remarkably Differs From The Books On The Subject Written In A Conventional Manner As It Does Not Attempt To Rediscover Personnel Management Under The Garb Of Human Resource Management. A Separate Chapter On Strategic Human Resource Management Is The Uniqueness Of This Book. Attempt Has Been Made To Provide For The Ambitious Students And The Inquisitive Scholars A Comfortable, Genuine And Firm Grasp Of Key Concepts For Practical Application Of Human Resource Management Techniques In Actual Business Organisations. Review Questions Have Been Provided At The End Of Each Section To Help The Students Prepare Well For The Examination. In Its Description Of The Entire Conceptual Framework Of Human Resource Management, Care Has Been Taken To Avoid Jargons Which Usually Obscure A Work Of This Kind. Another Speciality Of The Book Is That It Can Be Used As A Textbook By Students And As Handbook By Hr Managers And Practitioners. It Will Be Highly Useful For The Students Of Mba/Mhrm/Mpm/Mlw/Msw In Hrm And M.Com. Courses Of All Indian Universities.

Management of Human Resources: The Essentials, Fifth Canadian Edition, recognizes that human resources are now among the most important organizational assets, and thus brings both human resources and non-human resources readers into a current and comprehensive discussion about human resources today. The term human resources refers to the employee--employer relationship in the workplace. The knowledge, skills, assets, and competencies employees bring to their work help the organization achieve its objectives; these resources provide a source of competitive advantage for organizations in a hyper-competitive, global environment. If you would like to purchase both the physical text and MyLab Management, search for: 0134860810 / 9780134860817 Management of Human Resources: The Essentials, Fifth Canadian Edition Plus MyManagementLab with Pearson eText -- Access Card Package, 5/e Package consists of: 013430506X / 9780134305066 Management of Human Resources: The Essentials, Fifth Canadian Edition, 5/e 0134882962 / 9780134882963 MyManagementLab with Pearson eText -- Standalone Access Card -- for Management of Human Resources: The Essentials, Fifth Canadian Edition, 5/e

Human Resources Management in CanadaScarborough, Ont. : Prentice-Hall CanadaHuman Resources Management in Canada, Thirteenth Canadian Edition Plus MyManagementLab XL with Pearson EText -- Access Card Package

Learn powerful communications and stakeholder management techniques that dramatically improve your ability to deliver projects successfully! Unlike other project guides, which address these issues only in passing, Mastering Project Human Resource Management offers practical, real-world guidance, in-the-trenches insights, and proven applications. You'll learn how to: Identify stakeholders and initiate communications Plan for effective HR, communications, and stakeholder management Build, develop, and manage project teams capable of powerfully effective communication and stakeholder engagement Monitor, control, and optimize the effectiveness of your communication and engagement This book is part of a new series of six cutting-edge project management guides for both working practitioners and students. Like all books in this series, it offers deep practical insight into the successful design, management, and control of complex modern projects. Using real case studies and proven applications, expert authors show how multiple functions and disciplines can and must be integrated to achieve a successful outcome. Individually, these books focus on realistic, actionable solutions, not theory.

Together, they provide comprehensive guidance for working project managers at all levels, as well as indispensable knowledge for anyone pursuing PMI/PMBOK certification or other accreditation in the field.

"This first edition is an Introduction to Human Resource Management text for students in Intro HR courses, who do not plan to become HR practitioners. It views the various HR functions through a general manager's lens, rather than an HR specialist's lens, providing a less technical and more applied introduction to the field."--

A Strategic Approach

Strategic Approach to Human Resource Management

This new text successfully integrates HR strategy with the overall business strategy, examining both how the HR function contributes to, and is affected by that strategy. It combines cutting edge coverage of issues such as performance management and measurement, with a wealth of examples, self-assessment exercises and more.

