

I Am A Bunny A Golden Sturdy Book

Bears and bunnies aren't supposed to mix, or that's what Chase keeps telling himself when his bouncy new neighbor won't stay out of his business--and his mind. However, the more he gets to know his overly perky neighbor, the more he craves her, a desire worse than his addiction to honey and pie. Miranda's on a mission for the Furry United Coalition, and it involves secretly guarding one grumpy ol' bear. Staying focused on the job isn't easy when all she can think about is turning his frown upside down, a task made harder when she gets a glimpse of his passion. When she hears about his theory on woodland creatures and predators not mixing, she thinks all is lost, but she didn't count on a bear's curious nature--and possessive need. When an evil force abducts Chase, Miranda unleashes her bunny in order to save him, but the revelation of her shifter side puts her in danger. Is one ornery bear enough to save her from a mad scientist? And if he does, can a bear forget her woodland creature status long enough to love her and make her his mate?

Little Bear and his father play jokes on each other at bedtime. On board pages.

A young kitten learns that you can find friends in unexpected places.

Stories, songs, and poems based on Christian parables.

I Am a Little Rabbit

Follows a baby rabbit as he travels alone through the forest looking for his family. On board pages.

"Jon Swift + Witches of Eastwick + Kelly 'Get In Trouble' Link + Mean Girls + Creative Writing Degree Hell! No punches pulled, no hilarities dodged, no meme unmangled! O Bunny you are sooo genius!" —Margaret Atwood, via Twitter "A wild, audacious and ultimately unforgettable novel." —Michael Schaub, Los Angeles Times "Awad is a stone-cold genius." —Ann Bauer, The Washington Post The Vegetarian meets Heathers in this darkly funny, seductively strange novel from the acclaimed author of 13 Ways of Looking at a Fat Girl! "We were just these innocent girls in the night trying to make something beautiful. We nearly died. We very nearly did, didn't we?" Samantha Heather Mackey couldn't be more of an outsider in her small, highly selective MFA program at New England's Warren University. A scholarship student who prefers the company of her dark imagination to that of most people, she is utterly repelled by the rest of her fiction writing cohort—a clique of unbearably twee rich girls who call each other "Bunny," and seem to move and speak as one. But everything changes when Samantha receives an invitation to the Bunnies' fabled "Smut Salon," and finds herself

inexplicably drawn to their front door--ditching her only friend, Ava, in the process. As Samantha plunges deeper and deeper into the Bunnies' sinister yet saccharine world, beginning to take part in the ritualistic off-campus "Workshop" where they conjure their monstrous creations, the edges of reality begin to blur. Soon, her friendships with Ava and the Bunnies will be brought into deadly collision. The spellbinding new novel from one of our most fearless chroniclers of the female experience, Bunny is a down-the-rabbit-hole tale of loneliness and belonging, friendship and desire, and the fantastic and terrible power of the imagination. Named a Best Book of 2019 by TIME, Vogue, Electric Literature, and The New York Public Library

One summer day a bunny hops out of the woods and into a garden. "What a wonderful garden someone has made just for me," she thinks. All summer she feasts there. In the fall, she hides from the mean old cat behind big orange pumpkins. Then, just before the snows of winter, another bunny hops into her garden. Now during the cold winter, she has a friend. And when the first flowers of spring pop up in the garden, the two bunnies are there--and so are their three little baby bunnies! This gentle story with vibrant watercolor paintings captures the essence of the four seasons.

To the surprise of many, the little country cottontail becomes one of the special Easter bunnies even though she has twenty-one children of her very own.

A Bunny is Funny

A Novel

I Am Mashmi!

It's Not Easy Being a Bunny

The Fuzzy Duckling

An adorable pet bunny tells her story of adjusting to a new life roaming free as events happen. Cute rhymes and photos aligned with the story make it fun and easy for children to identify with her and learn the important life lessons she does.

Clever, short rhymes point out traits that characterize different animals, such as an owl's keen eyesight or the beauty of a butterfly's wings.

The imaginary antics of a hamster with a humongous appetite who grows to enormous size.

In the spring a young rabbit searches the forest for a place to make his home.

The Black Hole

Rabbits for Food

A Bunny and Bird Story

I Am a Bunny ... Illustrated by Richard Scarry

It's New Year's Eve, the holiday of forced fellowship, mandatory fun, and paper hats. While dining out with her husband and their friends, an acerbic, mordantly witty, and clinically depressed writer fully unravels. Her breakdown lands her in the psych ward of a prestigious New York hospital where she refuses treatment. Instead she passes the time chronicling the lives of her fellow "lunatics" and writing a novel about how she got to this place. -- adapted from jacket

Peter disobeys his mother by going into Mr. McGregor's garden and almost gets caught.

This Beginner Book starring P.J. Funnybunny is a bunny-rific tale of discovery Meet P. J. Funnybunny in this humorous and touching Beginner Book by Marilyn Sadler and Roger Bollen. It's Not Easy Being a Bunny tells the "tail" of P.J. and his quest to become something other than what he is. Is it more fun to be a bear, a bird, or a pig? Read along as P.J. tries to determine who he is--and where he belongs. Originally created by Dr. Seuss, Beginner Books encourage children to read all by themselves, with simple words and illustrations that give clues to their meaning. "Sick of being a bunny, P. J. Funnybunny takes off to become a bear. Hibernation gets dull, so he tries being a bird. And so it goes, with beavers, pigs, possums, and skunks--till P. J. realizes that bunnyhood is for him. The short, repeating text is ideal for beginners and the bright, humorous cartoons will get immediate attention." --School Library Journal.

A brand new edition of this all-time best-selling title in Usborne's flagship That's Not My ... series. This edition has added foiling for even more tactile appeal!