Essentials of public personnel management, for the fire service professional. Fire Service Personnel Management is written for the FESHE course Personnel Management for the Fire Service. It introduces basic concepts in public personnel management, with emphasis on fire service applications. Filled with realistic examples, the text is useful both in the classroom and as a resource for fire service managers and promotional officer candidates. The 4th edition has revised content in each chapter, including the most up-to-date personnel management concepts and practices and new information on the complex risks and hazards of professional fire service. For courses in personnel management for the fire service. Pearson eText is a simple-to-use, mobile-optimized, personalized reading experience that can be adopted on its own as the main course material. It lets students highlight and take notes all in one place, even when offline. Educators can easily customize the table of contents, schedule readings and share their own notes with students so they see the connection between their eText and what they learn in class -- motivating them to keep reading, and keep learning. And, reading analytics offer insight into how students use the eText, helping educators tailor their instruction. NOTE: This ISBN is for the Pearson eText access card. For students purchasing this product from an online retailer, Pearson eText is a fully digital delivery of Pearson content and should only be purchased when required by your instructor. In addition to your purchase, you will need a course invite link, provided by your instructor, to register for and use Pearson eText.

"I enthusiastically endorse the fourth edition of IHRM. The editors are to be congratulated for recruiting the top-rated authors in this field to contribute to this volume. The chapters are up to date, insightful, and sometimes even provocative. Students, including post-grads and advanced undergraduates, as well as savvy practitioners, will benefit from reading this volume." Neal M. Ashkanasy, Professor of Management, The University of Queensland Anne-Wil Harzing and Ashly Pinnington's bestselling textbook has guided thousands of students through their International Human Resource Management studies. The fourth edition retains the critical edge, academic rigour and breadth of coverage which have established this book as the most authoritative text on the market. The new edition by our international team of experts provides an even more stimulating journey through the core curriculum, contemporary debates and emerging issues in IHRM. New for the fourth edition: Reduced number of chapters to allow for greater depth and an improved structure ensuring fundamental topics underpin your knowledge Expanded coverage of Equality and Diversity, Corporate Social Responsibility and Sustainability and Cross-Cultural Management in line with developments in the field New Stop and Reflect feature provides an opportunity to test your understanding at regular intervals This text comes with access to a companion website containing web links, SAGE journal articles and more.

Dowling et al is a rare instance of a textbook that has developed alongside the field - helping to shape what it is today - and remains the market leading IHRM textbook worldwide. The international author team have ensured this edition is even more international than its predecessors, whilst also remaining close to curriculum developments. New edition changes include a streamlined chapter structure and a new chapter on the cultural context of IHRM. The focus on expatriates has been balanced with a stronger global management emphasis throughout. The content also reflects the current economic climate, including greater coverage of turbulence for IHRM and issues of employee separation. There is also expanded coverage of business ethics, outsourcing, emerging markets and small medium enterprises. In addition the new edition includes a wealth of case study material and class discussion material. A fully tailored CourseMate and Instructora s website will also be available to adopters. MARKET: Dowling et al is a core textbook for "International HRM" modules (IHRM) as taught at intermediate and postgraduate levels on all HRM programmes and the majority of broad-based business programmes. It is also used on some "International Management" modules. This textbook is autopackaged with CourseMate. CourseMate brings course concepts to life with interactive learning, study, and exam preparation tools that support the printed textbook and the textbook-specific website. CourseMate includes an integrated eBook and interactive teaching and learning tools including quizzes, flashcards, videos, and more and an EngagementTracker, a first-of-its-kind tool that monitors student engagement in the course.

This text is appropriate for introductory college and university Human Resource Management courses. Fundamentals of Human Resources Management in Canada provides a comprehensive review of personnel management concepts and practices in a highly readable form. It focuses on the high-performance organization-building better, faster, more competitive organizations through HR; while continuing to offer practical applications that help all managers deal with their personnel-related responsibilities. This new fundamentals text is based on two key premises: 1) HR is the most important asset in the majority of Canadian organizations today and; 2) the effective management of the employment relationship is a responsibility shared by human resources, industrial relations specialists, supervisors, managers, and increasingly employees themselves.
